Report of Independent Registered Public Accounting Firm

The Deferred Salary Savings Plan Committee
Univest Corporation of Pennsylvania:

We have audited the accompanying statements of net assets available for benefits of the Univest Corporation of Pennsylvania Deferred Salary Savings Plan (the Plan) as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2007 and 2006, and the changes in net assets available for benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2007, is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974*. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**UNIVEST CORPORATION OF PENNSYLVANIA
DEFERRED SALARY SAVINGS PLAN**

Notes to Financial Statements
December 31, 2007 and 2006

(1) Description of Plan

The following brief description of the Uninvest Corporation of Pennsylvania Deferred Salary Savings Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

(a) General

The Plan is a deferred salary savings plan covering all employees of Uninvest Corporation of Pennsylvania (the Corporation) and its wholly owned subsidiaries (Employer) who have attained the age of 18. Employees can enter the Plan on the first day of the month following the fulfillment of the eligibility requirements. However, with respect to matching contributions, qualified non-elective contributions and discretionary profit-sharing contributions, employees will be eligible to participate in the Plan after they completed at least six months of service. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by the Deferred Salary Savings Plan Committee appointed by the board of directors of the Corporation. The trustees have appointed Uninvest National Bank and Trust Co. (the Bank), a wholly owned subsidiary of the Corporation, as investment manager of the Plan.

(b) Contributions

Participants may contribute up to a maximum of \$15,500 if under age 50 and \$20,500 if over age 50.

The Employer makes a matching contribution of up to 50% of the participants' contributions under the plan provisions. Matching contributions are limited to the initial 6% of compensation a participant contributes. Additional amounts may be contributed at the election of the Corporation's board of directors. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

(c) Investment Options

Participants direct the investment of their contributions and the matching contributions into various investment options offered by the Plan. The Plan currently offers investments in the Employer's common stock and mutual funds offered through registered investment companies.

(d) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Employer's contribution, (b) plan earnings, and (c) an allocation of forfeitures of terminated participants' nonvested accounts attributable to the Employer's discretionary contributions. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

DEFERRED SALARY SAVINGS PLAN**

Notes to Financial Statements
December 31, 2007 and 2006

(e) Vesting

Participants are considered fully vested at all times for their voluntary contributions, plus actual earnings thereon.

Vesting in the remainder of their accounts is based upon the number of years of continuous service. A participant is 50% vested at the end of two years of service, 75% vested at the end of three years of service, and fully vested at the end of four years of service.

(f) Payment of Benefits

Benefits shall be paid in either a lump-sum payment or calculated periodic payments, based upon the election of the participant. Generally, benefit payments must commence not later than the year in which a participant attains age 70½.

(g) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested.

(h) Forfeited Accounts

At December 31, 2007 and 2006, forfeited nonvested accounts totaled \$6,215 and \$20,163, respectively. None of these accounts were attributed to the Employer's discretionary contributions; therefore, these accounts will be used to reduce future Employer's contributions.

(2) Summary of Accounting Policies

(a) Investment Valuation and Income Recognition

Investments are stated at fair value. The underlying securities in each pooled fund are listed on national securities exchanges and valued on the basis of year-end closing prices; securities traded in the over-the-counter market are valued at the mean between the last reported bid and ask prices; and certificates of deposit are valued at cost plus accrued interest which approximates market value. Gain or loss on securities sold is based on average cost. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(b) Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Expenses

The Plan sponsor pays the costs of trust and other administrative services.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Recent Accounting Pronouncements

In September 2006, the Financial Accounting Standards Board (FASB) issued Statement of Financial Accounting Standards (SFAS) No. 157, *Fair Value Measurements*. SFAS No. 157 establishes a framework for measuring fair value in GAAP, and enhances disclosures about fair value measurements. SFAS No. 157 applies when other accounting pronouncements require fair value measurements; it does not require new fair value measurements. SFAS No. 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and for interim periods within those years. The Corporation does not anticipate the adoption of SFAS No. 157 to have a material impact on the Plan's financial statements.

(3) Investments

Investments that represent 5% or more of the fair value of the Plan's net assets as of December 31, 2007 and 2006 are as follows:

	2007	2006
John Hancock Lifestyle Growth Fund	\$ 2,956,138	\$ 2,635,693

Federated Total Return Bond Fund	1,814,556	1,337,916
Univest Corporation of Pennsylvania common stock	3,732,248	5,388,864

For the year ended December 31, 2007, the Plan's investments, including investments purchased and sold, as well as held during the year appreciated (depreciated) in fair value as follows:

	Net Realized and Unrealized Appreciation (Depreciation) in Fair Value of Investments

Univest Corporation of Pennsylvania common stock	\$ (1,656,616)	\$ 1,097,928

Prior to December 1, 2007, the Company's matching contributions were funded through either Uninvest Corporation of Pennsylvania common stock or the Uninvest Federated Total Return Bond Fund. Effective December 1, 2007, the Company amended the Plan to allow the participants to direct their investment of the matching contributions into various investment options offered by the Plan.

(5) Related-Party Transactions

At December 31, 2007 and 2006, the Plan had interest-bearing deposits with the Bank of \$59,426 and \$357,577 respectively. In addition, the Plan holds stock of the Corporation. At December 31, 2007 and 2006, the market value of this stock was \$4,732,248 and \$5,388,864, respectively.

The Bank holds all of the investments of the Plan, under an investment management and trustee agreement with the Plan. The Bank as trustee has full discretionary authority for the purchases and sales of the underlying investments in each pooled fund.

(6) Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated September 3, 2002, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC); therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan administrator

and management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes is shown in the accompanying financial statements.
