Warren, Pennsylvania 16365-2353  
(814) 726-2140

2011 ANNUAL MEETING OF STOCKHOLDERS  
April 20, 2011

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Northwest Bancshares, Inc. to be used at the 2011 Annual Meeting of Stockholders of Northwest Bancshares, Inc., which will be held at The Struthers Library Theatre, 302 W. Third Avenue, Warren, Pennsylvania, on April 20, 2011, at 11:00 a.m., Pennsylvania time, and all adjournments of the annual meeting. The accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement are first being mailed to stockholders on or about March 21, 2011.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of our shares of common stock, par value \$0.01 per share, as of the close of business on February 28, 2011 are entitled to one vote for each share then held. As of February 28, 2011, there were 109,154,655 shares of common stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining that a quorum is present.

As to the election of directors, the Proxy Card being provided by the Board of Directors enables a stockholder to vote FOR ALL NOMINEES proposed by the Board, to WITHHOLD AUTHORITY FOR ALL NOMINEES or to vote FOR ALL EXCEPT one or more of the nominees being proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which the authority to vote for the nominees being proposed is withheld.

As to the ratification of KPMG LLP as our independent registered public accounting firm, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on such ratification. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes, or shares as to which the "ABSTAIN" box has been selected on the proxy card, is required for the approval of this matter.

As to the advisory, non-binding resolution to approve our executive compensation as described in this Proxy Statement, a stockholder may: (i) vote FOR the resolution; (ii) vote "AGAINST" the resolution; or (iii) ABSTAIN from voting on the resolution. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes, or shares as to which the "ABSTAIN" box has been selected on the proxy card, is required for the approval of this non-binding resolution. While this vote is required by law, it will neither be binding on Northwest Bancshares, Inc. or the Board of Directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on Northwest Bancshares, Inc. or the Board of Directors.

As to the advisory, non-binding proposal with respect to the frequency that stockholders will vote on our executive compensation, a stockholder may select that stockholders: (i) consider the proposal every 1 YEAR; (ii) consider the proposal every 2 YEARS; (iii) consider the proposal every 3 YEARS; or (iv) ABSTAIN from voting on the proposal. Generally, approval of any matter presented to stockholders requires the affirmative vote of a majority of the votes cast. However, because this vote is advisory and non-binding, if none of the frequency options receive a majority of

the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by Northwest Bancshares, Inc.'s stockholders. Even though this vote will neither be binding on Northwest Bancshares, Inc. or the Board of Directors, nor will it create or imply any change in the fiduciary duties

---

of, or impose any additional fiduciary duty on Northwest Bancshares, Inc. or the Board of Directors, the Board of Directors will take into account the outcome of this vote in making a determination on the frequency that advisory votes on executive compensation will be included in our proxy statements.

As to the approval of the Northwest Bancshares, Inc. 2011 Equity Incentive Plan, by checking the appropriate box, a stockholder may: (i) vote FOR the approval; (ii) vote AGAINST the approval; or (iii) ABSTAIN from voting on such matter. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes, or shares as to which the “ABSTAIN” box has been selected on the proxy card, is required for the approval of this matter.

As provided in Section D of Article 5 of our Articles of Incorporation, record holders who beneficially own in excess of 10% of the outstanding shares of our common stock are not entitled to vote any shares held in excess of this 10% limit. Subject to certain exceptions, a person is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person. The Board of Directors of Northwest Bancshares, Inc. is authorized to construe and apply the provisions of Section D of Article 5 of the Articles of Incorporation, and to make all determinations it deems necessary or desirable to implement them, including determining the number of shares beneficially owned by any person and whether a person is an affiliate of or has an arrangement or agreement with another person, and to demand certain information from any person who is reasonably believed to beneficially own stock in excess of the 10% limit and reimbursement for all expenses incurred by Northwest Bancshares, Inc. in connection with an investigation conducted by the Board of Directors pursuant to the provisions of Article 5, Section D of the Articles of Incorporation.

If you have selected a broker, bank, or other intermediary to hold your common stock rather than having them directly registered with our transfer agent, American Stock Transfer & Trust Company, you will receive instructions directly from your broker, bank, or other intermediary in order to vote your shares. Your brokerage firm may also provide the ability to vote your proxy by telephone or online. Please be advised that if you choose to not vote your proxy, your brokerage firm has the authority under applicable stock market rules to vote your shares “FOR” or “AGAINST” routine matters. The ratification of the appointment of the independent registered public accounting firm is deemed to be a routine matter. Accordingly, we urge you to vote by following the instructions provided by your broker, bank, or other intermediary.

Persons and groups who beneficially own in excess of 5% of our shares of common stock are required to file certain reports with the Securities and Exchange Commission regarding such ownership pursuant to the Securities Exchange Act of 1934. The following table sets forth, as of February 28, 2011, the shares of our common stock beneficially owned by each person known to us who was the beneficial owner of more than 5% of the outstanding shares of our common stock.

## REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and all adjournments thereof. Proxies solicited on behalf of our Board of Directors will be voted in accordance with the directions given thereon. You may vote by Internet or telephone as described on your Proxy Card. You may also vote by signing and returning your Proxy Card to Northwest Bancshares, Inc. Proxies we receive that are signed, but contain no instructions for voting, will be voted "FOR" the proposals set forth in this Proxy Statement for consideration at the annual meeting and for the "1 YEAR" option with respect to the advisory proposal on the frequency of the stockholders' vote on executive compensation.

LaRocca, at the address shown above, or by returning a duly executed proxy bearing a later date by mail, or voting on a later date by Internet or telephone, as described on your Proxy Card. ## PROPOSAL 1 — ELECTION OF DIRECTORS

Our Board of Directors currently consists of ten members. Our bylaws provide that directors are divided into three classes, as nearly equal in number as reasonably possible, such that approximately one-third of the directors are to be elected annually. Our directors are generally elected to serve for a three-year period, or a shorter period if the director is elected to fill a vacancy, and until their respective successors shall have been elected and shall qualify. Three directors will be elected at the annual meeting and will serve until their successors have been elected and qualified. The Nominating Committee has nominated William J. Wagner, A. Paul King and Sonia M. Probst to serve as directors for three-year terms. Messrs. Wagner and King are currently members of the Board of Directors. Ms. Probst has served on the Board of Directors of Northwest Savings Bank since May 2010, and was recommended to the Nominating Committee for consideration by our President and Chief Executive Officer.

The table below sets forth certain information regarding the composition of our Board of Directors as of February 28, 2011, including the terms of office of Board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to a nominee) will be voted at the annual meeting for the election of the nominees identified below. If one or more nominees is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute or substitutes as the Nominating Committee may recommend. At this time, the Board of Directors knows of no reason why the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between the nominees and any other person pursuant to which such nominees were selected.

#### Board Independence

The Board of Directors has determined that Directors Bauer, Carr, Creal, Ferrier, King, Long, McDowell, Meegan and Tredway are, and Nominee Probst will be, “independent” within the meaning of the Nasdaq corporate governance listing standards. Mr. Wagner is not independent by virtue of being an employee of Northwest Savings Bank. In addition, the Board of Directors has appointed Mr. Carr as Lead Director. In this capacity, Mr. Carr chairs the meetings of the independent directors and other meetings of the Board when the Chairman is excused or absent. Mr. Carr also acts as liaison between the Chairman and the independent directors.

In determining the independence of the directors listed above, the Board of Directors reviewed the following transactions, none of which are required to be reported under “—Transactions With Certain Related Persons,” below. Directors Carr and McDowell each have a Northwest Savings Bank credit card. Directors Carr, King and McDowell have a home equity line of credit with Northwest Savings Bank. Director Ferrier has a mortgage loan and an unsecured line of credit with Northwest Savings Bank. Director Bauer has a credit card and a commercial line of credit with Northwest Savings Bank. Additional loans (including mortgage loans, lines of credit, credit cards and automobile loans) have been made to related persons of Directors Carr, Bauer, King, Creal, Ferrier, Long and McDowell.

## Board Leadership Structure and Oversight

The Board of Directors currently combines the role of Chairman of the Board with the role of Chief Executive Officer, coupled with a lead director position to further strengthen the governance structure. The Board believes this provides us an efficient and effective leadership model. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and alignment on corporate strategy. To assure effective independent oversight, the board has adopted a number of governance practices, including:

- a strong, independent, clearly-defined lead director role;
- periodic meetings of the independent directors; and
- annual performance evaluations of the Chairman and Chief Executive Officer by the independent directors.

The board recognizes that depending on the circumstances, other leadership models, such as a separate independent chairman of the board, might be appropriate. Accordingly, the board periodically reviews its leadership structure.

A key responsibility of the Chief Executive Officer and the board is ensuring that an effective process is in place to provide continuity of leadership over the long term at all levels in our company. Each year, succession planning reviews are held at every significant organizational level of our company, culminating in a full review of senior leadership talent by the independent directors. During this review, the Chief Executive Officer and the independent directors discuss future candidates for senior leadership positions, succession timing for those positions, and development plans for the highest-potential candidates. This process ensures continuity of leadership over the long term, and it forms the basis on which we make ongoing leadership assignments. It is a key success factor in managing the long-term planning and investment lead times of our business.

In addition, the Chief Executive Officer maintains in place at all times, and reviews with the independent directors, a confidential plan for the timely and efficient transfer of his or her responsibilities in the event of an emergency or his or her sudden incapacitation or departure.

The Board of Directors is actively involved in oversight of risks that could affect Northwest Bancshares, Inc. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board has designated a Risk Management Committee, consisting of all independent directors, to meet quarterly for the specific purpose of evaluating our exposure to all risks specifically identified in banking regulations: credit, interest rate, strategic/capital, market price, liquidity, operational, business resumption, compliance/legal/regulatory, foreign exchange and reputation. The Risk Management Committee reports are prepared and presented by our Chief Risk Officer. The Board of Directors also satisfies this responsibility through reports by the committee chair of all board committees regarding the committees' considerations and actions, through review of minutes of committee meetings and through regular reports directly from officers responsible for oversight of particular risks within Northwest Bancshares, Inc. Risks relating to the direct operations of Northwest Savings Bank are further overseen by the Board of Directors of Northwest Savings Bank, which generally consists of the same individuals who serve on the Board of Directors of Northwest Bancshares, Inc. The Board of Directors of Northwest Savings Bank also has additional committees that conduct risk oversight and they typically meet jointly with the committees of Northwest Bancshares, Inc. All committees are responsible for the establishment of policies that guide management and staff in the day-to-day operation of Northwest Bancshares, Inc. and Northwest Savings Bank such as lending, risk management, asset/liability management, investment management and others.

## Meetings and Committees of the Board of Directors

The business of Northwest Bancshares, Inc. is conducted at regular and special meetings of the full Board and its standing committees. In addition, our independent directors meet in executive sessions. The standing committees consist of the Executive, Audit, Compensation, Compliance, Nominating, Risk Management, Governance and Trust Committees. Mr. Wagner, our Chairman of the Board and President, is a member of the Executive and Trust Committees. During the year ended December 31, 2010, the Board of Directors of Northwest Bancshares, Inc. met at 12 regular meetings and one special meeting. No member of the Board or any committee

thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which he has been a director); and (ii) the total number of meetings held by all committees of the Board on which he served (during the periods that he served). The duties and responsibilities of the Compensation, Audit and Nominating Committees are as follows:

Compensation Committee. The Compensation Committee is composed of independent, non-employee directors who are not eligible to participate in management compensation programs. The current members of the Compensation Committee consist of Directors Carr, who serves as Chairman, Bauer, Creal, Ferrier, King, Long, McDowell, Meegan and Tredway. The Compensation Committee meets at least quarterly, or more frequently if necessary. Our Governance Committee has adopted a written charter for the Compensation Committee, which is available on our website at <http://www.northwestsavingsbank.com>. The Compensation Committee of Northwest Bancshares, Inc. met five times during the year ended December 31, 2010. The purpose of the Compensation Committee is to, among other things, evaluate:

- the compensation of the executive officers, other senior officers and employees, including oversight of base salary, cash incentive compensation, equity-based awards and other benefits and perquisites; and
- the performance of the Chief Executive Officer on an annual basis and approve the base salary, cash incentive bonus, equity-based incentive awards and other compensation of the Chief Executive Officer.

In furtherance of these objectives, the Compensation Committee is responsible, among others, for:

- approving the corporate compensation philosophy, including overseeing and monitoring the executive compensation policies, plans and programs for such officers to ensure that they are consistent with the compensation philosophy and the long-term interests of our stockholders;
- reviewing and, if appropriate, amending and approving management's recommendations for compensation issues such as salary ranges, annual merit increases, annual bonuses and long-term incentive plans, including equity-based compensation programs such as stock options and restricted stock awards;
- annually reviewing the Chief Executive Officer's evaluation of the performance of the senior executives who report directly to the Chief Executive Officer in connection with its overall review of executive compensation;
- evaluating, reviewing and approving the execution of management contracts and severance agreements for senior executives and reviewing the annual renewal of such contracts;
  - reviewing and approving all employee benefit plans, including retirement plans and health insurance;
- at least annually, in consultation with the Chief Executive Officer, reviewing succession planning and management development activities and strategies regarding the Chief Executive Officer and other members of senior management;
- annually reviewing and approving the "Report of the Board of Directors on Executive Compensation," which is included in our annual proxy statement; and
  - annually reviewing Management's Annual Risk Review Analysis of our compensation practices.

The Compensation Committee shall have available to it the resources and authority necessary to properly discharge its duties and responsibilities, including the authority to retain counsel and other experts or consultants. The

Compensation Committee, in performing these duties and responsibilities with respect to director and executive

officer compensation, relies on the assistance of professionals within our Human Resources Department. Although the Human Resources Department utilizes survey information provided by compensation consultants in recommending compensation levels, the Compensation Committee does not directly utilize compensation consultants in determining director or executive officer compensation.

Audit Committee. The Audit Committee consists of Directors Bauer, who serves as Chairman, Carr, Creal, Ferrier, King, Long, McDowell, Meegan and Tredway. Each member of the Audit Committee is “independent” as defined in the Nasdaq corporate governance listing standards and under Securities and Exchange Commission Rule 10A-3. The Board of Directors has determined that each of Messrs. Bauer, Long and Meegan qualifies as an “audit committee financial expert” as that term is used in the rules and regulations of the Securities and Exchange Commission. Information with respect to the experience of Messrs. Bauer, Long and Meegan is included in “—Directors.” Our Governance Committee has adopted a written charter for the Audit Committee, which is available on our website at <http://www.northwestsavingsbank.com>. The Audit Committee of Northwest Bancshares, Inc. met seven times during the year ended December 31, 2010.

The duties and responsibilities of the Audit Committee include, among other things:

- retaining, overseeing and evaluating an independent registered public accounting firm to audit our annual financial statements;
- overseeing our external financial reporting processes;
- approving all engagements for audit and non-audit services by the independent registered public accounting firm;
- reviewing the audited financial statements with management and the independent registered public accounting firm;
- considering whether certain relationships with the independent registered public accounting firm and the provision by the independent registered public accounting firm of services not related to the annual audit and quarterly reviews is consistent with maintaining the independent registered public accounting firm’s independence;
- overseeing the activities of the internal audit staff and reviewing management’s administration of the system of internal accounting controls; and
- conducting an annual performance evaluation of the Committee and annually reviewing the adequacy of its charter.

Nominating Committee. The Nominating Committee Charter provides that the Nominating Committee will consist of all independent directors not subject to reelection at the next annual meeting of stockholders. Each member of the Nominating Committee is considered “independent” as defined in the Nasdaq corporate governance listing standards. Our Governance Committee has adopted a written charter for the Nominating Committee, which is available on our website at <http://www.northwestsavingsbank.com>. The Nominating Committee of Northwest Bancshares, Inc. met once during the year ended December 31, 2010.

The functions of the Nominating Committee include the following:

- leading the search for individuals qualified to become members of the Board and selecting director nominees to be presented for stockholder approval;
- developing and recommending to the Board of Directors other specific criteria for the selection of individuals to be considered for election or re-election to the Board of Directors;

- adopting procedures for the submission of recommendations by stockholders for nominees for the Board of Directors; and
- conducting an annual performance evaluation of the Committee and annually reviewing the adequacy of its charter and recommending any proposed changes to the Board of Directors.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees, if it chooses to do so. The Nominating Committee would seek to identify a candidate who, at a minimum, satisfies the following criteria:

- the highest personal and professional ethics and integrity and whose values are compatible with our values;
- experience and achievements that have given them the ability to exercise and develop good business judgment;
- a willingness to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
- a familiarity with the communities in which we operate and/or is actively engaged in community activities;
- involvement in other activities or interests that do not create a conflict with their responsibilities to Northwest Bancshares, Inc. and its stockholders; and
- the capacity and desire to represent the balanced, best interests of our stockholders as a group, and not primarily a special interest group or constituency.

The Board seeks independent directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. The board is particularly interested in maintaining a mix that includes active or retired business professionals and senior executives, particularly those with experience in management, operations, finance, accounting, banking, risk management, compliance, or marketing and sales. As part of its periodic self-assessment process, the Board discusses the diversity of specific skills and characteristics necessary for the optimal functioning of the Board in its oversight of Northwest Bancshares, Inc. over both the short- and longer term. The Nominating Committee then gives consideration to these specific skill areas or experiences when considering candidates for nomination. Specific qualities or experiences could include matters such as experience in our industry, financial or technological expertise, leadership experience and relevant geographical experience. The effectiveness of the Board's diverse mix of skills and experiences is considered as part of each Board self-assessment.

In addition to meeting these qualifications, a person is not qualified to serve as a director if he or she: (1) is under indictment for, or has ever been convicted of, a criminal offense involving dishonesty or breach of trust and the penalty for such offense could be imprisonment for more than one year; (2) is a person against whom a banking agency has, within the past ten years, issued a cease and desist order for conduct involving dishonesty or breach of trust and that order is final and subject to appeal; or (3) has been found either by a regulatory agency whose decision is final and not subject to appeal or by a court to have (i) breached a fiduciary duty involving personal profit or (ii) committed a willful violation of any law, rule or regulation governing banking, securities, commodities or insurance, or any final cease and desist order issued by a banking, securities, commodities or insurance regulatory agency.

The Nominating Committee will also take into account whether a candidate satisfies the criteria for “independence” under the Nasdaq corporate governance listing standards.

Procedures for the Recommendation of Director Nominees by Stockholders. The Nominating Committee has adopted procedures for the submission of recommendations for director nominees by stockholders. There have been no material changes to these procedures since they were previously disclosed in Northwest Bancshares, Inc.'s proxy statement for the 2010 annual meeting of stockholders. A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in our Bylaws.

Management shall make these communications that were not forwarded available to the directors on request.

#### Attendance at Annual Meetings of Stockholders

Securities and Exchange Commission rules require disclosure in our Proxy Statement and Annual Report on Form 10-K of the failure of an officer, director or 10% beneficial owner of the shares of common stock to file a Form 3, 4 or 5 on a timely basis. Based on our review of such ownership reports, Mr. Tredway filed a Form 5 to report the purchase of 1,000 shares of common stock, and we believe that no other officer, director or 10% beneficial owner of Northwest Bancshares, Inc. failed to file such ownership reports on a timely basis for the year ended December 31, 2010.

The Compensation Committee has issued a report that states that it has reviewed and discussed the section entitled “Compensation Discussion and Analysis” with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the “Compensation Discussion and Analysis” be included in our Proxy Statement.

## Compensation Discussion and Analysis

**Compensation Philosophy.** The Compensation Committee has the responsibility for establishing, implementing and monitoring adherence with our overall employee compensation philosophy. The Compensation Committee’s goal is to ensure that the total compensation paid to all employees, including executive officers, is fair, reasonable and competitive. In this regard, the Compensation Committee has adopted a framework for our compensation program that is intended to:

- provide a total compensation program that is aligned with the interests of our stockholders;
- attract and retain talent needed to successfully perform in a competitive market;
- assist in balancing the competing needs of external competitiveness, internal consistency, organizational economics, management flexibility, ease of understanding and simplicity of administration;
- ensure all employees (including executive officers) receive rewards based on performance and value added to the organization in an environment built on shared leadership; and
- use long-term equity programs to motivate and reward performance that increases our market value over time, align senior management interests with the organization’s strategic business objectives and provide a retention incentive.

At least four times a year, the Compensation Committee meets to review various aspects of our programs with the assistance of our Chief Human Resources Officer. These reviews are intended to assure:

- the framework for executive officer compensation supports our business strategy and corporate compensation philosophy;
- the overall compensation package, including the mix of base salary, annual cash bonuses, equity awards and benefits is competitive; and
- the overall program is aligned with stockholders’ interest.

Senior management compensation is calculated from competitive peer group information to determine base salary and annual cash bonus levels. Compensation levels for all positions are established with a goal that the total compensation paid for a position will approximate the market median (50th percentile). See “—Market Comparisons.” Market compensation is developed using national and/or regional financial industry data for executives and other management employees, and national, as well as regional and/or local pay practices for other employees. Based on the work location, a salary differential may be used if dictated by the local market.

Compensation Program. Compensation paid to our executive officers for 2010 consisted of performance-based salary, annual cash bonuses and stock option awards. An annual cash bonus may be paid to management personnel and is directly related to our performance, with consideration given to our return on average equity, return on average tangible equity, return on average assets, growth in earnings per share, retail deposit growth as well as

the performance of the individual employee. In addition, with the Compensation Committee’s approval, employees, including executive officers, can receive a discretionary holiday bonus ranging from 2% of base compensation for employees with one year of service to 5% of base compensation for those with five or more years of service. Additionally, stock option awards are granted to motivate and reward individual performance that increases the long-term value of our franchise and provide a retention incentive for key employees. Approximately 430, or 21%, of our employees receive these stock option awards. Executive officers participate in the same employee benefit programs generally available to all employees. In addition, the executive officers participate in a senior management life insurance plan and the Chief Executive Officer participates in a supplemental employee retirement plan.

Please refer to the “Summary Compensation Table” for compensation information regarding these benefits for 2010. These benefits are aligned with our objective to attract and retain highly qualified management talent for the benefit of all of our stockholders and are considered by the Compensation Committee to be reasonable when compared to industry averages.

Market Comparisons. In determining Named Executive Officer compensation, we use market information which is supported by survey data from a compensation consultant as well as peer groups. We establish compensation targets for all of our employees so that their total compensation opportunity would approximate the market median (50th percentile). For the year ended December 31, 2010, we used financial services survey data from Tower Watson, a nationally recognized compensation consulting firm, in reviewing compensation for all employees, including executive officers. Two additional surveys, prepared by nationally recognized compensation firms Compdata and IOMA, were used to corroborate the findings from the Towers Watson survey, but were not used to provide benchmarks with respect to Named Executive Officer compensation. The Towers Watson survey data is based on the following group of companies primarily in the financial services industry:

 S&T Bancorp, Inc.

Compensation data for our peer group is reviewed for reasonableness. In addition to this review, we rely primarily on market data reported by a national compensation consulting firm for each job classification and responsibilities.

**Base Salary.** Members of senior management, and all other employees, receive base salaries determined by the responsibilities, skills, performance, growth and experience related to their respective positions. Another factor considered in base salary determination is our competitiveness of total compensation within our markets. Base salaries are targeted consistent with our goal that our employees total compensation opportunity would approximate the market median (50th percentile). Specifically, base salaries range between 80% and 120% of the established midpoint. Base salaries above target (midpoint) will be limited to those whose performance is distinguished or commendable. Performance expectations include measures of results and how results are achieved. Employees are eligible for consideration of an annual merit increase in their base salary as a result of individual performance and salary adjustments for significant changes in their duties and responsibilities. The amount and timing of an increase depends upon the individual's performance, salary relative to the midpoint, the time interval since the last increase and any added responsibilities since the last salary increase. The Compensation Committee reviews and approves any salary increases for executive officers. The base salary for each of the Named Executive Officers is reflected in the "Summary Compensation Table."

**Annual Cash Incentive.** We provide performance-based cash incentive awards to over 430 eligible management personnel, including executive officers, under the Management Bonus Plan. Cash incentives are used to motivate and reward achievement of corporate and individual performance objectives, while allowing for control of discretionary compensation expenses. Funding for the Management Bonus Plan is based on an assessment of our actual performance relative to the Compensation Committee's pre-established financial performance levels based on a combination of financial factors. For the year ended December 31, 2010, these factors were: return on average assets, return on average equity, return on average tangible equity, growth in earnings per share and retail deposit growth. After the conclusion of the fiscal year, the Chief Executive Officer may suggest that the Compensation Committee consider additional adjustments to discretionary cash incentive awards that fall in line with the long-term advancement as set forth in our strategic initiatives. Furthermore, in a business environment where people make the difference, we

may consider industry trends for recruitment and retention in determining the level of cash incentives for our professional personnel.

The Management Bonus Plan sets forth eight levels of corporate performance targets, with the lowest level (Level 1) resulting in no cash incentive payments to the Named Executive Officers, and, for 2010, the highest level (Level 8) resulting in cash incentive payments up to 35% of base salary. The performance targets for Levels 2, 5 and 8, which would result in cash incentive payments of 10%, 23% and 35% of base salary, respectively, are as follows:

Performance Measure	Bonus Level Under Management Bonus Plan		
	Level 2 (10% of Base Salary)	Level 5 (23% of Base Salary)	Level 8 (35% of Base Salary)
Return on Average Assets	0.75% to 0.79%	0.90% to 0.94%	Greater than 1.10%
Return on Average Equity	9.00% to 9.99%	12.00% to 12.99%	Greater than 15.00%
Return on Average Tangible Equity	12.00% to 12.99%	15.00% to 16.99%	Greater than 18.00%
Percentage Growth in Earnings Per Share	9.00% to 9.99%	12.00% to 12.99%	Greater than 15.00%
Retail Asset Growth	4.00% to 5.99%	10.00% to 11.99%	Greater than 15.00%

The Compensation Committee has discretion under the Management Bonus Plan to make adjustments to the overall performance level achieved to include or exclude the effect of extraordinary, unusual or non-recurring items, changes in tax or accounting rules or the effect of mergers or acquisitions. For the year ended December 31, 2010, the Compensation Committee considered certain gains and losses in determining our performance under the Management Bonus Plan. Specifically, the Committee excluded from operating results gains on the sale and call of investment securities, impairment losses recorded on investment securities and an REO property, and acquisition-related expenses.

**Long-Term Stock-Based Compensation.** The purpose of our 2008 Stock Option Plan is to advance the interests of Northwest Bancshares, Inc. and its stockholders by providing management and outside directors, upon whose judgment, initiative and efforts the success of our business largely depends, with an additional incentive to perform in a superior manner. The plan was designed to reward seniority as well as longevity and to attract and retain people of experience and ability.

Each of our stock option plans was approved by stockholders. The intention of the Compensation Committee with respect to the 2008 Stock Option Plan is to distribute a total of 3,937,500 stock options (split-adjusted) to key employees and directors in up to seven distributions, with all grants based upon the level of responsibility of those eligible. The Compensation Committee determines which executives will receive stock awards as well as type, size and restrictions on the awards.

Grants of stock options to an individual are based primarily on the individual's level of responsibility and their performance. Individual performance is evaluated using certain general elements applicable to all employees, including problem solving, communication, leadership and teamwork, as well as job specific elements. Job specific elements for measuring the individual performance of our Named Executive Officers include the individual's contributions to our operations and performance in the following areas: Mr. Wagner – strategic and operational considerations and profitability; Mr. LaRocca – strategic and administrative considerations, trust and financial services performance and profitability; Mr. Fisher – strategic, tactical and administrative considerations and profitability; Mr. Harvey – strategic, financial records/reporting and administrative considerations and profitability and Mr. Huber – strategic and administrative considerations, retail and commercial lending performance, profitability and soundness.

During the year ended December 31, 2010, for the 2008 Stock Option Plan, the Chief Executive Officer was eligible to receive 19,000 stock options (split-adjusted) if he exceeded individual performance expectations, and 9,300 stock options (split-adjusted) if he met individual performance goals. Similarly, the other Named Executive Officers were eligible to receive 13,000 stock options (split-adjusted) if individual performance goals were exceeded, and 6,750 stock options (split-adjusted) if individual performance goals were met. For the year ended December 31, 2010, each

Named Executive Officer received stock options based upon their exceeding individual performance expectations.

In addition to stock options, Named Executive Officers also received grants of restricted stock during the year ended December 31, 2005 under our 2004 Recognition and Retention Plan, which vested over a five year period ending in 2010. No grants were made under this plan to the Named Executive Officers during the year ended December 31, 2010.

Employment Agreements. We have entered into employment agreements with certain executive officers, including each of our Named Executive Officers. These agreements are designed to give us the ability to retain the services of the designated executives while reducing, to the extent possible, unnecessary disruptions to our

operations. The agreements are for a three-year period, are reviewed for renewal annually by the Compensation Committee and provide for salary and bonus payments as well as additional post-employment benefits, primarily health benefits, under certain conditions, as defined in the employment agreements. The employment agreements were negotiated directly with and recommended for approval by, the Compensation Committee. The Compensation Committee believes such agreements are common and necessary to retain executive talent. For a discussion of these agreements and the payments that would be received by the Named Executive Officers under certain scenarios with respect to these agreements, see “Employment Agreements.”

**Retirement Plans.** All of our employees, including our Named Executive Officers, are eligible to participate in our tax-qualified defined benefit plan, which is intended to provide an annual retirement benefit. See “Defined Benefit Plan.” We have also adopted a non-qualified supplemental executive retirement plan for the benefit of those individuals whose benefits under the defined benefit plan are limited by restrictions contained in the Internal Revenue Code. See “—Supplemental Executive Retirement Plan.” All of our employees who have attained age 21 are eligible to participate in our 401(k) plan. However, one year of service and a 1,000 hour eligibility requirement must be met before becoming eligible for the company match, which is made in Northwest Bancshares, Inc. stock. Employees may elect to diversify employer contributed matching funds in other investment options. We provide matching contributions equal to 50% of an eligible employee’s (an employee with one year of continuous service) 401(k) plan contributions, up to 3% of the employee’s eligible compensation. All of our employees who have attained age 21 and have completed 12 months of service during which they have worked at least 1,000 hours are also eligible to participate in our Employee Stock Ownership Plan (“ESOP”). Allocations under the ESOP are based upon an employee’s salary in relation to the salary of all other qualified employees.

**Tax and Accounting Implications.** In consultation with our advisors, we evaluate the tax and accounting treatment of each of our compensation programs at the time of adoption and on an annual basis to ensure that we understand the financial impact of the program. Our analysis includes a detailed review of recently adopted and pending changes in tax and accounting requirements. As part of our review, we consider modifications and/or alternatives to existing programs to take advantage of favorable changes in the tax or accounting environment or to avoid adverse consequences. To preserve maximum flexibility in the design and implementation of our compensation program, we have not adopted a formal policy that requires all compensation to be tax deductible. However, to the greatest extent possible, it is our intent to structure our compensation programs in a tax efficient manner.

**Review of Risk Related to Compensation Policies and Procedures.** The Compensation Committee of the Board of Directors is responsible for the oversight of employee compensation policies and procedures, including the determination of whether any material risk is imposed on Northwest Bancshares, Inc. from the annual cash incentive plan, long-term stock-based compensation plan and/ or employment agreements. After reviewing the compensation policies and procedures, including the determination of whether any incentive programs encourage excessive risk taking by employees, the Compensation Committee has concluded such plans do not pose material risk to Northwest Bancshares, Inc.
