Item 1.01. Entry Into a Material Definitive Agreement.

On May 1, 2018, Biostage, Inc. (“the Company”) entered into Securities Purchase Agreements (the “Purchase Agreements”) with Chu Bogang and Zhou Heping (each an “Investor” and together “Investors”) pursuant to which the Investors agreed to purchase in private placements (the “Private Placements”), and the Company agreed to issue, 500,000 shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”) at a purchase price of \$3.60 per share to each of the Investors for a total combined Company issuance of 1,000,000 shares of Common Stock. The Private Placements are expected to close later this month.

The Purchase Agreements include customary representations, warranties and covenants. The shares of common stock to be issued to the Investors will be sold and issued without registration under the Securities Act in reliance on the exemptions provided by Section 4(a)(2) of the Securities Act as transactions not involving a public offering and Rule 506 promulgated under the Securities Act as sales to accredited investors, and in reliance on similar exemptions under applicable state laws.

The representations, warranties and covenants contained in the Purchase Agreements were made solely for the benefit of the parties to the Purchase Agreements. In addition, such representations, warranties and covenants (i) are intended as a way of allocating the risk between the parties to the Purchase Agreements and not as statements of fact, and (ii) may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. Accordingly, the Purchase Agreements are included with this filing only to provide investors with information regarding the terms of transaction, and not to provide investors with any other factual information regarding the Company. Stockholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the dates of the Purchase Agreements, which subsequent information may or may not be fully reflected in public disclosures.

The Purchase Agreements are filed as Exhibit 10.1 and Exhibit 10.2 to this Current Report on Form 8-K. The foregoing summary of the terms of the Purchase Agreements is subject to, and qualified in its entirety by, such documents, which are incorporated herein by reference.

Item 3.02. Unregistered Sale of Equity Securities.

The information contained above in Item 1.01 related to the shares of Common Stock is hereby incorporated by reference into this Item 3.02.
