PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD DECEMBER 9, 2005

TO OUR STOCKHOLDERS:

This Proxy Statement is furnished to our stockholders for use at our Annual Meeting of Stockholders to be held at The Hanover Marriott, 1401 Route 10 East, Whippany, New Jersey 07981 on Friday, December 9, 2005, at 9:30 a.m. (local time), or at any adjournment or adjournments thereof (the "Annual Meeting"). Emerson's stockholders of record as of the close of business on October 13, 2005 (the "Record Date") are entitled to vote at the Annual Meeting. We expect to begin mailing this Proxy Statement and the enclosed proxy card to our stockholders on or about November 11, 2005.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the Record Date to vote on each of the proposals properly brought before the Annual Meeting. As of the Record Date, there were 27,047,666 shares of our common stock, par value \$.01 per share, issued and outstanding and entitled to vote at the Annual Meeting. Each outstanding share of our common stock is entitled to one vote.

The holders of a majority of our outstanding shares of common stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained. Assuming that a quorum is present, directors will be elected by a plurality vote and the five nominees who receive the most votes will be elected. There is no right to cumulate votes in the election of directors. The ratification of all other proposals will require the affirmative vote of a majority of the shares present and entitled to vote with respect to such proposal. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present and do not have an effect on the election of directors. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote, and will be counted as a "no" vote on all other matters. Broker non-votes are treated as not entitled to vote, and so reduce the absolute number, but not the percentage of votes needed for approval of a matter. Holders of the common stock will not have any dissenters' rights of appraisal in connection with any of the matters to be voted on at the Annual Meeting.

3

The accompanying proxy card provides space for you to vote in favor of, or to withhold voting for, (i) the nominees for the Board of Directors and (ii) the ratification of the appointment of BDO Seidman, LLP as independent

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

registered public accountants of Emerson for the fiscal year ending March 31, 2006. The Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder's instructions. The proxies we have designated for the stockholders are Geoffrey P. Jurick and Guy A. Paglinco. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the Annual Meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to us and you have made no specifications with respect to voting matters, your shares will be voted FOR (i) the election of the nominees for director and (ii) the ratification of the appointment of BDO Seidman, LLP as independent registered public accountants of Emerson for the fiscal year ending March 31, 2006 and, at the discretion of the proxies designated by us, on any other matter that may properly come before the Annual Meeting or any adjournment(s).

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying Emerson's Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the Annual Meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the Annual Meeting we have received notice of such revocation.

At least ten days before the Annual Meeting of Stockholders, we will make a complete list of the stockholders entitled to vote at the meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at our offices at Nine Entin Road, Parsippany, New Jersey 07054, and will also be made available to stockholders present at the meeting.

4

PROPOSAL I: ELECTION OF DIRECTORS

Five directors are proposed to be elected at the Annual Meeting. If elected, each director will hold office until the next annual meeting of our stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

All nominees named in this proxy statement, except Michael A. B. Binney, are members of our present Board of Directors. All nominees have consented to serve if elected and we have no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies will be voted for the election of a substitute as the Board of Directors may recommend, (ii) the Board of Directors may reduce the number of directors to eliminate the vacancy or (iii) the Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

Nominations for election to the Board may be made by the Board, upon recommendation of our Nominating Committee, or by any stockholder of any outstanding class of capital stock of Emerson entitled to vote for the election

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

of directors. The following procedures (the "Minimum Procedures") shall be utilized in considering any candidate for election to the Board at an annual meeting, other than candidates who have previously served on the Board or who are recommended by the Board. A nomination must be delivered to the Secretary of Emerson at our principal executive offices not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by us. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. A nomination notice must set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable our Nominating Committee to determine whether the candidate satisfies the minimum criteria and any additional criteria established by our Nominating Committee.

BOARD OF DIRECTORS AND COMMITTEES

Our business is managed under the direction of our Board of Directors. During the fiscal year ended March 31, 2005 ("Fiscal 2005"), our Board of Directors consisted of Messrs. Bunger, Farnum, Morey and Jurick and Robert H. Brown, Jr., who passed away on August 12, 2005.

The Board of Directors meets periodically during our fiscal year to review significant developments affecting Emerson and to act on matters requiring Board of Director approval. The Board of Directors held ten (10) formal meetings during Fiscal 2005 and acted by unanimous written consent one (1) time. During Fiscal 2005, each member of the Board of Directors participated in at least 90% of the aggregate of all meetings of the Board of Directors, and in at least 66% of the aggregate of all meetings of committees on which such member served, that were held during the period. The functions of our Audit Committee, Compensation and Personnel Committee, Nominating Committee and Special Committee and their current members are described below. No member of any of the committees is an employee of Emerson.

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

The Board of Directors is responsible for the management and direction of Emerson and for establishing broad corporate policies. It has initiated actions consistent with the Sarbanes-Oxley Act of 2002, the Securities and Exchange Commission (the "SEC") and The American Stock Exchange ("AMEX"). The Board of Directors has determined that Messrs. Bunger, Farnum and Morey satisfy, and Mr. Brown had satisfied, the independence standards of AMEX and the SEC's Rule 10A-3. The Board of Directors has also determined that Herbert A. Morey constitutes our "audit committee financial expert," as such term is defined by the SEC. Emerson has a policy of encouraging, but not requiring, its Board members to attend annual meetings of stockholders. Last year each of Emerson's directors, other than Mr. Morey, attended the annual meeting of stockholders.

Audit Committee. Our Audit Committee is presently comprised of Messrs. Morey (Chairman) and Farnum. Prior to his death, Mr. Brown was a member of the Audit Committee. During Fiscal 2005, the Audit Committee performed its duties under a written charter approved by the Board of Directors and formally met six (6) times. The Audit Committee Charter was amended by the Board of Directors to permit a minimum of two (2) members. All remaining provisions of the Company's Audit Committee Charter remain unchanged and in full force and effect. A copy of the amended Audit Committee Charter is attached as Annex A hereto and is posted on our website: www.emersonradio.com on the Investor Relations page.

The Audit Committee is empowered by the Board of Directors to, among other things: serve as an independent and objective party to monitor Emerson's financial reporting process, internal control system and disclosure control system; review and appraise the audit efforts of Emerson's independent accountants; assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and Emerson's management regarding financial reporting issues; and provide the opportunity for direct communication among the independent accountants, financial and senior management, and the Board of Directors.

Compensation and Personnel Committee. Our Compensation and Personnel Committee is presently comprised of Messrs. Bunger and Farnum. Prior to his death, Mr. Brown was Chairman of our Compensation and Personnel Committee. The Compensation and Personnel Committee (i) makes recommendations to the Board of Directors concerning remuneration arrangements for senior executive management; (ii) administers our stock option plans; and (iii) makes such reports and recommendations, from time to time, to the Board of Directors upon such matters as the Compensation and Personnel Committee may deem appropriate or as may be requested by the Board of Directors. During Fiscal 2005, the Compensation and Personnel Committee formally met five (5) times and acted by unanimous written consent one (1) time.

Nominating Committee. Our Nominating Committee is presently comprised of Messrs. Bunger, Farnum and Morey. Prior to his death, Mr. Brown was a member of our Nominating Committee. Effective August 30, 2005, Mr. Morey was appointed to Mr. Brown's seat on the Nominating Committee as Chairman.

10

The Nominating Committee is empowered by the Board of Directors to, among other functions: recommend to the Board of Directors qualified individuals to serve on Emerson's Board of Directors and to identify the manner in which the Nominating Committee evaluates nominees recommended for the Board of Directors. Our Nominating Committee did not meet during Fiscal 2005 but did meet recently to recommend to the Board of Directors the persons named in this Proxy Statement to serve on the Board of Directors. The Board has adopted a Nominating Committee Charter to govern its Nominating Committee, which was filed as Exhibit 3 to our

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

Proxy Statement for the fiscal year ended March 31, 2004, filed as of July 20, 2004. The Nominating Committee Charter is posted on our website: www.emersonradio.com on the Investor Relations page.

Special Committee. Our Special Committee is presently comprised of Mr. Morey. Prior to his death, Mr. Brown was also a member of the Special Committee. The Special Committee is empowered by the Board of Directors to, among other things, supervise, review and direct our participation, if any, in any sale of shares of Common Stock owned by Mr. Jurick, including the proposed sale of Mr. Jurick's shares of our common stock to an affiliate of The Grande Holdings Limited. During Fiscal 2005, the Special Committee formally met four (4) times.

CODES OF ETHICS

We have adopted a Code of Ethics for Senior Financial Officers ("Code of Ethics") that applies to our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller and Treasurer. This Code of Ethics was established with the intention of focusing Senior Financial Officers on areas of ethical risk, providing guidance to help them recognize and deal with ethical issues, providing mechanisms to report unethical conduct, fostering a culture of honesty and accountability, deterring wrongdoing and promoting fair and accurate disclosure and financial reporting.

We have also adopted a Code of Conduct for Officers, Directors and Employees of Emerson Radio Corp. and Its Subsidiaries ("Code of Conduct"). We prepared this Code of Conduct to help all officers, Directors and employees understand and comply with our policies and procedures. Overall, the purpose of our Code of Conduct is to deter wrongdoing and promote (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in other public communications made by us; (iii) compliance with applicable governmental laws, rules and regulations; (iv) prompt internal reporting of code violations to an appropriate person or persons identified in this Code of Conduct; and (v) accountability for adherence to the Code of Conduct.

The Code of Ethics and the Code of Conduct are posted on our website: www.emersonradio.com on the Investor Relations page. If we make any substantive amendments to, or grant any waiver (including any implicit waiver) from a provision of the Code of Ethics or the Code of Conduct, and that relates to any element of the Code of Ethics definition enumerated in Item 406 (b) of Regulation S-K, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Section 16(a)") requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the American Stock Exchange. Officers, directors and greater than 10% stockholders are required by certain regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms received by us, we believe that, during Fiscal 2005, our officers, directors and greater than 10% beneficial owners have complied with all applicable filing requirements with respect to our equity securities.

1. The stock options were granted under the Emerson Radio Corp. 2004 Employee Stock Incentive Plan and, unless otherwise designated at the time of grant, are exercisable commencing one year after the grant date in three equal annual installments, with full vesting occurring on the third anniversary of the date of the grant.
2. The dollar amounts under these columns are the result of calculations at the assumed compounded market appreciation rates of 5% and 10% as required by the SEC over a ten-year term and, therefore, are not intended to forecast possible future appreciation, if any, of the stock price. The disclosure assumes the options will be held for the full ten-year term prior to exercise. Such options may be exercised prior to the end of such ten-year term. The actual value, if any, an executive officer may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised. There can be no assurance that the stock price will appreciate at the rates shown in the table.

OPTION EXERCISES DURING FISCAL 2005 AND FISCAL 2005 YEAR END VALUES

The following table provides information related to options exercised by our executive officers during Fiscal 2005 and the number and value of options held at the end of Fiscal 2005 by our executive officers. We do not have any outstanding stock appreciation rights.

CERTAIN EMPLOYMENT AGREEMENTS

Effective as of September 1, 2001, Geoffrey P. Jurick, our Chairman, Chief Executive Officer and President, entered into three-year employment agreements (the "Jurick Employment Agreements") with us and two of our wholly-owned subsidiaries, Emerson Radio (Hong Kong) Limited and Emerson Radio International Ltd. (formerly Emerson Radio (B.V.I.) Ltd.) (hereinafter, collectively the "Companies"), providing for an aggregate annual compensation of \$411,600, which was increased to \$440,000 effective April 1, 2003, subject to adjustment in the event that Mr. Jurick's employment with SSG is terminated. In the event Mr. Jurick's employment with SSG is terminated, the salary he receives under the Jurick Employment Agreement shall be increased by that amount of salary he was receiving from SSG at the time his employment was terminated. By letter agreement dated effective as of September 1, 2004, the terms of the Jurick Employment Agreements were extended through and including August 31, 2007, with a present base salary of \$500,000 from Emerson. In addition to his base salary, Mr. Jurick is entitled to an annual bonus upon recommendation by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors. On July 1, 2005, Emerson sold its beneficial ownership interest in SSG. As a result, under the terms of the Jurick Employment Agreements, Mr. Jurick's annual compensation, commencing July 1, 2005, was increased by \$250,000 (the amount of salary he was receiving from SSG at the time his employment was terminated) to an aggregate of \$750,000.

Each of the Jurick Employment Agreements grants to Mr. Jurick severance benefits, through expiration of the respective terms of each of such agreements, commensurate with Mr. Jurick's base salary, on the condition that his employment is terminated due to permanent disability, without cause or as a result of constructive discharge (as defined therein). In the event that Mr. Jurick's employment terminates due to termination for "cause", because Mr. Jurick unilaterally terminates the agreements or for reasons other than constructive discharge or permanent disability, Mr. Jurick shall only be entitled to base salary earned through the applicable date of termination. The Jurick Employment

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

Agreements also contain non-competition provisions which require that, during his employment and through the end of any period in which he receives severance, Mr. Jurick (i) shall not be employed by, have any proprietary interest in or receive any remuneration from any entity in competition with Emerson, and (ii) shall not solicit any of Emerson's customers or clients on behalf of any of Emerson's competitors. Similar provisions are set forth in policies that are incorporated into each of the employment contracts described below.

Effective September 1, 2001, John J. Raab, Chief Operating Officer and Senior Executive Vice President, entered into a three-year employment agreement (the "Raab Employment Agreement") with us, providing for an annual compensation of \$250,000, which was increased to \$257,500, effective April 1, 2002, and \$275,000, effective April 1, 2003. By letter agreement dated effective as of September 1, 2004, the term of the Raab Employment Agreement was extended through and including August 31, 2007, and his annual compensation was increased to \$286,000, effective April 1, 2005. In addition to his base salary, Mr. Raab may also receive an additional annual performance bonus to be recommended by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors.

Effective September 1, 2001, Elizabeth J. Calianese, General Counsel, Senior Vice President - Human Resources and Secretary, entered into a three-year employment agreement (the "Calianese Employment Agreement") with us providing for an annual compensation of \$200,000, which was increased to \$206,000, effective April 1, 2002, and \$220,000 effective April 1, 2003. By letter agreement dated effective as of September 1, 2004, the term of the Calianese Employment Agreement was extended through and including August 31, 2007, and her annual compensation was increased to \$228,800, effective April 1, 2005. In addition to her base salary, Ms. Calianese is entitled to an annual performance bonus to be recommended by the Compensation and Personnel Committee of our Board of Directors, subject to the final approval of our Board of Directors. We have also agreed for the term of the Calianese Employment Agreement and three years thereafter to pay for and maintain legal malpractice insurance covering Ms. Calianese for occurrences and actions taken by her at any time prior to or during the term of such agreement on behalf of our employees or us. We have also agreed to pay all sums, which may be deductible amounts, not otherwise paid by such insurer.

17

Effective August 8, 2003, we granted Patrick Murray a one-year severance agreement in the event his employment with us is terminated other than for cause (as defined therein).

Effective June 14, 2005, we granted Guy A. Paglinco a one-year severance agreement in the event his employment with us is terminated other than for cause (as defined therein).

In the event that Messrs. Jurick, Raab and Ms. Calianese were to be terminated due to permanent disability, without cause or as a result of constructive discharge, the estimated dollar amount to be paid after March 31, 2005, to each such individual, based on the terms of their respective contracts, would be \$1,750,000, \$691,000, and \$553,000, respectively. In the event that Messrs. Murray and Paglinco were terminated other than for cause, the estimated dollar amount to be paid after March 31, 2005, based on their severance agreements, would be \$380,000 and \$182,000, respectively.

REPORT OF COMPENSATION AND PERSONNEL COMMITTEE

The Compensation and Personnel Committee of our Board of Directors (the "Compensation Committee") oversees our senior executive compensation strategy. The strategy is implemented through policies designed to support the achievement of our business objectives and the enhancement of stockholder value. Our Compensation Committee reviews, on an ongoing basis, all aspects of senior executive compensation and its policies support the following objectives:

18

- o The reinforcement of management's concern for enhancing stockholder value.
- o The attraction, hiring and retention of qualified executives.
- o The provision of competitive compensation opportunities for exceptional performance.

The basic elements of our senior executive compensation strategy are:

BASE SALARY. Base salaries for our senior executive managers represent compensation for the performance of defined functions and assumption of defined responsibilities. The Compensation Committee reviews each senior executive's base salary on an annual basis. In determining salary adjustments, the Compensation Committee considers our growth in earnings and revenues and the executive's performance level, as well as other factors relating to the executive's specific responsibilities. Also considered are the executive's position, experience, skills, potential for advancement, responsibility, and current salary in relation to the expected level of pay for the position. Our Compensation Committee exercises its judgment based upon the above criteria and does not apply a specific formula or assign a weight to each factor considered.

ANNUAL INCENTIVE COMPENSATION. At the beginning of each year, our Board of Directors establishes our performance goals for that year, which may include target increases in sales, net income and earnings per share, as well as more subjective goals with respect to marketing, product introduction and expansion of customer base. Bonuses awarded to executive officers are discretionary based primarily upon individual achievement.

LONG-TERM INCENTIVE COMPENSATION. Our long-term incentive compensation for management and employees consists of stock options awarded under our stock option plans.

Our Compensation Committee views the granting of stock options as a significant method of aligning management's long-term interests with those of

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

the stockholders and determines awards to executives based on its evaluation of criteria that include responsibilities, compensation, past and expected contributions to the achievement of our long-term performance goals. Stock options are designed to focus executives on our long-term performance by enabling them to share in any increases in value of our stock.

Our Compensation Committee encourages executives, individually and collectively, to maintain a long-term ownership position in our stock. The Compensation Committee believes this ownership, combined with a significant performance-based incentive compensation opportunity, forges a strong link between our executives and stockholders.

19

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Mr. Geoffrey P. Jurick is our Chief Executive Officer, Chairman of the Board of Directors and President. The Compensation Committee considered the results in all aspects of our business, and Mr. Jurick's performance during Fiscal 2005.

Mr. Jurick's annual compensation for Fiscal 2005 was comprised of an annual base salary of \$500,000. In Fiscal 2005, Mr. Jurick also received \$250,000 in salary for the services he rendered to SSG. See "Summary Compensation Table".

POLICY ON QUALIFYING COMPENSATION

Our Board of Directors has considered the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Section 162(m) generally provides that a publicly held company's deduction for compensation paid to its covered employees is limited to \$1 million per year, subject to certain exceptions. Our policy is to qualify, to the extent reasonable, our executive officers' compensation for deductibility under applicable tax laws. However, the Board of Directors believes that its primary responsibility is to provide a compensation program that will attract, retain and reward the executive talent necessary to our success. Consequently, the Board of Directors recognizes that the loss of a tax deduction could be necessary in some circumstances.

This report is submitted by the members of the Board of Directors and the Compensation and Personnel Committee that were in existence at the end of Fiscal 2005.

AUDIT COMMITTEE MATTERS

Audit Committee Charter. The Audit Committee performed its duties

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

during Fiscal 2005 under a written charter approved by the Board of Directors and filed as Annex A to our Proxy Statement for fiscal 2003, filed as of July 29, 2003. The Audit Committee Charter was amended to permit a minimum of two (2) members. A copy of the amended charter is attached hereto as Annex A.

Audit Committee Financial Expert. The Board of Directors has determined that Herbert A. Morey constitutes our "audit committee financial expert," as such term is defined by the SEC.

20

Independence of Audit Committee Members. Our common stock is listed on AMEX and we are governed by the listing standards of such exchange. All members of the Audit Committee of the Board of Directors have been determined to be "independent directors" under the listing standards of AMEX.

REPORT OF THE AUDIT COMMITTEE

This report shall not be deemed "soliciting material" or incorporated by reference in any filing by us under the Securities Act or the Exchange Act except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under either act.

Through March 2005, the Audit Committee was comprised of Messrs. Brown (now deceased), Farnum and Morey. All members of the Audit Committee have been determined to be independent as defined by the listing standards of the American Stock Exchange.

In this context, the Audit Committee has reviewed the audited consolidated financial statements and have met and held discussions with management and BDO Seidman, LLP, Emerson's independent auditors ("BDO"). Management has represented to the Audit Committee that Emerson's consolidated financial statements were prepared in accordance with generally accepted accounting principles. Our independent auditors are responsible for performing an independent audit of Emerson's financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report on those financial statements. The Audit Committee is responsible for monitoring and overseeing these processes. The Audit Committee also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, which includes, among other items, matters related to the conduct of the audit of Emerson's financial statements:

- o methods to account for significant unusual transactions;
- o the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- o the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- o disagreements, if any, with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements (there were no such disagreements).

The independent auditors also provided the Audit Committee with written disclosures and the letter required by Independence Standards Board Standard No. 1, which relates to the auditors' independence from Emerson and its related entities, and the Audit Committee discussed with the independent auditors their

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

independence. This standard further requires the auditors to disclose annually in writing all relationships that in the auditors' professional opinion may reasonably be thought to bear on their independence, confirm their perceived independence and engage in the discussion of independence.

21

Based on the Audit Committee's discussions with management and the independent auditors, as well as the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended to the Board of Directors that Emerson's audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended March 31, 2005, and filed with the SEC.

The Audit Committee has selected BDO to be retained as Emerson's independent certified public accountants to conduct the annual audit and to report on, as may be required, the consolidated financial statements that may be filed by Emerson with the SEC during the ensuing year.

FEES BILLED FOR SERVICES RENDERED BY PRINCIPAL ACCOUNTANT

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by our independent accountants, BDO, is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered. Prior to March 31, 2004, when BDO was retained by us as our independent accountants, Ernst & Young, LLP ("Ernst & Young") served as our independent accountants during Fiscal 2004.

- >> Audit Fees. Audit fees billed to us by BDO for the audit of the financial statements included in our Annual Reports on Form 10-K, and reviews by Ernst & Young and BDO of the financial statements included in our Quarterly Reports on Form 10-Q, for the fiscal years ended March 31, 2004 and 2005 totaled approximately \$258,000 and \$242,000, respectively.
- >> Audit-Related Fees. We were billed \$11,000 and \$16,000 by BDO for the fiscal years ended March 31, 2004 and 2005, respectively, for assurance and related services that are reasonably related to the performance of the audit or review of Emerson's financial statements and are not reported under the caption Audit Fees above.
- >> Tax Fees. BDO billed us an aggregate of \$117,000 and \$196,000, for the fiscal years ended March 31, 2004 and 2005, respectively, for tax services, principally related to the preparation of income tax returns and related consultation.

22

- >> All Other Fees. We were billed \$195,000 and \$0 by BDO for the fiscal years ended March 31, 2004 and 2005, respectively, for permitted non-audit services, principally consultation related to

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

mergers and acquisitions.

Applicable law and regulations provide an exemption that permits certain services to be provided by our outside auditors even if they are not pre-approved. We have not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

CHANGE IN ACCOUNTANTS

As discussed above and previously reported in a Form 8-K dated April 2, 2004, on March 31, 2004, we retained the services of BDO as our independent auditors to replace our former independent auditors, Ernst & Young. This engagement and replacement was approved by our Board of Directors on the recommendation of our Audit Committee. During our two recent fiscal years ended March 31, 2003 and March 31, 2004, respectively, we did not consult with BDO regarding any matters noted in Items 304(a) of Regulation S-K. BDO has provided tax services to us during the fiscal years ended March 31, 2003, 2004 and 2005 and is expected to continue to provide such services to us.

There have been no "disagreements" within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or any events of the type listed in Item 304(a)(1)(v)(A) through (D) of Regulation S-K, involving Ernst & Young that occurred within our two recent fiscal years ended March 31, 2003 and March 31, 2004, respectively. Ernst & Young's report on our financial statements for the fiscal year ended March 31, 2003 did not contain any adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

NOMINATING COMMITTEE MATTERS

Nominating Committee Charter. The Board has adopted a Nominating Committee charter to govern its Nominating Committee, a copy of which was filed as Exhibit 3 to our Proxy Statement for Fiscal 2004, filed as of July 29, 2004.

Independence of Nominating Committee Members. All members of the Nominating Committee of the Board of Directors have been determined to be "independent directors" under the AMEX rules.

23

Procedures for Considering Nominations Made by Stockholders. The Nominating Committee's charter describes procedures for nominations to be submitted by stockholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. Our charter states that a nomination must be delivered to the Secretary of Emerson at our principal executive offices not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by us. The public announcement of an adjournment or postponement of an annual meeting will not commence a new time period (or extend any time period) for the giving of a notice as described above. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate satisfies the criteria established by the Nominating Committee, as described below.

Qualifications. The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

- o must satisfy any legal requirements applicable to members of the Board;
- o must have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;
- o must have a reputation in Emerson's industry, for honesty and ethical conduct;
- o must have a working knowledge of the types of responsibilities expected of members of a board of directors of a public corporation; and
- o must have experience, either as a member of the board of directors of another public or private company or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Identification and Evaluation of Candidates for the Board. Candidates to serve on the Board will be identified from all available sources, including recommendations made by stockholders. The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by stockholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

- o a review of the information provided to the Nominating Committee by the proponent;

24

- o a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and
- o a personal interview of the candidate;
- o together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations. In connection with the potential purchase of 10,000,000 shares of our common stock owned by Mr. Jurick by The Grande Holding Limited, the Nominating Committee considered and approved the nomination of Michael A. B. Binney to our Board of Directors, subject to approval by our stockholders at the Annual Meeting.

The following graph shows a comparison of cumulative total returns on our common stock for the period April 1, 2000 to March 31, 2005, with the cumulative total return over the same period for the American Stock Exchange and a peer group of companies. Companies used for the peer group are Boston Acoustics, Inc., Cobra Electronics Corp., Concord Camera Corp., Koss Corp. and Pioneer Corporation. In selecting companies to be part of the peer group, we focus on publicly traded companies that design and/or distribute consumer electronic products, which have characteristics similar to ours in terms of one or more of the following: type of product, distribution channels, sourcing or sales volume. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIP WITH SPORT SUPPLY GROUP, INC.

On July 1, 2005, we and Emerson Radio (Hong Kong) Limited ("Emerson HK"), our wholly owned subsidiary, sold all of the issued and outstanding shares of SSG common stock that we owned, aggregating 4,746,023 shares, or approximately 53.2% ownership of SSG, for \$32 million or \$6.74 per share.

Prior to July 1, 2005 and during Fiscal 2005, our Board of Directors included the following people that were associated with SSG: Geoffrey P. Jurick,

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

our Chairman, Chief Executive Officer and President and Chairman and Chief Executive Officer of SSG, and Peter G. Bunger, a Director of both companies and member of the Compensation Committee of each company.

During 1997, we entered into a management services agreement with SSG in an effort to share certain administrative and logistic functions and to enable SSG and Emerson to reduce certain costs. In connection with the sale of our interest in SSG, the management services agreement was amended to permit termination of various defined Transition Services on one hundred twenty (120) days' prior notice by either Emerson or SSG in order to facilitate the parties' transition of the Transition Services to another provider. We incurred net fees of \$206,000, \$319,000 and \$307,000 for services provided pursuant to this agreement during Fiscal 2005, 2004 and 2003, respectively.

FUTURE TRANSACTIONS

We have adopted a policy that all future affiliated transactions will be made or entered into on terms no less favorable to us than those that can be obtained from unaffiliated third parties. In addition, all future affiliated transactions, must be approved by a majority of the independent outside members of our Board of Directors who do not have an interest in the transactions.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS INDEPENDENT AUDITORS OF EMERSON FOR THE FISCAL YEAR ENDING 2006

The Audit Committee has reappointed BDO Seidman, LLP as independent registered accountants to audit the financial statements of Emerson for the fiscal year ending March 31, 2006, and has further directed that management submit the selection of independent registered accountants for ratification by our stockholders at the Annual Meeting of Stockholders. Stockholder ratification of the selection of BDO is not required by our by-laws or otherwise. However, we are submitting the selection of BDO to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain BDO. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of Emerson and its stockholders.

Representatives of the firm of BDO are expected to be present at the Annual Meeting of Stockholders and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

VOTE REQUIRED

The affirmative vote of a majority of the votes cast at the meeting at which a quorum representing a majority of all outstanding shares of our common stock is present and voting, either in person or by proxy, is required for the ratification of our independent registered accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS INDEPENDENT AUDITORS OF EMERSON FOR THE FISCAL YEAR ENDING MARCH 31, 2006.

EMERSON RADIO CORP.

AUDIT COMMITTEE CHARTER

AMENDED AS OF SEPTEMBER 13, 2005

I. STATEMENT OF POLICY

The Audit Committee shall assist the Board of Directors (the "Board") of Emerson Radio Corp. ("Emerson") in fulfilling its oversight responsibility by reviewing the accounting and financial reporting processes of Emerson and its subsidiaries (collectively, the "Company"), the Company's system of internal controls regarding finance, accounting, legal compliance and ethics, and the audits of the Company's financial statements. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communications among the Company's Board of Directors, outside auditors and senior management. The Audit Committee's primary responsibilities and duties are:

- o Serve as an independent and objective party to monitor the Company's financial reporting process, internal control system and disclosure control system.
- o Review and appraise the audit efforts of the Company's independent accountants.
- o Assume direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditors and for the resolution of disputes between the outside auditors and the Company's management regarding financial reporting issues.
- o Provide an open avenue of communication among the independent accountants, financial and senior management and the Board.

The Audit Committee will primarily fulfill these responsibilities by carrying out the activities identified in Section IV of this Charter.

The Company shall be responsible for providing the Audit Committee with appropriate funding, as determined by the Audit Committee, in order to compensate the outside auditors and advisors engaged by or employed by the Audit Committee.

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

II. COMPOSITION OF THE AUDIT COMMITTEE

The Audit Committee shall consist of at least two (2), but no greater than three (3), "independent" Directors of Emerson and shall serve at the pleasure of the Board. An "independent" Director is defined as an individual who (a) is not an officer or salaried employee or an affiliate of the Company, (b) does not have any relationship that, in the opinion of the Board, would interfere with his or her exercise of independent judgment as an Audit Committee member, (c) meets the independence requirements of the Securities and Exchange Commission (the "SEC") and the American Stock Exchange or such other securities exchange or market on which Emerson's securities are traded and (d) except as permitted by the SEC and the American Stock Exchange or such other securities exchange or market on which Emerson's securities are traded, does not accept any consulting, advisory or other compensatory fee from the Company.

Emerson shall use its best efforts to ensure that at least one member of the Audit Committee shall be a "financial expert" as defined by the SEC and the American Stock Exchange or such other securities exchange or market on which Emerson's securities are traded. Each Audit Committee member must be able to read and understand financial statements, including a balance sheet, income statement, and cash flow statement.

The members of the Audit Committee shall be designated by the full Board from time to time. The Board shall designate one member of the Audit Committee to serve as chairperson of the committee.

III. MEETINGS AND MINUTES

The Audit Committee shall meet at least quarterly, with additional meetings if circumstances require, for the purpose of satisfying its responsibilities. The Audit Committee shall maintain minutes of each meeting of the Audit Committee and shall report the actions of the Audit Committee to the Board, with such recommendations as the Audit Committee deems appropriate.

IV. RESPONSIBILITIES AND DUTIES OF THE AUDIT COMMITTEE

The Audit Committee shall oversee and monitor the Company's accounting and financial reporting process, internal control system and disclosure control system, review the audits of the Company's financial statements and review and evaluate the performance of the Company's outside auditors. In fulfilling these duties and responsibilities, the Audit Committee shall take the following actions, in addition to performing such functions as may be assigned by law, the Company's certificate of incorporation, the Company's bylaws or the Board.

1. The Audit Committee shall assume direct responsibility for the appointment, retention and oversight of the work of the outside auditors and, when appropriate, the replacement of the outside auditors. As part of the audit process, the Audit Committee shall meet with the outside auditors to discuss and decide the audit's scope. The Audit Committee shall determine that the outside audit team engaged to perform the external audit consists of competent, experienced, auditing professionals. The Audit Committee shall also review and approve the compensation to be paid to the outside auditors and shall be authorized to compensate the outside auditors.

2. The Audit Committee shall take, or recommend that the full Board take, appropriate action to ensure the independence of the outside auditors. The Audit Committee shall require the outside auditors to advise the

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

Company of any fact or circumstances that might adversely affect the outside auditors' independence or judgment with respect to the Company under applicable auditing standards. The Audit Committee shall require the outside auditors to submit, on an annual basis, a formal written statement setting forth all relationships between the outside auditors and the Company that may affect the objectivity and independence of the outside auditors. Such statement shall confirm that the outside auditors are not aware of any conflict of interest prohibited by Section 10A(1) of the Securities Exchange Act of 1934 (the "Exchange Act"). The Audit Committee shall actively engage in a dialogue with the outside auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditors.

3. The Audit Committee shall require the outside auditors to advise the Audit Committee, or a member of the Audit Committee who has the authority to pre-approve services ("Approving Member") and obtain full committee approval at the next Audit Committee Meeting, in advance in the event that the outside auditors intend to provide any professional services to the Company other than services provided in connection with an audit or a review of the Company's financial statements ("non-audit services"); provided that such non-audit services are not listed in Section 10A(g) of the Exchange Act ("prohibited services"). The Audit Committee or the Approving Member shall approve, in advance, any non-audit services to be provided to the Company by the Company's outside auditing firm.
 4. The Audit Committee shall obtain confirmations from time to time from the Company's outside auditing firm that such firm is not providing to the Company (i) any prohibited services, or (ii) any other non-audit service or any auditing service that has not been approved in advance by the Audit Committee. The Audit Committee shall have the authority to approve the provision of non-audit services that have not been pre-approved by the Audit Committee, but only to the extent that such non-audit services qualify under the de minimus exception set forth in Section 10A(i)(1)(B) of the Exchange Act. The Audit Committee shall record in its minutes and report to the Board all approvals of non-audit services granted by the Audit Committee.
 5. The Audit Committee shall meet with the outside auditors, with no management in attendance, to openly discuss the quality of the Company's accounting principles as applied in its financial reporting, including issues such as (a) the appropriateness, not just the acceptability, of the accounting principles and financial disclosure practices used or proposed to be used by the Company, (b) the clarity of the Company's financial disclosures and (c) the degree of aggressiveness or conservatism that exists in the Company's accounting principles and underlying estimates and other significant decisions made by the Company's management in preparing the Company's financial disclosures. The Audit Committee shall then meet, without operating management or the outside auditors being present, to discuss the information presented to it.
- 33
6. The Audit Committee shall meet with the outside auditors and management to review the Company's quarterly reports on Form 10-Q and annual report on Form 10-K and discuss any significant adjustments, management judgments and accounting estimates and any significant new accounting policies before such forms are filed with the SEC. The Audit Committee shall require the outside auditors to report to the Audit Committee all

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

critical accounting policies and practices to be used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with the Company's management, ramifications of the use of such alternative disclosures and treatments, the treatments preferred by the outside auditors and other material written communications between the outside auditors and the Company's management, including management's letters and schedules of unadjusted differences.

7. Upon the completion of the annual audit, the Audit Committee shall review the audit findings reported to it by the outside auditors, including any comments or recommendations of the outside auditors, with the entire Board.
 8. The Audit Committee shall review all reports received from the federal and state regulatory authorities and assure that the Board is aware of the findings and results. In addition, it will meet with the appropriate members of senior management designated by the Audit Committee to review the responses to the respective regulatory reports.
 9. The Audit Committee shall consider and review with management: (a) significant findings during the year and management's responses thereto, including the status of previous audit recommendations and (b) any difficulties encountered in the course of their audits, including any restrictions on the scope of activities or access to required information.
 10. The Audit Committee shall consider and approve, if appropriate, changes to the Company's auditing and accounting principles and practices, as suggested by the outside auditors or management, and the Audit Committee shall review with the outside auditors and management the extent to which such changes have been implemented (to be done at an appropriate amount of time prior to the implementation of such changes as decided by the Audit Committee).
 11. The Audit Committee shall prepare a letter for inclusion in the Company's proxy statement describing the discharge of the Audit Committee's responsibilities.
 12. The Audit Committee will review and update this Charter periodically, at least annually, and as conditions may dictate. The Audit Committee Charter shall be presented to the full Board for its approval of any changes.
- 34
13. Commencing on such date as Section 102(a) of the Sarbanes-Oxley Act of 2002 (the "Act") becomes effective, the Audit Committee shall obtain confirmation from the outside auditors at the commencement of each audit that such firm is a "registered public accounting firm" as such term is defined under the Act.
 14. The Audit Committee shall have the authority to engage independent counsel and other advisers as it determines necessary to perform its duties.
 15. The Audit Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Edgar Filing: EMERSON RADIO CORP - Form DEF 14A

16. The Audit Committee shall investigate or consider such other matters within the scope of its responsibilities and duties as the Audit Committee may, in its discretion, determine to be advisable.
