PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 15, 2015

GENERAL

This Proxy Statement is furnished by the Board of Directors (the “Board”) of SinoCoking Coal and Coke Chemical Industries, Inc., a Florida corporation (the “Company”), in connection with the solicitation of proxies for use at the annual meeting of shareholders to be held on **June 15, 2015, at 10:00 a.m. (China local time)**, or at any adjournment or postponement of the meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting. The annual meeting will be held at the Company’s principal executive offices located at Kuanggong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People’s Republic of China 467000. The Company intends to commence mailing this Proxy Statement, the Notice of Annual Meeting and accompanying Proxy Card on or about May 18, 2015, to all shareholders entitled to vote at the annual meeting.

ABOUT THE MEETING

Why did I receive this Proxy Statement?

You received this Proxy Statement because you held shares of the Company’s common stock on April 30, 2015 (the “Record Date”) and are entitled to vote at the special meeting. The Board is soliciting your proxy to vote at the meeting.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponement or adjournment of the meeting.

What proposals will be voted on at the annual meeting?

Shareholders will vote on six proposals at the annual meeting:

1. A proposal to amend and restate the Company's Articles of Incorporation, as amended to date, to change the name of the Company to Hongli Clean Energy Technologies Corp. (the "Name Change Proposal") (see page 9);
2. A proposal to adjourn the annual meeting, if necessary, to solicit additional proxies if there are not sufficient votes in favor of the proposal to change the name of the Company (the "Adjournment Proposal") (see page 10);
3. A proposal to amend and restate the Company's Bylaws, as amended to date, to provide that the annual meeting and any special meeting requested by shareholders be called for a date between 10 and 60 days after the request is made, and the written notice of such meeting shall be delivered between 10 and 60 days before such meeting (the "Date Change Proposal") (see page 11);

4. The election of five directors (see page 12);

5. The ratification of HHC (“HHC”) as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015 (see page 14); and

6. The advisory vote to approve executive compensation (see page 16).

We will also consider any other business that properly comes before the Annual Meeting. See question titled “Will any other matters be voted on?” immediately below.

Will any other matters be voted on?

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed Proxy Card would authorize Mr. Jianhua Lv to vote on such matters in his discretion.

How do I vote?

Shareholders of Record

If your shares are registered directly in your name with the Company's transfer agent, Interwest Transfer Co., Inc., then you are a shareholder of record.

If you are a shareholder of record, there are three ways to vote:

1. By completing, signing, dating and returning your Proxy Card in the postage-paid envelope provided by the Company;

2. By following the instructions for electronic voting using the Internet or by telephone, which are printed on your Proxy Card. If you vote via the Internet or by telephone, your electronic vote authorizes the named proxies in the same manner as if you signed, dated and returned your Proxy Card. **If you vote via the Internet or by telephone, do not mail a Proxy Card;** or
3. By voting in person at the annual meeting.

Street Name Holders

If your shares are held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name.” The organization holding your shares is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or agent.

If your shares are held in street name, you must instruct the organization that holds your shares how to vote your shares. If such voting instructions are not provided, then your shares that are held in street name will not be voted on any non-routine proposal. This vote is called a “broker non-vote.” Broker non-votes are not included in the tabulation of the voting results of any of the proposals and, therefore, do not effect these proposals.

Brokers cannot use discretionary authority to vote shares on the election of directors or any other non-routine proposals if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

With the exception of Proposal 5, the ratification of the appointment of HHC as our independent registered public accounting firm for our fiscal year ending June 30, 2015, all of the proposals to be voted upon at this annual meeting are considered non-routine.

How many votes do I have?

On each matter to be voted upon, you will have one vote for each share of the Company's common stock that you owned on the Record Date.

How many votes can be cast by all shareholders?

The Company had 23,960,217 outstanding shares of common stock on the Record Date, and each of these shares is entitled to one vote.

How many votes must be present to hold the meeting?

The holders of at least one-third of the Company's total outstanding shares of common stock on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least 7,986,739 common shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What vote is required to approve the proposals?

Assuming the presence of a quorum at the annual meeting:

Proposal	Vote Required	Broker Discretionary Vote Allowed
A proposal to amend the Company's Articles of Incorporation, as amended to date, to change the name of the Company to Hongli Clean Energy Technologies Corp.	A majority of the votes cast	No
A proposal to adjourn the annual meeting, if necessary, to solicit additional proxies if there are not sufficient votes in favor of the proposal to change the name of the Company	A majority of the votes cast	No
A proposal to amend and restate the Company's Bylaws, as amended to date, to provide that the annual meeting and any special meeting requested by shareholders be called for a date not less than 10 nor more than 60 days after the request is made, and the written notice of such meeting be delivered not less than 10 nor more than 60 days before such meeting	A majority of the votes cast	No
Election of five members to the Board	Plurality of the votes cast (the five directors receiving the most "For" votes)	No
Ratification of the Appointment of HHC as our independent registered public accounting firm for our fiscal year ending June 30, 2015	A majority of the votes cast	Yes
The advisory vote to approve executive compensation	A majority of the votes cast	No

With regard to the advisory vote on executive compensation (Proposal 6), it will not be binding on either the Board or the Company. However, the Board's Compensation Committee will take into account the outcome of the shareholder vote on this proposal at the annual meeting when considering future executive compensation arrangements.

Your non-binding advisory votes described in Proposal 6 will not be construed (1) as overruling any decision by the Board, any Board committee or the Company relating to the compensation of the named executive officers, or (2) as creating or changing any fiduciary duties or other duties on the part of the Board, any Board committee or the Company.

Can I revoke or change my vote after I deliver my proxy?

Yes. You may revoke or change a previously delivered proxy at any time before the annual meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to the Secretary of the Company at our principal executive offices before the beginning of the annual meeting. You may also revoke your proxy by attending the annual meeting and voting in person, although attendance at the annual meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares through a bank or brokerage firm, you must contact that bank or brokerage firm to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the annual meeting if you obtain a legal proxy as described in the paragraph under the heading "Who can attend the annual meeting?" below.

Who can attend the annual meeting?

Any person who was a shareholder of the Company on April 30, 2015, may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of our stock and admit you to the meeting. You will not, however, be able to vote your shares at the meeting without a legal proxy.

What happens if I sign and return the Proxy Card but do not indicate how to vote on a proposal?

If you sign your Proxy Card but do not provide instructions on how your broker should vote, your broker will vote your shares as recommended by the Board.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (“SEC”) within four business days after the meeting.

Who is paying for this proxy solicitation?

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing, and mailing of this Proxy Statement, the Proxy Card, and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries, and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. The Company may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram, or personal solicitation by directors, officers, or other regular employees of the Company. No additional compensation will be paid to directors, officers, or other regular employees for such services.

PROPOSAL 1 - THE NAME CHANGE PROPOSAL

The proposal to approve an Amendment and Restatement of our Articles of Incorporation to Change the Name of the Company from SinoCoking Coal and Coke Chemical Industries, Inc. to Hongli Clean Energy Technologies Corp.

On July 11, 2014, the Board of Directors of the Company approved, and directed that there be submitted to the holders of the Company's common stock for approval, the proposed amendment and restatement of the Company's Articles of Incorporation to change the name of the Company to Hongli Clean Energy Technologies Corp.

The text of the proposed Amended and Restated Articles of Incorporation is set forth in Annex A to this Proxy Statement and is incorporated by reference into this Proxy Statement. Provided this proposal is approved by our shareholders, we will change our name from SinoCoking Coal and Coke Chemical Industries, Inc. to Hongli Clean Energy Technologies Corp. Our Board recommends we change our name to demarcate our current business plan from our former business plan and because the Board believes the suggested name is more reflective of our business.

The favorable vote of the majority of our outstanding shares of common stock entitled to vote, in person or by proxy, at this annual meeting is required to approve the Name Change Proposal.

The change of name will not affect in any way the validity or transferability of stock certificates outstanding, the capital structure of the Company or the trading of the Company's common stock on the NASDAQ Capital Market. If the Name Change Proposal is passed by our shareholders, it will not be necessary for shareholders to surrender their existing stock certificates. Instead, when certificates are presented for transfer, new certificates bearing the name, Hongli Clean Energy Technologies Corp. will be issued. After the change of name, the Company may seek to change the trading symbol on the NASDAQ Capital Market, which symbol is currently "SCOK."

If the Name Change Proposal is approved by our shareholders, the Company will file an Articles of Amendment with the Florida Secretary of State reflecting our name change. The amendment will become effective on the date the Articles of Amendment is accepted for filing by the Florida Secretary of State (the "Effective Date").

The Board of Directors recommends that Shareholders vote FOR the Approval of an Amendment and Restatement to our Articles of Incorporation to change the name of the Company from SinoCoking Coal and Coke Chemical Industries, Inc. to Hongli Clean Energy Technologies Corp.

PROPOSAL 2 - ADJOURNMENT PROPOSAL

The proposal will give the Company authority to adjourn the annual meeting, if necessary, to solicit additional proxies if there are insufficient votes to approve Proposal 1, the Name Change Proposal.

If this proposal is approved, the annual meeting could be adjourned to any date. If the annual meeting is adjourned, the Company shareholders who have already sent in their proxies may revoke them at any time prior to their use at the annual meeting.

Approval of the adjournment of the annual meeting, if necessary, to solicit additional proxies if there are not sufficient votes in favor of the approval and adoption of the Name Change Proposal will require the affirmative vote of a majority of our shares of common stock represented in person or by proxy at the annual meeting.

The Board of Directors recommends that Shareholders vote FOR the adjournment of the annual meeting, if necessary, to solicit additional proxies if there are insufficient votes to approve and adopt the Name Change Proposal at the time of the annual meeting.

PROPOSAL 3 –DATE CHANGE PROPOSAL

The proposal will amend the Company’s bylaws to provide a longer time to call for a shareholder meeting, and a longer time for the written notice of such meeting to be delivered to shareholders.

The text of the proposed Amended and Restated Bylaws is set forth in Annex B to this Proxy Statement and is incorporated by reference into this Proxy Statement.

Currently our bylaws provide that annual meetings and special meetings requested by shareholders may be called for a date not less than 3 nor more than 30 days after the request is made, and the written notice of such meeting shall be delivered not less than 3 nor more than 30 days before the meeting. If the proposal to amend our bylaws is approved by our shareholders, the meetings may be called between 10 and 60 days after the request is made, and the written notice of such meeting may be delivered between 10 and 60 days before the meeting. Our Board recommends amending the bylaws because the Board believes the suggested dates would provide longer and more adequate time for shareholders to prepare for and vote in annual and special meetings of shareholders.

The favorable vote of a majority of our outstanding shares of common stock entitled to vote, in person or by proxy, at this annual meeting is required to approve the Date Change Proposal to amend and restate the Company’s Bylaws to provide that annual meetings and special meetings requested by shareholders may be called for a date between 10 and 60 days after such request is made, and the written notice of such meeting may be delivered between 10 and 60 days before such meeting.

The Board of Directors recommends that Shareholders vote FOR the Approval of an Amendment and Restatement to our Bylaws to change that the meetings of shareholders shall be called for a date not less than 10 nor more than 60 days after the request is made, and the written notice of shareholder meetings shall be delivered not less than 10 nor more than 60 days before such meeting.

PROPOSAL 4 - ELECTION OF DIRECTORS

Currently, the Board has fixed the number of directors at five persons, which are to be elected at each annual meeting. The directors will hold office until the next annual meeting, or until their resignations or removal. The Nominating Committee of the Board has nominated Jianhua Lv, Hui Zheng, Yushan Jiang, Hui Huang and Haoyi Zhang for re-election at the annual meeting. All of the nominees currently serve on the Board.

The Company has not received a nominee from a shareholder who is not also an officer or director of the Company. We believe that the nominees set forth below possess valuable experience necessary to guide the Company in the best interests of the shareholders. PROPOSAL 5 - RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected HHC as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015, and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the annual meeting. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of HHC to our shareholders for ratification as a matter of good corporate practice. No determination has been made as to what action the Board or the Audit Committee would take if shareholders do not ratify the appointment. Even if the appointment is ratified, however, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

The Board of Directors recommends that Shareholders vote FOR the ratification of the appointment of HHC as the Company's independent registered public accounting firm.

PROPOSAL 6 - ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

We are providing shareholders with the opportunity to cast a non-binding, advisory vote on the compensation of our named executive officers as disclosed pursuant to the SEC's executive compensation disclosure rules and set forth in this proxy statement (including in the compensation tables and narratives accompanying those tables).

The principal elements of our executive compensation are base salary, discretionary annual cash bonuses, stock incentive plan awards and perquisites and other compensation. While base salary is generally included as an element of compensation of our executive officers in every year, the granting of bonuses, stock incentive awards and perquisites is determined on a case-by-case basis. We believe that this compensation structure has served us well and reflects our philosophy of fairness to our employees in the PRC and avoiding discrepancies between our executive pay and the pay of our middle management and other employees.

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act) and the related rules of the SEC, the Board will request your advisory vote on the following resolution at the annual meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to the SEC's executive compensation disclosure rules (which disclosure includes the compensation tables and the narrative discussion that accompanies the compensation tables), is hereby approved.

This vote is an advisory vote only and will not be binding on the Company, the Board or the Compensation Committee, and will not be construed as overruling a decision by, or creating or implying any additional fiduciary duty for, the Board or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for named executive officers.

The Board of Directors recommends that Shareholders vote FOR the approval of the compensation of the Company's named executive officers, as disclosed in this proxy statement pursuant to the SEC's executive compensation disclosure rules.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Director Independence

We are required to comply with the NASDAQ Stock Market (“NASDAQ”) listing standards, under which a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the board of directors. The Board consults with the Company’s counsel to ensure that the Board’s determination are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of the NASDAQ, as in effect from time to time. Based upon information submitted to the Company, the Board has determined that Messrs. Yushan Jiang, Hui Huang and Haoyi Zhang are each “independent” under the NASDAQ listing standards. Mr. Jianhua Lv, as the Company’s Chief Executive Officer, and Mr. Hui Zheng, as the Company’s Secretary and Vice President of Operations, are not independent directors.

Board Meetings and Board Committees

The Board currently consists of five members. Our bylaws provide that our directors will hold office until the annual meeting of shareholders or until their successors have been elected and qualified. The Board is responsible for the business and affairs of the Company and considers various matters that require its approval. Five (5) of the Board members attended the annual meeting last year. Below is a description of each committee of the Board as such committees are presently constituted. The Board has determined that each current committee member meets the applicable SEC and NASDAQ rules and regulations regarding “independence,” and is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company. The Board met 2 times, and took action by unanimous written consent one time during the fiscal year ended June 30, 2014.

Audit Committee

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. The Audit Committee assists the Board with oversight of (i) the integrity of the Company’s financial statements, (ii) the Company’s compliance with legal and regulatory requirements, (iii) the independent auditor’s qualifications and independence, and (iv) the performance of the Company’s internal audit function and independent auditor, and prepares the report that the SEC requires to be included in the annual proxy statement. The current members of the Audit Committee are Messrs. Haoyi Zhang, Hui Huang and Yushan Jiang, with Mr. Zhang as the chairperson. Each member is a non-employee director of the Board. The Board has determined that Mr. Zhang is an “audit committee financial expert” within the meaning of Item 407(d)(5)(ii) and (iii) of Regulation S-K promulgated under the Exchange Act. The Audit Committee’s charter is available on the Company’s website at

www.scokchina.com and in print upon request. The Audit Committee did not meet during the fiscal year ended June 30, 2014, but took action by unanimous written consent one time during the fiscal year ended June 30, 2014.

Compensation Committee

The Board established the Compensation Committee on February 16, 2010. The Compensation Committee is responsible for overseeing and, as appropriate, making recommendations to the Board regarding the annual salaries and other compensation of the Company's executive officers and general employees and other policies, and for providing assistance and recommendations with respect to the compensation policies and practices of the Company. The current members of the Compensation Committee are Messrs. Haoyi Zhang, Hui Huang and Yushan Jiang, with Mr. Jiang as the chairperson. The Compensation Committee may not delegate its authority to other persons. Similarly, the Compensation Committee has not engaged a compensation consultant to assist in the determination of executive compensation issues. While the Company's executives will communicate with the Compensation Committee regarding executive compensation issues, the Company's executive officers do not participate in any executive compensation decisions. The Compensation Committee's charter is available on the Company's website at *www.scokchina.com* and in print upon request. The Compensation Committee did not meet during the fiscal year ended June 30, 2014, but took action by unanimous written consent one time during the fiscal year ended June 30, 2014.

Nominating Committee

The Board established the Nominating Committee on February 16, 2010. The Nominating Committee assists in the selection of director nominees, approve director nominations to be presented for shareholder approval at our annual meeting and fill any vacancies on the Board, consider any nominations of director candidates validly made by shareholders, and review and consider developments in corporate governance practices. The current members of the Nominating Committee are Messrs. Haoyi Zhang, Hui Huang and Yushan Jiang, with Mr. Huang as the chairperson. The Nominating Committee did not meet during the fiscal year ended June 30, 2014, but took action by unanimous written consent one time during the fiscal year ended June 30, 2014.

In evaluating candidates to determine if they are qualified to become members of the Board, the Nominating Committee looks principally for the following attributes: personal and professional character, integrity, ethics and values; general business experience and leadership profile, including experience in corporate management, such as serving as an officer or former officer of a public company; strategic planning abilities and experience; aptitude in accounting and finance; expertise in domestic and international markets; experience in our industry and with relevant social policy concerns; understanding of relevant technologies; expertise in an area of our operations; communication and interpersonal skills; and practical and mature business judgment. The Nominating Committee also considers services by Board members and nominees on the board of directors of other public companies. Although we do not have a formal diversity policy, to foster and maintain a diversity of viewpoints, backgrounds and experience on the Board, the Nominating Committee evaluates the mix of skills and experience of the directors and assesses nominees and potential candidates in the context of the current composition of the Board and the requirements of the Company, taking into consideration the diverse communities and geographies in which the Company operates. Although the Nominating Committee uses these and other criteria to evaluate potential nominees, there are no stated minimum criteria for nominees. The Nominating Committee uses the same standards to evaluate all director candidates, regardless of who proposes them.

The Nominating Committee will consider all candidates recommended by shareholders. A shareholder wishing to recommend a candidate must submit the following documents to the Secretary of the Company at Kuangong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People's Republic of China 467000:

- a recommendation that identifies the name and address of the shareholder and the person to be nominated;
- the written consent of the candidate to serve as a director of the Company, if elected;
- a description of all arrangements between the shareholders and such nominee pursuant to which the nomination is to be made; and
- such other information regarding the nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC.

If the candidate is to be evaluated by the Nominating Committee, the Secretary will request a detailed resume, an autobiographical statement explaining the candidate's interest in serving as a director of the Company, a completed statement regarding conflicts of interest, and a waiver of liability for a background check from the candidate.

The Nominating Committee's charter is available on the Company's website at www.scokchina.com and in print upon request.

Each of the five nominees for election as a director named in this Proxy Statement were unanimously recommended by the Nominating Committee for submission to the shareholders of the Company as the Board's nominees.

Shareholder Communications with the Board

All communications should be directed to the Company's Secretary at Kuangong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People's Republic of China 467000, and should prominently indicate on the outside of the envelope that it is intended for the Board or for non-management directors, and the Company's Secretary will forward the communications to all specified directors. If no director is specified, the communication will be forwarded to the entire Board.

Board Leadership Structure and Role in Risk Oversight

Currently, Mr. Jianhua Lv serves as Chief Executive Officer and Chairman of the Board of the Company. The Board believes that the Company and its shareholders have been well served in the past and continue to be well served in the current business environment by this leadership structure. Mr. Lv is the director most familiar with our business and industry and is best situated to propose the Board's agendas and lead Board discussions on important matters. Mr. Lv also provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Overall, we believe that having the same person serve as both Chairman and Chief Executive Officer helps provide strong, unified leadership for our management team and Board. Additionally, because three of our five current Board members have been deemed to be "independent" by the Board, we believe the Board structure provides sufficient independent oversight of our management. The Board has not designated a lead independent director.

The Board, as a whole and also at the committee level, plays an active role overseeing the overall management of the Company's risks. Our Audit Committee reviews financial and operational items with our management and the Company's independent auditors. Although the Board does not regularly review formal reports from members of senior management and committees on areas of material risk to the Company, including operational, financial, legal, strategic and regulatory risks, the Company's Board is in regular contact with our Chief Executive Officer and Chief Financial Officer, who report directly to the Board and who supervise day to day risk management.

During the past ten (10) years, none of the directors or executive officers has been involved in any legal proceedings as described in subparagraph (f) of Item 401 of Regulation S-K that are material to the evaluation of their ability or integrity.

Section 16(a) of the Exchange Act requires our executive officers, directors, and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial statements of beneficial ownership, reports of changes in ownership, and annual reports concerning their ownership of our common shares and other equity securities on Forms 3, 4, and 5 respectively. Executive officers, directors, and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely upon review of the copies of such reports received or written representations from the reporting persons, we believe that during our 2014 fiscal year, our directors, executive officers and persons who owned more than 10% of our common stock complied with all Section 16(a) filing requirements.

Code of Ethics and Business Conduct

The Board adopted a Code of Ethics that applies to all officers, directors and employees of the Company. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business. The Code of Ethics was filed as Exhibit 14 to the Company's Annual Report on Form 10-KSB filed with the SEC on March 30, 2004.

Indemnification

Pursuant to our Articles of Incorporation, the Company will indemnify any of our officers and directors or any former officer or directors for such expenses and liabilities, in such manner, under such circumstances to such extent as permitted by the Florida Business Corporation Act, Section 607.0850, as amended.

Florida law permits a corporation, under specified circumstances, to indemnify our directors, officers, employees or agents against expenses (including attorney's fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties by reason of the fact that they were or are directors, officers, employees or agents of the corporation, if such directors, officers, employees or agents acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, that is, one by or in the right of the corporation, indemnification may be made only for expenses actually and reasonably incurred by directors, officers, employees or agents in connection with the defense or settlement of an action or suit, and only with respect to a matter as to which they will have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification will be made if such person has been adjudged liable to the corporation, unless and only to the extent that the court in which the action or suit was brought determines upon application that the defendant directors, officers, employees or agents are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Our Articles of Incorporation contain a provision stating that no director will be liable to the Company or to our shareholders for monetary damages for breach of fiduciary duty as a director. The intention of the foregoing provisions is to eliminate the liability of our directors to the fullest extent permitted by Florida law.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable.

The 2012 Plan is administered by our board of directors or a committee that it designates comprising of at least three independent directors. The board (or the committee if one is designated) has full and complete authority, in its discretion, but subject to the express provisions of the 2012 Plan, to grant awards, to determine the number of awards to be granted and the time or times at which awards shall be granted; to establish the terms and conditions upon which awards may be exercised; to remove or adjust any restrictions and conditions upon awards; to specify, at the time of grant, provisions relating to exercisability of awards and to accelerate or otherwise modify the exercisability of any awards; and to adopt such rules and regulations and to make all other determinations deemed necessary or desirable for the administration of the 2012 Plan. The total number of shares of common stock subject to the Option Plan is 45,417. The Option Plan is administered by the board of directors, or any committee that it designates comprising of non-employee directors. Employees eligible for awards under the Option Plan may receive incentive options to purchase common stock. If a recipient does not receive an incentive option, he or she will receive a non-qualified stock option. The exercise price of an option must be no less than the fair market value of the common stock on the date of grant, unless the recipient of an award owns 10% or more of our common stock, in which case the exercise price of an incentive stock option must not be less than 110% of the fair market value. An option grant may be subject to vesting conditions. Options may be exercised in cash, or with shares of the common stock of the Company already owned by the recipient of the award. The term of an option granted pursuant to the Option Plan may not be more than five years if the option is an incentive option granted to a recipient who owns 10% or more of our common stock, or 10 years for all other recipients and for recipients of non-qualified stock options. Incentive stock options may be granted until the day immediately preceding the 10 year anniversary of its adoption date. DELIVERY OF DOCUMENTS TO SECURITY HOLDERS SHARING AN ADDRESS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for Proxy Statements with respect to two or more shareholders sharing the same address by delivering a single Proxy Statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. We and some brokers deliver a single Proxy Statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they are or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, or if you currently receive multiple Proxy Statements and would prefer to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to our Company Secretary at SinoCoking Coal and Coke Chemical Industries, Inc., Kuangong Road and Tiyu Road 10th Floor, Chengshi Xin Yong She, Xinhua District, Pingdingshan, Henan Province, People’s Republic of China 467000.

OTHER MATTERS

The Board of Directors and management do not know of any other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the annual meeting, the persons appointed as proxies will vote on such matters in accordance with their best judgment.
