Peace Arch Entertainment Group Reports Fiscal 2006 Second Quarter Results and Strategic Advances

Company Cites Successful Execution of Key Strategic Initiatives for Revenue Growth and Expansion of Film and Television Production Pipeline

TORONTO--(MARKET WIRE)--April 13, 2006 -- Peace Arch Entertainment Group Inc. (AMEX:[PAE](#) - [News](#)) (Toronto: [PAE.LV](#) - [News](#)), today announced results for its fiscal second quarter, the three and six-month period ended February 28, 2006.

The Company's revenue totalled CAN\$3.7 million for the quarter, compared with CAN\$1.7 million for the fiscal second quarter of the prior year. Peace Arch reported a net loss of CAN\$0.7 million, or CAN\$0.04 per diluted share for the three months ended February 28, 2006, compared to a net loss of CAN\$0.5 million, or CAN\$0.03 per diluted share for the comparable fiscal '05 period. The increase in revenues compared to the same period of the prior year is primarily a result of sales generated from the new home entertainment business.

Peace Arch reported a net loss of \$1.4 million, or \$0.07 per diluted share, for the six months ended February 28, 2006, compared with net losses of \$1.1 million, or \$0.06 per diluted share for the prior years six month period.

"We're excited to report the successful launch of a number of our long-term strategic initiatives to continue the expansion of our film and television production pipeline, such as the acquisition of kaBOOM! Entertainment Inc. earlier this quarter," said Peace Arch CEO Gary Howsam. "Our financials and business achievements reflect our investment in the Company and our aggressive program to build a strong and diversified base for long-term high-growth revenues and shareholder value."

As an emerging company in the film and television industries, Peace Arch's quarterly results tend to fall unevenly throughout the year, with financial results dependent upon the number and timing of projects completed and delivered during a given period. It is expected that this uneven pattern of results will be mitigated by kaBOOM! Entertainment's business of selling videocassettes, DVD's and ancillary merchandise to retailers and mass merchandisers, which tends to have a more evenly dispersed pattern of sales. At present, the Company is supporting the financing and distribution of an ongoing slate of feature films in the horror, thriller and action genres, of which six are currently in post-production. The Company is also in post-production on two theatrical films and one cable television movie, all of which will be completed and delivered before the end of fiscal '06. Management expects the positive impact of these developments to be reflected in its operating results during fiscal '06.
