Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

Article Six of our Articles of Incorporation provides, among other things, that our officers and directors shall not be personally liable to us or our shareholders for monetary damages for breach of fiduciary duty as an officer or a director, except for liability:

- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; or
- for unlawful payments of dividends or unlawful stock purchase or redemption by us.

Our Bylaws and the Nevada Revised Statutes also provide for indemnification of directors and officers against certain liabilities. Pursuant to our Bylaws, our officers and directors are indemnified, to the fullest extent available under Nevada law, against expenses actually and reasonably incurred in connection with threatened, pending or completed proceedings, whether civil, criminal or administrative, to which an officer or director is, was or is threatened to be made a party by reason of the fact that he or she is or was one of our officers, directors, employees or agents. We may advance expenses in connection with defending any such proceeding, provided the indemnitee undertakes to repay any such amounts if it is later determined that he or she was not entitled to be indemnified by us. Accordingly, our directors may have no liability to our shareholders for any mistakes or errors of judgment or for any act of omission, unless the act or omission involves intentional misconduct, fraud, or a knowing violation of law or results in unlawful distributions to our shareholders.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to specify in the prospectus any facts or events occurring after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information specified in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be specified in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) (Section 230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; provided, however, that paragraphs (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is specified in periodic reports filed by the Company pursuant to the provisions of Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

(2) That, for the purpose of determining any liability pursuant to the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities offered at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The company hereby undertakes that, for purposes of determining any liability pursuant to the Securities Act, each filing of the company's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising pursuant to the Securities Act may be permitted to directors, officers and controlling persons of the company pursuant to the foregoing provisions, or otherwise, the company has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the company will, unless in the opinion of its counsel that matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by the company is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
