**Item 1.01**

**Entry into a Material Definitive Agreement.**

**Private Placement**

On February 15, 2007, NutraCea (“NutraCea or the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) and a Registration Rights Agreement (the “Registration Rights Agreement”) in connection with a private placement of its securities to certain accredited investors for aggregate gross proceeds of approximately \$50,000,000 million (approximately \$47,000,000 million after estimated offering expenses). Pursuant to the Purchase Agreement, the investors purchased an aggregate of 20,000,000 shares of Common Stock of the Company (the “Common Shares”) at a price of \$2.50 per share. Additionally, the investors were issued warrants (the “Warrants”) to purchase an aggregate of 10,000,000 shares of NutraCea common stock at an exercise price of \$3.25 per share. The Warrants have a term of 5 years, weighted-average antidilution protections and are immediately exercisable.

Pursuant to the Registration Rights Agreement, the Company is obligated to file a registration statement with the Securities and Exchange Commission by March 31, 2007 covering the possible resale from time to time in the future of the Common Shares and the common stock underlying the Warrants. The Registration Rights Agreement provides for certain payments by the Company to the investors if the registration statement is not filed or does not become effective before dates specified in that agreement, including liquidated damages at 2% per month, with maximum aggregate liquidated damages at 12%. Each of the Company and the investors has agreed to indemnify the other party and certain affiliates against certain liability related to the registration statement.

Rodman & Renshaw, LLC acted as advisor and placement agent for the financing and received a customary fee based on aggregate gross proceeds received from the investors and a warrant to purchase 1,200,000 shares of common stock at an exercise price per share of \$3.25.

The foregoing summary of the terms and conditions of the Purchase Agreement, the Registration Rights Agreement and the Warrants does not purport to be complete and is qualified in its entirety by reference to the full text of each of the aforementioned documents attached as Exhibits hereto, and which are hereby incorporated herein by reference.

**Item 3.02**

**Recent Sales of Unregistered Securities**

See Item 1.01 above, which disclosures are incorporated herein by reference. The issuance of Common Shares and Warrants was completed in accordance with the exemption provided by Rule 506 of Regulation D of the Securities Act of 1933 and/or Section 4(2) of the Securities Act of 1933, as amended. Each of the investors represented that it is an accredited investor, as defined in Rule 501 of Regulation D, and that it was acquiring the securities for its own account, not as nominee or agent, and not with a view to the resale or distribution of any part thereof in violation of the Securities Act.
