Item 1.01 Entry into a Material Definitive Agreement

As previously disclosed, on April 13, 2016 (the “Petition Date”), Peabody Energy Corporation, a Delaware corporation (the “Company”) and a majority of the Company’s wholly owned domestic subsidiaries, as well as one international subsidiary in Gibraltar (collectively with the Company, the “Debtors”), filed voluntary petitions under Chapter 11 of Title 11 of the U.S. Code in the United States Bankruptcy Court for the Eastern District of Missouri (the “Bankruptcy Court”). The Debtors’ Chapter 11 cases (collectively, the “Chapter 11 Cases”) are being jointly administered under the caption In re Peabody Energy Corporation, et al., Case No. 16-42529.

On October 11, 2016, the Bankruptcy Court approved a stipulation filed by the Company (Docket No. 1409) relating to an amendment to the Company’s Superpriority Secured Debtor-In-Possession Credit Agreement (as amended from time to time, the “DIP Credit Agreement”). The DIP Credit Agreement contains certain milestone events and the amendment to the DIP Credit Agreement approved by the Bankruptcy Court (the “DIP Amendment”) modifies certain of the milestone dates under the DIP Credit Agreement. First, the DIP Amendment modifies the deadline by which the Bankruptcy Court shall enter an order determining the CNTA Issues (as defined in the DIP Credit Agreement) to provide that the Bankruptcy Court shall have entered this order by no later than November 23, 2016. Second, the DIP Amendment modifies the deadlines for the Company to file an Acceptable Reorganization Plan (as defined in the DIP Credit Agreement) and related disclosure statement in the Chapter 11 Cases to provide that the Company must file these by, or on, the date that is the later of (a) 30 days after the entry of the order resolving the CNTA Issues and (b) December 14, 2016. Third, the DIP Amendment modifies the deadline by which the Bankruptcy Court shall have entered an order approving the Acceptable Reorganization Plan and related disclosure statement and solicitation procedures in the Chapter 11 Cases to provide that the Bankruptcy Court shall have entered this order by no later than January 31, 2017. The DIP Credit Agreement provides that the failure to meet the milestone dates would result in an event of default under the DIP Credit Agreement.

The DIP Credit Agreement also contains restrictions on the ability of Peabody Global Funding, LLC (“Global Funding”) to amend or waive provisions under the Intercompany Loan Agreement (as defined in the DIP Credit Agreement) in a manner that would release or subordinate more than 50% of the collateral thereunder. The DIP Amendment modifies these restrictions to expressly allow Global Funding to amend or waive provisions under the Intercompany Loan Agreement to permit the release or subordination of collateral thereunder, including as a result of potential asset sales, of up to \$250,000,000 USD in cash proceeds in the aggregate over the life of the Intercompany Loan Agreement. The foregoing description of the DIP Amendment is qualified in its entirety by reference to Amendment No. 4 to Superpriority Secured Debtor-In-Possession Credit Agreement, by and among the Company, Peabody Global Funding, LLC and certain Debtors parties thereto as guarantors, the lenders party thereto and Citibank, N.A., as administrative agent, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
