Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On July 19, 2007, the Board of Directors of Diodes Incorporated (the "Company") approved an amendment to the Bylaws of the Company to allow the Company to issue uncertificated shares. The ability to issue uncertificated shares enables the Company to participate, if necessary, in the Direct Registration Program that is being adopted by certain stock exchanges including The Nasdaq Stock Market LLC. The Direct Registration System allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates.
