Director Compensation. Philip A. Hadley and Michael F. DiChristina, as officers of FactSet during fiscal 2005, received no compensation for serving on the Board of Directors. On December 20, 2004, the Compensation Committee established a new compensation policy for non-employee Directors whereby each such Director receives an annual retainer of \$25,000 in addition to 4,500 non-qualified stock options as of the first business day following the annual meeting for his service on the Board. closing price of FactSet's common shares on the date of grant. The previous compensation policy for Directors established that each non-employee Director received a \$20,000 annual retainer in addition to 3,000 stock options as of the first business day following the annual meeting for his service on the Board. Under the new policy, each Audit Committee member receives an additional \$2,500 per year for his service. Each Committee chairman receives \$2,500 per annum for his service as Committee chairman. Each Director who is not an employee, upon election as a non-employee Director, received a one-time grant of options to purchase 10,000 shares of FactSet common stock. In accordance with the revised non-employee Director compensation policy enacted on December 20, 2004, new Directors will receive options to purchase up to 25,000 shares of FactSet common stock, to be determined by the Compensation Committee at the time of nomination. Non-qualified stock options granted to Directors vest ratably at 20% per year over five years upon the anniversary date of each grant and expire ten years from the date the options were granted. Each non-employee Director is entitled to one FactSet password at no charge. The password provides access to the FactSet system to allow Directors to use FactSet's suite of products and services.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires our Directors and Executive Officers to file reports of holdings and transactions in FactSet stock with the Securities and Exchange Commission (the SEC) and the New York Stock Exchange (NYSE). Based on our records and other information, we believe that for fiscal 2005, all reports for our Executive Officers, Directors and beneficial owners of more than 10% of FactSet's Common Stock that were required to be filed pursuant to Section 16 of the Exchange Act were timely filed, except the inadvertent late filing of a Form 4 on February 17, 2005 on behalf of Mr. Laird, who had sold shares of our common stock on January 19, 2005.

Compensation Pursuant to Stock Options

Stock Option Grants in the Last Fiscal Year. During fiscal 2005, Messrs. The options expire ten years from the date of grant and vest over a five-year period at a rate of 20% per year beginning one year after the grant date. The option exercise price was the fair value of FactSet's stock on the grant date. No other stock option grants were made to the named Executive Officers in fiscal 2005.

Expected life, an output in a binomial option-pricing model, is 3.73 years.

Report on Executive Compensation

The Compensation Committee (the Committee) is responsible for administering FactSet's executive compensation policies and practices. The Committee is composed solely of outside directors and reports regularly to the Board. Outside directors are not eligible to participate in any of the plans or programs it administers. In fiscal 2005, the Committee reviewed cash compensation for the Chairman and the Chief Executive Officer, the President and Chief Operating Officer, the Chief Financial Officer, the Chief Technology Officer, the Director of Sales and Marketing and the Director of Product Development. The Committee also reviews and approves the aggregate number of options granted to employees to purchase Common Stock of

11

FactSet. The Committee also reviews the size of grants made to each senior executive team member noted above and to specific employee performance peer groups.

Compensation for the named Executive Officers and other key management positions is designed to:

1. Attract, retain and motivate key personnel.
2. Be competitive with compensation offered for similar positions by other companies in the technology and financial services industries.
3. Tie a meaningful portion of compensation to our operating and financial performance through annual bonuses.
4. Link the financial interests of key employees and FactSet's stockholders via stock-based incentives.

Overall, we aim to deliver compensation contingent on achievement of superior levels of Company and individual performance. Compensation is delivered through three major components, as described below:

Base Salary. Base salaries have been established according to the experience and qualifications of the individual executives. Generally, base salaries are intended to be sufficiently competitive to attract and retain key employees, although they are secondary to a view of total cash compensation.

Annual Bonus. Annual bonuses have been determined on a discretionary basis considering a number of factors including FactSet's profitability, revenue growth, achievement of strategic and department goals, individual performance and competitive market practices. In the normal course of business, the Committee determines the bonuses for the named Executive Officers based on our operational and financial performance.

Stock Based Incentives. Stock options have been intended to align incentives with long-term stock performance and act as a motivational and retention tool. Stock option grants were made in fiscal 2005 to selected key employees based on individual contribution and potential.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to named Executive Officers. As such, compensation paid in fiscal 2005 by FactSet is fully tax-deductible. The tax deductibility of compensation for the named Executive Officers will be preserved as long as such actions are consistent with the Committee's compensation policies and objectives and are in the best interests of the Company and its stockholders.

The Committee believes that the fiscal 2005 compensation of the named Executive Officers was aligned with FactSet's performance and returns to shareholders and provided a balanced mix between base pay and incentive compensation.

Employment Agreements

On March 1, 2005, FactSet entered into a resignation, separation of employment and general release agreement with Ernest S. Wong, pursuant to which Mr. Wong will continue to be an employee of the Company until December 30, 2005. During that period he will, pursuant to the agreement, provide advisory and consultative services to the finance department. Under the terms of the agreement, Mr. Wong will receive: (i) a payment of \$112,500 on or before March 4, 2005; (ii) periodic payments totaling approximately \$134,000 on or before December 30, 2005; and (iii) approximately \$5,500 on December 30, 2005. In addition, the agreement provides for a release of claims by Mr. Wong and the Company and other terms and conditions customary for agreements of this nature.

On March 1, 2005, an oral agreement between the FactSet and Mr. Walsh became effective that amended an existing letter agreement with the Company dated September 20, 1999 (the Letter Agreement). Under the terms of the amendment, Mr. Walsh's annual salary increased to \$225,000, his bonus opportunity now ranges from \$250,000 to \$300,000 for fiscal 2005 and he is the fourth ranked officer of the Company. In addition, Mr. Walsh was granted options for FactSet common stock of approximately \$2 million based on the market price of the stock at the date of the grant. Mr. Walsh's option grant was issued at the time of regular option grants for fiscal year 2005, after approval by the Company's board of directors. The amendment reaffirmed the Letter Agreement, which remains in effect and which is to be superseded by a written agreement only if all other officers of the Company ranked more highly than Mr. Walsh also enter into written employment agreements with the Company. The Letter Agreement grants to Mr. Walsh: (i) a payment equal to his compensation in the prior twelve months if his employment is terminated without cause; and (ii) a payment equal to twice his compensation in the prior twelve months and benefits for 24 months in the event of a change of control of the Company.

At the end of fiscal 2005, we did not have employment agreements with Messrs. Hadley, DiChristina, Frankenfield or Thomas.

Performance Graph. Comparison of cumulative total return among FactSet, the S&P 500 Index, and the NASDAQ Computer Index.

At August 31, 2005 the price per common share was \$35.00. At fiscal year-end 2004, 2003, 2002, 2001 and 2000, the price per common share was \$29.69, \$32.37, \$16.53, \$16.90 and \$22.79, respectively. II. Matters Requiring Shareholder Vote

1. Election of Directors

Shareholders will elect two Directors at the Annual Meeting of Stockholders. Each Director will hold office for a term not exceeding three years or until a successor is elected and qualified. Your proxy will be voted in favor of the following persons to serve as directors, unless you indicate to the contrary on the proxy.

Management expects that the nominees will be available for election. However, if a nominee is not a candidate when the election occurs, your proxy will be voted to elect another nominee to be designated by the Nominating and Corporate Governance Committee of the Board to fill any vacancy. The Board requests that you vote for the following nominees to serve a three-year term expiring in concurrence with the Annual Meeting of Stockholders for fiscal year 2008:

Michael F. DiChristina Refer to page 1 for Mr. DiChristina's biography and pages 4 and 7 through 10 for information about Mr. DiChristina's stock ownership and compensation.

Walter F. Siebecker. Refer to page 2 for Mr. Siebecker's biography and pages 4 and 7 through 10 for information about Mr. Siebecker's stock ownership and compensation.

2. Ratification of Independent Registered Public Accounting Firm

The Board requests that you ratify its selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for FactSet for the fiscal year ending August 31, 2006 subject to the execution of an engagement letter. If you do not ratify the selection of PricewaterhouseCoopers LLP, the Board will select another independent registered public accounting firm.

Representatives of PricewaterhouseCoopers LLP will be present at the Meeting and will have an opportunity to make a statement. They will also be available to respond to appropriate questions.

III. Solicitation of Proxies

The Board solicits the proxy accompanying this Proxy Statement. Officers, directors and regular supervisory and executive employees of FactSet, none of whom will receive any additional compensation for their services, may solicit proxies. Such solicitations may be made personally, or by mail, facsimile, telephone, telegraph or messenger. FactSet will reimburse persons holding shares of Common Stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks and other fiduciaries, for the expense of forwarding solicitation materials to their principals. FactSet will pay all of the costs of solicitation of proxies, estimated at approximately \$35,000 for the printing and distribution of the proxies, which are mailed along with our annual report.

If you hold your shares through a bank, broker or other holder of record and share a single address and same last name with another stockholder, you may have received notice that only one Proxy Statement and Annual Report will be sent to your address unless you instructed the holder of record to the contrary. This practice, known as "householding", reduces multiple mailings to your household and also reduces our printing and postage costs. However, if you wish to receive additional copies of our Proxy Statement or Annual Report, please contact our Investor Relations Department at 203-810-1000 or write to that department at our corporate headquarters address. If you hold your shares through a bank, broker or other holder of record, you can request householding by contacting the holder of record.

IV. Vote Tabulation

Vote Required. Under the Delaware General Corporation Law, the election of FactSet's Directors requires a plurality of the votes represented in person or by proxy at the Meeting and the ratification of the selection of independent public auditors requires that the votes in favor exceed the votes against. Mellon Investor Services will tabulate votes cast by proxy or in person at the Meeting.

Effect of an Abstention and Broker Non-Votes. If you abstain from voting on any or all proposals you will be included in the number of stockholders present at the Meeting for the purposes of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees or other proposals. Under the rules of the National Association of Securities Dealers, brokers holding stock for the accounts of their clients who have not been given specific voting instructions as to a matter by their clients may vote their clients proxies at their own discretion.

V. Proposals of Stockholders

Proposals of stockholders intended to be presented at the fiscal year 2006 Annual Meeting of Stockholders must be received by us, attention of Ms. Rachel R. Stern, FactSet's Secretary, at our principal executive offices, no later than August 1, 2006, to be included in our fiscal year 2006 Proxy Statement.

VI. Other Matters

The Board does not intend to bring any other business before the Meeting and so far as is known to the Board, no matters are to be brought before the Meeting except as specified in the notice of the Meeting. However, as to any other business, which may properly come before the Meeting, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.
