Status of the Offering

We commenced our initial public offering of common stock on January 30, 1998, which terminated on December 19, 1999, our second public offering of common stock on December 20, 1999, which terminated on December 19, 2000, and our third public offering of common stock on December 20, 2000, which terminated on July 26, 2002. We received approximately \$1.59 billion in aggregate gross offering proceeds from the sale of approximately 159.0 million shares in these three prior public offerings.

Pursuant to the prospectus, we commenced our fourth public offering of \$3 billion in shares (300 million shares) of common stock on July 26, 2002. As of October 25, 2003, we had received additional gross proceeds of approximately \$2.4 billion from the sale of approximately 241.6 million shares in our fourth public offering. Accordingly, as of October 25, 2003, there were approximately \$583.6 million in shares (58.4 million shares) remaining available for sale to the public under our fourth public offering, exclusive of shares available under our dividend reinvestment plan.

As of October 25, 2003, we had received aggregate gross offering proceeds of approximately \$4.1 billion from the sale of approximately 412.5 million shares in all of our public offerings. After payment of approximately \$142.1 million in acquisition and advisory fees and acquisition expenses, payment of approximately \$444.9 million in selling commissions and organization and offering expenses, and aggregate common stock redemptions of approximately \$64.4 million pursuant to our share redemption program, as of October 25, 2003, we had raised aggregate net offering proceeds available for investment in properties of approximately \$3.48 billion out of which approximately \$3.23 billion had been invested in real estate properties, and approximately \$244.7 million remained available for investment in real estate properties.

Legal Proceedings

On October 9, 2003, Stephen L. Flood, the Luzerne County Controller, and the Luzerne County Retirement Board (Luzerne Board) on behalf of the Luzerne County Employee Retirement System (Plan) filed a lawsuit in the U.S. District Court, Middle District of Pennsylvania against 26 separate defendants including the Wells REIT, Wells Investment Securities, Inc., our dealer manager, and Wells Real Estate Funds, Inc., the parent company of Wells Investment Securities, Inc. (Wells Defendants) (Wells Real Estate Funds, Inc. is also the parent company of Wells Capital, Inc., our advisor). The complaint alleges (1) that certain former members of the Luzerne Board named as defendants breached their fiduciary duties to the Plan by, among other things, permitting the investment of the Plan's funds in investments not suitable for the Plan because they were long-term illiquid investments, permitting the Plan to pay excessive fees and commissions to co-defendants, and accepting political contributions in exchange for awarding advisory and management agreements, (2) that the other defendants (including the Wells Defendants) aided and abetted such breaches of fiduciary duty, (3) that all defendants violated the Racketeer Influenced and Corrupt Organizations Act (RICO) by engaging in and conspiring to engage in an improper scheme to intentionally defraud the Plan for their own monetary benefit, and (4) that certain defendants (including the Wells Defendants) were unjustly enriched by the fees and commissions paid in connection with the Plan's investments.

The complaint specifically alleges, among other things, (1) that certain former board member defendants invested \$10 million in the Wells REIT on behalf of the Plan, (2) that the investment was not approved by a majority of the Luzerne Board at a public meeting and, consequently, the investment was an inappropriate and void action, (3) that the Wells Defendants and others

knew or should have known that the investment, and the fees and commissions associated with the investment, was not a proper investment for the Plan because it was a long-term illiquid investment, and (4) that the Wells Defendants and others knew or should have known that certain Luzerne Board members and certain investment advisors and managers were breaching their fiduciary duties to the Plan.

The Plan is seeking damages of not less than \$25 million, treble damages and punitive damages from all defendants on a joint and several liability basis. The Wells REIT believes that this lawsuit is without merit with respect to the Wells Defendants and intends to vigorously defend this lawsuit.

Status of our Share Redemption Program

Our current share redemption program allowed for the redemption of approximately 4.37 million shares at an aggregate cost of approximately \$43.7 million for the year ending December 31, 2003. From January 1, 2003 through October 25, 2003, we had redeemed the entire 4.37 million shares of common stock available for redemption for the year at an aggregate cost of approximately \$43.7 million and, accordingly, there are no remaining shares available for redemption for the year ending December 31, 2003.

Requests for potential redemption will not be eligible for redemption until after January 1, 2004, subject, in all cases, to our board's ability to change or terminate our share redemption program at any time in its discretion.

Notes to Statements of Revenues Over Certain Operating Expenses

For the year ended December 31, 2002

and the six months ended June 30, 2003 (unaudited)

1. Description of Real Estate Property Acquired

On September 19, 2003, the Wells Fund XIII REIT Joint Venture Partnership (Wells Fund XIII REIT) acquired the AIU Chicago Building, a four-story office building containing approximately 194,000 square feet located in Hoffman Estates, Illinois, from Two Park Center, L.L.C. (Two Park Center), an unrelated third-party. Total consideration for the acquisition was approximately \$26.3 million. Wells Fund XIII REIT is a joint venture partnership between Wells Real Estate Fund XIII, L.P. and Wells Operating Partnership, L.P. (Wells OP). Wells OP is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Wells Real Estate Investment Trust, Inc., a Maryland corporation. As the sole general partner of Wells OP, Wells Real Estate Investment Trust, Inc. possesses full legal control and authority over the operations of Wells OP.

2. Basis of Accounting

The accompanying statements of revenues over certain operating expenses are presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the AIU Chicago Building after its acquisition by Wells Fund XIII REIT.

3. Significant Accounting Policies

Rental Revenues

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable increased revenue by approximately \$36,000 for the year ended December 31, 2002 and approximately \$40,000 for the six months ended June 30, 2003.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Table of Contents**AIU Chicago Building****Notes to Statements of Revenues Over Certain Operating Expenses****(continued)****For the year ended December 31, 2002****and the six months ended June 30, 2003 (unaudited)****4. Description of Leasing Arrangements**

Two Park Center's interests in all lease agreements were assigned to Wells Fund XIII REIT upon its acquisition of the AIU Chicago Building. The office space is leased to tenants under leases with terms that vary in length. Certain leases contain reimbursement clauses and renewal options. One tenant, Hartford Computer Group, Inc. (Hartford), terminated its lease for approximately 49,000 square feet in March 2003. Hartford paid Two Park Center a termination fee of \$700,000, which is included in Other Revenue for the six months ended June 30, 2003.

5. Future Minimum Rental Commitments

Future minimum rental commitments for the years ended December 31 are as follows (in thousands):

2003	\$ 1,976
2004	2,557
2005	2,632
2006	2,621
2007	2,445
Thereafter	3,106
	<u>\$ 15,337</u>

Four tenants, Hartford, American Intercontinental University, Inc. (AIU), Future Electronics Corporation (Future) and Philips Electronics North America Corporation (Philips) contributed approximately 45%, 15%, 14% and 13%, respectively, of rental income for the year ended December 31, 2002. AIU, Philips, Hartford and Future contributed approximately 35%, 25%, 14% and 13%, respectively, of rental income for the six months ended June 30, 2003. Subsequent to December 31, 2002, AIU and Philips will contribute approximately 74% and 13%, respectively, of the future minimum rental income of those leases in place as of that date.

6. Interim Unaudited Financial Information

The statement of revenues over certain operating expenses for the six months ended June 30, 2003 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the financial statement for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
