Modification of Prospectus Supplement, dated July 17, 2015

The Prospectus Supplement, dated July 17, 2015, is modified as follows:

(1) *Introduction:* The following text is added to page S-2 before the last paragraph appearing on that page:

This prospectus supplement and the accompanying prospectus are not prospectuses for the purposes of the Prospectus Directive (as defined herein). The notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (EEA). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (MiFID II); or (ii) a customer within the meaning of Directive 2002/92/EC (IMD), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently, no key information document required by Regulation (EU) No 1286/2014 (PRIIPs Regulation) for offering or selling the notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

This prospectus supplement and the accompanying prospectus have each been prepared on the basis that any offer of the notes in any Member State of the EEA which has implemented the Prospectus Directive (each, a Relevant Member State) will only be made to a legal entity which is a qualified investor under the Prospectus Directive (Qualified Investor). Accordingly any person making or intending to make an offer in that Relevant Member State of the notes which are the subject of the offering contemplated in this prospectus supplement and the accompanying prospectus may only do so with respect to Qualified Investors. Neither we nor any of the agents have authorized, nor do they authorize, the making of any offer of the notes other than to Qualified Investors. The expression Prospectus Directive means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

(2) *United States Tax Considerations:* The text under United States Tax Considerations summarizes certain U.S. federal income tax considerations that may be relevant to a beneficial owner of a note. That text is amended as follows:

I. *Introductory paragraph* Insert the following text after the fourth sentence:

It is intended to apply only to investors who acquire their notes upon original issuance, or investors who acquire their notes in a subsequent purchase and are not members of our expanded affiliated group, as defined in the Treasury regulations under Section 385 of the Internal Revenue Code (the Code).

II. Insert the following text after the second introductory paragraph:

Edgar Filing: MCDONALDS CORP - Form FWP

Pursuant to recently enacted legislation, an accrual method taxpayer that reports revenues on an applicable financial statement generally must recognize income for U.S. federal income tax purposes no later than the taxable year in which such income is taken into account as revenue in an applicable financial statement of the taxpayer. To the extent this rule is inconsistent with the rules described below, this rule supersedes such rules. Thus, this rule could potentially require such a taxpayer to recognize income for U.S. federal income tax purposes with respect to the notes prior to the time such income would be

recognized pursuant to the rules described below. Potential investors in the notes should consult their tax advisors regarding the potential applicability of these rules to their investment in the notes.

III. Insert the following text after the introductory paragraphs:

Qualified Reopening of 4.450% Medium-Term Notes Due 2047

Notes issued as part of the qualified reopening of a previous issue of notes are treated as part of the original issue and, consequently, are deemed to have the same issue date and the same issue price as the original notes for U.S. federal income tax purposes. It is expected that this offering of the 4.450% Medium-Term Notes Due 2047 (the 2047 Notes) will meet the requirements for a qualified reopening of the initial offering of the 2047 Notes under applicable U.S. Treasury regulations and therefore that the 2047 Notes issued in this offering will have the same issue date and same issue price as the original 2047 Notes for U.S. federal income tax purposes.

IV. Under the subheading U.S. Holders Original Issue Discount Delete the following text in the first sentence:

Internal Revenue

V. Under the subheading U.S. Holders -- Information Reporting and Backup Withholding Replace 28% with 24% .

VI. Under the subheading Non-U.S. Holders Replace the existing text in its entirety with the following:

If a holder is a non-resident alien individual or a foreign corporation that is the beneficial owner of the notes (a non-U.S. holder):

(a) payments of interest (including any original issue discount) on a note made to such non-U.S. holder will not be subject to withholding of U.S. federal income tax, provided that, with respect to payments of interest on a note, (i) the non-U.S. holder does not actually or constructively own 10 percent or more of the combined voting power of all classes of our stock and is not a controlled foreign corporation related to us through stock ownership; (ii) the payments are not payments of contingent interest as described in Section 871(h)(4) of the Code (generally, interest (including original issue discount), the amount of which is determined by reference to our receipts, sales, cash flow, income, profits, property values, dividends or comparable attributes or such attributes of a party related to us); (iii) the beneficial owner provides a statement signed under penalties of perjury (typically, on IRS Form W-8BEN or W-8BEN-E) that includes its name and address and certifies that it is a non-U.S. holder in compliance with applicable requirements (or satisfies certain documentary evidence requirements for establishing that it is a non-U.S. holder); (iv) the non-U.S. holder has provided any direct or indirect information with respect to its direct and indirect U.S. owners; and (v) if the non-U.S. holder or any intermediary through which it holds notes is a foreign financial institution (as defined below), each such entity has

Edgar Filing: MCDONALDS CORP - Form FWP

entered into an agreement with the U.S. government, pursuant to which it agrees, among other responsibilities, to collect and provide to the U.S. tax

authorities information about its direct and indirect U.S. accountholders and investors, or otherwise establishes an exemption; and

(b) such non-U.S. holder will not be subject to U.S. federal income tax on gain realized on the sale, exchange or redemption of the note, provided that, (i) the gain of such holder is not effectively connected with the holder's conduct of a trade or business in the United States (and, if certain treaties apply, is not attributable to a permanent establishment maintained by the non-U.S. holder within the United States); (ii) if the non-U.S. holder is an individual holder, such holder is not present in the United States for 183 days or more in the taxable year of the sale, exchange or redemption (and does not satisfy certain other conditions); and (iii) in the case of a sale, exchange, redemption or other taxable disposition of a note effected on or after January 1, 2019, (x) the non-U.S. holder has provided any direct or indirect information with respect to its direct and indirect U.S. owners; and (y) if the non-U.S. holder or any intermediary through which it holds notes is a foreign financial institution (as defined below), each such entity has entered into an agreement with the U.S. government, pursuant to which it agrees, among other responsibilities, to collect and provide to the U.S. tax authorities information about its direct and indirect U.S. accountholders and investors, or otherwise establishes an exemption.

If U.S. tax is imposed as a result of a failure to comply with the documentation requirements described in clauses (a)(iv) and (v) or (b)(iii) above, the beneficial owner may be entitled to a refund if the required information is provided to the IRS.

For purposes of the discussion in paragraphs (a) and (b) above, a foreign financial institution generally is a non-U.S. entity that (i) accepts deposits in the ordinary course of a banking or similar business; (ii) as a substantial portion of its business, holds financial assets for the account of others; or (iii) is engaged (or holds itself out as being engaged) primarily in the business of investing, reinvesting, or trading in securities, partnership interests or commodities, or interests in securities, partnership interests or commodities.

U.S. information reporting requirements and backup withholding tax will not apply to payments on a note made to a non-U.S. holder if the statement described in paragraph (a)(iii) above is duly provided.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a holder's U.S. federal income tax liability. A holder may obtain a refund of any excess amounts withheld under the backup withholding rules by filing the appropriate claims for a refund with the IRS and furnishing the required information.

(3) *Plan of Distribution:* The text under *Plan of Distribution* is amended as follows:

I. Subheading *European Economic Area* Replace the subheading title and existing text in its entirety with the following:

PRIIPs Regulation / Prospectus Directive / Prohibition of Sales to EEA Retail Investors

Edgar Filing: MCDONALDS CORP - Form FWP

- (b) the expression **offer** includes the communication in any form and by any means of sufficient information on the terms of the offer and the notes to be offered so as to enable an investor to decide to purchase or subscribe for the notes.

II. Under the subheading **The United Kingdom** Replace the reference to **European Economic Area** with the following:

PRIIPs Regulation / Prospectus Directive / Prohibition of Sales to EEA Retail Investors

III. New subheading **Canada** Inserting the following text immediately preceding the **General** heading therein:
