o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01. Entry into a Material Definitive Agreement

On November 22, 2006, Sirona Dental Systems, Inc. (the Company) entered into a senior credit facility (the Senior Facilities Agreement) as original guarantor, with Schick Technologies, Inc. as original borrower and original guarantor, with Sirona Dental Systems GmbH, as original borrower and original guarantor, with Sirona Dental Services GmbH, as original borrower and original guarantor, with Sirona Dental Systems LLC as original guarantor, with Sirona Holding GmbH as original guarantor, with Sirona Immobilien GmbH as original guarantor, and with J.P. Morgan PLC and UBS Limited as mandated lead arrangers (the Arrangers), JPMorgan Chase Bank, N.A. and UBS Limited as original lenders, and with J.P. Morgan Europe Limited acting as Facility Agent.

The Senior Facilities Agreement provides for: (i) a term loan facility in the aggregate amount of U.S.\$150 million (the Total Facility A1 Commitments), (ii) a term loan facility in the aggregate amount of EUR 275 million (the Total Facility A2 Commitments), and (iii) a multicurrency revolving credit facility in the aggregate amount of U.S.\$150 million. The Senior Facilities Agreement also provides for a conditional uncommitted incremental facility of up to either U.S.\$100 million or U.S.\$150 million. Schick Technologies, Inc. is the borrower of the Total Facility A1 Commitment and Sirona Dental Services GmbH is the borrower of the Total Facility A2 Commitment. Sirona Dental Systems GmbH, Schick Technologies, Inc. and Sirona Dental Services GmbH are initial borrowers of the revolving credit facility although the Company, subject to certain conditions, may request that other wholly owned subsidiaries also become borrowers against that facility. Subject to certain limitations, each European guarantor guarantees the performance of each European borrower, except itself, and each U.S. guarantor guarantees the performance of each U.S. borrower, except itself.

Each of the Total Facility Commitments must be repaid in installments ending November 22, 2011. Interest payable on each facility is the aggregate of the applicable margin, LIBOR or, in relation to any loan in Euro, EURIBOR, and mandatory costs, if any. The applicable margin will vary based on the ratio of consolidated total net debt to consolidated adjusted EBITDA. Under Company's current financial ratios, the new credit facility will carry an interest rate of Euribor or Libor plus 75 basis points. The applicable margin may vary from 90 basis points per annum to 40 basis points per annum based on the Company's leverage ratio. The Senior Facilities Agreement contains representations, warranties, affirmative and negative covenants, and financial conditions. For example, the Company must meet debt coverage and cash interest coverage ratios, as specified in the Senior Facilities Agreement.

The press release issued by the Company relating to the Senior Facilities Agreement is furnished as Exhibit 99.1.

ITEM 9.01. Financial Statements and Exhibits

<u>Exhibit No.</u>	<u>Description</u>
