EVOLVE ONE, INC.  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

A. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Evolve One, Inc. (the "Company" or "EONE") is a diversified holding company that develops and operates Internet and direct retail marketing companies. The EONE Group includes wholly owned subsidiaries, StogiesOnline.com, Inc. ("Stogies") (www.CigarCigar.com), AlDiscount Perfume, Inc. (www.AlDiscountPerfume.com), and International Internet Venture I, LLC ("Ventures"). EONE, through its Venture division, owns an equity interest in several companies, some of which are classified as trading securities and some of which are classified as available-for-sale securities. EONE was incorporated in Delaware on June 21, 1994.

Stogies became an online distributor and retailer of brand name premium cigars within the United States on November 18, 1998. Stogies' products consist of premium cigars, factory brand name seconds and mass market cigars, which are distributed online to retail and wholesale customers.

On September 28, 2001, the Company created a new Subsidiary named AlDiscountPerfume Inc. and in October 2001, launched a new e-commerce site specializing in men's and women's fragrances. The site named AlDiscountPerfume.com is located at <http://www.AlDiscountPerfume.com>. The site is a competitor of other discount as well as full price online retailers of Perfume and Cologne. The site employs the Microsoft / Great Plains eEnterprise system the Company purchased last year and permits customers to benefit by having direct access to up-to-the-minute information about inventory, pricing, "hot deals" as well as order information. The eEnterprise system allows AlDiscountPerfume.com to inexpensively reach customers anywhere, around the clock.

The financial statements included in this report have been prepared by the Company pursuant to the rules and regulations of the Securities and Exchange Commission for interim reporting and include all adjustments (consisting only of normal recurring adjustments) that are, in the opinion of management, necessary for a fair presentation. These financial statements have not been audited.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations for interim reporting. The Company believes that the disclosures contained herein are adequate to make the information presented not misleading. However, these financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report for the year ended December 31, 2002, which is included in the Company's Form 10-KSB for the year ended December 31, 2002. The financial data for the interim periods presented

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

may not necessarily reflect the results to be anticipated for the complete year. Certain reclassifications of the amounts presented for the comparative period have been made to conform to the current presentation.

8

### ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### NET EARNINGS (LOSS) PER SHARE

Basic net earnings (loss) per share is computed by dividing net earnings (loss) by the weighted-average number of shares outstanding. Diluted net earnings (loss) per share includes the dilutive effect of stock options. The calculation of diluted weighted average shares outstanding for the quarters ending June 30, 2003 and 2002 excludes 16,000 and 8,000 common shares respectively, issuable pursuant to outstanding options. These shares were excluded because their effect was anti-dilutive.

### STOCK-BASED COMPENSATION

The Company granted stock options to directors and employees that are more fully described in Note F. The Company accounts for its stock options using the intrinsic value method under Accounting Principles Board Opinion ("APB") No. 25, "ACCOUNTING FOR STOCK ISSUED TO EMPLOYEES."

The proforma effect of the compensation expense would not be material in computing the net (loss) and (loss) per share if the Company had applied the fair value recognition provisions of Statements on Financial Accounting Standards ("SFAS") No. 123, "ACCOUNTING FOR STOCK-BASED COMPENSATION," and SFAS No. 148 "ACCOUNTING FOR STOCK-BASED COMPENSATION - TRANSITION AND DISCLOSURE."

### STOCK SPLIT

On January 31, 2003, the Company issued a 250 to 1 reverse stock split. All share and per share amounts have been retroactively restated to reflect the reverse stock split.

### B. MARKETABLE EQUITY SECURITIES

SFAS No. 115 "Accounting for Certain Investments in Debt and Equity Securities," requires that all applicable investments be classified as trading securities, available-for-sale securities or held-to-maturity securities. The Company has classified certain of its investments as trading securities which are reported at fair value, which is defined to be the last closing price for the listed securities. The unrealized gains and losses which the Company recognizes from its trading securities, are included in earnings. The Company also has investments classified as available-for-sale, which are also required to be reported at fair value, with unrealized gains and losses excluded from earnings and reported as a separate component of stockholders' equity (net of the effect

9

of income taxes). Fair value is also defined to be the last closing price for

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

the listed security. Due to the size of certain of the Company's investments and their limited trading volume, there can be no assurance that the Company will realize the value which is required to be used by SFAS No. 115.

The amortized cost of equity securities as shown in the accompanying balance sheet and their estimated market value at June 30, 2003 are as follows:

	2003
	----
Trading securities:	
Cost .....	\$ 11,472
Unrealized (loss) .....	(10,127)
	-----
	1,345

Marketable equity securities classified as non-current .....	\$ 369,540

Gains (losses) from trading securities that were included in earnings for the six months ended June 30, 2003 and 2002 were as follows:

	2003	2002
	----	----
Realized gain (loss) .....	\$ (27,500)	\$ 27,852
	=====	=====
Unrealized (loss) .....	\$ (1,206)	\$ (3,304)
	=====	=====

10

The change in unrealized gains (losses) from available-for-sale securities included as a component of equity for the six months ended June 30, 2003 and 2002 were as follows:

	2003	2002
	----	----
Net unrealized gain (loss) .....	\$ 122,187	\$ (1,249,777)
Decrease in deferred tax asset .....	34,500	470,300
Allowance deferred taxes .....	(34,500)	-
	-----	-----
Accumulated other comprehensive income (loss) ....	\$ 122,187	\$ (779,477)
	=====	=====

The Company's investment in available-for-sale securities includes 10,100,000 shares (10,000,000 of which are not registered) of SGD Holdings, Ltd., formerly known as Goldonline International, Inc. ("SGD"), a holding company primarily

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

engaged in acquiring and developing jewelry related businesses, with a cost of \$108,854 and a closing value on June 30, 2003 of \$606,000 (\$.06 per share). The Company's investment represents approximately 10.4% of the outstanding stock of SGD and accordingly the Company is subject to certain restrictions on the number of shares it can sell. There can be no assurance that the company will realize the calculated carrying value of the securities. The Company classifies 6,159,000 shares of SGD as non-current and 3,941,000 shares of SGD as current, which is approximately the maximum number of shares it could sell within the next twelve months.

During the latter part of 2002 the Company became aware, based upon Securities and Exchange Commission (SEC) filings by SGD, that SGD had taken the position that the Company was the holder of pre-split shares (SGD had a 6 for 1 reverse split) and rather than the Company owning 10 Million shares of SGD the Company was the holder of only 1,666,666 shares of SGD. It is the Company's position that the number of shares that the Company held of SGD as of June 30, 2003 and 2002 is 10 Million. This is based upon purchase and sale arrangements between the Company and SGD wherein the Company was sold, issued and receive 10 Million post split shares of SGD from SGD (formerly known as GoldOnline.com, Inc.). The shares issued and delivered to the Company by SGD reflected the split and the new split CUSIP change. On November 11, 2000, following the Company's receipt of these shares, the Company filed a Form 13D, with the SEC, reflecting the ownership of these shares. The Form 13D had been prepared by SGD's Counsel. SGD filed quarterly and annual financial reports with the SEC reflecting the ownership of 10 Million shares by the Company. Should it ultimately be determined that the shares should be pre-split shares then our investment in SGD, as of June 30, 2003, rather than being included in the accompanying balance sheet as \$606,000 (current \$236,460; long-term \$369,540) might be reduced depending upon the impact of the share price differential on the market price of the SGD shares and the reduced number of shares that the Company would be considered as holding.

The deferred income tax liabilities (assets) at June 30, 2003 are comprised of the following:

	CURRENT	NONCURRENT

	-----	-----
Net deferred income tax (assets) .....	\$ -	\$ -
	=====	=====

The Company has provided a valuation allowance on the deferred tax assets because of uncertainty regarding its realization. The increase in the valuation account during the six months ended June 30, 2003 and 2002 was \$139,900 and \$636,300, respectively. Management utilizes tax planning strategies and projected future taxable income in assessing these assets.

NOTE E. NOTE RECEIVABLE

The Company issued a demand line of credit with Onspan Networking, Inc. a related party, totaling \$1,000,000, under which Onspan Networking, Inc. may borrow on an unsecured basis with interest at 5% annually. On June 19, 2003 Onspan Networking, Inc. borrowed \$675,000 under this line of credit.

The terms of the demand line of credit state that Onspan Networking, Inc. must issue options to the Company to purchase common stock equal to 10% of the dollar

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

amount of the loan advance at an exercise price of \$0.10 per share, and options to purchase common stock equal to 90% of the dollar amount of the loan advance at the ten trading day average at the time of the draw (\$0.30 at June 30, 2003). On June 19, 2003 Onspan Networking, Inc. granted 67,500 stock options to Evolve One, Inc. under the revolving note agreement. The options have an exercise price of \$.10 per share. Onspan Networking, Inc. also granted on June 19, 2003, 607,500 stock options to Evolve One, Inc. in the same note agreement. These options have an exercise price of \$.30 per share. The Company currently has excluded these "options" on common stock from assets of the company as the underlying stock due to market conditions, are not readily convertible to cash. If conditions are satisfied and the underlying stock becomes marketable, the "options" would be reclassified as a derivative and recorded at fair value as an adjustment through current period results of operations.

On May 27, 2004 Onspan Networking, Inc. repaid the entire balance outstanding under the line of credit, including accrued interest.

13

### NOTE F. STOCK OPTIONS

In November 1999, the Board of Directors approved the establishment of Evolve One, Inc. Stock Option Plan (the "Plan") to provide incentives to attract future employees and retain existing key employees with the Company. The Company has reserved 100,000 shares of common stock for the grant of qualified incentive options or non-qualified options to employees and directors of the Company or its parents or subsidiaries, and to non-employee directors, consultants and advisors and other persons who may perform significant services for or on behalf of the Company under the Plan. These options were granted in accordance with employment agreements. Prices for incentive stock options must provide for an exercise price of not less than 100% of the fair market value of the common stock on the date the options are granted unless the eligible employee owns more than 10% of the Company's common stock for which the exercise price must be at least 110% of such fair market value. Non-statutory options must provide for an exercise price of not less than 85% of the fair market value. The Plan was approved by the shareholders at a meeting on November 11, 1999.

The Company applied Accounting Principles Board Opinion No. 25 and related interpretations in accounting for its plans. Accordingly, no compensation cost has been recognized for the incentive stock options granted to employees under its stock option plan in its statements of operations. During 2002, the Company granted nonqualified options to purchase 8,000 shares of common stock to directors outside of the Plan. On January 3, 2003 the Company granted nonqualified options to purchase an additional 8,000 shares of common stock to directors outside of the Plan. These options were granted in accordance with employment contracts. The additional stock options, expiring January 3, 2008, have an exercise price of \$.001 per share and vest immediately.

A summary of the status of the Company's stock options as of June 30, 2003 and the changes during the six months ended June 30, 2003 and 2002 is presented below:

	SHARES	WEIGHTED AVERAGE PRICE
	-----	-----
Beginning Balance, January 1, 2002 .....	-	\$ -
Options granted .....	8,000	.007
Options exercised .....	-	-
Options cancelled .....	-	-

Edgar Filing: EVOLVE ONE INC - Form 10QSB

Ending Balance, June 30, 2002 .....	8,000	\$ .007
Options granted .....	8,000	\$ .001
Options exercised .....	-	-
Options cancelled .....	-	-
Ending Balance, June 30, 2003 .....	16,000	\$ .004

14

The pro forma compensation expense of the stock options would not be material to the accompanying financial statements for the current period, if the Company would have elected SFAS No. 123. The Company used the Black-Scholes option pricing model to determine the fair value of the grants. The assumptions were applied as follows:

Risk Free Interest Rate .....	3.48%
Expected Dividend Yield .....	0%
Expected Option Life .....	5 years
Expected Stock Price Volatility .....	138%

NOTE G. STOCK REPURCHASE

The Company has been authorized and empowered to acquire in the open market up to one million dollars of common stock of the Corporation upon such terms and conditions as management shall determine consistent with applicable rules and regulations of the Securities and Exchange Commission. Pursuant to a plan approved by the board of directors the Company repurchased in the six month period ended June 30, 2002 a total of 37,832 shares of its common stock for \$77,704. The repurchased shares are held in treasury and have been treated as constructively retired.

THAT THE REGISTRANT ("EVOLVE ONE, INC."), IS NOT IN COMPLIANCE WITH ITS REPORTING REQUIREMENTS UNDER SECTION 13(A) OF THE SECURITIES EXCHANGE ACT OF 1934. IF THE REGISTRANT IS IN COMPLIANCE WITH ITS REPORTING REQUIREMENTS, PLEASE CONTACT US WITHIN FIFTEEN DAYS FROM THE DATE OF THIS LETTER SO WE CAN DISCUSS THE REASONS WHY OUR RECORDS DO NOT INDICATE THAT COMPLIANCE. IF THE REGISTRANT IS NOT IN COMPLIANCE WITH ITS REPORTING REQUIREMENTS, IT SHOULD FILE ALL REQUIRED REPORTS WITHIN FIFTEEN DAYS FROM THE DATE OF THIS LETTER. IF THE REGISTRANT HAS NOT FILED ALL REQUIRED REPORTS WITHIN FIFTEEN DAYS FROM THE DATE OF THIS LETTER, PLEASE BE AWARE THAT THE REGISTRANT MAY BE SUBJECT, WITHOUT FURTHER NOTICE, TO AN ADMINISTRATIVE PROCEEDING TO REVOKE ITS REGISTRATION UNDER THE SECURITIES EXCHANGE ACT OF 1934. THIS ADMINISTRATIVE PROCEEDING WOULD BE BROUGHT BY THE COMMISSION'S DIVISION OF ENFORCEMENT PURSUANT TO SECTION 12(J) OF THE SECURITIES EXCHANGE ACT OF 1934. IF THE REGISTRANT'S STOCK IS TRADING, IT ALSO MAY BE SUBJECT TO A TRADING SUSPENSION BY THE COMMISSION PURSUANT TO SECTION 12(K) OF THE SECURITIES EXCHANGE ACT OF 1934. WHILE THE FILING OF A FORM 15 MAY CEASE THE REGISTRANT'S ON-GOING REQUIREMENT TO FILE PERIODIC AND CURRENT REPORTS, IT WOULD NOT REMOVE THE REGISTRANT'S OBLIGATION TO FILE ALL REPORTS REQUIRED UNDER SECTION 13(A) OF THE SECURITIES EXCHANGES ACT OF 1934 THAT WERE DUE ON OR BEFORE THE DATE THE REGISTRANT FILED ITS FORM 15. AGAIN, IF THE REGISTRANT IS ELIGIBLE TO TERMINATE ITS REGISTRATION UNDER THE SECURITIES EXCHANGE ACT OF 1934, PLEASE NOTE THAT THE FILING OF A FORM 15 WOULD NOT REMOVE THE REGISTRANT'S REQUIREMENT TO FILE DELINQUENT SECURITIES EXCHANGE ACT OF 1934 REPORTS - THE REGISTRANT WOULD STILL BE REQUIRED TO FILE WITH THE COMMISSION ALL PERIODIC REPORTS DUE ON OR BEFORE THE DATE ON WHICH THE REGISTRANT FILED A FORM 15."

### ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

#### CRITICAL ACCOUNTING POLICIES

We have identified the policies outlined below as critical to our business operations and an understanding of our results of operations. The listing is not intended to be a comprehensive list of all of our accounting policies. In many cases, the accounting treatment of a particular transaction is specifically dictated by accounting principles generally accepted in the United States, with no need for management's judgment in their application. The impact and any associated risks related to these policies on our business operations is discussed throughout Management's Discussion and Analysis of Financial Condition and Results of Operations where such policies affect our reported and expected financial results. For a detailed discussion on the application of these and other accounting policies, see the Notes to Condensed Consolidated Financial Statements. Our preparation of the financial statements requires us to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of our financial statements, and the reported amounts of revenue and expenses during the reporting period. There can be no assurance that actual results will not differ from those estimates.

#### PROPERTY, PLANT AND EQUIPMENT

Property and equipment are stated at cost and depreciated on an accelerated basis over the assets' estimated useful lives. Changes in circumstances such as technological advances, changes to the Company's business model or changes in the Company's capital strategy could result in the actual useful lives differing from the Company's estimates. In those cases where the Company determines that

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

the useful life of property, plant and equipment should be shortened, the Company would depreciate the net book value in excess of the estimated salvage value over its revised remaining useful life.

### DEFERRED TAX ASSETS

The Company records a valuation allowance to reduce the carrying value of its deferred tax assets to an amount that is more likely than not to be realized. While the Company has considered future taxable income and prudent and feasible tax planning strategies in assessing the need for the valuation allowance, should the Company determine that it would not be able to realize all or part of its net deferred tax assets in the future, an adjustment to the carrying value of the deferred tax assets would be charged to income in the period in which such determination was made.

### INVESTMENTS

Investments are classified as either available-for-sale or trading securities and are held for resale in anticipation of short-term market movements or until such securities are registered or are otherwise unrestricted. At June 30, 2003, investments consisted entirely of common stock held for resale. Trading account assets, consisting of marketable equity securities, are stated at fair value. Unrealized gains or losses on trading securities are recognized in the statement of operations based on changes in the fair value of the security as quoted on

18

national or inter-dealer stock exchanges. Net unrealized losses related to investments held for trading as of June 30, 2003, aggregated (\$1,206). Available-for-sale assets, which are also required to be reported at fair value, with unrealized gains and losses excluded from earnings are reported as a separate component of stockholders' equity (net of the effect of income taxes).

The Company's continuing operations consist of two Internet based businesses within the United States. Stogies is an online distributor and retailer of brand name premium cigars and accessories. A1Discount Perfume is an online retailer of premium perfumes and colognes.

Stogies became operational in November 1998 and it accounts for substantially all of the sales revenue.

### LIQUIDITY AND CAPITAL RESOURCES

The Company decreased its working capital from \$1,880,028 at December 31, 2002 to \$1,506,649 at June 30, 2003. The working capital decrease in the amount of \$373,379 consists primarily of decreases in cash in the amount of \$1,073,177, prepaid expenses - \$57,665 and accounts payable of \$54,996, less an increase in inventory of \$75,247, loan receivable -related party \$675,000, accrued liabilities of \$64,636, and marketable securities in the amount of \$30,092,

During the six months ended June 30, 2003 stockholders' equity decreased \$346,079, which includes an increase in other comprehensive income in the amount of \$122,187, and the net loss for the year of \$468,266. (See Other Comprehensive Income below)

### RESULTS OF OPERATIONS

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

\$716,827 respectively for the current period. The increase in sales is attributed to a number of factors, including the company's effort to expand its potential customer market. ### SELLING, GENERAL AND ADMINISTRATIVE EXPENSES

Selling, general and administrative expenses increased \$4,645 to \$700,358 in the six month period ended June 30, 2003 as compared to the same period of the prior year. This increase in selling, general and administrative expense consists primarily of increases in: salaries and wages - \$13,800; software costs - \$11,500 due to purchase of upgrades on programs; consulting - \$33,640 due to move of servers due to non-renewal of lease for Suite 240 advertising - \$27,100 due to increased usage of internet search engine; employee benefits - \$13,100 due to higher health care premium increase in insurance offset by decreases to depreciation - (\$28,400); insurance - (\$24,800) due to cancelled D & O insurance policy, bad debt - (\$12,100) and accounting - (\$37,000) due to no audit being performed.

### MARKETABLE EQUITY SECURITIES

The Company sold marketable equity securities and recognized a realized loss of (\$27,500) during the three month period ended June 30, 2003 and realized a gain of \$71,377 during the three month period ended June 30, 2002.

The Company sold marketable equity securities and recognized a realized loss of \$27,500 during the six month period ended June 30, 2003 and realized a gain of \$27,852 during the six month period ended June 30, 2002.

The Company recorded unrealized losses in the amount of (\$50) during the three month period ended June 30, 2003. There were no unrealized losses during the same period of the prior year. Available-for-sale securities are described in Other Comprehensive Income (below).

The Company recorded unrealized losses in the amount of (\$1,206) during the six month period ended June 30, 2003 and unrealized losses in the amount of (\$3,304) during the same period of the prior year. Available-for-sale securities are described in Other Comprehensive Income (below).

### INVESTMENT INCOME

The Company had income of \$725 and \$4,232 from interest and dividends in the three month period ended June 30, 2003 and 2002, respectively. The Company had income of \$1,692 and \$8,480 from interest and dividends in the six month periods

## Edgar Filing: EVOLVE ONE INC - Form 10QSB

ended June 30, 2003 and 2002, respectively. The decrease is due primarily to lower interest rates and lower balances in interest bearing money market accounts in 2003.

### INCOME TAXES

The Company's 2002 income tax expenses of \$470,300 resulted primarily from a change in the deferred tax valuation allowance. The Company recorded no income tax expense for 2003.

### OTHER COMPREHENSIVE INCOME (LOSS)

During the six months ended June 30, 2003, the Company recorded an increase in its net unrealized gain from available-for-sale securities in the amount of \$122,187, due to an increase in market value. Available-for-sale securities consists primarily of SGD Limited Holdings (SGD) a holding company principally engaged in acquiring and developing jewelry related businesses. Our investment

20

represents approximately 10.4% of the outstanding stock of SGD and accordingly, the Company is subject to certain restrictions on the shares it can sell. Of the 10,100,000 shares held by the Company 3,941,000 shares valued at \$236,460 have been classified as current. Due to the size of the Company's investment and the limited trading volume of SGD as well as other available-for-sale securities, there can be no assurance that the Company will realize the value assigned, under Statement of Accounting Standards #115 (Accounting for Certain Investments in Debt and Equity Securities), to these securities.

During the latter part of 2002 the Company became aware, based upon Securities and Exchange Commission (SEC) filings by SGD, that SGD had taken the position that the Company was the holder of pre-split shares (SGD had a 6 for 1 reverse split) and rather than the Company owning 10 Million shares of SGD the Company was the holder of only 1,666,666 shares of SGD. It is the Company's position that the number of shares that the Company held of SGD as of June 30, 2003 and 2002 is 10 Million. This is based upon purchase and sale arrangements between the Company and SGD wherein the Company was sold, issued and receive 10 Million post split shares of SGD from SGD (formerly known as GoldOnline.com, Inc.). The shares issued and delivered to the Company by SGD reflected the split and the new split CUSIP change. On November 11, 2000, following the Company's receipt of these shares, the Company filed a Form 13D, with the SEC, reflecting the ownership of these shares. The Form 13D had been prepared by SGD's Counsel. SGD filed quarterly and annual financial reports with the SEC reflecting the ownership of 10 Million shares by the Company. Should it ultimately be determined that the shares should be pre-split shares then our investment in SGD, as of June 30, 2003, rather than being included in the accompanying balance sheet as \$606,000 (current \$236,460; long-term \$369,540) might be reduced depending upon the impact of the share price differential on the market price of the SGD shares and the reduced number of shares that the Company would be considered as holding.

### ITEM 3. CONTROLS AND PROCEDURES

The Company's President and Principal Financial and Accounting Officer and Controller have concluded, based on their evaluation within 90 days of the filing date of this report, that the Company's disclosure controls and procedures (as defined in Exchange Act Rules 13a -14(c) and 15d-14(c)) were adequate and designed to ensure that material information relating to the Company and its consolidated subsidiaries would be made known to them by others within those entities. There have been no significant changes in our internal controls or in other factors that could significantly affect these controls

Edgar Filing: EVOLVE ONE INC - Form 10QSB

subsequent to the date of the previously mentioned evaluation.

From time to time, the Company may publish forward-looking statements relative to such matters as anticipated financial performance, business prospects, technological developments and similar matters.
