Mr. Mullins also has been appointed to serve as a member of the Audit Committee of each of PG&E Corporation’s and the Utility’s Board of Directors. A copy of the related press release is attached to this report as Exhibit 99.1.

Mr. Mullins will participate in PG&E Corporation and the Utility’s compensation program for non-employee directors, as modified effective January 1, 2016 and described in PG&E Corporation and the Utility’s joint proxy statement filed with the Securities and Exchange Commission on April 11, 2016. Pursuant to the program, Mr. Mullins will be entitled to receive the following compensation: (i) a quarterly Board retainer of \$30,000 (\$120,000 annually), and (ii) equity awards valued at \$140,000, consisting of restricted stock units to be automatically awarded under the PG&E Corporation 2014 Long-Term Incentive Plan each year following the annual election of directors.

PG&E Corporation’s and the Utility’s Corporate Governance Guidelines require that at least 75% of each Board be composed of independent directors, as defined in the Corporate Governance Guidelines. The Boards of PG&E Corporation and the Utility have affirmatively determined that Mr. Mullins is an independent director. The composition of each of PG&E Corporation’s and the Utility’s Boards of Directors currently meets the Corporate Governance Guidelines. The Boards of Directors of each of PG&E Corporation and the Utility also have determined that Mr. Mullins is an audit committee financial expert. As a result, the number of audit committee financial experts serving on the Audit Committee of the Boards of Directors of PG&E Corporation and the Utility increased from 4 to 5.

There are no arrangements or understandings pursuant to which Mr. Mullins was selected as a director of PG&E Corporation or of the Utility. Each company’s Bylaws permit the Board of Directors to amend the respective company’s Bylaws to set the exact number of directors within the stated range.
