GENERAL INFORMATION

To the Holders of Common Stock of MusclePharm Corporation:

This Information Statement has been filed with the Securities and Exchange Commission and is being furnished, pursuant to Section 14C of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to the holders (the "Stockholders") of common stock, par value \$0.001 per share (the "Common Stock"), of MusclePharm Corporation, a Nevada corporation (the "Company"), to notify such Stockholders that on October 5, 2011, the Company received a unanimous written consent in lieu of a meeting of the holders of Series B Preferred Stock, par value \$0.001 per share (the "Series B Preferred"). Each share of Series B Preferred has the equivalent of 6,607,845 votes of Common Stock (based upon the outstanding number of Common Stock issued at the time hereof). Currently, there are two holders of Series B Preferred (together, the "Series B Stockholders"), together holding fifty-one (51) shares of Series B Preferred, resulting in the Series B Stockholders holding in the aggregate approximately 50.9989% of the total voting power of all issued and outstanding voting capital of the Company (the "Majority Stockholders"). The Series B Stockholders authorized the following:

- The increase in the number of authorized shares of Common Stock from five hundred million (500,000,000) shares of Common Stock to seven hundred and fifty million (750,000,000) shares of Common Stock (the "Authorized Share Increase").

On October 5, 2011, the Board of Directors of the Company (the "Board") approved the Authorized Share Increase, and recommended the Authorized Share Increase for approval to the holders having the power to vote with respect to the Common Stock. On October 5, 2011, the Majority Stockholders approved the Authorized Share Increase by written

consent in lieu of a meeting in accordance with Nevada law. Accordingly, your consent is not required and is not being solicited in connection with the approval of the Authorized Share Increase.

We will mail the Notice to the Stockholders on or about October 27, 2011.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND A PROXY.

The Board believes the Authorized Share Increase is necessary and advisable in order to maintain the Company's financing and capital raising ability and to generally maintain our flexibility in today's competitive and rapidly changing environment.

Accordingly, it was the Board's opinion that the Authorized Share Increase would better position the Company to attract potential business candidates and provide the Stockholders a greater potential return.

INTRODUCTION

Nevada law provides that the written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted can approve an action in lieu of conducting a special stockholders' meeting convened for the specific purpose of such action. Nevada law, however, requires that in the event an action is approved by written consent, a Company must provide prompt notice of the taking of any corporate action without a meeting to the stockholders of record who have not consented in writing to such action and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to a company.

In accordance with the foregoing, we will mail the Notice to the Stockholders on or about October 27, 2011.

This Information Statement contains a brief summary of the material aspects of the Authorized Share Increase approved by the Board of Directors (the "Board") of MusclePharm Corporation (the "Company," "we," "our," or "us") and holders of Series B Preferred Stock (the "Series B Preferred"), which have voting rights with respect to the Common Stock and constitute a majority of the voting power of the Common Stock.

Series B Preferred

By unanimous written consent of the Board (as permitted under Nevada law), the designation, rights, preferences and privileges of the Series B Preferred were established by the Board (as is permitted under Nevada law and by the Certificate of Incorporation, as amended, of the Company). The designation, rights, preferences and privileges that the Board established for the Series B Preferred is set forth in a Certificate of Designation that was filed with the Secretary of State of the State of Nevada on August 12, 2011. Among other things, the Certificate of Designation provides that each one share of Series B Preferred (the "Series B Stockholders") has voting rights equal to (x) 0.019607 multiplied by the total issued and outstanding Common Stock eligible to vote at the time of the respective vote (the "Numerator"), divided by (y) 0.49, minus (z) the Numerator.

By unanimous written consent of the Board, the Board issued fifty-one (51) shares of Series B Preferred to each of two persons (together, the "Series B Stockholders"). As a result of the voting rights granted to the Series B Preferred, the Series B Stockholders hold in the aggregate approximately 50.9989% of the total voting power of all issued and outstanding voting capital of the Company.

As of October 6, 2011, there were issued and outstanding (i) 323,798,330 shares of our Common Stock, (ii) zero shares of our Series A Convertible Preferred Stock, and (iii) fifty-one (51) shares of our Series B Preferred. Based on the foregoing, the total aggregate amount of votes entitled to vote regarding the approval of the Authorized Share Increase is 660,798,426 (the sum of the votes represented by the issued and outstanding shares of Common Stock and Series B Preferred). Pursuant to Nevada law, at least a majority of the voting equity of the Company, or at least 330,399,214 votes, are required to approve the Authorized Share Increase by written consent. The Series B Stockholders, which hold in the aggregate 337,000,096 (as of the date hereof), or approximately 50.9989% of the voting equity of the Company, have voted in favor of the Authorized Share Increase thereby satisfying the requirement under Nevada law that at least a majority of the voting equity vote in favor of a corporate action by written consent.

The following table sets forth the name of the Series B Stockholders, the number of shares of Series B Preferred held by each Series B Stockholder, the total number of votes that the Series B Stockholders voted in favor of the Authorized Share Increase and the percentage of the issued and outstanding voting equity of the Company that voted

in favor thereof.

1

| Name of Series B Stockholder | Number of Shares of Series B Preferred held | Number of Votes held by such Series B Stockholder | Number of Votes that Voted in favor of the Authorized Share Increase | Percentage of the Voting Equity that Voted in favor of the Authorized Share Increase |
|------------------------------|---|---|--|--|
| Brad Pyatt | 31 | 204,843,195 | 204,843,195 | 30.9993% |
| Cory Gregory | 20 | 132,156,900 | 132,156,900 | 19.9995% |

ACTIONS TO BE TAKEN

The Authorized Share Increase will become effective on the date that we file the Certificate of Amendment to the Certificate of Incorporation of the Company (the “Amendment”) with the Secretary of State of the State of Nevada. We intend to file the Amendment with the Secretary of State of the State of Nevada promptly after the twentieth (20th) day following the date on which this Information Statement is mailed to the Stockholders.

With respect to the Authorized Share Increase described in this Information Statement, the Board reserves the right, notwithstanding that the Series B Stockholders have approved the Authorized Share Increase, to elect not to proceed with the Authorized Share Increase, at any time prior to filing the Amendment, the Board, in its sole and absolute discretion, determines that it is no longer in the Company’s best interests and the best interests of the Company’s stockholders to consummate the Authorized Share Increase.

INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

GENERAL

The number of authorized shares of our Common Stock will be increased from five hundred million (500,000,000) shares to seven hundred and fifty million (750,000,000) shares (the “Authorized Share Increase”).

PURPOSE AND EFFECT OF INCREASING THE NUMBER OF AUTHORIZED SHARES

The Board believes the Authorized Share Increase is necessary and advisable in order to maintain our financing and capital raising ability and to generally maintain our flexibility in today’s competitive and rapidly changing environment. The additional two hundred and fifty million (250,000,000) shares of Common Stock so authorized will be available for issuance by the Board for stock splits or stock dividends, acquisitions, raising additional capital, stock options or other corporate purposes. The additional shares of Common Stock could be used for potential strategic transactions, including, among other things, acquisitions, strategic partnerships, joint ventures, restructurings, business combinations and investments, although there are no immediate plans to do so. Assurances cannot be provided that any such transactions will be consummated on favorable terms or at all, that they will enhance stockholder value or that they will not adversely affect the Company’s business or the trading price of the Common Stock. Other than issuances pursuant to employee benefit plans and currently outstanding stock options, the Board has no current plans to issue any of the additional shares of Common Stock that would be authorized by this proposal. The Company does not anticipate that it would seek authorization from the stockholders for issuance of such additional shares unless required by applicable law or regulations.

The increase in the authorized number of shares of Common Stock and any subsequent issuance of such shares could have the effect of delaying or preventing a change in control of the Company without further action by the stockholders. Shares of authorized and unissued Common Stock could (within the limits imposed by applicable law) be issued in one or more transactions which would make a change in control of the Company more difficult, and therefore less likely. Any such issuance of the additional shares of Common Stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Common Stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of the Company. The Board is not aware of any attempt to take control of the Company and has not presented this proposal with the intention that the increase in the number of authorized shares of Common stock be used as a type of antitakeover device. Any additional Common Stock, when issued, would have the same rights and preferences as the shares of Common Stock presently outstanding.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information known to MusclePharm with respect to the beneficial ownership of MusclePharm's common stock as of October 6, 2011, unless otherwise noted, by:

- each stockholder known to MusclePharm to own beneficially more than 5% of MusclePharm's common stock;
- each of MusclePharm's directors;
- each of MusclePharm's executive officers; and
- all of MusclePharm's current directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and generally includes voting or dispositive power with respect to securities. Common shares relating to options or warrants currently exercisable, or exercisable within 60 days of October 6, 2011, are deemed outstanding for computing the percentage of the person holding such securities but are not deemed outstanding for computing the percentage of any other person. Except as indicated by footnote, and subject to the community property laws where applicable, the persons or entities named in the tables have sole voting and dispositive power with respect to all shares shown as beneficially owned by them.
