Item 1.01 Entry into a Material Definitive Agreement

On September 9, 2011, the registrant was made a party to the re-executions of certain of the contractual arrangements governing the relationship between Pingdingshan Hongyuan Energy Science and Technology Development Co., Ltd. (“Hongyuan”), the registrant’s wholly-owned subsidiary in the People’s Republic of China (the “PRC”) on the one hand, and Henan Province Pingdingshan Hongli Coal & Coke Co., Ltd. (“Hongli”), including its branch and subsidiaries (collectively “Hongli Group”), and the shareholders of Hongli Group, on the other hand.

The contractual arrangements were entered into on March 18, 2009, and are comprised of a series of five agreements: consulting services agreement, operating agreement, option agreement, voting rights proxy agreement and equity pledge agreement. At the time the contractual arrangements were entered into, Hongli had registered capital of 8,080,000 Renminbi (“RMB”), and was 83.66% owned by Mr. Jianhua Lv, the registrant’s chairman and chief executive officer, 6.44% by Ms. Xin Zheng, 4.95% by Mr. Wenqi Xu, and 4.95% by Mr. Guoxiang Song.

In August 2010, however, the municipal government of Pingdingshan notified Hongli to increase its registered capital by RMB 20,000,000 to RMB 28,080,000 in order to maintain Hongli’s coal trading license. Accordingly, the shareholders of Hongli contributed the additional registered capital, which amount was contributed in full as of August 26, 2010. However, the shareholders did not contribute in proportion to their original ownership percentages, such that Hongli is now 85.40% owned by Mr. Lv, 9.1% by Ms. Zheng, 3.99 % by Mr. Xu, and 1.42% by Mr. Song.

The registration with Pingdingshan’s Administration for Industry and Commerce of the foregoing capital contributions by, and change in ownership percentages of, Hongli’s shareholders was completed on April 29, 2011. The operating agreement, option agreement, voting rights proxy agreement and equity pledge agreement were re-executed to reflect the additional registered capital of Hongli, as well as the change in ownership percentages amongst its shareholders. Otherwise, the terms of these four agreements remain unchanged. The registrant was made a party to such re-executions for the sole purpose of acknowledging them.
