### INTRODUCTION TO UNAUDITED PRO FORMA FINANCIAL STATEMENTS

On October 20, 2003, the audit committee of the board of directors of Berkshire Income Realty, Inc. (the "Company") approved the acquisition by the Operating Partnership of the St. Marin/Karrington Apartments from a third party. On October 30, 2003, the operating partnership subsidiary of the Company, through its newly formed and wholly owned subsidiary St. Marin/Karrington Limited Partnership, purchased The St. Marin Apartments, a 350 unit multifamily

## Edgar Filing: BERKSHIRE INCOME REALTY INC - Form 8-K/A

apartment community and The Karrington Apartments, a 250 unit multifamily apartment community, which are contiguous properties located in Coppell, Texas, from WHCO Real Estate Limited Partnership and WHCO II Real Estate Limited Partnership, respectively. Both of the sellers were third parties. The purchase prices of \$26,125 and \$20,000 for St. Marin and Karrington, respectively, were paid in cash.

The Company paid the purchase price and related closing costs for each property with available working capital. Subsequent to the purchase, the Company obtained a mortgage in the amount of \$32,500. The mortgage note has a 9 year term at 4.90% fixed interest rate.

The Company is operating the two properties as one, under the name St. Marin/Karrington Apartments.

The Properties' sources of revenue is primarily its tenant rental revenue. Other revenue includes application, relet, pet, nonsufficient fund, laundry, late, cable and damage fees. St. Marin and Karrington Apartments are located adjacent from each other and were purchased to operate as one property by the Company. Vacancies in first quarter 2002 were 13.2%, approximately double the vacancy rate in 2001 for the market. There will be increased competition in the market as 1,600 permits for new multi-family construction were issued during the first quarter of 2003. The Company believes that the market is well positioned for recovery in the near to mid term, and that managing the properties as one multi-family apartment community will create additional positive results. St. Marin and Karrington Apartments charge rents that are competitive in the area, with rental rates for 1 bedroom to 3 bedrooms ranging from \$738-\$2,200 per month. Physical occupancy for St. Marin/Karrington at September 30, 2003 was 92%.

The Company does not intend to spend a material amount on capital improvements. Normal capital improvements such as those during rental turnovers (i.e. interior painting) and capital improvements for the overall maintenance of the property will be determined as those projects become necessary.

The Company, after reasonable inquiry, is not aware of any material factors relating to St. Marin and Karrington other than those stated above that would cause the reported financial information not to be indicative of future operating results.

The following unaudited pro forma financial statements give effect to the acquisition by the Company of St. Marin/Karrington. The unaudited pro forma balance sheet as of September 30, 2003 presents the financial position of the Company as if the acquisition of St. Marin/Karrington, which occurred subsequent to September 30, 2003, had occurred on September 30, 2003. The unaudited pro forma statements of operations for the nine months ended September 30, 2003 and the year ended December 31, 2002 reflect the results of operations of St. Marin/Karrington as if the acquisition of St. Marin/Karrington had been completed as of January 1, 2002.

The following unaudited pro forma financial statements also give effect to certain additional significant events that have occurred during the period, including the consumation of the offer to exchange the Company's 9% Series A Cumulative Preferred Shares for interests in the following six mortgage funds: Krupp Government Income Trust, Krupp Government Income Trust II, Krupp Insured Mortgage Limited Partnership, Krupp Insured Plus Limited Partnership, Krupp Insured Plus II Limited Partnership, Krupp Insured Plus III Limited Partnership (collectively, the "Mortgage Funds") and the acquisition of McNab KC3 Limited Partnership ("McNab").
