Annual Meeting of Stockholders

to be held on June 27, 2019

PROXY SOLICITATION

ChinaNet Online Holdings, Inc., a Nevada corporation (the “Company”) is soliciting proxies on behalf of the Board of Directors (the “Board”) in connection with the annual meeting of stockholders on June 27, 2019 and at any adjournment thereof. The Company will bear the entire cost of preparing, assembling, printing and mailing this Proxy Statement, the accompanying proxy, and any additional material that may be furnished to stockholders. Proxies also may be solicited through the mails or direct communication with certain stockholders or their representatives by Company officers, directors, or employees, who will receive no additional compensation therefor.

May 1, 2019 is the approximate date on which this Proxy Statement and the accompanying form of proxy are first being sent to stockholders.

GENERAL INFORMATION ABOUT VOTING

Record Date, Outstanding Shares, and Voting Rights

As of April 26, 2019, the record date for the meeting, the Company had outstanding 16,412,543 shares of Common Stock being the class of stock entitled to vote at the meeting. Each share of Common Stock entitles its holder to one vote.

Procedures for Voting or Revoking Proxies

You may vote your proxy by completing, dating, signing, and mailing the accompanying form of proxy in the return envelope provided. The persons authorized by any of those means to vote your shares will vote them as you specify or, in absence of your specification, as stated on the form of proxy. Abstentions and broker non-votes represented by submitted proxies will be included in the calculation of the number of the shares present at the Annual Meeting for the purposes of determining a quorum. "Broker non-votes" means shares held of record by a broker that are not voted because the broker has not received voting instructions from the beneficial owner of the shares and either lacks or declines to exercise the authority to vote the shares in its discretion. You may revoke any proxy by notifying the Company in writing at the above address, ATTN: Secretary, or by voting a subsequent proxy or in person at the meeting.

Proposal One. Directors are elected by a plurality, and the nominees who receive the most votes will be elected. Proposal One is considered a "non-routine" matter under NASDAQ Stock Market ("NASDAQ") rules, and, accordingly, brokerage firms and nominees do not have the authority to vote their clients' unvoted shares on Proposal One or to vote their clients' shares if the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal One.

Proposal Two. To be approved, the ratification of Marcum Bernstein & Pinchuk LLP, as the Company's independent accountants must receive the affirmative vote of the majority of the shares of Common Stock present in person or by proxy and cast at the Annual Meeting. Proposal Two is considered a "routine" matter under NASDAQ rules, and, accordingly, brokerage firms and nominees have the authority to vote their clients' unvoted shares on Proposal Two as well as to vote their clients' shares where the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal Two.

Proposal Three. To be approved, the proposal regarding the Company's executive compensation for the fiscal year ended December 31, 2018 must receive the affirmative vote of the majority of the shares of Common Stock present in person or by proxy and cast at the Annual Meeting. Proposal Three is considered a "non-routine" matter under NASDAQ rules, and, accordingly, brokerage firms and nominees do not have the authority to vote their clients' unvoted shares on Proposal Three or to vote their clients' shares if the clients have not furnished voting instructions within a specified period of time prior to the Annual Meeting. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the outcome of the vote on Proposal Three. The vote on Proposal Three is advisory and therefore not binding on the Company, the Compensation Committee or the Board of Directors. Although non-binding, the Board of Directors values the opinions that the shareholders express in their votes, and the votes will provide information to the Compensation Committee regarding investor sentiment about the Company's executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation in the future.

Attending the Meeting

You may obtain directions to the meeting at www.chinanet-online.com or by writing to the Company at the above address, ATTN: Secretary. If you attend the meeting, you may vote there in person, regardless of whether you have voted by any of the other means mentioned in the preceding paragraph.

Board Operations

Board Leadership Structure

Mr. Handong Cheng holds the positions of chief executive officer and chairman of the Board of the Company. The Board believes that Mr. Cheng's services as both chief executive officer and chairman of the Board is in the best interest of the Company and its shareholders. Mr. Cheng possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company in the advertising and media industry and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters relating to the business of the Company. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees and customers.

The Board has not designated a lead director. Given the limited number of directors comprising the Board, the independent directors call and plan their executive sessions collaboratively and, between meetings of the Board, communicate with management and one another directly. Under these circumstances, the directors believe designating a lead director to take on responsibility for functions in which they all currently participate might detract from rather than enhance performance of their responsibilities as directors.

Director Qualifications

The Company seeks directors with established strong professional reputations and experience in areas relevant to the strategy and operations of its businesses. The Company also seeks directors who possess the qualities of integrity and candor, who have strong analytical skills and who are willing to engage management and each other in a constructive and collaborative fashion, in addition to the ability and commitment to devote time and energy to service on the Board and its committees. We believe that all of our directors meet the foregoing qualifications.

The Nominating and Corporate Governance Committee and the Board believe that the leadership skills and other experience of the Board members, as described below, provide the Company with a range of perspectives and judgment necessary to guide our strategies and monitor their execution.

Handong Cheng. Mr. Cheng is the founder of the Company and has been serving the franchise and advertising media industries for more than fifteen years. In 2003, he participated in the establishment of Beijing ChinaNet Online Advertising limited and Business Opportunity Online (Beijing) Networking Technology Ltd. (www.28.com), an entity engaged in operational, administration and management activities. Mr. Cheng has contributed to the Board's strong

leadership and vision for the development of the Company.

George Kai Chu. Mr. Chu has been our Chief Operating Officer and Secretary since May 2010. Mr. Chu has years of experience in capital markets, financial and business management.

Zhiqing Chen. Mr. Chen contributes to the Board extensive legal knowledge with respect to foreign investments and mergers and acquisitions. Mr. Chen also has experience working with PRC enterprises and international corporations.

Mototake Watanabe. Mr. Watanabe has nearly twenty-five years of experience in management, finance, business strategy and audit.

Chang Qiu. Mr. Qiu has extensive experience working with PRC enterprises and international corporations. Mr. Qiu contributes to the Board his knowledge with respect to foreign investments, business strategy and corporate finance.

Meetings of the Board of Directors

The Board held five meetings during 2018. During 2018, no director attended fewer than 75% of the meetings of the Board and Board committees of which the director was a member.

The Company's directors are expected to attend board meetings as frequently as necessary to properly discharge their responsibilities and to spend the time needed to prepare for each such meeting. The Company's directors are expected to attend annual meetings of shareholders, but we do not have a formal policy requiring them to do so. All of our directors attended the 2018 annual meeting of shareholders.

Code of Ethics

The Company adopted a Code of Ethics applicable to its directors, officers and employees on December 21, 2009. The Code of Ethics is designed to deter wrongdoing and to promote ethical conduct and full, fair, accurate, timely and understandable reports that the Company files or submits to the Securities and Exchange Commission and others. as such term is defined under Rule 5605 of the listing standards of NASDAQ and applicable SEC regulations. Security holders wishing to submit the name of a person as a potential nominee to the Board must send the name, address, and a brief (no more than 500 words) biographical description of such potential nominee to the Nominating and Corporate Governance Committee at the following address: Nominating and Corporate Governance Committee of the Board of Directors, c/o ChinaNet Online Holdings, Inc., No. 3 Min Zhuang Road, Building 6, Yu Quan Hui Gu Tuspark, Haidian District, Beijing, PRC. A potential director nominee recommended by a security holder will not be evaluated differently from any other potential nominee. Although it has not done so in the past, the Nominating and Corporate Governance Committee may retain search firms to assist in identifying suitable director candidates.

The Board does not have a formal policy on Board candidate qualifications. The Board may consider those factors it deems appropriate in evaluating director nominees made either by the Board or stockholders, including judgment, skill, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other Board members, and specialized knowledge or experience. Depending upon the current needs of the Board, certain factors may be weighed more or less heavily. In considering candidates for the Board, the directors evaluate the entirety of each candidate's credentials and do not have any specific minimum qualifications that must be met.
