**Attunity Announces Planned Departure of Ofer Segev, the
Company's CFO**

Burlington, MA, February 27, 2007 Attunity Ltd (Nasdaq: ATTU), the leader in the emerging Workplace Applications market, today announced that its Chief Financial Officer, Ofer Segev, will be leaving the company. The transition is planned to take place during the second quarter of 2007.

Ofer Segev's plan to relocate back to Israel does not meet the company's strategy of having its CFO reside in the market where the company's shares are traded said Aki Ratner, Attunity's Chief Executive Officer. Since joining us in 2003, Ofer has played an important role in our transition from being primarily a provider of enabling technology, to a reliable source of business solutions to the Workplace Applications market. We would like to thank Ofer for his contribution and wish him well in his future endeavors.

After seven years of residence in the U.S., my family and I have decided to move back to Israel said Mr. Segev. I joined Attunity four years ago and found a great company with real potential to change the market in which it operates. Today it is clear that Attunity is uniquely positioned to dominate the new emerging Workplace Applications market. I look forward to seeing Attunity succeed, and feel proud and privileged for having been a part of Attunity during this time.
