OLYMPIC CASCADE FINANCIAL CORPORATION

OVERVIEW

We are a financial services organization operating through our wholly-owned subsidiary, National Securities Corporation, a Washington corporation, organized in 1947. National conducts a national securities brokerage business through its main offices in Seattle, Washington and New York City, as well as 56 other branch offices located throughout the country. National's business includes securities brokerage for individual and institutional clients, market-making trading activities, asset management and corporate finance services.

Our business plan includes the growth of our retail and institutional brokerage business. In response to the slowdown in the financial markets, we have scaled back certain business activities, including proprietary trading, market-making trading, and online investing services. We believe that consolidation within the industry is inevitable. Concerns attributable to the weakened market and increased competition help explain the increasing number of acquisition opportunities continuously introduced to us. We are focused on maximizing the profitability of our existing operations, while we continue to seek additional selective strategic acquisitions.

We are a Delaware corporation and were formed in 1996. Our executive offices are located at 875 North Michigan Avenue, Suite 1560, Chicago, IL 60611 and our telephone number is (312) 751-8833.

SIGNIFICANT DEVELOPMENTS

INVESTMENT TRANSACTION

In fiscal year 2002, we completed a series of transactions in which certain new investors obtained a significant ownership in us through a \$1,572,500 investment and by purchasing a majority of shares held by Steven A. Rothstein and family, our former Chairman, Chief Executive Officer and principal shareholder. In this Investment Transaction, the investors included Triage Partners LLC (of which Steven B. Sands and Martin S. Sands, our Co-Chairmen, are the Co-Managers and Members), and One Clark LLC (of which Mark Goldwasser, our President and Chief Executive Officer, is the Manager). The investors purchased an aggregate of \$1,572,500 of Series A Preferred Stock at \$100 per share.

Each holder of the Series A Preferred Stock is entitled at any time, and from time to time, to convert any or all of the outstanding shares of its Series A Preferred Stock into shares of Common Stock. Each share of the Series A Preferred Stock is convertible into Common Stock based upon a conversion ratio equal to the conversion price in effect at the time of conversion divided by \$1.50 per share. Accordingly, each share of Series A Preferred Stock is convertible into 66.6666 shares of Common Stock. A total of 27,825 shares of Preferred Stock, convertible into 1,854,998 shares of Common Stock, were issued in the Investment Transaction and in a transaction with Steven A. Rothstein described in Miscellaneous Transactions below. The number of shares is subject

to adjustments as the result of the payment of stock dividends (and other

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

distributions) and subdivisions, combinations, and reclassifications.

In connection with the Investment Transaction, Triage Partners LLC also purchased 285,000 shares of Common Stock from Mr. Rothstein and his affiliates at a price of \$1.50 per share. Additionally, Mr. Rothstein, James C. Holcomb, Jr. and D.S. Patel each resigned from our Board of Directors, and Peter Rettman, Mr. Goldwasser, Martin S. Sands, Steven B. Sands, Robert J. Rosan and Andrew Zaro were each appointed to our Board of Directors. Our Board of Directors currently consists of Mr. Rettman, Gary A. Rosenberg, Mr. Goldwasser, Martin S. Sands, Steven B. Sands and Mr. Rosan. As a result of these transactions, as of the date of this prospectus, Triage Partners LLC and One Clark LLC are beneficial owners of 20.8% and 13.5% of our Common Stock, respectively, calculated on a fully diluted basis.

Concurrent with the Investment Transaction, two unrelated individual noteholders, Gregory P. Kusnick and Karen Jo Gustafson, as Joint Tenants with Right of Survivorship, and Gregory C. Lowney and Maryanne K. Snyder, as Joint Tenants with Right of Survivorship, holding \$2.0 million of our debt, converted one-half of their debt into the same class of Series A Preferred Stock that was sold in the Investment Transaction. The noteholders also had 100,000 of their 200,000 warrants to acquire shares of Common Stock repriced from an exercise price of \$5.00 per share to \$1.75 per share.

PRIVATE OFFERING

In the first quarter of fiscal year 2003, we consummated a Private Offering of our securities to a limited number of accredited investors pursuant to Rule 506 of Regulation D under the Securities Act. Each Unit in the Private Offering sold for \$0.65 and consisted of one share of our Common Stock and one three-year warrant to purchase one share of our Common Stock at a per share price of \$1.25. Net proceeds of \$554,500 closed in the first quarter of fiscal year 2003, and we issued 1,016,186 shares of Common Stock and 1,016,186 warrants. National acted as the placement agent on a best efforts basis for the Private Offering. In consideration of the services rendered by National, at each closing, National was (i) paid a cash fee equal to ten percent (10%) of the gross proceeds received by us at each closing, and (ii) issued warrants to purchase such number of Units equal to ten percent (10%) of the Units sold in the Private Offering, at the same valuation received by investors in the Private Offering. The offering period for the Private Offering expired on February 17, 2003.

MISCELLANEOUS TRANSACTIONS

In the fourth quarter of fiscal year 2002, we raised an aggregate of \$210,000 by the sale of Series A Preferred Stock (on the same terms and conditions as the equity sold to investors in the Investment Transaction) to the individual retirement account of Steven A. Rothstein.

RISK FACTORS

INVESTING IN OUR SHARES INVOLVES A SIGNIFICANT DEGREE OF RISK.

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

PROSPECTIVE INVESTORS SHOULD CONSIDER CAREFULLY THE FOLLOWING RISK FACTORS AND ALL THE OTHER INFORMATION CONTAINED IN THIS PROSPECTUS OR INCORPORATED BY REFERENCE BEFORE INVESTING IN COMMON STOCK. EACH OF THESE RISK FACTORS COULD ADVERSELY AFFECT OUR BUSINESS, OPERATING RESULTS AND FINANCIAL CONDITION, AS WELL AS ADVERSELY AFFECT THE VALUE OF AN INVESTMENT IN COMMON STOCK. THESE FACTORS ARE NOT INTENDED TO REPRESENT A COMPLETE LIST OF THE GENERAL OR SPECIFIC FACTORS THAT MAY AFFECT US. OTHER FACTORS, INCLUDING GENERAL ECONOMIC FACTORS AND BUSINESS STRATEGIES, MAY HAVE A SIGNIFICANT EFFECT ON OUR BUSINESS, FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

OPERATING RESULTS HAVE RESULTED IN REPORTING LOSSES; ADDITIONAL FINANCING MAY BE REQUIRED.

We have reported losses of approximately \$159,000 in the first quarter of fiscal year 2003, losses of approximately \$3.4 million in fiscal year 2002 and losses of approximately \$7.9 million in fiscal year 2001. There is no assurance that we will be profitable in the near term. Our losses are primarily attributable to the recent market slow-down and volatility. We anticipate that with increased revenues we will return to profitability; however, there can be no assurance that revenues will increase and profitability will return.

In order for us to have the opportunity for future success and profitability, we must successfully obtain additional financing, either through borrowings, public offerings, private offerings, or some type of business combination (e.g., merger, buyout, etc.). We have actively pursued a variety of funding sources, and have consummated certain transactions, including the Investment Transaction and Private Offering, described in this prospectus, in order to address our capital requirements. If we continue to experience operating losses, additional financing will be necessary, and there can be no assurance that we will be successful in such pursuits. The issuance of new securities to raise capital will cause the dilution of shares held by current shareholders.

BECAUSE OUR STOCK MAY BE SUBJECT TO "LOW PRICE STOCK" RULES, THE MARKET FOR OUR STOCK MAY BE LIMITED.

The Securities and Exchange Commission has adopted regulations which generally define a "penny stock" to be any equity security that has a market price less than \$5.00. Our stock is presently covered by those rules, and may continue to be so. The penny stock rules require broker-dealers to make a special suitability determination before selling our stock to investors who are not either regular customers or accredited investors. As a result, the potential market for our stock may be limited.

OUR BUSINESS IS AFFECTED BY MARKET FLUCTUATIONS, LIQUIDITY AND VOLATILITY.

Our revenue and profitability may be adversely affected by market fluctuations, market liquidity and declines in the volume of securities transactions. National acts as a market maker in publicly traded common stocks. In market making transactions, we undertake the risk of price changes or being unable to resell the common stock we hold or being unable to purchase the common stock we have sold. These risks are heightened by the illiquidity of many of the common stocks we trades and/or make a market. Any losses from our trading activities could have a material adverse effect on our business, financial condition, results of operations or cash flows. In addition, we maintain trading positions that can be adversely affected by the level of volatility in the financial markets.

OUR BUSINESS COULD BE ADVERSELY AFFECTED BY A BREAKDOWN IN THE FINANCIAL MARKETS.

As a securities broker-dealer, National's business is materially affected by conditions in the financial markets and economic conditions generally, both in the United States and elsewhere around the world. Many factors or events could lead to a breakdown in the financial markets including war, terrorism, natural catastrophes and other types of disasters. These types of events could cause people to begin to lose confidence in the financial markets and their ability to function effectively. If the financial markets are unable to effectively prepare for these types of events and ease public concern over their ability to function, our revenues are likely to decline and our operations will be adversely affected.

OUR REVENUES MAY CONTINUE TO DECLINE IF ADVERSE MARKET OR ECONOMIC CONDITIONS PERSIST.

Current unfavorable financial and economic conditions have reduced the number and size of the transactions in which we provide underwriting and placement agency services. Revenues from these activities are directly related to the number and size of the transactions in which we participate and therefore have been adversely affected by the sustained market downturn. Additionally, the downturn in market conditions led to a decline in the volume of transactions that we executed for our customers and, therefore, to a decline in the revenues we received from commissions and spreads. If these adverse financial and economic conditions persist, we will incur a further decline in transactions and revenues that we receive from commissions and spreads.

COMPETITION WITH LARGER FINANCIAL FIRMS MAY HAVE A NEGATIVE EFFECT OUR BUSINESS.

We compete directly with national and regional full-service broker-dealers and a broad range of other financial service firms, including banks and insurance companies. Competition has increased as smaller securities firms have either ceased doing business or have been acquired by or merged into other firms. Mergers and acquisitions have increased competition from these firms, many of which have significantly greater financial, technical, marketing and other resources than we have. Many of these firms offer their customers more products and research than currently offered by us. These competitors may be able to respond more quickly to new or changing opportunities, technologies and client requirements. We also face competition from companies offering discount and/or electronic brokerage services, including brokerage services provided over the Internet, which we are currently not offering and do not intend to offer in the foreseeable future. These competitors may have lower costs or provide more services, and may offer their customers more favorable commissions, fees or other terms than those offered by us. To the extent that issuers and purchasers of securities transact business without our assistance, our operating results could be adversely affected.

THE FAILURE TO MEET THE LISTING CRITERIA OF THE AMERICAN STOCK EXCHANGE MAY RESULT IN THE DELISTING OF OUR COMMON STOCK.

Our Common Stock is listed on the AMEX. The AMEX has certain guidelines under which it considers removing securities from listing on the AMEX. On

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

February 5, 2003, we received a letter from AMEX indicating that we were not in compliance with certain listing standards relating to (1) shareholders' equity of less than \$2.0 million and losses from continuing operations and/or net losses in two out of our three most recent fiscal years, and (2) the requirement to have and maintain an audit committee comprised of at least three independent directors. We submitted a plan to AMEX indicating compliance with item (1) above within a maximum of 18 months, and we are actively seeking another independent director to satisfy item (2) above. On May 19, 2003 the AMEX notified us that it accepted our plan of compliance and granted us an extension of time to August 5, 2004 to satisfy the financial standards, and an extension of time to July 28, 2003 to comply with the independent audit committee requirement. In the event that we fail to comply with the listing standards or AMEX determines that our

6

compliance program is not satisfactory, our Common Stock may be removed from AMEX and could trade on the OTC Bulletin Board or in the "pink sheets" maintained by the National Quotation Bureau, Inc. Such alternatives are generally considered to be less efficient markets, and our stock price, as well as the liquidity of our Common Stock, may be adversely impacted as a result.

WE ARE CURRENTLY SUBJECT TO EXTENSIVE SECURITIES REGULATION AND THE FAILURE TO COMPLY WITH THESE REGULATIONS COULD SUBJECT US TO PENALTIES OR SANCTIONS.

The securities industry and our business are subject to extensive regulation by the Securities and Exchange Commission, state securities regulators and other governmental regulatory authorities. We are also regulated by industry self-regulatory organizations, including the NASD and the Municipal Securities Rulemaking Board. We are a registered broker-dealer with the Securities and Exchange Commission and member firms of the NASD.

Broker-dealers are subject to regulations which cover all aspects of the securities business, including sales methods and supervision, trading practices among broker-dealers, use and safekeeping of customers' funds and securities, capital structure of securities firms, record keeping, and the conduct of directors, officers and employees. The regulatory environment is also subject to change.

Compliance with many of the regulations applicable to us involves a number of risks, particularly in areas where applicable regulations may be subject to varying interpretation. These regulations often serve to limit our activities, including through net capital, customer protection and market conduct requirements. If we are found to have violated an applicable regulation, administrative or judicial proceedings may be initiated against us that may result in a censure, fine, civil penalties, issuance of cease-and-desist orders, the deregistration or suspension of our broker-dealer activities, the suspension or disqualification of the our officers or employees, or other adverse consequences. The imposition of any of these or other penalties could have a material adverse effect on our operating results and financial condition.

WE RELY ON CLEARING BROKERS AND TERMINATION OF THE AGREEMENTS WITH THESE CLEARING BROKERS COULD DISRUPT OUR BUSINESS.

We recently changed from a self-clearing system to using clearing brokers to process our securities transactions and maintain customer accounts on

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

a fee basis for us. The clearing brokers also provide billing services, extend credit and provide for control and receipt, custody and delivery of securities. Our broker-dealers depend on the operational capacity and ability of the clearing brokers for the orderly processing of transactions. In addition, by engaging the processing services of a clearing firm, we are exempt from some capital reserve requirements and other regulatory requirements imposed by federal and state securities laws. If the clearing agreements are terminated for any reason, we would be forced to find alternative clearing firms. We cannot assure you that we would be able to find an alternative clearing firm on acceptable terms to them or at all.

We permit our clients to purchase securities on a margin basis or sell securities short, which means that the clearing firm extends credit to the client secured by cash and securities in the client's account. During periods of volatile markets, the value of the collateral held by the clearing brokers could fall below the amount borrowed by the client. If margin requirements are not sufficient to cover losses, the clearing brokers sell or buy securities at prevailing market prices, and may incur losses to satisfy client obligations. We have agreed to indemnify the clearing brokers for losses they incur while extending credit to our clients.

7

CREDIT RISK EXPOSES US TO LOSSES CAUSED BY FINANCIAL OR OTHER PROBLEMS EXPERIENCED BY THIRD PARTIES.

We are exposed to the risk that third parties that owe us money, securities or other assets will not perform their obligations. These parties include: trading counterparts, customers, clearing agents, exchanges, clearing houses, and other financial intermediaries as well as issuers whose securities we hold. These parties may default on their obligations owed to us due to bankruptcy, lack of liquidity, operational failure or other reasons. This risk may arise, for example, from holding securities of third parties, executing securities trades that fail to settle at the required time due to non-delivery by the counterparty or systems failure by clearing agents, exchanges, clearing houses or other financial intermediaries, and extending credit to clients through bridge or margin loans or other arrangements. Significant failures by third parties to perform their obligations owed to us could adversely affect our revenues and perhaps our ability to borrow in the credit markets.

ADVERSE RESULTS OF CURRENT LITIGATION AND POTENTIAL SECURITIES LAW LIABILITY WOULD RESULT IN FINANCIAL LOSSES AND DIVERT MANAGEMENT'S ATTENTION TO BUSINESS.

Many aspects of our business involve substantial risks of liability. There has been an increase in litigation and arbitration within the securities industry in recent years, including class action suits seeking substantial damages. We are subject to potential claims by dissatisfied customers, including claims alleging they were damaged by improper sales practices such as unauthorized trading, sale of unsuitable securities, use of false or misleading statements in the sale of securities, mismanagement and breach of fiduciary duty. National may be liable for the unauthorized acts of its retail brokers if it fails to adequately supervise their conduct. As an underwriter, we may be subject to substantial potential liability under federal and state law and court decisions, including liability for material misstatements and omissions in securities offerings. We may be required to contribute to a settlement, defense

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

costs or a final judgment in legal proceedings or arbitrations involving a past underwriting and in actions that may arise in the future. National carries Errors and Omissions insurance to protect against arbitrations; however, the policy is limited in items and amounts covered and there can be no assurance that it will cover a complaint. The adverse resolution of any legal proceedings involving us could have a material adverse effect on our business, financial condition, results of operations or cash flows.

WE DEPEND ON KEY PERSONNEL.

We depend on the continued services of our management team, particularly Mark Goldwasser, our President and Chief Executive Officer, as well as our ability to hire additional members of management, and to retain and motivate our other officers and key employees. In November 29, 2001, Mr. Goldwasser voluntarily terminated his employment agreement with us in exchange for a profit participation in National's branch office in New York City. Our future success depends on our continuing ability to attract and retain highly qualified personnel.

THE PRICE OF OUR COMMON STOCK IS VOLATILE.

The price of our Common Stock has fluctuated substantially. The market price of our Common Stock may be highly volatile as a result of factors specific to us and the securities markets in general. Factors affecting volatility may include variations in our annual or quarterly financial results or those of our competitors; the continued listing of our Common Stock on AMEX; conditions in the economy in general; and changes in applicable laws or regulations, or their judicial or administrative interpretations affecting us or our subsidiary or the securities industry. In addition, volatility of the market price of our Common Stock is further affected by our thinly traded nature.

- o INVESTMENT TRANSACTION. On December 28, 2001, we completed a series of transactions under which certain new investors obtained a significant ownership in us through purchasing 15,725 shares of Series A Preferred Stock for consideration of \$1,572,500 (\$10.00 per share) and by purchasing 285,000 shares of Common Stock from Steven A. Rothstein and family, our former Chairman, Chief Executive Officer and principal shareholder. The purchasers in the Investment Transaction were Triage Partners LLC (of which Steven B. Sands and Martin S. Sands, our Co-Chairmen, are the Co-Managers and Members) and One Clark LLC (of which Mark Goldwasser, our President and Chief Executive Officer is the Manager) who participated on an equal pro-rata basis with respect to the preferred stock purchase. Pursuant to the terms of the Securities Purchase Agreement, each of Triage Partners LLC and One Clark LLC subsequently purchased an additional 2,500 shares of Series A Preferred Stock for consideration of \$250,000 (\$10.00 per share). The Series A Preferred Stock is convertible into Common Stock at a price of \$1.50 per share. As part of the Investment Transaction, Triage Partners LLC purchased 285,000 shares of Common Stock from Mr. Rothstein and his affiliates at a price of \$1.50 per share. Snyder, as Joint Tenants with Right of Survivorship, holding \$2.0 million of our debt converted one-half of the principal amount of such debt into the same class of Series A Preferred Stock that was sold in the Investment Transaction. In exchange for the instruments evidencing \$1.0 million of the \$2.0 million of the promissory notes and previously issued warrants to purchase 100,000 shares of Common Stock with an exercise price of \$5.00 per share, each noteholder was issued 5,000 shares of Series A Preferred Stock, a warrant to purchase 50,000 shares of Common Stock with an exercise price of \$1.75 per share and a warrant to purchase 50,000 shares of Common Stock with an exercise price of \$5.00 per share. TABLE

The following table sets forth the number of shares of Common Stock owned by each of the selling shareholders as of the date of this prospectus, the number of shares owned by them covered by this prospectus and the amount and percentage of shares to be owned by each selling stockholder after the sale of all of the shares offered by this prospectus. The table also sets forth the number of shares of Common Stock certain selling shareholders will receive upon conversion of the Series A Preferred Stock and upon exercise of warrants. Except as indicated below, none of the selling shareholders has had any position, office or other material relationship with us within the past three years other than as a result of the ownership of our shares or other securities. The information included below is based on information provided by the selling shareholders. Because the selling shareholders may offer some or all of their shares, no definitive estimate as to the number of shares that will be held by the selling shareholders after such offering can be provided and the following table has been prepared on the assumption that all shares of Common Stock offered hereby will be sold.

The applicable percentages of ownership are based on an aggregate of 3,367,558 shares of Common Stock issues and outstanding on July 23, 2003. This number does not include 1,854,998 shares of Common Stock issuable upon conversion of 27,825 shares of Series A Preferred Stock and shares of Common Stock issuable upon exercise of outstanding warrants and options held by the selling shareholders.

PLAN OF DISTRIBUTION

We are registering for resale 4,604,454 shares of Common Stock with this prospectus on behalf of the selling shareholders named in this prospectus. These shares include (i) an aggregate of 1,854,998 shares of Common Stock certain selling shareholders will receive conversion of 27,825 shares of Series A Preferred Stock and (ii) an aggregate of 1,656,347 shares of Common Stock issuable upon exercise of warrants. The selling shareholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. We have agreed to bear certain expenses in connection with

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

the registration of the shares of Common Stock offered and being sold by the selling shareholders. The selling shareholders will bear all brokerage commissions and similar selling expenses, if any, attributable to sales of the shares. Sales of shares may be affected by the selling stockholders, from time to time, in one or more types of transactions (which may include block transactions) on The American Stock Exchange, in the over-the-counter market, in negotiated transactions, or a combination of such methods of sale, at market prices prevailing at the time of sale, or at negotiated prices. These transactions may or may not involve brokers or dealers.

The selling stockholders may affect sales of shares:

- In ordinary brokerage transactions in which the broker solicits purchasers or executes unsolicited orders, or transactions in which the broker may acquire the share as principal and resell the shares into the public market in any manner permitted by the selling shareholders under this prospectus;
- In connection with the pledge of shares registered in this prospectus to a broker/dealer or other pledgee to secure debts or other obligations, and the sale of the shares so pledged upon a default;
- Through the writing or settlement of non-traded and exchange-traded put or call option contracts, and by means of the establishment or settlement of other hedging transactions including forward sale transactions. In addition, the selling shareholders may loan their shares to broker/dealers who are counterparties to hedging transactions and such broker/dealers may sell the shares so borrowed into the public market;
- In private transactions and transactions otherwise than on The American Stock Exchange, on any other national securities exchange or in over-the-counter market on which shares of Common Stock maybe listed or quoted at the time of any sale;
- In block trades, in which a broker-dealer will attempt to sell the shares as agent for the selling shareholders, but may take a position and resell a portion of the block as principal to facilitate the transaction;
- Through a combination of any of the above transactions.

Broker-dealers may receive compensation in the form of discounts, concessions, or commissions from the selling stockholder and/or the purchasers of shares for whom such broker-dealers may act as agents or to whom they sell as principal or both (this compensation to a particular broker-dealer might be in excess of customary commissions).

The selling shareholders and any broker-dealers that act in connection with the sale of shares might be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act. In this case, any commissions received by broker dealers and any profit on the resale of the shares sold by

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

them while acting as principals might be deemed to be underwriting discounts or commissions under the Securities Act. We have agreed to indemnify the selling shareholders named in this prospectus against certain liabilities, including liabilities arising under the Securities Act. The selling shareholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the shares against certain liabilities, including liabilities arising under the Securities Act.

Because the selling shareholders may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act, the selling shareholders will be subject to the prospectus delivery requirements of the Securities Act.

The selling shareholders also may resell all or a portion of their shares in open market transactions in reliance upon Rule 144 under the Securities Act, if they meet the criteria and conform to the requirements of Rule 144.

Section 125(a) of the DGCL provides in relevant part that "[a] corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful." With respect to derivative actions, Section 145(b) of the DGCL provides in relevant part that "[a] corporation shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor . . . [by reason of the person's service in one of the capacities specified in the preceding sentence] against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interest of the corporation except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper."

Our Certificate of Incorporation includes a provision that eliminates the personal liability of our directors for monetary damages for breach of fiduciary duty to the full extent permitted by Delaware law.

Our Amended and Restated By-laws provide that:

- We must indemnify our directors and officers to the fullest extent permitted by Delaware law, subject to certain very limited exceptions;
- We may indemnify our other employees and agents to the same

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

extent that we indemnify our officers and directors, unless otherwise required by law, our certificate of incorporation, our bylaws or agreements; and

- We must advance expenses, as incurred, to our directors and executive officers in connection with legal proceedings to the fullest extent permitted by Delaware law, subject to certain very limited exceptions.

We have obtained liability insurance for our officers and directors.

The above discussion of the our Certificate of Incorporation and Amended and Restated By-laws and of Section 145 of the Delaware General Corporation Law is not intended to be exhaustive and is respectively qualified in its entirety by such restated Certificate of Incorporation, Amended and Restated By-laws and statute.

ITEM 17. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act; and
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed

Edgar Filing: OLYMPIC CASCADE FINANCIAL CORP - Form S-3/A

with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 and Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering as such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) That, insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
