**Item 1.01 Entry into a Material Definitive Agreement.**

On July 21, 2006, Innova Holdings, Inc. (the "Company") consummated a Securities Purchase Agreement (the "Purchase Agreement") dated July 21, 2006 with Cornell Capital Partners L.P. ("Cornell") providing for the sale by the Company to Cornell of its 10% secured convertible debentures in the aggregate principal amount of \$2,825,000 (the "Debentures") of which \$1,250,000 was advanced immediately. The second installment of \$575,000 will be advanced on the date of the filing by the Company with the Securities and Exchange Commission (the "Commission") of the Registration Statement (as defined below). The last installment of \$1,000,000 will be advanced three business days after the date the Registration Statement is declared effective by the Commission.

The Debentures mature on the third anniversary of the date of issuance (the "Maturity Date"). The holder of the Debentures may convert at any time amounts outstanding under the Debentures into shares of common stock of the Company (the "Common Stock") at a fixed conversion price per share equal to \$0.04 (the "Conversion Price"). Cornell has agreed not to short any of the shares of Common Stock. The Company's obligations under the Purchase Agreement are secured by substantially all of the Company's, and its wholly owned subsidiary's (Coroware Technologies, Inc.) assets.

Under the Purchase Agreement, the Company also issued to Cornell five-year warrants to purchase 10,000,000 and 15,000,000 shares of Common Stock at a price equal to \$0.05 and \$0.10, respectively, together with three-year warrants to purchase 23,000,000, 20,000,000 and 25,000,000 shares of Common Stock at a price equal to \$0.025, \$0.065 and \$0.075, respectively (collectively, the "Warrants").

In connection with the Purchase Agreement, the Company also entered into a registration rights agreement with Cornell (the "Registration Rights Agreement") providing for the filing of a registration statement (the "Registration Statement") with the Securities and Exchange Commission registering the Common Stock issuable upon conversion of the Debentures and exercise of the Warrants. The Company is obligated to use its best efforts to cause the Registration Statement to be filed no later than 30 days after the closing date. In the event of a default of its obligations under the Registration Rights Agreement, including its agreement to file the Registration Statement with the Commission no later than 30 days after the closing date, or if the Registration Statement is not declared effective within 120 days after the closing date, it is required to pay to Cornell, as liquidated damages, for each month that the registration statement has not been filed or declared effective, as the case may be, either a cash amount or shares of our common stock equal to 2% of the liquidated value of the Debentures.

The Company claims an exemption from the registration requirements of the Act for the private placement of these securities pursuant to Section 4(2) of the Act and/or Regulation D promulgated thereunder since, among other things, the transaction did not involve a public offering, Cornell is an accredited investor and/or qualified institutional buyer, Cornell had access to information about the Company and its investment, Cornell took the securities for investment and not resale, and the Company took appropriate measures to restrict the transfer of the securities.

On July 25, 2006, the Company issued a press release announcing the entry into the Securities Purchase Agreement with Cornell, a copy of which is attached hereto as Exhibit 99.1.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

**Item 1.02 Termination of a Material Definitive Agreement.**

On July 21, 2006, the Company terminated the Standby Equity Distribution Agreement (the “SEDA”) dated June 14, 2005 with Cornell, together with all of the definitive agreements related thereto. In addition, on July 21, 2006 Cornell agreed to terminate the promissory note in the remaining principal amount of \$80,000 in exchange for the Company’s issuance of 4,848,500 shares of Common Stock to Cornell.
