Item 2.02. Results of Operations and Financial Condition.

On Wednesday, November 12, 2008, Fortress International Group, Inc. (the “Company”) issued a press release reporting certain financial results of the Company for the third quarter of 2008.

A copy of the press release is being furnished herewith as Exhibit 99.1.

The Company will conduct a conference call to discuss its financial results on Wednesday, November 12, 2008, at 8:30 a.m., Eastern Time.

The information in this Report, including Exhibit 99.1 attached hereto, is furnished pursuant to Item 2.02 of this Current Report on Form 8-K. Such information shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference into any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference in such filing.

Statements contained in this report contain “forward-looking statements,” within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on the beliefs and expectations of management, as well as the assumptions made using information currently available to management. In this context, forward-looking statements may address matters such as our expected future business and financial performance, and often contain words such as “guidance,” “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should,” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For the Company, particular uncertainties that could adversely or positively affect its future results include the following: the Company’s reliance on a significant portion of its revenues from a limited number of customers; the uncertainty as to whether the Company can replace its declining backlog; risks involved in properly managing complex projects; risks relating to revenues under customer contracts, many of which can be canceled on short notice; risks related to the implementation of the Company’s strategic plan, including the ability to make acquisitions and the performance and future integration of acquired businesses; and other risks and uncertainties disclosed in the Company’s filings with the Securities and Exchange Commission, which are available at the Securities and Exchange Commission’s internet website (www.sec.gov) and to which reference is hereby made. These uncertainties may cause the Company’s actual future results to be materially different than those expressed in the Company’s forward-looking statements. The Company does not undertake to update its forward-looking statements.
