Item 15. Indemnification of Directors and Officers.

The registrant is incorporated under the laws of the State of New Jersey.

The New Jersey Business Corporation Act provides that a New Jersey corporation has the power to indemnify a director or officer against his or her expenses and liabilities in connection with any proceeding involving the director or officer by reason of his or her being or having been such a director or officer, other than a proceeding by or in the right of the corporation, if such a director or officer acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal proceeding, such director or officer had no reasonable cause to believe his or her conduct was unlawful.

The New Jersey Business Corporation Act further provides that indemnification and advancement of expenses shall not exclude any other rights, including the right to be indemnified against liabilities and expenses incurred in proceedings by or in the right of the corporation, to which a director or officer may be entitled under a certificate of incorporation, bylaw, agreement, vote of shareholders, or otherwise; provided that no indemnification shall be made to or on behalf of a director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his or her acts or omissions (a) were in breach of his or her duty of loyalty to the corporation or its shareholders, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by the director or officer of an improper personal benefit.

Article 6 of the Second Amended and Restated Certificate of Incorporation of the registrant provides that to the fullest extent permitted by the New Jersey Business Corporation Act, directors and officers of the registrant shall not be personally liable to the registrant or its shareholders for damages for breach of any duty owed to the registrant or its shareholders.

Section 2(a) of Article 7 the Third Amended and Restated By-laws of the registrant provides that the registrant shall indemnify and hold harmless against all liabilities any person who is or was a director or officer, including the director's or officer's estate (an Indemnitee), who is or was a party to or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative, investigative or otherwise in respect of any past, present or future matter, including any action suit or proceeding by or in the right of the corporation (an Action), by reason of the fact that the Indemnitee is or was serving as a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, trustee, employee or agent of any other enterprise; provided, however, that the corporation shall not indemnify an Indemnitee if a judgment or other final adjudication adverse to the Indemnitee establishes that the Indemnitee's acts or omissions (a) were acts or omissions that the Indemnitee knew or believed to be contrary to the best interests of the corporation or shareholders in connection with a matter to which he had a material conflict of interest, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by such person of an improper personal benefit. Subject to the receipt by the corporation of an undertaking by the Indemnitee to repay Expenses if there shall be a judgment or

other final adjudication that the Indemnitee is not entitled to receive reimbursement of Expenses from the corporation, the corporation shall pay or reimburse an Indemnitee within 20 days following the later of (i) the receipt of such undertaking and (ii) receipt of a demand from the Indemnitee for payment or reimbursement of Expenses, in advance of final disposition or otherwise, to the full extent authorized or permitted by law, Expenses as incurred by the Indemnitee in defending any actual or threatened Action by reason of the fact that the Indemnitee is or was serving as a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, trustee, employee or agent of any other enterprise; provided, however, the corporation shall not be required hereunder to further pay or reimburse Expenses and, if requested by the corporation, shall be entitled to repayment of Expenses from the Indemnitee following any plea formally entered by or formal written admission by the Indemnitee in the Action for which the Indemnitee has sought payment or reimbursement of Expenses or indemnification that the Indemnitee has committed such acts or omissions establishing that the Indemnitee is not entitled to indemnification pursuant to subsection (a). The Indemnitee shall be entitled to be paid or reimbursed for Expenses incurred in any Action to obtain indemnification or payment or reimbursement of Expenses under subsection (a) on the same terms, conditions and limitations as the Indemnitee is entitled to Expenses under the previous sentence. The corporation shall not be obligated under subsection (a) to provide any indemnification or any payment or reimbursement of Expenses to an Indemnitee in connection with an Action (or part thereof) initiated by the Indemnitee unless the Board has authorized or consented to the Action (or part thereof) in a resolution adopted by the Board. For the purposes of Article 7, Expenses shall include, without limitation, all reasonable fees, costs and expenses, including without limitation, attorneys' fees, retainers, court costs, transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, or investigating an Action, including any Action to obtain indemnification or payment or reimbursement of Expenses.

In addition, Section 2(b) of Article 7 of the Third Amended and Restated By-laws of the registrant also provides that, to the extent authorized from time to time by the board or directors of the registrant and subject to any terms and conditions thereof, the corporation may, to the full extent authorized or permitted by law, advance Expenses and indemnify and hold harmless against liabilities any person not covered by subsection (a) of Section 2, including the person's estate (an Employee Indemnitee), who is or was an employee or agent of this corporation, or who is or was serving at the request of the corporation as a director, officer, trustee, employee or agent of any other enterprise, or the legal representative of any such person, and who is or was a party to or threatened to be made a party to any Action by reason of the fact that the Employee Indemnitee is or was serving in any of the foregoing capacities.

Section 3 of Article 7 of the Third Amended and Restated By-laws of the registrant further provides that the right of an Indemnitee or Employee Indemnitee to indemnification and payment or reimbursement of Expenses by the corporation under Section 2 of Article 7 of the Third Amended and Restated By-laws shall be in addition to, and not in lieu of, any statutory or other right of indemnification or payment, advancement or reimbursement of Expenses provided to any Indemnitee or Employee Indemnitee. Section 3 of Article 7 further provides that no amendment of Article 7 of the Third Amended and Restated By-laws shall impair the rights of any person arising at any time with respect to events occurring prior to such amendment.

The undersigned registrant hereby undertakes:

 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set

forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however,* that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement;

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration

statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

- (iii) Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by

reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (7) In connection with offerings of securities to existing security holders pursuant to warrant or rights where any securities not taken by security holders are to be reoffered to the public, to supplement the prospectus, after the expiration of the subscription period for a warrant or rights offering, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

- (8) In connection with offerings of securities at competitive bids: (a) to use its best efforts to distribute prior to the opening of bids, to prospective bidders, underwriters, and dealers, a reasonable number of copies of a prospectus which at that time meets the requirements of Section 10(a) of the Securities Exchange Act of 1934, and relating to the securities offered at competitive bidding, as contained in the registration statement, together with any supplements thereto, and (b) to file an amendment to the registration statement reflecting the results of bidding, the terms of the reoffering and related matters to the extent required by the applicable form, not later than the first use, authorized by the issuer after the opening of bids, of a prospectus relating to the securities offered at competitive bidding, unless no further public offering of such securities by the issuer and no reoffering of such securities by the purchasers is proposed to be made.
- (9) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of

1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(10) That:

- (i) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and
- (ii) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
