Item 1.01 Entry into a Material Definitive Agreement.

On May 1, 2013, Amyris, Inc. (the “Company”) entered into the following agreements:

- Sixth Amendment to Lease Between ES East, LLC (Landlord) and Amyris, Inc. (Tenant) at EmeryStation East, 5885 Hollis Street, Emeryville CA, dated April 30, 2013 (the “Headquarters Amendment”); and
- Third Amendment to Lease Between Emery Station Triangle LLC (Landlord) and Amyris, Inc. (Tenant) at 5850 Hollis Street, Emeryville, CA, dated May 1, 2013 (the “Pilot Plant Amendment” and, together with the Headquarters Lease, the “Amendments”).

Under the Amendments, the Company agreed to extensions of the underlying operating leases for its headquarters and pilot plant facility in Emeryville, California. The Headquarters Amendment provided for extension of the underlying lease term from May 2018 to May 2023. The Pilot Plant Amendment provided for extension of the underlying lease term from April 2018 to April 2023. In consideration for these extensions, the lessors agreed to reduce the Company’s monthly base rent commitments, including providing a rent credit of \$1.0 million under the Headquarters Amendment, which credit will be applied to rent payments through November 2014, and reductions in base rent under both leases resulting in an aggregate savings over the five years remaining in the original lease terms of approximately \$1.5 million. The aggregate incremental rent payable by the Company under the Amendments is approximately \$35 million over the five-year extension period. In addition to the rent savings for the original term as described above, the lessor under the Headquarters Amendment agreed to eliminate the Company’s outstanding notes payable to the lessor of approximately \$1.5 million (which notes bore a 10% annual interest rate).

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information contained in Item 1.01 above is incorporated herein by reference.
