**Item 2.05 Costs Associated with Exit or Disposal Activities**

On March 18, 2005, executive management of Parker Hannifin Corporation (the Company) committed the Company to a plan of closure of a manufacturing facility in Hilden, Germany. The facility was acquired as part of the February 2004 acquisition of Denison International. The decision to close the Hilden, Germany facility results from the completion of the Company's acquisition integration analysis. The facility closure is expected to be completed by June 2006. The Company has initiated negotiations with the German Local Works Council and has offered a cash severance package to the affected employees of approximately \$4.3 million, all of which will be recognized as expense in the third quarter ending March 31, 2005.
