**Item 1.01**

**Entry into a Material Definitive Agreement.**

In connection with the exercise of the Class D Warrants (the "Class D Warrants") dated March 20, 2007 issued by International Isotopes Inc. (the "Company"), effective as of December 21, 2007, the Company entered into a letter agreement with certain of the holders of the Class D Warrants that amended the Class D Warrants. Pursuant to the letter agreement, each warrant holder acknowledged that it agreed to exercise its Class D Warrant pursuant to the terms contained therein. Additionally, the Company and each Class D Warrant holder waived the following limitations contained in Section 11(a) of each of the Class D Warrants: (1) that the number of shares of the Company's common stock that may be acquired upon exercise of a holder's Class D Warrant shall be limited such that, following such exercise, the total number of shares of common stock then beneficially owned by such holder and certain other persons, does not exceed 4.999% of the Company's issued and outstanding shares of common stock (including for such purpose the shares of common stock issuable upon such exercise); and (2) that any such waiver by the holder will not be effective until the 61st day after notice is delivered to the Company. The amendment did not alter the limitation contained in Section 11(a) of each of the Class D Warrants that the number of shares of the Company's common stock that may be acquired upon exercise of a holder's Class D Warrant shall be limited such that, following such exercise, the total number of shares of common stock then beneficially owned by such holder and certain other persons, does not exceed 9.999% of the Company's issued and outstanding shares of common stock.
