## Edgar Filing: Summit Hotel Properties, Inc. - Form 8-K/A

In the Initial Form 8-K, the Company presented unaudited pro forma condensed combined financial statements relating to the acquisitions and dispositions described above as of June 30, 2015 and for the year ended December 31, 2014 and the six months ended June 30, 2015. The Company is amending the Initial Form 8-K with the filing of this Current Report on Form 8-K/A to update the unaudited pro forma condensed combined financial statements as of March 31, 2016 and for the year ended December 31, 2015 and the three months ended March 31, 2016.

The financial information in Exhibit 99.1 with respect to the acquired hotels and pending acquisitions has not been audited and is based on information received from the respective sellers of these hotel properties.

The unaudited pro forma condensed combined balance sheet at March 31, 2016 included in Exhibit 99.1 adjusts the Company's historical consolidated balance sheet for the dispositions of the hotel properties described above in this Explanatory Note that have been or are expected to be completed subsequent to March 31, 2016 (the Pro Forma Transactions) as if the Pro Forma Transactions had been completed on March 31, 2016. No pro forma adjustments have been made to the Company's historical consolidated balance sheet as of March 31, 2016 for acquisitions or dispositions of hotel properties that occurred prior to March 31, 2016 (the Completed Transactions) as the balance sheet information related to the Completed Transactions is already included in the Company's historical consolidated balance sheet at March 31, 2016.

The unaudited pro forma condensed combined statements of operations for the three months ended March 31, 2016 and the year ended December 31, 2015 included in Exhibit 99.1 combine the Company's historical consolidated statements of income with the historical statements of operations of the completed and pending acquisitions and dispositions described above in this Explanatory Note as if the transactions had been completed on January 1, 2015.

The historical financial information included in Exhibit 99.1 is adjusted in the pro forma condensed combined financial information to give effect to pro forma events that are (1) directly attributable to the transactions described herein, (2) factually supportable, and (3) with respect to the condensed combined statements of operations, expected to have a continuing effect on the Company's combined results of operations. Please refer to the Notes to Unaudited Pro Forma Condensed Combined Financial Information included in Exhibit 99.1.

The unaudited pro forma condensed combined financial information is not necessarily indicative of or intended to represent the results that would have been achieved had the transactions been consummated as of the dates indicated or that may be achieved in the future. The Company's actual results reported in periods following the completion of the transactions may differ significantly from those reflected in these updated unaudited pro forma condensed combined financial information.

The updated unaudited pro forma condensed combined financial information should be read in conjunction with the information provided in the Company's Current Report on Form 8-K dated October 20, 2015, Current Report on Form 8-K/A dated January 4, 2016 and the historical consolidated financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015 and Quarterly Report on Form 10-Q for the quarter ended March 31, 2016.

Investors should not place undue reliance upon forward-looking statements. These statements relate to, among other things, the Company's pending sale of hotels to ARCH.
