**Item 1.01. Entry into a Material Agreement.**

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On May 17, 2007, ArvinMeritor, Inc. ( ArvinMeritor or seller ) completed the sale of its emissions technologies business ( ET business ) to ET Cayman Holdings Limited, a private equity affiliate of J. P. Morgan Securities, Inc. ( purchaser ). Total consideration (including a \$20 million note and assumption of certain liabilities) was \$310 million, and is subject to subsequent adjustment for working capital and other items. In the second quarter of fiscal year 2007, the company recorded a \$115 million (\$90 million after-tax) non-cash impairment charge against the long-lived assets of the ET business to record ET at estimated fair value based upon the sale agreement. The impairment charge may be different than the ultimate loss recorded on the sale of ET and is subject to final reserves and adjustments after closing.

The sale of the ET business was consummated pursuant to an Amended and Restated Purchase Agreement between ArvinMeritor and the purchaser, dated as of May 16, 2007 ( Amended Agreement ), which will be filed as exhibit 2 to this form 8-K. The Amended Agreement contains customary representations, warranties and covenants of the seller and purchaser. The Amended Agreement also includes provisions governing the retention by the seller and assumption by the purchaser of responsibilities with regard to environmental, warranty and other liabilities; transition of employees and responsibility for employee compensation and benefits; tax matters and post-closing taxes; use of trademarks and logos; treatment of joint venture interests; and post-closing indemnities between the seller and purchaser for losses arising from specified events. This description is only a summary of, and is qualified in its entirety by reference to, the terms of the Amended Agreement.

An affiliate of the purchaser is the administrative agent and a lender under ArvinMeritor s \$900 million senior secured credit facility. In addition, affiliates of the purchaser have in the past provided and may from time to time in the future provide to ArvinMeritor certain commercial banking, financial advisory, investment banking and other services, for which they have received and will be entitled to receive fees.

**Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements**

(a) Historical financial position and results of operations as reported in the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2007. The results of the ET business are reported as discontinued operations for the six months ended March 31, 2007 and, therefore; do not require adjustment to income from continuing operations. Assets and liabilities of the ET business at March 31, 2007, as defined by the Amended and Restated Purchase Agreement, dated as of May 16, 2007, are included in assets and liabilities of discontinued operations.

(b) Historical results of operations as reported in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2006. The results of the ET business were reported in income from continuing operations for the fiscal year ended September 30, 2006.

(c) To eliminate the ET business disposed assets and liabilities following sale to ET Cayman Holdings Limited.

(d) To record an increase in cash associated with the net proceeds from the sale of the ET business to ET Cayman Holdings Limited. The net cash proceeds are subject to post-closing adjustment based upon the closing net asset value of the ET business.

(e) To record a \$20 million subordinated note receivable issued to ArvinMeritor at closing.

(f) To record the impact of the sale of the ET business on shareowners' equity. Adjustment is for the reversal of \$86 million of deferred foreign currency translation gains recorded in Accumulated Other Comprehensive Loss.

(g) To adjust for estimated interest savings based on lower borrowing levels on the senior secured revolving credit facility during the period due to higher cash balances. Interest on the revolving credit facility is based on quoted LIBOR rates plus a margin. At March 31, 2007, the margin over LIBOR was 150 basis points.

(h) To reclassify the results of the ET business for the fiscal year ended September 30, 2006 from income from continuing operations to discontinued operations.

(i) The company's pro-forma income from continuing operations resulted in an adjustment to diluted common shares outstanding for the dilutive impact of common stock options, restricted stock, and performance share awards.
