Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than ten percent of our common stock to file reports of ownership and changes in ownership with the SEC. These reporting persons are also required to furnish us with copies of all Section 16(a) forms they file. All of these reports were filed in a timely manner.

Board of Directors Committees

Audit Committee

We currently do not have an audit committee and, accordingly, do not have an audit committee financial expert. We intend to establish an audit committee with certain functions that is composed of independent members of our board of directors and, in connection therewith, intend to seek an audit committee financial expert. Currently, our full Board of Directors carries out the functions customarily undertaken by an audit committee.

Code of Ethics

We have not yet adopted a formal code of ethics because we are not currently an operating company. However, we intend to adopt, during fiscal 2005 and in connection with our anticipated acquisition of Navios Maritime Holdings Inc., a code of ethics that complies with the applicable guidelines issued by the SEC.

Item 11. Executive Compensation

No executive officer has received any cash compensation for services rendered. No compensation of any kind, including finder's and consulting fees, will be paid to any of our existing stockholders, including our officers and directors, or any of their respective affiliates, for services rendered prior to or in connection with a business combination. However, these individuals will be reimbursed for any out-of-pocket expenses

incurred in connection with activities on our behalf such as identifying potential target businesses and performing due diligence on suitable business combinations. There is no limit on the amount of these out-of-pocket expenses and there will be no review of the reasonableness of the expenses by anyone other than our board of directors, which includes persons who may seek reimbursement, or a court of competent jurisdiction if such reimbursement is challenged. If all of our directors are not deemed independent, we will not have the benefit of independent directors examining the propriety of expenses incurred on our behalf and subject to reimbursement. Our entire board of directors made decisions relating to the compensation of our executive officers described above. There are no interlocks with other companies.

During the fiscal year ended December 31, 2004, the directors did not receive any cash compensation for their service as members of the board of directors.

Performance Graph

We have not included the performance graph index as we only became a reporting company on December 10, 2004. We do not expect that our securities will trade at prices much different than the amounts paid for such securities in our initial public offering until such time that we complete a business combination, if we are able to do so.

All of the ISE shares of common stock outstanding prior to the effective date of our initial public offering, or the pre-public offering shares, were placed in escrow with Continental Stock Transfer & Trust Company, as escrow agent, and shall remain in escrow until the earliest of (i) December 10, 2007; (ii) our liquidation; or (iii) the consummation of a merger, stock exchange or other similar transaction which results in all of ISE's stockholders having the right to exchange their shares of common stock for cash, securities or other property subsequent to ISE consummating a business combination with a target business.

During the escrow period, the holders of the pre-public offering shares will not be able to sell or transfer their securities except to their spouses and children or trusts established for their benefit, but will retain all other rights as ISE stockholders, including, without limitation, the right to vote their shares of common stock and the right to receive cash dividends, if declared. If dividends are declared and payable in shares of common stock, such dividends will also be placed in escrow. If ISE is unable to effect a business combination and liquidate, the holders of the pre-public offering shares will not receive any portion of the liquidation proceeds with respect to common stock owned by them prior to the date of this prospectus.

Item 13. Certain Relationships and Transactions

In September 2004, ISE issued 4,250,000 shares of its common stock to the individuals set forth below for \$25,000 in cash, at an average purchase price of approximately \$0.006 per share, as follows:

<u>Name</u>	<u>Number of Shares</u>	<u>Relationship to ISE</u>
Angeliki Frangou	4,000,000	Chairman of the Board, Chief Executive Officer and President
Vasiliki Papaefthymiou	210,000	Secretary and Director
Spyridon Magoulas	15,000	Director
Julian David Brynteson	15,000	Director
John Stratakis	10,000	Director

On November 29, 2004, ISE's board of directors authorized a stock dividend of approximately 0.676 shares of common stock for each outstanding share of common stock, effectively lowering the purchase price to approximately \$0.004 per share.

The holders of the majority of these shares will be entitled to make up to two demands that ISE register these shares pursuant to a registration rights agreement previously entered into. The holders of the majority of these shares may elect to exercise these registration rights at any time after the date on which these shares of common stock are released from escrow, which, except in limited circumstances, is not

before December 2007. In addition, these stockholders have certain piggy-back registration rights on registration statements filed subsequent to the date on which these shares of common stock are released from escrow. ISE will bear the expenses incurred in connection with the filing of any such registration statements.

As of December 16, 2004, Ms. Frangou had advanced a total of approximately \$350,000 to ISE, on a non-interest bearing basis, for payment of offering expenses on ISE's behalf. These loans were paid without interest on December 21, 2004. In addition, Ms. Frangou has agreed to loan ISE funds to cover its transaction expenses, including bank commitment fees and deposits, in connection with the anticipated acquisition of Navios Maritime Holdings Inc., or Navios, in excess of \$2 million, which loan, if the acquisition is not completed will not be repaid. To date, approximately \$4,015,000 has been advanced by Ms. Frangou.

ISE will reimburse its officers and directors for any reasonable out-of-pocket business expenses incurred by them in connection with certain activities on ISE's behalf such as identifying and investigating possible target businesses and business combinations, including the Navios acquisition. There is no limit on the amount of accountable out-of-pocket expenses reimbursable by ISE, which will be reviewed only by ISE's board or a court of competent jurisdiction if such reimbursement is challenged.

All ongoing and future transactions between ISE and any of its officers and directors or their respective affiliates, including loans by ISE's officers and directors, will be, or are, on terms believed by ISE to be no less favorable than are available from unaffiliated third parties, and such transactions or loans, including any forgiveness of loans, will require prior approval in each instance by a majority of ISE's uninterested independent directors (to the extent ISE has any) or the members of ISE's board who do not have an interest in the transaction, in either case who had access, at ISE's expense, to its attorneys or independent legal counsel.

Item 14. Principal Accountant Fees and Services

Goldstein Golub Kessler LLP (GGK) has a continuing relationship with American Express Tax and Business Services Inc. (TBS) from which it leases auditing staff who are full time, permanent employees of TBS and through which its partners provide non-audit services. As a result of this arrangement, GGK has no full time employees and therefore, none of the audit services performed were provided by permanent full-time employees of GGK. GGK manages and supervises the audit and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

GGK billed us (a) \$25,000 in connection with its initial public offering and the related audits and (b) \$10,000 in connection with the 2004 year end audit.

Other services, which do not include Financial Information System Design and Implementation fees, have been provided by TBS. Fees paid or expected to be paid to TBS in connection with the preparation of our 2004 income tax return are approximately \$3,000.

Policy on Board Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors

We do not have an audit committee because we are not currently an operating company. Accordingly, our full Board of Directors is responsible for appointing, setting compensation, and overseeing the work of the independent auditor. In recognition of this responsibility, the Board of Directors has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

In addition to retaining Goldstein Golub Kessler LLP to audit our consolidated financial statements for the year ended December 31, 2004, we retained Goldstein Golub Kessler to provide other auditing and advisory services to us in our 2004 fiscal years. We understand the need for Goldstein Golub Kessler to maintain objectivity and independence in its audit of our financial statements. To minimize relationships that could appear to impair the objectivity of Goldstein Golub Kessler, our Board of Directors has restricted the non-audit services that Goldstein Golub Kessler and TBS may provide to us primarily to tax services.

The Board of Directors also has adopted policies and procedures for pre-approving all non-audit work performed by Goldstein Golub Kessler.
