Item 2. Acquisition of Assets

Acquisition of 3333 Finley Road and 1501 Opus Place Buildings

On August 4, 2004, Wells REIT II Opus/Finley Portfolio, LLC, a single member Delaware limited liability company owned by Wells Operating Partnership II, L.P. (Wells OP II), purchased a nine-story office building and a four-story office/data center building containing a total of approximately 322,000 rentable square feet (the 3333 Finley Road and 1501 Opus Place Buildings). The 3333 Finley Road and 1501 Opus Place Buildings are located on an approximate 14.1-acre parcel of land at 3333 Finley Road and 1501 Opus Place in Downers Grove, Illinois. The 3333 Finley Road and 1501 Opus Place Buildings were purchased from M/S Land, LLC and M/S Building, LLC (Sellers), which are not affiliated with the Registrant, Wells OP II or Wells Capital, Inc.

The purchase price of the 3333 Finley Road and 1501 Opus Place Buildings was approximately \$73.0 million, plus closing costs. The acquisition was funded with (1) net proceeds raised from this offering, (2) proceeds from the \$430 million line of credit with Bank of America, N.A. and (3) the execution of an 18-month, approximately \$18.0 million, interest-free note with the Sellers (the Seller Loan). The Seller Loan matures February 2006, at which time the entire principal balance is due. The Seller Loan may be prepaid at any time without incurring a premium or prepayment penalty.

The 3333 Finley Road and 1501 Opus Place Buildings, which were completed in 1988 and 1999, are entirely leased to Acxiom-May & Speh, Inc. (Acxiom-May). Acxiom-May is a wholly owned subsidiary of Acxiom Corporation (Acxiom). Acxiom integrates data, services and technology to create and deliver customer and information management solutions for many of the largest, most respected companies in the world. The core components of Acxiom s innovative solutions are Customer Data Integration technology, data, database services, IT outsourcing, consulting and analytics, and privacy leadership. Acxiom reported a net worth, as of June 30, 2004, of approximately \$604.2 million. The current aggregate annualized base rent payable under the Acxiom-May leases, which expire in 2021, is approximately \$5.5 million. Acxiom-May has the right, at its option, to extend the initial terms of its leases for three additional five-year periods.

Wells OP II does not intend to make significant renovations or improvements to the 3333 Finley Road and 1501 Opus Place Buildings in the near term. Management of Wells OP II believes that the 3333 Finley Road and 1501 Opus Place Buildings are adequately insured.

Since the 3333 Finley Road and 1501 Opus Place Buildings are leased to a single tenant on a long-term basis under net leases that transfer substantially all of the operating costs to the tenant, management believes that the financial condition and results of operations of the guarantor of the lease, Acxiom, is more relevant to investors than financial statements of the property acquired.

Acxiom currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Acxiom is taken from its previously filed public reports:
