PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MAY 10, 2019

This Proxy Statement is furnished to shareholders of NORTECH SYSTEMS INCORPORATED, a Minnesota corporation (the "Company"), in connection with the solicitation on behalf of the Company's Board of Directors of proxies for use at the annual meeting of shareholders to be held at the Company's office at 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369, and will be available through the following virtual meeting link <https://web.lumiagm.com/?fromurl232337670> on May 10, 2019, at 3:00 p.m., and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The address of the principal executive office of the Company is 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369. We will begin mailing this proxy statement and proxy card to shareholders on or about April 5, 2019.

SOLICITATION AND REVOCATION OF PROXIES

The Company will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, directors, officers and regular employees of the Company may solicit proxies personally or by telephone or letter with extra compensation. The Company will reimburse brokers and other custodians, nominees or fiduciaries for their expenses in forwarding proxy materials to principals and obtaining their proxies.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in this form may revoke it at any time before it is exercised by (i) giving written notice of revocation to the Secretary of the Company, (ii) delivering a duly executed proxy bearing a later date, or (iii) voting in person at the annual meeting. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specifications indicated on the proxy.

VOTING RIGHTS AND REQUIREMENTS

Only shareholders of record as of the close of business on March 25, 2019, will be entitled to sign proxies or to vote. On that date, there were 2,684,672 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares present in person or by proxy at the meeting is required to transact business, and constitutes a quorum for voting on items at the meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted as being present at the meeting in determining the quorum, but neither will be counted as a vote in favor of a matter. A broker non-vote is a proxy submitted by a bank, broker or

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

other custodian that does not indicate a vote for some of the proposals because the broker does not have or does not exercise discretionary voting authority on certain types of proposals and has not received instructions from its client as to how to vote on those proposals.

Vote Required

Election of Directors. The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at this annual meeting is required for the election to the Board of each of the nominees for director. Shareholders do not have the right to cumulate their votes in the election of directors. Plurality means that the individuals who receive the greatest number of votes cast For are elected as directors.

Say-on-Pay. The advisory vote on executive compensation in PROPOSAL 2 is not binding on us; however, we will consider the shareholders to have approved our executive compensation if the number of shares voted For the proposal exceed the number of shares voted Against the proposal. A shareholder who abstains with respect to this proposal will have no effect on its outcome.

Approval of Amendment to 2017 Stock Incentive Plan Increasing the shares reserved for issuance from 350,000 to 400,000. The approval of the proposed amendment to the 2017 Stock Incentive Plan requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are present and entitled to vote on the matter. An abstention by a shareholder with respect to this proposal will have the same effect as a vote Against the proposal.

Appointment of Independent Auditor. The ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for fiscal 2019 requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are present and entitled to vote on the matter.

Routine Versus Non-Routine Matters. Brokers can vote on their customers' behalf on routine proposals such as PROPOSAL 4, the ratification of appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm. Brokers cannot vote on their customers' behalf on non-routine proposals such as PROPOSAL 1, the election of directors, PROPOSAL 2, the advisory vote on executive compensation and PROPOSAL 3, the amendment of the 2017 Stock Incentive Plan. Because brokers require their customers' direction to vote on such non-routine matters, it is critical that shareholders provide their brokers with voting instructions.

Effect of Broker Non-Votes. If you hold your shares in street name and do not provide voting instructions to your bank, broker or other custodian, your shares will not be voted on PROPOSAL 1, PROPOSAL 2 or PROPOSAL 3 which are proposals on which your broker does not have or does not exercise discretionary authority to vote (a broker non-vote), such as may be the case with other non-routine matters for which you do not provide voting instructions. A broker non-vote on any of the proposals presented at the annual meeting will have no effect on the outcome of the proposal.

BOARD LEADERSHIP STRUCTURE

Edgar Filing: NORTECH SYSTEMS INC - Form DEF 14A

The Board has determined that the positions of Chairman of the Board and Chief Executive Officer should be held by different persons. The Board believes that this leadership structure has enhanced the Board's oversight of, and independence from, the Company's management and the Board's ability to carry out its roles and responsibilities on behalf of the shareholders.

RISK OVERSIGHT

Management and the Company's outside counsel discuss risks, both during Board meetings and in direct discussions with Board members. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation and Talent Committee; CEO succession planning is overseen by the Nominating and Corporate Governance Committee; and compliance risks are typically overseen by the full Board. Management regularly reports on each such risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or committee.

Executive Cash Compensation

The Company sets base salaries for the named executive officers at a level that is believed to enable the Company to hire and retain them in a competitive environment and to reward satisfactory individual performance and level of contribution to the Company's overall business objectives. The Compensation and Talent Committee reviews base salaries for the Company's named executive officers each year and generally approves increases for the following year in December or as soon as practicable thereafter.

In addition to base compensation, the Company provides the named executive officer an opportunity for annual performance-based bonus compensation to motivate achievement of Company-related performance goals. The performance-based bonus typically has been tied to a combination of achievement of certain financial goals and pre-established individual goals, subject to adjustments approved by the Compensation and Talent Committee. Annual incentives are paid following approval by the Compensation and Talent Committee in the year following the achievement of the goals.

The target cash compensation for named executive officers for fiscal 2019 is as follows:

	Annualized Base Salary (\$)	Target Annual Bonus (\$)	Target Annual bonus as a % of Base Salary	Total Target Cash Compensation (\$)
Jay D. Miller	\$ 400,000	\$ 200,000	50%	\$ 600,000

COMPENSATION AND TALENT COMMITTEE

The Compensation and Talent Committee is composed of the independent outside directors whose names appear below. The Committee has a charter which is available on the Company's website (www.nortechsys.com). The Committee determines the compensation of the Chief Executive Officer of the Company and recommends to the Board the compensation of the other executive officers. Compensation for executive officers includes three elements: base salaries, performance-based bonuses, equity based compensation. Salaries are based on factors such as the individual's level of responsibility and the amount of salary paid to executives with similar responsibilities in comparable companies. Performance-based bonuses are awarded based on a combination of the executive's success in meeting certain pre-established individual goals and the Company's performance in meeting certain financial goals. All equity-based compensation is designed to increase the incentive for an executive's interest in the Company's success as measured by the market value of its stock or other financial-related measures and to align the interests of the executives with those of the Company's shareholders.

The Chief Executive Officer's base compensation for 2018 was established under an amended and restated employment agreement executed on May 15, 2017. It was determined that the total compensation of the Chief Executive Officer was comparable to compensation of chief executive officers of comparable companies. The base compensation of the other executive officers was set at the level necessary to attract and retain executives performing the functions being performed by such executives.

Director Qualifications

The Company's directors play a critical role in overseeing the management of the Company and its strategic direction. The goals of the Committee are to identify and elect highly skilled and qualified directors who will be effective executing the Board's oversight and fiduciary responsibilities on behalf of shareholders, contribute to the Company's success through their expertise and diversity of thought and experience, and continue the high levels of collaboration and the healthy culture amongst the Board and management.

Qualifications for candidates are based on various criteria, such as broad business and professional skills and experiences as management or directors of other companies. committed to driving success of the Company; able to take tough positions while being a team player; commitment to active engagement in a new Board role; availability of time to serve.

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating qualified nominees for directors. The Committee periodically assesses the appropriate size and needs of the Board and whether any vacancies are anticipated. If vacancies are anticipated or if the Committee determines that the number of directors should be increased, the Committee considers possible director candidates and follows the director qualification guidelines. Candidates may come to the Committee's attention through present Board members, shareholders or other persons. After an initial review process, candidates will be evaluated by the Committee and the Committee's recommendations will then be transmitted to the entire Board. Assessment of candidates will include a variety of issues, including diversity, skills and experience in the categories identified above.

REPORT OF AUDIT COMMITTEE

The Board of Directors of the Company has adopted a charter for the Audit Committee. The charter charges the Audit Committee with the responsibility for, among other things, reviewing the Company's audited consolidated financial statements and the financial reporting process. The Company's management is responsible for the Company's internal controls and the financial reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements with generally accepted U.S. accounting principles.

In carrying out their responsibility, the Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2018. The Audit Committee has also discussed the audited consolidated financial statements with Baker Tilly Virchow Krause, LLP and affiliates ("Baker Tilly"), who served as our independent auditor for the 2017 fiscal year, including the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301, "Communications with Audit Committees," and received the written disclosures and the letter from Baker Tilly required by Rule 3526 of the Public Company Accounting Oversight Board, "Communications With Audit Committees Concerning Independence," and has discussed with Baker Tilly their independence. The Audit Committee has also considered whether Baker Tilly provided non-audit services during the last fiscal year which could impact their independence. No such services were provided by Baker Tilly.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the Company's fiscal year ended December 31, 2018.

PROPOSAL 2
APPROVAL OF ADVISORY VOTE ON COMPENSATION OF
NAMED EXECUTIVE OFFICERS

We are providing shareholders with the opportunity to vote at the annual meeting on the following advisory resolution regarding the compensation of our NEOs as described in this Proxy Statement (commonly referred to as "Say-on-Pay"):

RESOLVED, that the shareholders of Nortech Systems Incorporated approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in the compensation tables and narrative discussion contained in the "Executive Compensation" section in this Proxy Statement.

Our executive compensation programs are based on our belief that attracting, retaining and motivating talented executives is critical to the maintenance of our competitive advantage in the electronic contract manufacturing industry and to the achievement of the business goals set by the Board of Directors. Accordingly, our executive compensation programs are designed to reward executives for achievement of our pre-determined financial and business goals, while also aligning our executives' interests with those of our shareholders. We believe that we best achieve these goals by providing our executives with a mix of compensation elements that incorporate cash and equity, as well as short-term and long-term components, and that are tied to our business goals.

This advisory vote will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board of Directors or the Compensation and Talent Committee. However, the Compensation and Talent Committee will review and carefully consider the outcome of the vote. If there are a significant number of negative votes, the Compensation and Talent Committee will seek to understand the concerns that influenced the vote and consider them in making future executive compensation decisions.

Upon recommendation of the Compensation and Talent Committee of the Board, the Board unanimously recommends a vote FOR the approval of the compensation of our NEOs.

In May 2017, the Company's shareholders approved the adoption of the Nortech Systems Incorporated 2017 Stock Incentive Plan (Plan) and authorized 350,000 shares of the Company's Common Stock to be reserved for issuance under the Plan.

In March 2019, the Company's Board of Directors approved an amendment to the Plan increasing the shares reserved for issuance under the Plan from 350,000 to 400,000 , subject to approval by its shareholders at the Annual Meeting. As of March 25, 2019, the Company had no shares available to grant under the Plan.

A description of the Plan is set forth below, but such description is qualified in its entirety by reference to the full text of the Plan, a copy of which was filed along with the Company's Proxy Statement dated May 3, 2017 and is available at www.sec.gov. The Plan may also be obtained without charge upon written request to the Company's Chief Financial Officer.

Description of the Plan

Purpose. The purpose of the Plan is to increase shareholder value and to advance the interests of the Company by furnishing a variety of economic incentives designed to attract, retain and motivate employees, certain key consultants and directors of the Company.

Eligibility. The Company's employees, directors and consultants are eligible to participate in the Plan.

Shares Available. Upon approval of the amendment, the Plan will provide for the issuance of up to 400,000 shares of Common Stock of the Company, subject to adjustment of such number in the event of future increases or decreases in the number of outstanding shares of Common Stock of the Company effected as a result of stock splits, stock dividends, combinations of shares or similar transactions in which the Company receives no consideration. If any awards or grants under the Plan expire or terminate prior to exercise, the shares subject to that portion of the option or stock award are available for subsequent grants.

Term. Incentive stock options may be granted pursuant to the Plan until March 27, 2027, ten years from the date the Plan was adopted by the Board.

Administration. The Plan is administered by our Board of Directors, which may in turn delegate authority to administer the Plan to a committee. Our Board of Directors has delegated authority to administer the Plan to the Compensation and Talent Committee, but may, at any time, revert in itself some or all of the power previously delegated to the Compensation and Talent Committee. The Board of Directors is considered to be a plan administrator for purposes of this proposal. Subject to the terms of the Plan, the plan administrator may determine the recipients, numbers and types of awards to be granted, and the terms and conditions of the awards, including the period of their exercisability and vesting.

Types of Awards. Incentives under the Plan may be granted in any one or a combination of the following forms: incentive stock options and non-statutory stock options, stock appreciation rights, stock awards, restricted stock awards and restricted stock unit awards, performance share and performance cash awards, and other forms of incentives valued in whole or in part by reference to, or otherwise based on, the Company's Common Stock, including the appreciation in value thereof.

Plan Amendments and Termination. The Board of Directors may amend, modify, suspend, discontinue or terminate the Plan or any portion of the Plan at any time as it deems necessary or advisable; provided, however, any amendment or modification that (a) increases the total number of shares available for issuance pursuant to incentives granted under the Plan, (b) deletes or limits the prohibition of re-pricing incentives, or (c) requires the approval of the Company's shareholders pursuant to any applicable law, regulation or securities exchange rule or listing requirement, shall be subject to approval by the Company's shareholders. In general, however, no amendment, modification, suspension, discontinuance or termination of the Plan shall impair a participant's rights under an outstanding incentive without his or her written consent.

Registration Statement with the SEC. The Company will file a Registration Statement covering the additional shares of Common Stock authorized for issuance under the Plan with the Securities and Exchange Commission pursuant to the Securities Act of 1933. If this proposal is approved by our shareholders, the plan will become effective upon the date approved by the Board of Directors.

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership of such securities with the Securities and Exchange Commission. Officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file. With the exception of this filing, and based solely on review of the copies of Forms 3 and 4 and amendments thereto furnished to the Company during the fiscal year ended December 31, 2018, and Forms 5 and amendments thereto furnished to the Company with respect to such fiscal year, or written representations that no Forms 5 were required, the Company believes that all filing requirements of its officers, directors and greater than ten percent beneficial owners under Section 16(a) were completed on a timely basis.

QUORUM AND VOTE REQUIRED

The presence in person or by proxy of the holders of a majority of the voting power of the shares of Common Stock issued, outstanding and entitled to vote at a meeting for the transaction of business is required to constitute a quorum. The election of each director will be decided by plurality votes. As a result, any shares not voted for a director (whether by withholding authority, broker non-vote or otherwise) have no impact on the election of directors except to the extent the failure to vote for an individual, results in another individual receiving a larger number of votes. If your shares are held by a broker or nominee, you should contact such holder to determine if you may vote your shares electronically and, if so, the method and deadline for voting electronically. The deadline for voting electronically is 11:59 p.m. (ET) on May 9, 2019, for all holders—registered or beneficial. If your shares are held directly and you decide to vote electronically, please follow the directions on your proxy card.

SHAREHOLDER PROPOSALS

Proposals by shareholders (other than director nominations) that are submitted for inclusion in our proxy statement for our 2020 annual shareholders' meeting must follow the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934. To be timely under Rule 14a-8, a shareholder proposal must be received by the secretary of the Company at 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369, by December 3, 2019. Proposals received by that date will be included in the 2020 proxy statement if the proposals are proper for consideration at an annual meeting and are required for inclusion in the proxy statement by, and conform to, the rules of the Securities and Exchange Commission.

As set forth in Rule 14a-4(c)(1) under the Securities Exchange Act of 1934, if a shareholder does not submit a proposal for inclusion in our proxy statement but does wish to propose an item of business to be considered at an annual shareholders' meeting (other than director nominations), that shareholder must deliver notice of the proposal at our principal executive offices at least 45 calendar days prior to the first anniversary of the date on which we first mailed proxy materials for the preceding year's annual meeting. For our 2020 annual meeting, notices must be received on or before February 15, 2020.

A shareholder may nominate a director for election at the annual meeting or may present from the floor a proposal that is not included in the proxy statement if proper written notice is received by the secretary of the Company at its principal offices in Maple Grove, Minnesota, at least 120 days in advance of the date of the proxy statement for the prior year's annual meeting. For the 2020 annual meeting, director nominations must be received on or before December 3, 2019. Shareholder proposals that are received by the Company after that date may not be presented in any manner at the 2020 annual meeting.

If the date of our 2020 annual meeting is advanced more than 30 calendar days prior to or delayed by more than 30 calendar days after the anniversary of the 2019 annual meeting, timely notice of shareholder proposals and shareholder nominations for directors may be delivered to or mailed and received at our principal executive offices not later than the close of business on the 10th calendar day following the earlier of the date that we mail notice to our shareholders that the 2020 annual meeting will be held or the date on which we issue a press release, file a periodic report with the Securities and Exchange Commission or otherwise publicly disseminated notice that the 2020 annual meeting will be

held.
