Renewal of Working Capital Syndicated Bank Facility

Signet Group plc (LSE and NYSE: SIG), the world's largest speciality retail jeweller, today announced that it has entered into a \$520 million unsecured multi-currency five year revolving credit facility agreement. This replaces an existing \$390 million facility entered into in September 2004 which was due to expire in September 2009 and will be used for general corporate purposes. The terms of this agreement are the same in all material respects as those of the facility being replaced, other than an increase in loan margin pricing reflecting the current credit market conditions. The replacement facility was led by Barclays Capital, Fifth Third Bank, HSBC and The Royal Bank of Scotland. The other participating banks are ABN Amro and National City Bank.

Walker Boyd, Group Finance Director, commented: "In the current difficult credit market conditions, this successful financing reflects our banks' valued support for Signet. The enlarged facility will provide the Group with additional flexibility in funding the growth of the business over the medium term."
