Item 1.01 Entry into a Material Definitive Agreement.

FSP 50 South Tenth Street Corp. (the “Borrower”) is a Delaware corporation formed to purchase, own and operate a 12-story multi-tenant office and retail building containing approximately 498,768 rentable square feet of space located in downtown Minneapolis, Minnesota (the “Property”). The Borrower operates in a manner intended to qualify as a real estate investment trust, or REIT, for federal income tax purposes.

On December 29, 2011, the Borrower executed and delivered a Promissory Note (the “Promissory Note”) to Franklin Street Properties Corp. (the “Lender”) that evidences a loan for up to \$106,200,000.00 (the “Loan”). The Loan includes a term loan component (the “Term Loan Component”) in the amount of \$76,200,000.00, all of which was funded on December 29, 2011 and used to repay the Borrower’s loan in the same amount from Bank of America, N.A. in full. The Borrower paid the Lender a Term Loan Component fee in the amount of \$762,000.00 on December 29, 2011. The Loan also includes a revolving line of credit component that shall not at any time exceed \$30,000,000.00 (the “Revolving Line Component”). The proceeds of the Revolving Line Component of the Loan are to be used for Lender-approved tenant improvement costs, leasing commissions and other incentives necessary to lease space at the Property.

The Loan is evidenced by a Loan Agreement dated December 29, 2011 by and between the Borrower and the Lender (the “Loan Agreement”). Pursuant to the Loan Agreement, the Borrower may borrow, repay and reborrow Revolving Line Component funds in the form of revolving advances from time to time so long as no event of default exists and certain other customary conditions are satisfied, provided; however, that the aggregate principal amount of all revolving advances outstanding at any time shall in no event exceed \$30,000,000.00. The Borrower is required to pay the Lender a fee in an amount equal to 1.00% of each revolving advance. As of December 29, 2011, no revolving advances had been made.

The Borrower is obligated to pay interest only on the outstanding principal amount of the Term Loan Component and any revolving advances under the Revolving Line Component at the fixed rate of 6.51% per annum. The outstanding principal amount of the Loan, together with any accrued but unpaid interest, shall be due and payable on December 31, 2013. The Note may be prepaid in whole or in part at any time without premium or penalty. Any partial payment shall be in an amount at least equal to \$100,000.00. At the time of any prepayment and upon payment of the unpaid principal balance on the maturity date, the Borrower shall pay the Lender an exit fee in an amount equal to 0.49% of such prepayment or payment of the unpaid principal balance.

The Promissory Note and the Loan Agreement are secured by a Combination Mortgage, Security Agreement and Fixture Filing dated December 29, 2011 from the Borrower in favor of the Lender (the “Mortgage”), an environmental Indemnification Agreement dated December 29, 2011 from the Borrower in favor of the Lender (the “Indemnification Agreement”), and an Assignment of Leases and Rents dated December 29, 2011 from the Borrower in favor of the Lender (the “Assignment of Leases and Rents”) (the Promissory Note, the Loan Agreement, the Mortgage, the Indemnification Agreement and the Assignment of Leases and Rents are collectively referred to as the “Loan Documents”). The Mortgage constitutes a lien against the Property and has been recorded in the land records of

Hennepin County, Minnesota. The Loan Documents contain customary representations and warranties, as well as customary events of default and affirmative and negative covenants.

The Borrower is an affiliate of the Lender. The Borrower has in the past engaged in and currently engages in related party transactions with the Lender and its subsidiaries FSP Investments LLC and FSP Property Management LLC (collectively "FSP"). The Borrower expects to continue to have related party transactions with FSP in the form of management fees paid to FSP to manage the Borrower on behalf of its stockholders. FSP Property Management LLC currently provides the Borrower with asset management and financial reporting services. The asset management agreement between the Borrower and FSP Property Management LLC requires the Borrower to pay FSP Property Management LLC a monthly fee equal to 1.00% of the gross revenues of the Property.

The Borrower was organized initially in September 2006 by FSP Investments LLC (member, FINRA and SIPC), a wholly-owned subsidiary of the Lender. FSP Investments LLC acted as a real estate investment firm and broker/dealer with respect to (a) the organization of the Borrower, (b) the acquisition of the Property and (c) the sale of equity interests in Borrower. The Lender holds the sole share of the Borrower's common stock, \$.01 par value per share (the "Common Stock"). Between November 2006 and January 2007, FSP Investments LLC completed the sale of equity interests in the Borrower through the offering on a best efforts basis of 700 shares of preferred stock, \$.01 par value per share (the "Preferred Stock"). The Borrower sold the Preferred Stock for an aggregate consideration of approximately \$70,000,000.00 in a private placement offering to 627 "accredited investors" within the meaning of Regulation D under the Securities Act of 1933. Between November 13, 2006 and January 9, 2007, the Borrower held six investor closings, at each of which shares of Preferred Stock were sold and funds were received.
