B.O.S. BETTER ON-LINE SOLUTIONS LTD. ANNOUNCES FINANCIAL RESULTS OF OPERATIONS FOR THE FIRST QUARTER OF 2004

TERADYON, ISRAEL - May 17, 2004 - B.O.S. Better On-line Solutions Ltd. (the "Company" or "BOS") (NASDAQ: BOSC, TASE:BOS) announced today its financial results for the quarter ended March 31, 2004.

FIRST QUARTER 2004 - CONSOLIDATED STATEMENT OF OPERATION - CONTINUING SEGMENT:

Results of operations for the first quarter of year 2004 reflected the reorganization made during the second half of year 2003. The major actions that were taken were a) marketing our products through distributors in Europe instead of marketing through subsidiaries, which decreased the revenues and the gross profit due to the distributors' margin, and b) reduction of headcount cost which reduced the operating expenses.

As a result of the reorganization and while continuing to support the extensive development of the Company's distribution channels, the revenues of the first quarter of year 2004 were reduced by 15.6% to \$1.2 million compared to \$1.4 million for the first quarter of 2003. The net loss was reduced to \$437,000 (or -\$0.10 per share), compared to a net loss of \$949,000 (or -\$0.30 per share), for the first quarter of 2003.

The improvement of the operating results reflected in a significant decrease in the cash used in operating activities to \$84,000 for the first quarter of year 2004 compared to \$1.2 million for the first quarter of year 2003.

Adiv Baruch, B.O.S.' CEO stated:

"The first quarter results were in line with our expectations. We have introduced the Company's strategic plan during the first quarter and we are working according to our budget plan. As part of the plan, we have decided to focus on three products lines: Connectivity solutions, Communication products, and Enterprise software utilities. This structure will enable the Company to leverage the existing assets with a clear path to market. If market conditions remain the same, we believe that the continuous marketing efforts to develop our global distribution and reseller channels for each of the products lines, shall improve our results in the second half of the year."

Edouard Cukierman the Chairman of the Board stated: "During the first quarter,

with the help of the new management, we focused on stabilizing the business, and now, with the additional talent on board, we will begin to explore our expansion opportunities both through generic growth and through merger and acquisitions strategy."
