*Under Rule 15c6-1 promulgated under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in three business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the date of pricing or the next six business days will be required, by virtue of the fact that the Notes initially will settle in T+10, to specify an alternative settlement cycle at the time of any such trade to prevent a failed settlement.
