Peace Arch Announces Initiation of Coverage by SmallCapInsights Investment Newsletter

Initial Editorial Installment Focuses on Peace Arch's Recently Released Q1 2007 Results Showing Revenue Increase to \$11.3 Million with Positive Earnings

TORONTO, ON--(MARKET WIRE)--Jan 22, 2007 -- Peace Arch Entertainment Group Inc. (AMEX:PAE - News) (TSX:PAE.TO - News), an innovative film and television entertainment company, announced today the release of the first installment of compensated editorial coverage by SmallCapInsights.com, a leading investment newsletter committed to fair and accurate coverage for tomorrow's smallcap breakthroughs.

In its coverage, SmallCapInsights provides investment-oriented commentary on Peace Arch and its latest news and milestones. Peace Arch recently announced operating results for its first quarter of fiscal 2007, reporting revenues of \$11.3 million, versus \$0.9 million for the same period in the previous fiscal year.

Peace Arch recently released very impressive Q1 results that show enormous growth in revenues, said the editors of SmallCapInsights.com. The Company's management team has proven to be innovative in their ability to produce a truly remarkable number of high-quality films, and to generate a substantial library of content for home entertainment and worldwide distribution, providing a solid return on investment.

According to Peace Arch's recent Q1 2007 release, the Company's main achievements for that period were a business venture agreement with CSC Global Technologies to launch a digital film distribution subsidiary. The Company also completed a sale of distribution rights excluding North America to Sony Pictures Home Entertainment for the television program series *The Tudors*. Also, The Company was also invited to premiere two recently completed films, *Chapter 27* and *Delirious* at the prestigious Sundance Film Festival, North America's top independent movie showcase.

The Company has made some aggressive moves that we believe will prove valuable for investors well into the future, added the editors. In our opinion we believe that this company warrants close examination for smallcap investors.
