MANAGEMENT INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF COMMON SHAREHOLDERS

September 3, 2003

ALL AMOUNTS OF MONEY WHICH ARE REFERRED TO IN THIS MANAGEMENT INFORMATION CIRCULAR ARE EXPRESSED IN LAWFUL MONEY OF THE UNITED STATES UNLESS OTHERWISE SPECIFIED.

NOTE: Shareholders who do not hold their common shares in their own name, as registered shareholders, should read *Advice to Beneficial Shareholders* within for an explanation of their rights.

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS PROVIDED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF MINERA ANDES INC. (the Corporation) of proxies for the annual general and special meeting of the shareholders of the Corporation (the Meeting) to be held on Wednesday, September 3, 2003, at 2:00 p.m. (Calgary time) in the Milvain Boardroom, at the offices of Field LLP, 1900, 350 7th Avenue S.W., Calgary, Alberta T2P 3N9 or at any adjournment thereof for the purposes set forth in the accompanying Notice of Meeting. The Management Information Circular will be mailed on or about August 12, 2003.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, telegraph or personal interview by regular employees of the Corporation, at a nominal cost. In accordance with National Instrument 54-101, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed Instrument of Proxy, Allen V. Ambrose, President, of Spokane, Washington and Bonnie Kuhn, Chief Financial Officer and Secretary, of Calgary, Alberta, have been selected by the directors of the Corporation and have indicated their willingness to represent as proxy the shareholder who appoints them. **A SHAREHOLDER HAS THE RIGHT TO DESIGNATE A PERSON (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN ALLEN V. AMBROSE OR BONNIE KUHN, BEING THE MANAGEMENT DESIGNEES, TO REPRESENT HIM OR HER AT THE MEETING.** Such right may be exercised by inserting in the space provided for that purpose on

Table of Contents

the Instrument of Proxy the name of the person to be designated and deleting therefrom the names of the management designees, or by completing another proper form of proxy. Such shareholder should notify the nominee of the appointment, obtain a consent to act as proxy and should provide instructions on how the shareholder's common shares are to be voted. In any case, the form of proxy should be dated and executed by the shareholder or an attorney authorized in writing, with proof of such authorization attached, where an attorney executed the proxy form.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and delivered to Computershare Trust Company of Canada, 6th Floor, Western Gas Tower, 530 8th Avenue S.W., Calgary, Alberta, T2P 3S8, at least forty-eight (48) hours prior to the Meeting or any adjournment thereof. Late proxies may be accepted or rejected at any time prior to the commencement time of the Meeting by the Chairman of the Meeting in his discretion and the Chairman is under no obligation to accept or reject any particular late proxy.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it, any time before it is exercised, by instrument in writing executed by the shareholder or by his attorney authorized in writing and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting or any adjournment thereof. In addition, a proxy may be revoked by the shareholder personally attending at the meeting and voting his common shares.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation as a substantial number of shareholders do not hold their common shares of the Corporation in their own names. Shareholders of the Corporation who do not hold their common shares in their own names (referred to herein as **Beneficial Shareholders**) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common shares of the Corporation held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communication (ADP) formerly Independent Investor Communications Corporation. ADP typically applies a special sticker to the proxy forms, mails those forms to the Beneficial

Table of Contents

Shareholders and asks Beneficial Shareholders to return the proxy forms to ADP. ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the meeting. **A Beneficial Shareholder receiving a proxy with an ADP sticker on it cannot use that proxy to vote common shares directly at the Meeting the proxy must be returned to ADP well in advance of the Meeting in order to have their common shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares of the Corporation registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote such common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to shareholders in this Management Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders who produce proof of their identity.

VOTING OF PROXIES

The persons named in the enclosed Instrument of Proxy are directors and/or officers of the Corporation who have indicated their willingness to represent as proxy the shareholder who appoints them. Each shareholder may instruct his Proxy how to vote his common shares by completing the blanks on the Instrument of Proxy.

All common shares represented at the meeting by properly executed proxies will be voted (including the voting on any ballot), and where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the common shares represented by the proxy will be voted in accordance with such specification. **IN THE ABSENCE OF ANY SUCH SPECIFICATION, THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, WILL VOTE IN FAVOUR OF THE MATTERS SET OUT THEREIN.**

The enclosed instrument of proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the notice of meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Corporation is not aware of any amendments to, variations of or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management of the Corporation.

VOTING SHARES AND SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The authorized share capital of the Corporation consists of an unlimited number of common shares and an unlimited number of preferred shares (non-voting). As of the effective date of this Management Information Circular, being July 15, 2003 unless otherwise indicated (the Effective Date), the issued and outstanding share capital of the Corporation consists of 37,450,864 common shares. To date, no preferred shares have been issued.

Table of Contents

The Corporation will prepare a list of shareholders of record at the close of business on August 4, 2003 (the Record Date). A holder of common shares named on that list will be entitled to vote such common shares at the Meeting on the basis of one vote for each common share held except to the extent that, (i) the holder transfers his or her common shares after the close of business on the Record Date, and (ii) such transferee produces properly endorsed common share certificates to the Secretary or Transfer Agent of the Corporation or otherwise establishes his or her ownership of the common shares, at least ten (10) days prior to the Meeting, in which case the transferee may vote those common shares at the Meeting.

The By-laws of the Corporation provide that holders present not being less than two (2) in number and holding or representing not less than ten (10%) percent of the issued common shares of the Corporation, shall constitute a quorum for the meeting in respect of holders of common shares.

The following table sets forth certain information regarding the beneficial ownership, as of July 15, 2003 of the common shares by (i) each person known by the Corporation to own beneficially more than 5% of the common shares, (ii) each director of the Corporation, (iii) each officer of the Corporation and (iv) all directors and executive officers as a group. Except as otherwise noted, the Corporation believes the persons listed below have sole investment and voting power with respect to the common shares owned by them.

- (b) The Corporation had entered into an agreement dated April 30, 1996, as amended on October 31, 1997 with Waiata Resources located in Littleton, Colorado. The agreement provided that Allan J. Waiata received a retainer of \$2,800 per month which entitled the Corporation of up to five days of advisory services from Allan J. Marter per month. Additional advisory services were paid at the pro rata rate based on \$560 per day. The agreement provided for termination by the Corporation upon thirty days written notice. In addition, the Corporation, within 90 days of the date of termination, will be entitled to cancel any options held by Mr. Ambrose which remain unexercised on the date of expiration of the options by paying to Mr. Ambrose an amount equal to the difference between the exercise price of the options and the average closing price of the common shares on the relevant stock exchange or trading platform during the previous 30 days. C. Stock Option Plan

The Board of Directors of the Corporation has adopted a stock option plan (the Plan) which was approved with amendments by the shareholders of the Corporation at the Annual and Special Meeting of Shareholders held on June 26, 1996. Subsequently at the Corporation's Annual and Special Meeting of Shareholders held on June 26, 1998, the shareholders of the Corporation approved a further amendment increasing the total number of common shares reserved for issuance under the Plan from 2,000,000 to 3,000,000 common shares. Further at the Corporation's Annual General and Special Meeting of Shareholders held on June 23, 2000, the shareholders of the Corporation approved a further amendment increasing the total number of common shares reserved for issuance under the Plan from 3,000,000 to 6,000,000 common shares. The aggregate number of common shares to be delivered upon the exercise of all options granted under the Plan shall not exceed 10% of the Corporation's issued and outstanding common shares from time to time, up to a maximum of 6,000,000 common shares. The Corporation maintains the Plan for the benefit of its employees and others who provide services to the Corporation. The Board of Directors believes the availability of stock incentives is an important factor in the Corporation's ability to attract and retain experienced and competent employees and to provide an incentive for them to exert their best efforts on behalf of the Corporation. Certain provisions of the Plan are described below.

As of July 15, 2003 out of the total 6,000,000 shares provided for issuance under the Plan 2,334,000 shares remain available for grant but 3,293,500 options are currently outstanding leaving only 451,586 common shares currently available for grant because of the 10% rule. However, because the Plan limits the number of common shares reserved under options granted under the Plan to no more than to 10% of the Corporation's issued and outstanding common shares, the Corporation feels that there are not always sufficient options available for grant. The Board of Directors believes additional shares will be needed under the Plan to provide appropriate incentives to key employees and others. Accordingly on July 15, 2003 the Board of Directors approved amendment to the Plan, subject to regulatory and shareholder approval, to allow that the aggregate number of common shares to be delivered upon the exercise of all options granted under the Plan to not exceed 20% of the Corporation's issued and outstanding common shares from time to time, up to a maximum of 6,000,000 common shares. The Corporation received conditional approval from the TSXV for the amendment to the Plan on July 23, 2003. Certain provisions of the Plan are described below.

Table of Contents

(a) Description of the Plan

(i) General

The Plan is not subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA) or to the qualification requirements of Section 401(a) of the *Internal Revenue Code of 1986*, as amended, (the Code). Certain stock options granted under the Plan may be treated as incentive stock options as defined in Section 422 of the Code (Incentive Stock Options). Other stock options, including all options granted under the Plan to individuals who are not employees of the Corporation or any of its subsidiaries are not Incentive Stock Options and are referred to in this Management Information Circular as Non-statutory Stock Options .

The purpose of the Plan is to advance the interests of the Corporation and its subsidiaries and affiliates by encouraging the directors, officers, employees and consultants of the Corporation and its subsidiaries to acquire common shares in the Corporation, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and its subsidiaries and furnishing them with additional incentive in their efforts on behalf of the Corporation and its subsidiaries in the conduct of their affairs.

(ii) Common Shares Reserved for Issuance Under the Plan

The common shares to be offered under the Plan consist of common shares of the Corporation s authorized but unissued common shares. The aggregate number of common shares to be delivered upon the exercise of all options granted under the Plan shall not exceed 20%, subject to shareholder approval, of the Corporation s issued and outstanding common shares from time to time, up to a maximum of 6,000,000 common shares. The number and kind of common shares available for grants under the Plan is subject to adjustment by the Board of Directors if the outstanding common shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of securities of the Corporation through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation.

If any option granted under the Plan expires or terminates for any reason without having been exercised in full, the unpurchased common shares subject thereto will again become available for the purpose of the Plan. No fractional common shares are issued under the Plan on any such adjustment.

To the Effective Date an aggregate of 5,786,000 stock options have been granted to the directors, officers, employees and consultants of the Corporation or its subsidiaries pursuant to the Corporation s Plan of which 372,500 stock options have been exercised and 2,120,000 have been cancelled or expired. To the Effective Date, 2,334,000 stock options are available for grant under the Plan, however because of the 10% rule only 451,586 options can be granted at this time.

(iii) Administration

The Plan is interpreted and administered by the Board of Directors. A majority of the Board of Directors constitutes a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors.

Subject to the provisions of the Plan, the Board of Directors has authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan.

Table of Contents

All determinations and interpretations made by the Board of Directors are binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option granted under the Plan is to be evidenced by an agreement, signed on behalf of the Corporation and by the optionee, in a form approved by the Board of Directors.

(iv) Participation and Types of Grants

Directors, officers, management, consultants and employees of the Corporation are eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as Participants). The Board of Directors determines to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted, and the number of common shares to be subject to each option. An individual who has been granted an option may, if the Participant is otherwise eligible, and if permitted under the policies of the stock exchange or stock exchanges on which the common shares of the Corporation are listed, be granted an additional option or options if the directors so determine. The rules of any stock exchange upon which the Corporation's common shares are listed are applicable relative to options granted to Participants.

(v) Exercise Price

The Board of Directors determines the exercise price of the common shares covered by each option granted under the Plan. The exercise price of options granted under the Plan may not be less than the closing price of the Corporation's common shares on the stock exchange or stock exchanges on which the common shares of the Corporation are listed on the last trading day immediately preceding the day on which the stock exchange is notified of the proposed issuance of the option, less any discounts permitted by the policy or policies of such stock exchange or stock exchanges.

However, if an option is granted within six months of a public distribution of the Corporation's common shares by way of prospectus, then the minimum exercise price of such option may, if the policy of such stock exchange or stock exchanges requires, be the greater of the closing price of the Corporation's common shares on the last trading day immediately preceding the day on which the stock exchange is notified of the proposed issuance of the option, as provided above, and the price per common share paid by the investing public for common shares of the Corporation acquired by the public during such public distribution, determined in accordance with the policy or policies of such stock exchange or stock exchanges.

(vi) Duration and Exercise of Options

The option period is a period of time fixed by the Board of Directors, not to exceed the maximum period permitted by any stock exchange on which the Corporation's common shares are then listed or other regulatory body having jurisdiction, provided that the option period may be reduced with respect to any option as provided in Termination of Employment or Service, Death and Assignment below.

Except as set forth in Termination of Employment or Service, Death and Assignment below, no option may be exercised unless the Participant is at the time of such exercise a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates. Provided, however, that any other provision to the contrary, an option granted to a consultant in connection with specific services provided or to be provided by that consultant may be exercised only after the date of completion of such service and prior to 30 days following the date of completion of such service.

Options may be exercised in amounts and at times determined by the Board of Directors. The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of

Table of Contents

exercise, specifying the number of common shares with respect to which the option is being exercised, accompanied by cash payment, certified check or bank draft for the full purchase price of such common shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares subject to an option under this Plan, unless and until the certificates for such common shares are issued to such persons under the terms of the Plan.

No person entitled to exercise an option has any of the rights or privileges of a shareholder of the Corporation in respect of any common shares issuable upon exercise of such option until certificates representing such common shares are issued and delivered.

(vii) Termination of Employment or Service, Death and Assignment

If a Participant ceases to be a director, officer, employee or consultant of the Corporation or any of its subsidiaries or affiliates for any reason (other than death), the Participant may exercise any option then held within 90 days following the Participant's ceasing to be a director, officer, employee or consultant, but only if and to the extent that the Participant was entitled to exercise the option at the date of such cessation.

In the event of the death of a Participant, any option then held by the Participant will be exercisable within the twelve (12) months following the Participant's death, but only: (a) by the person or persons to whom the Participant's rights under the option pass by the Participant's will or the laws of descent and distribution; and (b) if and to the extent that the Participant was entitled to exercise the option at the date of the Participant's death.

(viii) Amendment and Termination of the Plan

The Board of Directors may, at any time, suspend or terminate the Plan. The Board of Directors may also at any time amend or revise the terms of the Plan, provided that no such amendment or revision may alter the terms of any options theretofore granted under the Plan.

(b) Summary of United States Federal Income Tax Consequences

(i) Non-statutory Stock Options

A. General. Under United States federal income tax law now in effect, no income is realized by the grantee of a Non-statutory Stock Option until the option is exercised. When a Non-statutory Stock Option is exercised, the optionee realizes ordinary compensation income, and the Corporation generally becomes entitled to a deduction, in the amount by which the market value of the common shares subject to the Non-statutory Stock Option at the time of exercise exceeds the exercise price. With respect to options exercised by certain executive officers, the Corporation's deduction can in certain circumstances be limited by the \$1,000,000 cap on deductibility set forth in Section 162(m) of the Code. The Corporation is required to withhold on all amounts treated as ordinary income to optionees. Upon the sale of common shares acquired by exercise of a Non-statutory Stock Option, the amount by which the sale proceeds exceed the market value of the common shares on the date of exercise will constitute capital gain which will be taxable at varying rates depending on the holding period.

B. Exercise by Insiders. The tax consequences described above also apply to an optionee who is an insider for purposes of Section 16(b) of the *Securities Exchange Act of 1934*, as amended, (the Exchange Act) unless both (a) the grant of the option was not approved by either the Board of Directors or a committee composed solely of two or more non-employee directors and (b) the insider exercises the option within six months of the date of grant.

Table of Contents

(ii) Incentive Stock Options

A. General. Under federal income tax law now in effect, no income will be recognized by an optionee upon either grant or exercise of an Incentive Stock Option. The amount by which the market value of common shares issued upon exercise of an Incentive Stock Option exceeds the exercise price, however, is included in the optionee's alternative minimum taxable income and may, under certain conditions, be taxed under the alternative minimum tax. If the optionee holds common shares acquired upon exercise of an Incentive Stock Option for two years after the date of grant and one year after the date of exercise (the holding periods), and if the optionee has been an employee of the Corporation (or of any parent or subsidiary of the Corporation) at all times from the date of grant to the date three months before exercise, then any gain realized by the optionee upon sale or exchange of the common shares will be treated as long-term capital gain and any loss will be long-term capital loss.

Generally, if an optionee disposes of common shares acquired upon exercise of an Incentive Stock Option within the holding periods and all requirements other than the holding period rules are met (an early disposition), the optionee will recognize ordinary compensation income for the year of disposition equal to the excess of the market value of the common shares on the date of exercise over the option's exercise price. The remainder of the gain realized upon the early disposition, if any, will be capital gain and will be taxed at varying rates depending on the holding period. A special rule limits the amount of ordinary compensation income that must be recognized to the amount of gain realized by the optionee upon the early disposition. As a result, the optionee will not be required to recognize the entire spread between the exercise price and the market value on the date of exercise as ordinary compensation income if the early disposition results in either a loss or a gain smaller than the spread at exercise. If common shares acquired upon exercise of an Incentive Stock Option are disposed of in an early disposition, the Corporation ordinarily will be entitled to a deduction in the year of disposition equal to the amount of ordinary compensation income recognized by the optionee.

B. Exercise by Insiders. The tax consequences described above also apply to an optionee who is an insider for purposes of Section 16(b) of the Exchange Act, unless both (a) the grant of the Incentive Stock Option was not approved by either the Board of Directors or a committee composed solely of two or more non-employee directors and (b) the insider exercises the Incentive Stock Option within six months of the date of grant. Optionees who are insiders should consult their individual tax advisers before exercising an Incentive Stock Option in either of those cases.

D. Other Compensation

During the Corporation's fiscal period ended December 31, 2002 the Corporation accrued and/or paid fees to Field LLP for the provision of ongoing legal services to the Corporation amounting to approximately \$43,719. Bonnie L. Kuhn, the Secretary, Chief Financial Officer and Director of the Corporation, is an associate of such firm. During the Corporation's fiscal period ended December 31, 2002, the Corporation accrued and/or paid fees for financial consulting to Allan Marter in the amount of \$1,680.

Other than as set forth herein, the Corporation did not pay any additional compensation to the executive officers or directors (including personal benefits and securities or properties paid or distributed which compensation was not offered on the same terms to all full time employees) during the last completed fiscal year.

E. Corporate Governance

The Corporation's Board of Directors considers good corporate governance to be central to the effective and efficient operation of the Corporation. As a TSXV Tier 1 issuer, the Corporation is now required to disclose its corporate governance practices on an annual basis. In preparing this disclosure the Corporation has consulted as a general reference the Toronto Stock Exchange (TSX) corporate governance disclosure guidelines. In addition, the Corporation has also been reviewing its governance practices in response to the extensive regulatory changes in progress arising from the US *Sarbanes-Oxley Act of 2002*. As part of this process the Board of Directors asked Mr. Marter and Ms. Kuhn to provide a corporate governance proposal. The Board of Directors intends to continue to assess its corporate governance methods as part of the Board's ongoing commitment to ensure effective corporate governance.

Table of Contents

The Board is comprised of six directors. This appears to be an efficient size for the business and permits an appropriate mix of skills and experience. The TSXV requires that at least two directors be independent.¹ (Please note this standard is different than the TSX corporate governance guidelines which requires a majority of the directors to be unrelated.) The Board has considered the relationship to the Corporation of each of the current directors and has determined that three are independent. Mr. Ambrose (President) and Ms. Kuhn (Chief Financial Officer and Secretary) as the Corporation's management are not independent. Mr. Craig is Vice President Operations for Degerstrom, which owns 17% of the Corporation's shares. He represents Degerstrom and while entirely independent of the Corporation's management would not be considered independent under the TSXV Policy. Finally, Messrs. Marter, Crabb and Drummond are independent of management.

The Board of Directors is responsible for the stewardship of the Corporation. It has the responsibility to oversee the conduct of the business, supervise management and endeavour to ensure that all major issues affecting the business and affairs of the Corporation are given proper and due consideration. The President, along with his management team, is responsible for formulating the mission, strategies and policies of the Corporation and presenting them to the Board for approval. The Board considers the information provided by the President and management and if appropriate, approves the strategies of the Corporation and the policies in which it is managed. Once implemented, the Board monitors and evaluates management's performance on an ongoing basis and provides support and guidance to the President in achieving the Corporation's business objectives.

The strategies and policies presented by management and approved by the Board establish the corporate objectives that the President is responsible for meeting and define the limits of management's responsibilities. Matters that may result in a variance to the approved strategies and policies require Board approval. In addition, it is the practice of the Board to approve any major capital expenditures, acquisitions, divestitures or other material transactions, whether or not specifically set out in the annual business plan.

The Committee has reviewed the composition and operation of the Corporation's Board of Directors in light of the TSXV Policies and the TSX's corporate governance guidelines (the Guidelines). In the opinion of the Committee, circumstances where the Guidelines have not been adhered to are largely due to the fact that the Corporation is a junior mineral exploration company and has not yet fully developed the controls and procedures found in more established companies. The Corporation is committed to the objectives of the Guidelines established by the TSX and TSXV and will continue to work toward complying with the objectives set forth therein.

The Board has not felt it necessary to establish a nominating committee nor has the Board implemented a formal process for assessing the effectiveness of the Board as a whole, the committees of the Board and the contributions of individual directors. Rather, an informal consultative process is used with respect to both the appointment and assessment of directors. These informal mechanisms have been regarded as sufficiently effective.

The Board has not established a formal orientation and education program for new members of the Board. The current independent directors are experienced in boardroom procedure and corporate governance and generally have a good understanding of the business. As necessary, new members of the Board are provided with information about the Corporation and its industry. In addition, the Board participates from time to time in informal education, sometimes initiated by management, to ensure that its members hear about developments of interest affecting the Corporation and its operations.

¹ The TSXV requires an Issuer to have at least two directors who are neither employees, senior officers, control persons or management consultants of the Issuer, its associates or affiliates or Sponsoring Member.

Table of Contents

The Board regularly reviews the adequacy and form of the compensation of the directors to ensure the compensation realistically reflects the responsibilities and risks involved in being an effective director and that the compensation allows the Corporation to attract qualified candidates as directors. This involves the review of publicly available data as well as independent surveys of director compensation of other companies every two years and the maintenance of directors' and officers' insurance coverage.

The Corporation's directors can consult with the Corporation's outside counsel as they may consider appropriate. In addition, an individual director can engage an outside advisor at the Corporation's expense in appropriate circumstances with the approval of the Board of Directors.

The Audit Committee of the Board is composed of non-management directors; Messrs. Marter, Crabb and Craig.

The principal responsibilities of the Audit Committee are to ensure that the Corporation has internal control systems in place to identify and manage principal business risks, assess compliance with legal and regulatory requirements, assess the adequacy of insurance coverage, review the integrity and effectiveness of the internal control and management information systems, review financial information including annual and quarterly reports and other documents prepared by senior management for public distribution and to evaluate the effectiveness of the external audit function. The chairman of the Audit Committee has the right at all times to communicate directly with the external auditors.

The Board does not have a chairman independent of management. Mr. Ambrose, the President of the Corporation, acts as chairman of meetings of the Board. The Corporation believes that this structure best reflects the entrepreneurial leadership of the Corporation. The Board is satisfied that autonomy of the Board and its ability to function independently of management are protected by means such as the composition of the audit committee by independent majority of directors and through Board setting and monitoring the President's corporate objectives.

Although the Board has not developed formal position descriptions for its members and for the President, the Board members and the President have a good understanding of their respective roles. In addition, the Board sets quarterly and annual corporate objectives for the President and the attainment of these goals is carefully monitored at each Board meeting.

Shareholder Communications

The Corporation believes it is important to maintain good shareholder relations. The President and Vice President are responsible for shareholder communication and investor relations. The Corporation maintains a website to facilitate shareholder communications.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director, executive officer, senior officer or any of their respective associates or affiliates or any proposed nominee director is or has been at any time since the beginning of the last completed fiscal year, indebted to the Corporation or any of its subsidiaries nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding, provided by the Corporation or any of its subsidiaries.

Relationships

Certain directors and officers of the Corporation are and may continue to be involved in the mining and mineral exploration industry through their direct and indirect participation as director or otherwise in corporations, partnerships or joint ventures, which are potential competitors. Situations may arise in connection with potential acquisitions and investments where the other interests of these directors and officers may conflict with the interests of the Corporation. As required by law, each of the directors of the Corporation is required to disclose any potential conflict of interest and to act honestly, in good faith and in the best interests of the Corporation.

Mr. Craig is a director of the Corporation and is also Vice President Operations of Degerstrom, a significant shareholder of the Corporation.

(c) Election of Directors

At the Meeting, it will be proposed that six (6) directors be elected to hold office until the next Annual General Meeting of Shareholders or until their successors are elected or appointed. There are presently six (6) directors of the Corporation, each of whose terms of office will expire at the Meeting. It is the intention of the management designees, if named as proxy, to vote for the election of the following persons to the Board of Directors. Management does not contemplate that any of such nominees will be unable to serve as directors; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in his proxy that his common shares are to be withheld from voting in the election of directors.** Each director elected will hold office until the next Annual General Meeting of Shareholders or until his successor is duly elected, unless his office is earlier vacated in accordance with the Bylaws of the Corporation.

In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

The following sets forth the name of each of the persons proposed to be nominated for election as a director, all positions and offices in the Corporation, presently held by him or her, his or her municipality of residence, his or her principal occupation at the present and during the preceding five years, the period during which he or she has served as a director, and the number of voting common shares of the Corporation that he or she has advised are beneficially owned by him or her, directly or indirectly, or over which control or direction is exercised, as of July 15, 2003 hereof (except as otherwise noted, the Corporation believes the persons listed below have sole investment and voting power with respect to the common shares owned by them).

The audit committee of the Corporation currently consists of Gary A. Craig, Allan J. Marter and John Johnson Crabb. The general function of the audit committee is to review the overall audit plan and the Corporation's system of internal controls, to review the results of the external audit, and to resolve any potential dispute with the Corporation's auditors. The Board of Directors of the Corporation met two times during 2002. The audit committee met one time during 2002. (No director attended fewer than 75% of the aggregate of all meetings of the Board of Directors and the audit committee of which the director was a member during 2002.) The Corporation does not have an executive committee or a compensation committee at this time.

Unless otherwise indicated in the Proxy, it is management's intention to vote the proxies in favour of the election of the above directors.

(d) Amendment to Stock Option Plan

As stated above in Compensation of Executive Officers and Directors Stock Option Plan the Directors of the Corporation have adopted a stock option plan (the Plan) the purpose of which is to afford the persons who provide services to the Corporation, whether directors, officers, employees or consultants of the Corporation or its subsidiaries, an opportunity to obtain a proprietary interest in the Corporation by permitting them to purchase common shares of the Corporation and to aid in attracting, as well as retaining and encouraging the continued involvement of such persons with the Corporation. The aggregate number of common shares to be delivered upon the exercise of all options granted under the Plan shall not exceed 10% of the Corporation's issued and outstanding common shares from time to time, up to a maximum of 6,000,000 common shares. The Board of Directors believes additional shares will be needed under the Plan to provide appropriate incentives to key employees and others. Accordingly on July 15, 2003 the Board of Directors approved amendment to the Plan, subject to regulatory and shareholder approval, to allow that the aggregate number of common shares to be delivered upon the exercise of all options granted under the Plan to not exceed 20% of the Corporation's issued and outstanding common shares from time to time, up to a maximum of 6,000,000 common shares. The

Table of Contents

Corporation received conditional approval from the TSXV for the amendment to the Plan on July 23, 2003. Certain provisions of the Plan are described below.

The Plan is available for review at the offices of Field LLP located at 1900, 350 7th Street S.W., Calgary, Alberta, T2P 3N9 and at the offices of the Corporation during normal business hours.

At the Meeting, the shareholders will be asked to consider and, if thought fit, approve by ordinary resolution, the amendment to the Plan to increase the maximum number of common shares to be delivered upon exercise of all options granted under the Plan from 10% to 20% of the Corporation's issued and outstanding common shares from time to time, to a maximum of 6,000,000 shares.

In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by disinterested shareholders who vote in respect of the resolution. TSXV Policy 4.4, section 2.10 requires the Corporation to obtain disinterested shareholder approval if the Corporation's stock option plan could result at any time in the number of shares reserved for issuance under stock options granted to Insiders² exceeding 10% of the issued shares. The amendment to the Plan must be approved by a majority of the votes cast by all shareholders at the shareholders' meeting excluding votes attached to shares beneficially owned by: (a) Insiders to whom options may be granted under the Plan (this would include the directors and officers of the Corporation); (b) Associates³ of the persons referred to above.

The text of the resolution approving the amendment to the Plan to be considered at the meeting will be substantially as follows:

BE IT RESOLVED THAT:

- 1. The following amendment to the stock option plan of the Corporation approved by the Board of Directors on July 15, 2003 and set forth below:**

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased shares subject thereto shall again be available for the purpose of this Plan.

Unless otherwise indicated in the Proxy, it is management's intention to vote the proxies in favour of the resolution approving the amendment to the Plan.

(e) Continuance under the Northwest Territories *Business Corporations Act* (the NWTBCA)

Shareholders will be asked at the Meeting to consider and, if deemed advisable, to pass, by a majority of not less than two-thirds of the votes cast at the Meeting, a special resolution, the text of which is set below (the Continuance Resolution), to approve the continuance of the Corporation from the *Business Corporations Act* (Alberta) (ABCA) to the NWTBCA (the Continuance). The primary objective for the Continuance is to take advantage of the absence under the NWTBCA of a requirement for resident Canadian directors. Under the ABCA, at least 50% of the directors of the Corporation must be resident Canadians, whereas under the NWTBCA, there is no requirement that any portion of the directors be resident Canadians. The Corporation received conditional approval from the TSXV for the Continuance on July 23, 2003.

Continuance under the NWTBCA

Management to the Corporation is of the view that the NWTBCA will provide to shareholders substantively the same rights as are available to shareholders under the ABCA, including rights of dissent and appraisal and rights to bring derivative actions and oppression actions, and is consistent with corporate legislation in most other Canadian jurisdictions. **Unless otherwise directed, it is the intention of management to vote proxies in the accompanying form in favour of the Continuance Resolution.**

The following is a summary of the differences between the ABCA and NWTBCA. This summary is not intended to be exhaustive and shareholders may wish to consult their legal advisors regarding all of the implications of the Continuance.

Amendments to the Articles of a Corporation

Under both the ABCA and the NWTBCA, certain fundamental changes to the articles of a corporation, such as a change to the name of the corporation, an alteration of the restrictions, if any, on the business carried on by the Corporation, an alteration of any maximum number of shares that the Corporation is authorized to issue or the creation of any new classes of shares, must be approved by a special resolution passed by a majority of not less than 2/3 of the votes cast by shareholders voting in person or by proxy at a general meeting of the Corporation. Certain fundamental changes, such as the addition, change or removal of any rights, privileges, restrictions or conditions (including a prejudicial change to rights to accrued dividends or rights to cumulative dividends) in respect of shares of a particular class, and, where a series of shares of the class will be affected by an amendment in a manner different for other shares of

Table of Contents

the class, may be authorized by a special resolution passed by the holders of shares of that series (regardless of whether such shares of the class or series, as the case may be, otherwise do not carry a right to vote).

Extraordinary Sale, Lease or Exchange

Under both the ABCA and the NWTBCA, any proposed sale, lease or exchange of all or substantially all of the property of a corporation, other than in the ordinary course of business, must be approved by a special resolution passed by not less than 2/3 of the votes cast by shareholders voting in person or by proxy (regardless of whether their shares otherwise do not carry a right to vote) at a general meeting. If the proposed sale, lease or exchange of the corporation's property will affect a class or series of shares differently from another class or series of shares, then the special resolution approving it must be submitted to a separate vote of the holders of shares of that class or series, as the case may be.

Rights of Dissent and Appraisal

Both the ABCA and the NWTBCA provide that shareholders who dissent to certain actions being taken by a corporation may exercise a right of dissent and require that corporation to purchase the shares held by such shareholder at the fair value of such shares. The dissent right may be exercised by a holder of shares of any class of the corporation if the corporation resolves to:

- (a) amend its articles to add, change or remove any provision restricting or constraining the issue or transfer of shares of that class;
- (b) amend its articles to add, change or remove any restrictions on the business or businesses that the corporation may carry on;
- (c) amalgamate with another corporation (except pursuant to a vertical or horizontal short form of amalgamation, as provided for under the ABCA or the NWTBCA, as the case may be);
- (d) continue out of the jurisdiction; or
- (e) sell, lease or exchange all or substantially all of its property, other than in the ordinary course of business.

Oppression Remedies

Under the ABCA and the NWTBCA, a shareholder, former shareholder, director, former director, officer or former officer of a corporation or any of its affiliates, or any other person who, in the discretion of a court, is a proper person to seek an oppression remedy may apply to a court to rectify the matters complained of where in respect of a corporation or any of its affiliates, any act or omission of the corporation or its affiliates effects a result, the business or affairs of the corporation or any of its affiliates are or have been carried on or conducted in a manner, or the powers of the directors of the corporation or its affiliates are or have been exercised in a manner that is oppressive or unfairly prejudicial to, or that unfairly disregards the interests of, any security holder, creditor, director or officer.

Shareholders Derivative Actions

Under the ABCA and the NWTBCA, a shareholder, former shareholder, director, former director, officer or former officer of a corporation or its affiliates, and any person who, in the discretion of the court, is a proper person to do so, may apply for the court's leave to:

Table of Contents

- (a) bring a derivative action in the name and on behalf of the corporation or any of its subsidiaries; or
- (b) intervene in an action to which a corporation or any of its subsidiaries is a party, for the purpose of prosecuting, defending or discontinuing the action on behalf of the corporation or the subsidiary.

Requisition of Meetings

Both the ABCA and the NWTBCA permit the holders of not less than 5% of the issued shares that carry the right to vote at a meeting sought to be held to require the directors to call and hold a general meeting of a corporation.

Form of Proxy and Information Circular

Both the ABCA and the NWTBCA require a distributing corporation to provide notice of a general meeting and a form of proxy for use by every shareholder entitled to vote at such meeting as well as an information circular containing prescribed information regarding the matter to be dealt with at and conduct of the general meeting.

Place of Meetings

The ABCA requires all meetings of shareholders to be held at the place within Alberta unless otherwise provided by the corporation's bylaws. The NWTBCA is somewhat broader, in that it requires all meetings of shareholders to be held at the place within the Northwest Territories provided by the Corporation's bylaws or, in the absence of such provision, at the place within the Northwest Territories that the directors determine. Meetings may also be held outside of the Northwest Territories if the place is specified in the articles of the Corporation or if all of the shareholders entitled to vote at the meeting agree that the meeting is to be held at that place. Meetings may also take place by telephone if the by-laws so provide or, subject to the by-laws, all shareholders consent.

The Corporation's current articles provide that meetings of shareholders of the Corporation may be held in the City of Vancouver in the Province of British Columbia, in the City of Spokane in the State of Washington or anywhere in Alberta that the directors, in their sole discretion, determine by resolution. In addition, the Corporation would like to add the following additional cities to hold shareholders meetings which reflect the locations of its shareholders: Toronto, Ontario; New York, New York; London, England.

Registered Office

Currently the registered office of the Corporation is located at 1900, 350 7th Avenue S.W., Calgary, Alberta, T2P 3N9. The NWTBCA requires that the registered office of the Corporation be located at a place within the Northwest Territories specified in the articles.

Procedure in Alberta for the Continuance to the NWTBCA

In order for the Continuance to become effective:

- (a) the shareholders must approve the Continuance Resolution which authorizes the application by the Corporation to the appropriate public body requesting that the Corporation be continued as if it had been incorporated under the territorial jurisdiction of the Northwest Territories;

Table of Contents

- (b) the Corporation must receive approval of the Continuance application and a Notice of Continuance from the appropriate public body of the territorial jurisdiction of the Northwest Territories.
- (c) the registrar (Registrar) of corporations under the ABCA must approve the proposed Continuance under the NWTBCA, upon being satisfied that the Continuance will not adversely affect creditors or shareholders;
- (d) the TSXV must approve the Continuance;
- (e) the Corporation must file the Notice of Continuance with the Registrar, who will issue a letter approving the Continuance;
- (g) the letter from the Registrar will be filed with the Northwest Territories, upon which the Corporation becomes a Northwest Territories corporation as if it had been incorporated under the laws of the territorial jurisdiction of the Northwest Territories and the NWTBCA;
- (h) upon the Corporation becoming a Northwest Territories corporation, the Registrar will issue a Certificate of Discontinuance
- (i) the Registrar will not provide its approval of the Continuance of the Corporation as a body corporate under the NWTBCA unless the Registrar is satisfied that:
 - (1) the property of the Corporation continues to be the property of the body corporate;
 - (2) the body corporate continues to be liable for the obligations of Corporation;
 - (3) an existing cause of action, claim or liability to prosecution is unaffected;
 - (4) a civil, criminal or administrative action or proceeding pending by or against the Corporation may be continued to be prosecuted by or against the body corporate; and
 - (5) a conviction against, a ruling, order or judgment in favour of or against the Corporation may be enforced by or against the body corporate.

Effect of Continuance

Assuming that the Continuance Resolution is approved by the shareholders at the Meeting, it is expected that Continuance application will be filed with the applicable governmental bodies and the procedures outlined above will begin as soon as practicable thereafter in order to give effect to the Continuance.

On the effective date of the Continuance, shareholders of the Corporation will continue to hold one (1) common share of the Corporation domiciled in the new jurisdiction for each common share held prior to the Continuance. The existing share certificates representing common shares of the Corporation will not be cancelled. Holders of convertible securities of the Corporation on the effective date of the Continuance will continue to hold convertible securities to purchase an identical number of common shares of Corporation on substantially the same terms.

The principal attributes of the classes and series of the capital stock of the Corporation will be identical to those of the corresponding shares of Corporation, other than differences in shareholders' rights under the ABCA and the NWTBCA. The Corporation's current articles are available for review at the offices of

Table of Contents

Field LLP located at 1900, 350 7th Street S.W., Calgary, Alberta, T2P 3N9 and at the offices of the Corporation during normal business hours.

The Continuance, if approved, will affect a change in the legal domicile of the Corporation on the effective date thereof, but the Corporation will not change its business or operations after the effective date of the Continuance. The directors and officers of the Corporation immediately following the Continuance, will be the directors and officers of the Corporation. As of the effective date of the Continuance, the election, duties, resignations and removal of the Corporation's directors and officers shall be governed by the NWTBCA. As of the effective date of the Continuance, the legal domicile of the Corporation will be the territorial jurisdiction of the Northwest Territories, and the Corporation will no longer be subject to the corporate governance provisions of the ABCA. By operation of law applicable under the laws of the territorial jurisdiction of the Northwest Territories, as of the effective date of the Continuance, all of the assets, property, rights, liabilities and obligations of the Corporation immediately prior to the Continuance will continue to be the assets, property, rights, liabilities and obligations of the Corporation continued under the territorial jurisdiction of the Northwest Territories. As required to receive authorization of the Continuance by the Registrar under the ABCA, on the effective date of the Continuance, the property of the Corporation will continue to be the property of the Corporation continued under the territorial jurisdiction of the Northwest Territories; the Corporation will continue to be liable for the obligations of the Corporation; an existing cause of action, claim or liability to prosecution of the Corporation will be unaffected; a civil, criminal or administrative action or proceeding pending by or against the Corporation may be continued to be prosecuted by or against the Corporation; and a conviction against the Corporation may be continued against the continued Corporation or ruling, order or judgment in favour of or against the Corporation may be enforced by or against the continued Corporation.

Except as previously noted with respect to the place of shareholders meetings and the location of the registered office, the Articles of Continuance will be the same in all material respects as the Corporation's current articles.

The shareholders must approve the Continuance Resolution in order for the Continuance to become effective. The approval requires an affirmative vote of not less than two-thirds of the votes cast by the shareholders present at the Meeting or their proxy.

New By-Laws

In conjunction with the Continuance, the current by-laws of the Corporation, which are suitable for a corporation governed by the ABCA and not for a corporation governed by the NWTBCA, will have to be changed to new by-laws (New By-Laws) which are suitable for a NWTBCA corporation. The repeal of the existing by-laws of the Corporation, and the adoption of the New By-Laws, have been approved by the directors, subject to the prior completion of the Continuance. If the Continuance Resolution set out below is approved at the Meeting, the former by-laws of the Corporation will be repealed and replaced by the New By-Laws.

A full copy of the New By-Laws is attached hereto as Exhibit A .

Rights of Dissenting Shareholders

Pursuant to Section 191 of the ABCA, registered shareholders have the right to dissent to the Continuance and receive the fair market value of their respective shares from the Corporation. Registered shareholders who wish to exercise their right of dissent should seek their own legal advice, as failure to comply strictly with the provisions of Section 191 of the ABCA may prejudice their right of dissent. In order to dissent, a written objection to the special resolution must be received by the Corporation at its registered office at

Table of Contents

least 48 hours, not including Saturday, Sunday or holidays, prior to the Meeting or by the Chairman of the Meeting at or before the Meeting. A vote against the Continuance Resolution, an abstention or the execution of the proxy to vote against the special resolution does not constitute such written objection.

The above summary is not a comprehensive statement of the procedures to be followed by dissenting shareholders who seek payment of the fair value for their common shares. Section 191 of the ABCA requires adherence to the procedures established therein and failure to do so may result in the loss of all rights thereunder. The full text of Section 191 of the ABCA is set out in Exhibit B attached hereto.

In the event that Management determines that an unacceptable number of shareholders dissent from the Continuance, the Continuance will not be proceeded with.

The text of the special resolution to be considered at the Meeting approving the continuance of the Corporation will substantially be as follows:

BE IT RESOLVED AS A SPECIAL RESOLUTION OF THE CORPORATION THAT:

1. **the Board of Directors be and is hereby authorized to make application for continuance of the Corporation under the *Business Corporations Act* (Northwest Territories);**
2. **any director or officer of the Corporation be and is hereby authorized and directed, for and on behalf of the Corporation, to execute and deliver all documents, do all such other acts or things as he may determine to be necessary or advisable to give effect to this special resolution including, without limitation, deliver Articles of Continuance/Discontinuance in the prescribed forms, provided that the Directors of the Corporation may, at their discretion, choose not to act on this special resolution without further approval or authorization of the holders of common shares of the Corporation;**
3. **subject to the issuance of such Certificate of Continuance and without affecting the validity or the existence of the Corporation by and under its articles of incorporation or of any act thereunder, and subject to paragraph 4 below, the Corporation's articles are hereby amended by deleting all of the provisions thereof and substituting therefor Articles of Continuance containing the same provisions as the Corporation's current articles, as such may have been amended and restated, subject to such amendments thereto as counsel may advise may be necessary or desirable to make such Articles of Continuance have substantially the same effect as the amended and restated articles under the provisions of the ABCA;**
4. **the Corporation is hereby authorized to amend its Articles of Continuance by adding the following provisions thereto:**

In addition to the places of meeting permitted by the NWTBCA, any meeting of the shareholders of the Corporation may be held outside the Northwest Territories in any of the following cities:

**Calgary, Alberta
Spokane, Washington
Vancouver, British Columbia
Toronto, Ontario
New York, New York
London, England**

Table of Contents

The registered office of the Corporation will be located in the City of Yellowknife, in the Northwest Territories .

5. the adoption of the new by-laws (the New By-Laws) of the Corporation in substantially the form attached to this Circular in Exhibit A be and are hereby ratified and confirmed;
6. the New By-Laws supercede and replace all former by-laws of the Corporation;
7. any director or officer be and is hereby authorized to amend the New By-Laws should such amendments be required by applicable regulatory authorities including, but not limited to the TSX Venture Exchange; and
8. any director or officer be and is hereby authorized to execute and deliver all such deeds, documents and other writings and perform such acts as may be necessary in order to give effect to the New By-Laws.

(f) Appointment of Auditor

Unless otherwise directed, it is management s intention to vote the proxies in favour of an ordinary resolution to appoint the firm of BDO Dunwoody LLP as auditor of the Corporation to hold office until the close of the next annual general meeting of shareholders or until BDO Dunwoody LLP is removed from office or resigns as provided by law and by the Corporation s by-laws and to authorize the directors of the Corporation to fix the remuneration of BDO Dunwoody LLP as auditors of the Corporation. BDO Dunwoody LLP has been the auditor of the Corporation since July 24, 2001. On July 24, 2001, the Corporation s auditors, PricewaterhouseCoopers LLP, notified the Corporation that it had resigned as the Corporation s independent accountants, following the closure of its Spokane office. The Corporation s Board of Directors filled the vacancy for the auditors left by the resignation of PricewaterhouseCoopers LLP with the appointment of BDO Dunwoody LLP as auditors of the Corporation.

There have been no reportable events (ie. disagreements, unresolved issues or consultations) during the period in which PricewaterhouseCoopers LLP, Chartered Accountants have been in office. PricewaterhouseCoopers LLP, Chartered Accountants were appointed auditors of the Corporation on June 19, 1997.

In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

ATTENDANCE OF ACCOUNTANTS

The Corporation has been advised by BDO Dunwoody LLP that neither that firm nor any of its associates has any relationship with the Corporation or its subsidiaries other than the usual relationship that exists between independent public accountants and clients. Representatives of BDO Dunwoody LLP will not be present at the Meeting.

GENERAL

All matters to be brought before the Meeting require, for the passing of same, a simple majority of the votes cast in person or by proxy at the Meeting by the holders of common shares. If a majority of the

Table of Contents

common shares represented at the Meeting should be withheld from voting for the appointment of BDO Dunwoody LLP as auditors of the Corporation, the Board of Directors will appoint another firm of chartered accountants based upon the recommendation of the audit committee, which appointment for any period subsequent to the next annual meeting of shareholders will be subject to approval by the shareholders at that meeting.

The contents and the sending of this Management Information Circular have been approved by the Board of Directors of the Corporation.

FINANCIAL STATEMENTS

Shareholders as of the record date of August 4, 2003, will receive with this Management Information Circular a copy of the Corporation's 2002 Form 10-KSB, including audited financial statements for the fiscal year ended December 31, 2002. The financial statements of the Corporation contained in Form 10-KSB are incorporated herein by reference.

OTHER BUSINESS

While there is no other business other than that mentioned in the Notice of Meeting to be presented for action by the shareholders at the Meeting, it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting, or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's executive officers, directors and persons who own more than ten percent of the common shares to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Executive officers, directors and beneficial owners of more than ten percent of the common shares are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms received by the Corporation and on written representations from certain reporting persons that they have complied with the relevant filing requirements, the Corporation believes that all Section 16(a) filing requirements applicable to its executive officers and directors have been complied with.

SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

Shareholder proposals submitted for inclusion in the 2004 proxy materials and consideration at the 2004 Annual Meeting of Shareholders must be received by the Corporation by March 18, 2004. Any such proposal should comply with the rules promulgated by the Securities and Exchange Commission governing shareholder proposals submitted for inclusion in proxy materials.

Table of Contents

(3) Corporate Seal

The Board may, by resolution, adopt a corporate seal containing the name of the Corporation as the corporate seal. A document issued by or executed on behalf of the Corporation is not invalid only because the corporate seal is not affixed to that document. A document requiring authentication by the Corporation does not need to be under seal.

(4) Banking Arrangements

The Board may open any bank accounts the Corporation may require at a financial institution designated by resolution of the Board. The Board may adopt, authorize, execute or deposit any document furnished or required by the financial institution and may do any other thing as may be necessarily incidental to the banking and financial arrangements of the Corporation.

(5) Voting Rights in Other Bodies Corporate

The persons designated by the Board to execute documents on behalf of the Corporation may execute and deliver instruments of proxy and arrange for the issue of voting certificates or other evidence of the right to exercise voting rights attached to any securities held by the Corporation in another body corporate. In addition, the Board may direct the manner in which and the person by whom any particular voting right or class of voting rights may be exercised.

(6) Withholding Information from Shareholders

No Shareholder is entitled to obtain any information respecting any detail or conduct of the Corporation's business which, in the opinion of the Board, would not be in the best interests of the Shareholders or the Corporation to communicate to the public.

The Board may determine whether and under what conditions the accounts, records and documents of the Corporation are open to inspection by the Shareholders. No Shareholder has a right to inspect any account, record or document of the Corporation except as conferred by the NWTCA or authorized by resolution of the Board or by resolution passed at a meeting of Shareholders.

(7) Divisions

Table of Contents

**SECTION 4.

The Board shall manage the business and affairs of the Corporation. Every Director must comply with the NWTCA, the Regulations, the Articles and the By-laws.

(2) Qualification

A person is disqualified for election as a Director if that person:

- (a) is less than 19 years of age;
- (b) is
 - i) an individual in respect of whom a medical practitioner has filed a certificate of involuntary admission under the *Mental Health Act*, NWT,
 - ii) An individual who is the subject of a trusteeship order under the *Guardianship and Trusteeship Act* (NWT),
 - iii) a person who has been found to be of unsound mind by a court elsewhere than in the North West Territories;
- (c) is not an individual; or
- (d) has the status of bankrupt.

Table of Contents

(4) Increase Number

The Shareholders may amend the Articles to increase the number, or the minimum or maximum number, of Directors. Upon the adoption of an amendment increasing the number or minimum number of Directors, the Shareholders may, at the meeting at which they adopt the amendment, elect the additional number of Directors authorized by the amendment. Upon the issue of a certificate of amendment, the Articles are deemed to be amended as of the date the Shareholders adopted the amendment.

(5) Decrease Number

The Shareholders may amend the Articles to decrease the number, or the minimum or maximum number, of Directors. No decrease shortens the term of an incumbent Director.

(6) Election and Term

Each Director named in the notice of directors filed at the time of incorporation holds office from the issue of the certificate of incorporation until the first meeting of Shareholders. The Shareholders are to elect Directors by ordinary resolution at the first meeting of Shareholders and at each succeeding annual meeting at which an election of Directors is required. The elected Directors are to hold office for a term expiring not later than the close of the next annual meeting of Shareholders following the election. A Director not elected for an expressly stated term ceases to hold office at the close of the first annual meeting of Shareholders following the Director's election. If Directors are not elected at a meeting of Shareholders, the incumbent Directors continue in office until their respective successors are elected.

(7) Removal of Directors

The Shareholders may by ordinary resolution passed at a special meeting of Shareholders remove a Director from office. Any vacancy created by the removal of a Director may be filled at the meeting at which the Director was removed, failing which the vacancy may be filled by a quorum of Directors.

(8) Consent

No election or appointment of an individual as a Director is effective unless:

- (a) the individual was present at the meeting when elected or appointed and did not refuse to act as Director; or
- (b) if the individual was not present at the meeting when elected or appointed as a Director, the individual
 - i) consented in writing to act as a Director before the individual's election or appointment or within 10 days after it, or
 - ii) has acted as a Director pursuant to the election or appointment.

(9) Ceasing to Hold Office

A Director ceases to hold office when:

- (a) the Director dies or resigns;

Table of Contents

(10) Filling Vacancies

A quorum of Directors may fill a vacancy in the Board, except a vacancy resulting from an increase in the number or minimum number of Directors or from a failure to elect the number or minimum number of Directors required by the Articles. If there is not a quorum of Directors, or if there has been a failure to elect the number or minimum number of Directors required by the Articles, the Directors then in office must immediately call a special meeting of Shareholders to fill the vacancy. If the Directors fail to call a meeting, or if there are no Directors then in office, the meeting may be called by any Shareholder.

(11) Delegation to a Managing Director or Committee

The Directors may appoint from their number a Managing Director or a committee of Directors. The Directors may delegate to a Managing Director or a committee of Directors any of the powers of the Directors. However, no Managing Director and no committee of Directors has authority to:

Subject to the Board's approval, the Directors are also entitled to be reimbursed for traveling and other expenses incurred by them in attending meetings of the Board or any committee of Directors or in the performance of their duties as Directors.

Nothing contained in the By-laws precludes a Director from serving the Corporation in another capacity and receiving remuneration for acting in that other capacity.

Table of Contents

The Directors must disclose to the Shareholders the aggregate remuneration paid to the Directors. The disclosure must be in a written document to be placed before the Shareholders at every annual meeting of Shareholders and must relate to the same time period as the financial statements required to be presented at the meeting relate to.

A resolution in writing may be signed in one or more counterparts, all of which together constitute the same resolution. A counterpart signed by a Director and transmitted by facsimile or other device capable of transmitting a printed message is as valid as an originally signed counterpart.

**SECTION 6.

The Directors may designate the offices of the Corporation, appoint as officers individuals of full capacity, specify their duties and delegate to them powers to manage the business and affairs of the Corporation, except those powers referred to in section 4 which may not be delegated to a Managing Director or to a committee of Directors. **SECTION 7.
CONFLICT OF INTEREST**

(1) Disclosure of Interest

A Director or Officer who:

- (a) is a party to a material contract or proposed material contract with the Corporation; or
- (b) is a director or an officer of or has a material interest in any person who is a party to a material contract or proposed material contract with the Corporation,

(2) Approval and Voting

A Director or Officer must disclose in writing to the Corporation, or request to have entered in the minutes of meetings of Directors, the nature and extent of the Director's or Officer's interest in a material contract or proposed material contract if the contract is one that in the ordinary course of the Corporation's business would not require approval by the Board or the Shareholders. The disclosure must be made immediately after the Director or Officer becomes aware of the contract or proposed contract. A Director who is required to disclose an interest in a material contract or proposed material contract may not vote on any resolution to approve the contract unless the contract is:

- (a) an arrangement by way of security for money lent to or obligations undertaken by the Director, or by a body corporate in which the Director has an interest, for the benefit of the Corporation or an affiliate;
- (b) a contract relating primarily to the Director's remuneration as a Director or Officer, employee or agent of the Corporation or as a director, officer, employee or agent of an affiliate;

- (b) a Director or Officer or former Director or Officer to whom a profit accrues as a result of the making of the contract is not liable to account to the Corporation for that profit by reason only of holding office as a Director or Officer,

**SECTION 8.
LIABILITY AND INDEMNIFICATION**

(1) Limitation of Liability

Every Director and Officer in exercising the powers and discharging the duties of office must act honestly and in good faith with a view to the best interests of the Corporation and must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. No Director or Officer is liable for:

- (a) the acts, omissions or defaults of any other Director or Officer or an employee of the Corporation;
- (b) any loss, damage or expense incurred by the Corporation through the insufficiency or deficiency of title to any property acquired for or on behalf of the Corporation;
- (c) the insufficiency or deficiency of any security in or upon which any of the money of the Corporation is invested;
- (d) any loss or damage arising from the bankruptcy, insolvency or tortious or criminal acts of any person with whom any of the Corporation's money is, or securities or other property are, deposited;
- (e) any loss occasioned by any error of judgment or oversight; or
- (f) any other loss, damage or misfortune which occurs in the execution of the duties of office or in relation to it, unless occasioned by the wilful neglect or default of that Director or Officer. Nothing in this By-law relieves any Director or Officer of any liability imposed by the NWTCA or otherwise by law.

(2) Indemnity

Subject to the NWTCA, the Corporation shall indemnify a Director or Officer, a former Director or Officer and a person who acts or acted at the Corporation's request as a director or officer of a body corporate of which the Corporation is or was a shareholder or creditor (the Indemnified Parties) and the heirs and legal representatives of each of them, against all costs, charges and expenses, which includes, without limiting the generality of the foregoing, the fees, charges and disbursements of legal counsel on an as-between-a-solicitor-and-the-solicitor's-own-client basis and an amount paid to settle an action or satisfy a judgment, reasonably incurred by an Indemnified Party, or the heirs or legal representatives of an Indemnified Party, or both, in respect of any civil, criminal or administrative action or proceeding to which any of them is made a party by reason of an Indemnified Party being or having been a Director or Officer or a director or officer of that body corporate, if:

- (a) the Indemnified Party acted honestly and in good faith with a view to the best interests of the Corporation; and

Table of Contents

(b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the Indemnified Party had reasonable grounds for believing that the Indemnified Party's conduct was lawful. The Corporation shall indemnify an Indemnified Party and the heirs and legal representatives of an Indemnified Party in any other circumstances that the NWTCA permits or requires. Nothing in this By-law limits the right of a person entitled to indemnity to claim indemnity apart from the provisions of this By-law.

(3) Insurance

The Corporation may purchase and maintain insurance for the benefit of a person referred to in subsection (2) against the liabilities and in the amounts the NWTCA permits and the Board approves.

**SECTION 9.
SECURITIES**

(1) Shares

Shares of the Corporation may be issued at the times, to the persons and for the consideration the Board determines. No share may be issued until the consideration for the share is fully paid in money or in property or past service that is not less in value than the fair equivalent of the money that the Corporation would have received if the share had been issued for money.

(2) Options and Other Rights to Acquire Securities

The Corporation may issue certificates, warrants or other evidences of conversion privileges, options or rights to acquire securities of the Corporation. The conditions attached to the conversion privileges, options and rights must be set out in the certificates, warrants or other evidences or in certificates evidencing the securities to which the conversion privileges, options or rights are attached.

(3) Commissions

The Board may authorize the Corporation to pay a reasonable commission to any person in consideration of that person purchasing or agreeing to purchase shares of the Corporation from the Corporation or from any other person, or procuring or agreeing to procure purchasers for shares of the Corporation.

(4) Securities Register

The Corporation shall maintain a securities register in which it records the securities issued by it in registered form, showing with respect to each class or series of securities:

- (a) the names, alphabetically arranged and the latest known address of each person who is or has been a security holder;
- (b) the number of securities held by each security holder; and
- (c) the date and particulars of the issue and transfer of each security.

The Corporation shall keep information relating to a security holder that is entered in the securities register for at least seven years after the security holder ceases to be a security holder.

Table of Contents

(5) Transfer Agents and Registrars

The Corporation may appoint one or more trust corporations as its agent to maintain a central securities register and one or more agents to maintain a branch securities register. An agent may be designated as a transfer agent or a branch transfer agent, and a registrar, according to the agent's function. An agent's appointment may be terminated at any time. The Board may provide for the registration or transfer of securities by a transfer agent, branch transfer agent or registrar.

(6) Dealings with Registered Holders

The Corporation may treat the registered owner of a security as the person exclusively entitled to vote, to receive notices, to receive any interest, dividend or other payments in respect of the security, and otherwise to exercise all the rights and powers of an owner of the security.

(7) Transfers of Securities

Securities of the Corporation may be transferred in the form of a transfer endorsement on the security certificates issued in respect of the securities of the Corporation, or in any form of transfer endorsement which may be approved by resolution of the Board.

(8) Registration of Transfers

If a security in registered form is presented for registration of transfer, the Corporation must register the transfer if:

- (a) the security is endorsed by the person specified by the security or by special endorsement to be entitled to the security or by the person's successor, fiduciary, survivor, attorney or authorized agent, as the case may be;
- (b) reasonable assurance is given that the endorsement is genuine and effective;
- (c) the Corporation has no duty to inquire into adverse claims, or has discharged its duty to do so;
- (d) any applicable law relating to the collection of taxes has been complied with;
- (e) the transfer is rightful or is to a *bona fide* purchaser; and
- (f) the fee prescribed by the Board for a security certificate issued in respect of a transfer has been paid.

(9) Lien

If the Articles provide that the Corporation has a lien on a share registered in the name of a Shareholder or the Shareholder's legal representative for a debt of the Shareholder to the Corporation, and the Shareholder is indebted to the Corporation, the Corporation may refuse to register any transfer of the holder's shares pending enforcement of the lien.

(10) Security Certificates

Security certificates and acknowledgments of a security holder's right to obtain a security certificate must be in a form the Board approves by resolution. A security certificate must be signed by at least one Director or Officer. Unless the Board otherwise determines, security certificates representing securities in respect of

Table of Contents

which a transfer agent or registrar has been appointed are not valid unless countersigned by or on behalf of the transfer agent or registrar. Any signature may be printed or otherwise mechanically reproduced on a security certificate. If a security certificate contains a printed or mechanically reproduced signature of a person, the Corporation may issue the security certificate, notwithstanding that the person has ceased to be a Director or Officer, and the security certificate is as valid as if the person were a Director or Officer at the date of issue.

(11) Entitlement to a Security Certificate

A security holder is entitled at the holder's option to a security certificate or to a non-transferable written acknowledgment of the holder's right to obtain a security certificate from the Corporation in respect of the securities of the Corporation held by that holder.

(12) Securities Held Jointly

The Corporation is not required to issue more than one security certificate in respect of securities held jointly by several persons. Delivery of a certificate to one of the joint holders is sufficient delivery to all of them. Any one of the joint holders may give effectual receipts for the certificate issued in respect of the securities or for any dividend, bonus, return of capital or other money payable or warrant issuable in respect of the security.

(13) Replacement of Security Certificates

The Board or an Officer or agent designated by the Board may in its or the Officer's or agent's discretion direct the issue of a new security certificate in place of a certificate that has been lost, destroyed or wrongfully taken. A new security certificate may be issued only on payment of a reasonable fee and on any terms as to indemnity, reimbursement of expenses and evidence of loss of title as the Board may prescribe.

(14) Fractional Shares

The Corporation may issue a certificate for a fractional share or may issue in its place scrip certificates in a form that entitles the holder to receive a certificate for a full share by exchanging scrip certificates aggregating a full share. The Directors may attach conditions to any scrip certificates issued by the Corporation, including conditions that:

- (a) the scrip certificates become void if they are not exchanged for a share certificate representing a full share before a specified date; and
- (b) any shares for which those scrip certificates are exchangeable may, notwithstanding any pre-emptive right, be issued by the Corporation to any person and the proceeds of those shares distributed rateably to the holders of the scrip certificates.

(4) Place and Time of Meetings

Meetings of Shareholders may be held at the place within the Northwest Territories and at the time the Board determines. A Shareholder who attends a meeting of Shareholders held outside the Northwest Territories is deemed to have agreed to holding the meeting outside the Northwest Territories, except when the Shareholder attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully held. Notwithstanding the foregoing, a meeting of Shareholders may be held outside of the Northwest Territories at one or more places specified in the Articles.

(5) Notice of Meetings

Notice of the time and place of a meeting of Shareholders must be sent not less than 21 days and not more than 50 days before the meeting to:

- (a) each Shareholder entitled to vote at the meeting;
- (b) each Director; and
- (c) the auditor of the Corporation.

Notice of a meeting of Shareholders called for the purpose of transacting any business other than consideration of the financial statements and auditor's report, fixing the number of Directors for the following year, election of Directors and reappointment of the incumbent auditor must state the nature of the business to be transacted in sufficient detail to permit a Shareholder to form a reasoned judgment on that business and must state the text of any special resolution to be submitted to the meeting.

(6) Notice of Adjourned Meetings

With the consent of the Shareholders present at a meeting of Shareholders, the chairperson may adjourn that meeting to another fixed time and place. If a meeting of Shareholders is adjourned by one or more adjournments for an aggregate of less than 30 days, it is not necessary to give notice of the adjourned meeting, other than by verbal announcement at the time of the adjournment. If a meeting of Shareholders is adjourned by one or more adjournments for an aggregate of 30 days or more, notice of the adjourned meeting must be given as for the original meeting. The adjourned meeting may proceed with the business to have been transacted at the original meeting, even though a quorum is not present at the adjourned meeting.

Table of Contents

(7) Waiver of Notice

A Shareholder and any other person entitled to attend a meeting of Shareholders may waive in any manner notice of a meeting of Shareholders. (8) Shareholder List

If the Corporation has more than 15 Shareholders entitled to vote at a meeting of Shareholders, the Corporation must prepare a list of Shareholders entitled to receive notice of the meeting, arranged in alphabetical order and showing the number of shares held by each Shareholder,

- (a) if a Record Date is fixed, not later than 10 days after that date; or
- (b) if no Record Date is fixed,
 - i at the close of business on the last business day preceding the day on which the notice is given, or

A Shareholder may examine the list of Shareholders:

- (c) during usual business hours at the Corporation's records office or at the place where its central securities register is maintained; and
- (d) at the meeting of Shareholders for which the list was prepared.

(9) Persons Entitled to Vote

A person named in a list of Shareholders is entitled to vote the shares shown opposite the person's name at the meeting to which the list relates, except to the extent that:

- (a) i if a Record Date is fixed, the person transfers ownership of any of the person's shares after the Record Date, or
 - ii if no Record Date is fixed, the person transfers ownership of any of the person's shares after the date on which the list of Shareholders is prepared; and

in which case the transferee is entitled to vote the shares.

(10) Chairperson of Meetings

The chairperson of any meeting of Shareholders is the first mentioned of the following Officers (if appointed) who is present at the meeting: President, Chairperson of the Board or Managing Director. If none of the foregoing Officers are present, the Shareholders present and entitled to vote at the meeting may choose a chairperson from among those individuals present.

(11) Scrutineer

If desired, one or more scrutineers, who need not be Shareholders, may be appointed by resolution or by the chairperson of the meeting with the consent of the meeting.

(12) Procedure at Meetings

The chairperson of any meeting of Shareholders shall conduct the proceedings at the meeting in all respects. The chairperson's decision on any matter or thing relating to procedure, including, without limiting the generality of the foregoing, any question regarding the validity of any instrument of proxy or other evidence of authority to vote, is conclusive and binding upon the Shareholders.

The only persons entitled to be present at a meeting of Shareholders are:

- (a) the Shareholders entitled to vote at the meeting;
- (b) the Directors;
- (c) the auditor of the Corporation; and
- (d) any others who, although not entitled to vote, are entitled or required under any provision of the NWTCA, any unanimous shareholder agreement, the Articles or the By-laws to be present at the meeting.

Any other person may be admitted only on the invitation of the chairperson of the meeting or with the consent of the meeting.

(14) Quorum

[WOULD WE LIKE A LOWER QUORUM?]

A quorum of Shareholders is present at a meeting of Shareholders if at least two persons are present in person or by proxy, each of whom is entitled to vote at the meeting, and who hold or represent by proxy in the aggregate not less than 5% of the shares entitled to be voted at the meeting. If any share entitled to be voted at a meeting of Shareholders is held by two or more persons jointly, the persons or those of them who attend the meeting of Shareholders constitute only one Shareholder for the purpose of determining whether a quorum of Shareholders is present.

(15) Loss of Quorum

If a quorum is present at the opening of a meeting of Shareholders, the Shareholders present or represented by proxy may proceed with the business of the meeting, even if a quorum is not present throughout the meeting.

Table of Contents

If a quorum is not present at the opening of a meeting of Shareholders, the Shareholders present or represented by proxy may adjourn the meeting to a fixed time and place but may not transact any other business.

(16) Proxy Holders and Representatives

A Shareholder entitled to vote at a meeting of Shareholders may by means of a proxy appoint a proxy holder and one or more alternate proxy holders, who are not required to be Shareholders, to attend and act at the meeting in the manner and to the extent authorized by the proxy and with the authority conferred by the proxy. A proxy must be executed by the Shareholder or by the Shareholder's attorney authorized in writing and be in the form prescribed by the Regulations. A proxy is valid only at the meeting in respect of which it is given or any adjournment of that meeting. An instrument of proxy signed by a Shareholder and transmitted by facsimile or other device capable of transmittal, or a printed message is as valid as an originally executed instrument of proxy.

A Shareholder that is a body corporate or association may, by resolution of its directors or governing body, authorize an individual to represent it in person at a meeting of Shareholders. That individual's authority may be established by depositing with the Corporation prior to the commencement of the meeting a certified copy of the resolution passed by the Shareholder's directors or governing body or other evidence of the individual's authority to vote. A resolution or other evidence of authority to vote is valid only at the meeting in respect of which it is given or any adjournment of that meeting.

(17) Time for Deposit of Proxies

The Board may specify in a notice calling a meeting of Shareholders a time not exceeding 48 hours, excluding Saturdays and holidays, preceding the meeting or an adjournment of the meeting before which proxies to be used at the meeting must be deposited with the Corporation or its agent. If no time for the deposit of proxies has been specified in a notice calling a meeting of Shareholders, a proxy to be used at the meeting must be deposited with the Secretary of the Corporation or the chairperson of the meeting prior to the commencement of the meeting.

(18) Revocation of Proxies

A Shareholder may revoke a proxy:

Table of Contents

(19) Joint Shareholders

If two or more persons hold shares jointly, one of those holders present at a meeting of Shareholders may, in the absence of the others, vote the shares. If two or more of those persons are present in person or by proxy, they must vote as one on the shares jointly held by them.

(20) Decision on Questions

At every meeting of Shareholders all questions proposed for the consideration of Shareholders must be decided by the majority of votes, unless otherwise required by the NWTCA or the Articles. In the case of an equality of votes, the chairperson of the meeting does not, either on a show of hands or verbal poll or on a ballot, have a casting vote in addition to the vote or votes to which the chairperson may be entitled as a Shareholder or proxy holder.

(21) Voting by Show of Hands

Subject to subsection (22), voting at a meeting of Shareholders shall be by a show of hands of those present in person or represented by proxy or by a verbal poll of those present by telephone or other communication facilities. When a vote by show of hands has been taken upon a question, a declaration by the chairperson of the meeting that the vote has been carried, carried by a particular majority or not carried, an entry to that effect in the minutes of the meeting is conclusive evidence of the fact without proof of the number of votes recorded in favour of or against any resolution or other proceeding in respect of the question.

(22) Voting by Ballot

If a ballot is required by the chairperson of the meeting or is demanded by a Shareholder or proxy holder entitled to vote at the meeting, either before or on the declaration of the result of a vote by a show of hands or verbal poll, voting must be by ballot. A demand for a ballot may be withdrawn at any time before the ballot is taken. If a ballot is taken on a question, a prior vote on that question by show of hands or verbal poll has no effect.

(23) Number of Votes

At every meeting a Shareholder present in person or represented by proxy or present by telephone or other communication facilities and entitled to vote has one vote for each share held.

(24) Meeting by Telephone

Any person described in subsection (13) may participate in a meeting of Shareholders by means of telephone or other communication facilities that permit all persons participating in the meeting to hear each other. A Shareholder participating in a meeting by means of telephone or other communication facilities is deemed to be present at the meeting.

(25) Resolution in Lieu of Meeting

A resolution in writing signed by all the Shareholders entitled to vote on that resolution at a meeting of Shareholders is as valid as if it had been passed at a meeting of Shareholders. A resolution in writing takes effect on the date it is expressed to be effective.

Table of Contents

A resolution in writing may be signed in one or more counterparts, all of which together constitute the same resolution. A counterpart signed by a Shareholder and transmitted by facsimile or other device capable of transmitting a printed message is as valid as an originally signed counterpart.

**SECTION 11.
NOTICES**

(1) Method of Notice

A notice or document required to be sent to a Shareholder, Director, Officer or auditor of the Corporation may be given by personal delivery, prepaid transmitted or recorded communication or prepaid mail addressed to the recipient at the recipient's Recorded Address. A notice or document sent by personal delivery is deemed to be given when it is actually delivered. A notice or document sent by means of prepaid transmitted or recorded communication is deemed to be given when dispatched or delivered to the appropriate communication company or agency or its representative for dispatch. A notice or document sent by mail is deemed to be given when deposited at a post office or in a public letter box.

(2) Notice to Joint Shareholders

If two or more persons are registered as joint holders of any share, a notice or document may be sent or delivered to all of them, but notice given to any one joint Shareholder is sufficient notice to the others.

(3) Notice to Successors

Every person who, by operation of law, transfer, death of a Shareholder or any other means becomes entitled to any share, is bound by every notice in respect of the share which is sent or delivered to the Shareholder prior to the person's name and address being entered in the Corporation's securities register and prior to the person furnishing proof of authority or evidence of entitlement as prescribed by the NWTCA. This subsection applies whether the notice was given before or after the event which resulted in the person becoming entitled to the share.

(4) Non-Receipt of Notices

If a notice or document is sent to a Shareholder, Director, Officer or auditor of the Corporation in accordance with subsection (1) and the notice or document is returned on three consecutive occasions, the Corporation is not required to give any further notice or documents to the person until that person informs the Corporation in writing of the person's new address.

(5) Failure to Give Notice

The accidental failure to give a notice to a Shareholder, Director, Officer or auditor of the Corporation, the non-receipt of a notice by the intended recipient or any error in a notice not affecting its substance does not invalidate any action taken at the meeting to which the notice relates.

(6) Execution of Notices

Unless otherwise provided, the signature of any person designated by resolution of the Board to sign a notice or document on behalf of the Corporation may be written, stamped, typewritten or printed.
