PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

June 14, 2005

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Primus Telecommunications Group, Incorporated, a Delaware corporation (the Company), in connection with the Annual Meeting of Stockholders of the Company to be held at 10:00 a.m., local time, on June 14, 2005 at the McLean Hilton Tysons Corner, 7920 Jones Branch Drive, McLean, VA 22102, and at any adjournments or postponements thereof for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders (the Annual Meeting). This solicitation is made by the Board of Directors of the Company. This Proxy Statement and the accompanying Proxy Card are being mailed on or about May 11, 2005 to stockholders of record of the Company on April 28, 2005 (the Record Date).

Please complete, date and sign the accompanying Proxy Card and return it promptly to the Company in the enclosed envelope, or vote via the Internet using the twelve (12) digit control number found on your vote instruction form at Proxyvote.com or by phone at 1-800-454-8683.

Stockholders Entitled to Vote. Holders of record of the Company's common stock, par value \$0.01 per share (the Common Stock), at the close of business on the Record Date are entitled to receive Notice of the Annual Meeting of Stockholders and vote such shares held by them at the Annual Meeting or at any adjournments or postponements thereof. Each share of Common Stock outstanding on the Record Date entitles its holder to cast one vote on the election of each nominee for director and on any other matter that may properly come before the Annual Meeting. As of March 31, 2005, there were 90,081,403 shares of Common Stock outstanding.

Quorum. The presence at the meeting, either in person or by proxy, of stockholders entitled to cast one-third of the votes entitled to be cast at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions, votes withheld and broker non-votes (i.e., shares held by a broker or nominee which are represented at the meeting, but with respect to which the broker or nominee is not voting on a particular proposal) will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining if a quorum exists. Abstentions generally will have the effect of votes against a particular proposal, and broker non-votes generally will have no effect on the outcome of the vote on a particular proposal. Stockholders are not entitled to cumulative voting in the election of directors. Directors, pursuant to Proposal 1, shall be elected by the affirmative vote of a plurality of the votes of the shares entitled to vote, present in person or represented by proxy, and votes may be cast in favor of or withheld from each director nominee. Because directors will be elected by a plurality vote (i.e., the three directors receiving the greatest number of votes will be elected) abstentions and broker non-votes will not have any effect on such vote.

Voting. If the accompanying Proxy Card is properly signed, returned to the Company and not revoked, it will be voted as directed by the stockholder. The persons designated as proxy holders on the Proxy Card will, unless otherwise directed, vote the shares represented by such proxy IN FAVOR OF the election of all nominees for the Board of Directors named in this Proxy Statement, AGAINST the shareholder proposal requesting the Company to implement a code of conduct based on the international labor organization human rights standards, and as recommended by the Board of Directors with regard to any other matters, or, if no such recommendation is given, in their own discretion.

Revocation of a Proxy. A stockholder may revoke a previously granted proxy at any time before it is exercised by filing with the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

You should rely only on the information provided in this Proxy Statement. We have authorized no one to provide you with different information. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three classes with staggered three-year terms. Currently, the Board of Directors has seven members. The terms of current directors *K. Paul Singh, John F. DePodesta and Paul G. Pizzani* expire at the Annual Meeting, while the terms of the remaining directors expire at the respective annual meetings of stockholders to be held in 2006 or 2007, as specified below. Messrs. Singh, DePodesta and Pizzani have been nominated and recommended for election to serve as directors for a three-year term expiring at the Annual Meeting of Stockholders to be held following the year ending December 31, 2007 (the 2008 Annual Meeting). If, for any reason, at the time of election, any of the nominees named should decline or be unable to accept his nomination or election, it is intended that such proxy will be voted in favor of the election, in the nominee's place, of a substituted nominee, who would be recommended by the Board of Directors. The Board of Directors, however, has no reason to believe that any of the nominees will be unable or unwilling to serve as a director.

Information Regarding Directors

The information set forth below is submitted with respect to the nominees for election to the Board of Directors, as well as those Directors whose terms of office are continuing after the Annual Meeting. There are no family relationships among any of the directors of the Company.

In November 2003, certain of the former holders of the Series C Preferred (the Former Series C Holders) converted Series C Preferred into our Common Stock, entered into a Governance Agreement with the Company, and sold an aggregate of 5,500,000 shares of the Company's Common Stock. At March 31, 2005, the Former Series C Holders beneficially owned approximately 18.4% of the Company's outstanding voting securities. So long as at least 5% of the outstanding voting securities of the Company on a fully diluted basis are held by the Former Series C Holders, such holders have the right, subject to the Board of Directors' exercise of fiduciary duties, to have a designee nominated for election by the Company's stockholders as a member of the Company's Board of Directors. So long as at least 10% of the outstanding voting securities of the Company on a fully diluted basis are held by the Former Series C Holders, such holders have the right, subject to the Board of Directors' exercise of fiduciary duties, to have a designee serve as a non-voting observer to the Board of Directors of the Company. See Non-Voting Board Observer Designated by the Former Series C Holders.)

The Board of Directors recommends a vote IN FAVOR OF Proposal 1 to elect the three nominees listed above. If no instructions are given on a properly executed and returned proxy, the shares of Common Stock represented thereby will be voted IN FAVOR OF Messrs. Singh, DePodesta and Pizzani.

Meetings of the Board of Directors; Committees

During the year ended December 31, 2004, the Board of Directors held five meetings. Each director attended at least 75% of the total number of meetings of the Board of Directors and of any meetings of committees of the Board of Directors on which he served.

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating Committee. The Board of Directors has delegated certain functions to these committees as follows:

Audit Committee. During the year ended December 31, 2004, the Audit Committee held nine meetings. The Audit Committee currently consists of Messrs. Pizzani (Chairman), Karp, and Puente. The Audit Committee has the authority and responsibility to hire one or more independent registered public accounting firms to audit the Company's books, records and financial statements and to provide an attestation of management's assessment of internal controls and the effectiveness of the Company's internal controls, as required by the Sarbanes-Oxley Act of 2002 (Section 404), to discuss with such independent registered public accounting firm the results of such audit and review, to conduct periodic independent reviews of the systems of accounting (including systems of internal control), and to make reports periodically to the Board of Directors with respect to its findings.

The Board of Directors has determined that each current Audit Committee member meets the independence requirements applicable to audit committee members under the Marketplace Rules of the National Association of Securities Dealers (NASD) and rules of the Securities and Exchange Commission (SEC). Of the current committee members, Mr. Pizzani is an audit committee financial expert as such term is defined in Item 401(h) of Regulation S-K promulgated by the SEC. The Audit Committee is responsible, among its other duties, for engaging, overseeing, evaluating and replacing the Company's independent registered public accounting firm, pre-approving all audit and non-audit services by the independent registered public accounting firm, reviewing the scope of the audit plan and the results of each audit with management and the independent registered public accounting firm, reviewing the internal audit function, reviewing the adequacy of the Company's system of internal accounting controls and disclosure controls and procedures, reviewing the financial statements and other financial information included in the Company's annual and quarterly reports filed with the SEC, and exercising oversight with respect to the Company's code of conduct and other policies and procedures regarding adherence with legal requirements. The Audit Committee's duties are set forth in the committee's charter. A copy of the charter is available on the Company's website at www.primustel.com.

Compensation Committee. During the year ended December 31, 2004, the Compensation Committee held two meetings and conducted teleconference sessions on several occasions. The Compensation Committee currently consists of Messrs. Hershberg (Chairman) and Kaul, after the resignation of Mr. Nick Earle from the Board in July 2004. The Compensation Committee is responsible for fixing the compensation of the Chief Executive Officer and the other executive officers, deciding other compensation matters such as those relating to the operation of the Primus Telecommunications Group, Incorporated Equity Incentive Plan, as amended (the Equity Incentive Plan), and the Director Stock Option Plan of Primus Telecommunications Group, Incorporated, as amended (the Director Option Plan), including the award of options under the Equity Incentive Plan, and administering and approving the Company's management bonus plan.

Each of Messrs. Hershberg and Kaul is an independent director as that term is defined in Marketplace Rule 4200(a)(15) of the NASD. Under the Marketplace Rules of the NASD, the recommendation and determination of the compensation of the Chief Executive Officer and the Company's other executive officers rests with the responsibility of those directors who meet the independence requirements prescribed by the Marketplace Rules of the NASD.

Nomination Committee. The Nominating Committee consists of Messrs. Kaul (Chairman) and Puente, both of whom meet the independence requirements prescribed by the Marketplace Rules of the NASD. The committee is responsible for recommending candidates for election to the Board of Directors for approval and nomination by the Board of Directors. The committee is also responsible for making recommendations to the Board of Directors or otherwise acting with respect to corporate governance matters, including board size and membership qualifications, new director orientation, committee structure and membership, communications with stockholders, and board and committee self-evaluations. The charter of the Nominating Committee is available on the Company's website at www.primustel.com.

Director Nomination Process

The Board of Directors has, by Board resolution and a Board approved Nominating Committee Charter, adopted a director nominations policy, the material terms of which are summarized below. The purpose of the nominations policy is to describe the process by which candidates for possible inclusion in the Company's recommended slate of director nominees are selected. The nominations policy is administered by the Nominating Committee of the Board of Directors.

The Board of Directors does not currently prescribe any minimum qualifications for director candidates. Consistent with the criteria for the selection of directors approved by the Board of Directors, the Nominating Committee will take into account the Company's current needs and the qualities needed for board service, including experience and achievement in business, finance, technology or other areas relevant to the Company's activities; reputation, ethical character and maturity of judgment; diversity of viewpoints, backgrounds and experiences; absence of conflicts of interest including competitive conflict that might impede the proper performance of the responsibilities of a director; independence under SEC and NASD Marketplace Rules; service on other boards of directors; sufficient time to devote to board matters; and ability to work effectively and collegially with other board members. In the case of incumbent directors whose terms of office are set to expire, the Nominating Committee will review such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any transactions of such directors with the Company during their term. For those potential new director candidates who appear upon first consideration to meet the board's selection criteria, the Nominating Committee will conduct appropriate inquiries into their background and qualifications and, depending on the result of such inquiries, arrange for in-person meetings with the potential candidates.

The Nominating Committee may use multiple sources for identifying director candidates, including its own contacts and referrals from other directors, members of management, the Company's advisors, and executive search firms. The Nominating Committee will consider director candidates recommended by stockholders and

will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources. In making recommendations for director nominees for the annual meeting of stockholders, the Nominating Committee will consider any written recommendations of director candidates by stockholders received by the Secretary of the Company not later than 120 days before the anniversary of the previous year's annual meeting of stockholders. Recommendations must include the candidate's name and contact information and a statement of the candidate's background and qualifications, and must be mailed to Primus Telecommunications Group, Incorporated, 7901 Jones Branch Drive, Suite 900, McLean, Virginia 22102, Attn: Corporate Secretary.

The nominations policy is intended to provide a flexible set of guidelines for the effective functioning of the Company's director nominations process. The Nominating Committee intends to review the nominations policy at least annually and anticipates that modifications may be necessary from time to time as the Company's needs and circumstances evolve, and as applicable legal or listing standards change. The Nominating Committee may amend the nominations policy at any time, in which case the most current version will be available on the Company's website at www.primustel.com.

Stockholder Communications with the Board; Annual Meeting Attendance

The Board of Directors welcomes communications from the Company's stockholders and has adopted a procedure for receiving and addressing those communications. Stockholders may send written communications to either the full Board of Directors or the non-employee directors as a group by writing to the Board of Directors or the non-employee directors at the following address: Board of Directors/Non-Employee Directors, Primus Telecommunications Group, Incorporated, 7901 Jones Branch Drive, Suite 900, McLean, Virginia 22102, Attn: Corporate Secretary. Communications by e-mail should be addressed to jdepodesta@primustel.com and marked "Attention: Corporate Secretary" in the Subject field. The Corporate Secretary will review and forward all stockholder communications to the intended recipient, except for those stockholder communications that are outside the scope of board matters or duplicative of other communications by the applicable stockholder and previously forwarded to the intended recipient. Effective with our 2004 Annual Meeting of Stockholders, directors are required, absent compelling circumstances, to attend our Annual Meeting of Stockholders.

Compensation of Directors

The Company pays non-employee directors an annual fee of \$30,000, reimburses their expenses and pays a \$2,500 supplement for each meeting attended in person. In addition, the Company grants each person who becomes a non-employee director on the date of initial election, and upon each date of re-election, options to purchase 45,000 shares of the Common Stock pursuant to the Director Option Plan, which options have an exercise price equal to the fair market value of the Common Stock as of the grant date and vest one-third upon the grant date, and one-third on each of the first and second anniversaries of the grant date. In 2004, the shareholders of the Company approved that non-employee directors may each elect to take some or all of their cash compensation in the form of restricted stock.

Code Of Ethics

The Company has adopted a Code of Ethics applicable to all directors, officers and employees, including the chief executive officer, senior financial officers and other persons performing similar functions. The Code of Ethics is a statement of business practices and principles of behavior that support the Company's commitment to conducting business while maintaining the highest standards of business conduct and ethics. The Company's Code of Ethics covers topics including, but not limited to, compliance resources, conflicts of interest, compliance with laws, rules and regulations, internal reporting of violations and accountability for adherence to the Code. A copy of the Code of Ethics is available on the Company's website at www.primustel.com. Any amendment of the Code of Ethics or any waiver of its provisions for a director, executive officer or senior financial officer must be approved by the Board of Directors. The Company will publicly disclose any such waivers or amendments pursuant to applicable SEC and NASDAQ Stock Market regulations.

PROPOSAL 2

**STOCKHOLDER PROPOSAL RELATING TO
GLOBAL HUMAN RIGHTS STANDARDS**

The New York City Teachers' Retirement System, owner of 25,100 shares of the Company Common Stock and the New York City Fire Department Pension Fund, owner of 9,100 shares of the Company Common Stock, through their custodian and trustee, The Office of the Comptroller of New York City, 1 Centre Street, New York, N.Y. 10007-2341, have sent a letter to the Company's Secretary that they intend to offer the following proposal for the consideration of the Company's stockholders at the 2005 Annual Meeting, which the Company presents in accordance with SEC rules, as Proposal 2.

GLOBAL HUMAN RIGHTS STANDARDS

Whereas, Primus Telecommunications Group, Inc. currently has extensive overseas operations, and

Whereas, reports of human rights abuses in the overseas subsidiaries and suppliers of U.S.-based corporations has led to an increased public awareness of the problems of child labor, sweatshop conditions, and the denial of labor rights in U.S. corporate overseas operations, and

Whereas, corporate violations of human rights in these overseas operations can lead to negative publicity, public protests, and a loss of consumer confidence which can have a negative impact on shareholder value, and

Whereas, a number of corporations have implemented independent monitoring programs with respected human rights and religious organizations to strengthen compliance with international human rights norms in subsidiary and supplier factories, and

Whereas, many of these programs incorporate the conventions of the International Labor Organization (ILO) on workplace human rights, and United Nations' Norms on the Responsibilities of Transnational Corporations with Regard to Human Rights (UN Norms), which include the following principles:

1. All workers have the right to form and join trade unions and to bargain collectively. (ILO Conventions 87 and 98; UN Norms, section D9).
2. Workers representatives shall not be the subject of discrimination and shall have access to all workplaces necessary to enable them to carry out their representation functions. (ILO Convention 135; UN Norms, section D9).
3. There shall be no discrimination or intimidation in employment. Equality of opportunity and treatment shall be provided regardless of race, color, sex, religion, political opinion, age, nationality, social origin or other distinguishing characteristics. (ILO Conventions

Edgar Filing: PRIMUS TELECOMMUNICATIONS GROUP INC - Form DEF 14A

100 and 111; UN Norms, section B2).

4. Employment shall be freely chosen. There shall be no use of force, including bonded or prison labor. (ILO Conventions 29 and 105; UN Norms, section D5).

5. There shall be no use of child labor. (ILO Convention 138; UN Norms, section D6), and

Whereas, independent monitoring of corporate adherence to these internationally recognized principles is essential if consumer and investor confidence in our company's commitment to human rights is to be maintained.

Therefore, be it resolved that the shareholders request that the company commit itself to the implementation of a code of conduct based on the aforementioned ILO human rights standards and the United Nations Norms on the Responsibilities of Transnational Corporations with Regard to Human Rights, by its international suppliers and in its own international production facilities, and commit to a program of outside, independent monitoring of compliance with these standards.

The Board of Directors unanimously recommends a vote AGAINST Proposal 2. If no instructions are given on a properly executed and returned proxy, the shares of Common Stock represented thereby will be voted AGAINST Proposal 2.

The recommendation of the Board of Directors is based upon, among other things, the fact that existing policies of the Company adequately address underlying concerns evidenced by the Comptroller's Proposal. In particular, the Company's Code of Ethics provides in pertinent part as follows:

3 Legal Compliance. Obeying the law, both in letter and spirit, is the foundation of the Code of Ethics. Primus's success depends on each employee operating within legal guidelines and cooperating with local, national and inter-national authorities

In addition, the Company's Employment Policy states in pertinent part as follows:

Primus is an equal opportunity employer and makes all employment decisions without regard to race, sex, religion, national origin, citizenship, disability, age, sexual orientation, political affiliation or any other criterion prohibited by law.

Both of the policies cited above can be found on the Company's web site at www.primustel.com.

In addition, the Board of Directors believes that Proposal 2, regarding third party monitoring of the Company and its suppliers, is indefinite and would require expenditures beyond any benefit which reasonably could be expected and is not in the best interest of the stockholders.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee consists of Messrs. Hershberg and Kaul. Set forth below is the full report of the Compensation Committee regarding the compensation of executive officers on account of fiscal year 2004. Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate SEC filings, in whole or in part, this Compensation Committee Report on Executive Compensation will not be incorporated by reference into any such filings.

General

During 2004, the compensation of the executive officers was administered and determined by the Compensation Committee of the Board of Directors. The Company's executive compensation programs are designed to attract, motivate and retain the executive talent needed to optimize stockholder value in a competitive environment. The programs are intended to support the goal of increasing stockholder value while facilitating the business strategies and long-range plans of the Company.

Compensation Policy and Philosophy

The Company's executive compensation policy (i) is designed to establish an appropriate relationship between executive pay and the Company's annual performance against annual budgets and relative to the performance of the peer group of the industry sector, its long-term growth objectives and its ability to attract and retain qualified executive officers, and (ii) is based on the belief that the interests of the executives should be closely aligned with the Company's stockholders. In support of this philosophy, a meaningful portion of each executive's compensation is placed at-risk and linked to the accomplishment of specific results that are expected to lead to the creation of value for the Company's stockholders from both the short-term and long-term perspectives. The Compensation Committee believes that cash compensation in the form of salary and performance-based incentive bonuses provides Company executives with short-term rewards for success in operations, and that long-term compensation through the award of stock options and other equity incentives encourages growth in management stock ownership which are intended to lead to the creation of value for the Company's stockholders and expansion of management's stake in the long-term performance and success of the Company. The Compensation Committee considers all elements of compensation, including the valuation of options, and the compensation policy when determining individual components of pay.

The Compensation Committee believes that leadership and motivation of the Company's employees are critical to achieving the objectives of the Company. The Compensation Committee is responsible for ensuring that its executive officers are compensated in a way that furthers the Company's business strategies and which aligns their interests with those of the stockholders. To support this philosophy, the following principles provide a framework for executive compensation: (i) offer compensation opportunities that attract the best talent to the Company; (ii) motivate individuals to perform at their highest levels; (iii) reward outstanding achievement; (iv) retain those with leadership abilities and skills necessary for building long-term stockholder value; (v) maintain a significant portion of executives' total compensation at-risk, tied to both the quarterly, annual and long-term financial performance of the Company and the creation of incremental stockholder value; and (vi) encourage executives to manage from the perspective of owners with an equity stake in the Company.

Executive Compensation Components

As discussed below, the Company's executive compensation package is primarily comprised of three components: base salary, cash incentive bonuses, stock options and equity incentives. In making its determinations, the Compensation Committee engaged two firms to review and benchmark the Company's executive compensation against industry standards.

Base Salary. Generally, the Compensation Committee approves the base salaries of the executive officers based on (i) performance and accomplishment of the Company in the preceding year, which is the most important factor, (ii) salaries paid to executive officers with comparable responsibilities employed by companies with comparable

businesses, and (iii) individual performance for the preceding year for most executive officers. The Compensation Committee reviews executive officer salaries annually and exercises its judgment based on all the factors described above in making its determination. No specific formula is applied to determine the weight of each criterion.

Cash Incentive Bonuses. Cash incentive bonuses for the Named Executive Officers (excluding the Chief Executive Officer) were paid based upon the following criteria: (i) the Company's operating and financial performance; (ii) refinancing debt; (iii) furthering the Company's strategic position in the marketplace through developing and executing new strategic initiatives in broadband, wireless and local services; (iv) ensuring compliance with Sarbanes-Oxley requirements; and (v) individual merit. The aggregate amount of cash bonuses in 2004 was materially reduced from the prior year reflecting the fact that certain of the operational and financial goals established by the Compensation Committee were not met.

Long-Term Incentive Compensation. Stock options and the equity incentives encourage and reward effective management which results in long-term corporate financial success, as measured by stock price appreciation. The Compensation Committee believes that option grants and other equity incentives afford a desirable long-term compensation method because they closely ally the interests of management with stockholder value and that grants of stock options are the best way to motivate executive officers to improve long-term stock market performance. The vesting provisions of options granted under the Equity Incentive Plan are designed to encourage longevity of employment with the Company and generally extend over a three-year period.

Compensation of Chief Executive Officer

The Compensation Committee believes that K. Paul Singh, the Company's Chief Executive Officer, provides valuable services to the Company and that his compensation should therefore be competitive with that paid to executives at comparable companies. In addition, the Compensation Committee believes that an important portion of his compensation should be based on performance. Accordingly, Mr. Singh's annual base salary for 2004 was set at \$570,757 based on the factors described under *Executive Compensation Components* and the factors described below. His cash incentive bonus was \$360,000; and he was awarded 300,000 stock options. For 2003, Mr. Singh's annual base salary was \$400,000, and rather than participating in the cash incentive bonus program for the other Named Executive Officers, his incentive compensation was solely comprised of a stock option award of 1,100,000 shares. The factors that the Compensation Committee considered in setting his total compensation for the year 2004 were his individual accomplishments and leadership, in driving overall Company strategy in pursuing new initiatives in broadband, wireless and local services and in obtaining new financing, as well as pay practices of peer companies relating to executives of similar responsibility.

Internal Revenue Code Section 162

The Compensation Committee has reviewed the potential consequences for the Company of Section 162(m) of the Internal Revenue Code, which imposes a limit on tax deductions for annual compensation in excess of one million dollars paid to any of the five most highly compensated executive officers, including the Chief Executive Officer. It is the current policy of the Compensation Committee to maximize, to the extent reasonably possible, the Company's ability to obtain a corporate tax deduction for compensation paid to executive officers of the Company to the extent consistent with the best interests of the Company and its stockholders. Due to the Named Executive Officer's annual incentive bonus being performance-based in calendar year 2004, the limitation under Section 162(m) had no net tax effect on the Company. The limitations of Section 162(m) are not expected to have a material effect on the Company in calendar year 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 13, 2000, the Company loaned Jay Rosenblatt, who currently serves as President of Primus Wireless, the principal amount of \$268,500. This loan was payable in full five years from the date of agreement (subject to earlier repayments upon the termination of Mr. Rosenblatt's employment under certain circumstances) and was secured by shares of the Company's Common Stock pursuant to a full recourse note. Interest is compounded quarterly at a rate of 6% per annum and payable upon maturity. In February 2002, the Company entered into a retention agreement with Mr. Rosenblatt which provided that the personal recourse feature of the notes would be removed. The shares of the Company's Common Stock acquired upon exercise of Mr. Rosenblatt's options will continue to be held by the Company as collateral for the notes, which collateral had a value of \$45,120 at March 31, 2005.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Company stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your

broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker or direct your written request to John DePodesta, Executive Vice President, Primus Telecommunications Group, Incorporated, 7901 Jones Branch Drive, Suite 900, McLean, Virginia 22102, or contact John DePodesta at (703) 902-2800. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

Annual Report

A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2004 filed with the SEC accompanies this Proxy Statement.

Stockholder Proposals

In order for any proposal pursuant to Rule 14a-8 of the rules promulgated under the Securities Exchange Act of 1934 to be eligible for inclusion in the Company's proxy materials for the 2006 Annual Meeting of Stockholders, such proposal must, in addition to meeting the stockholder eligibility and other requirements of SEC's rules governing such proposals, be received not later than December 31, 2005 by the Secretary or Assistant Secretary of the Company at the Company's principal executive offices, 7901 Jones Branch Drive, Suite 900, McLean, Virginia 22102.

Solicitation of Proxies

The cost of solicitation of proxies by the Board of Directors will be borne by the Company. Proxies may be solicited by mail, personal interview, telephone, facsimile or telegraph, and in addition, directors, officers and regular employees of the Company may solicit proxies by such methods without additional remuneration. Banks, brokerage houses and other institutions, nominees or fiduciaries will be requested to forward the proxy materials to beneficial owners in order to solicit authorizations for the execution of proxies. The Company will, upon request, reimburse such banks, brokerage houses and other institutions, nominees and fiduciaries for their expenses in forwarding such proxy materials to the beneficial owners of the Common Stock.

THE COMPANY WILL PROVIDE TO EACH PERSON SOLICITED, WITHOUT CHARGE EXCEPT FOR EXHIBITS, UPON REQUEST IN WRITING, A COPY OF ITS ANNUAL REPORT ON FORM 10-K, INCLUDING THE FINANCIAL STATEMENTS AND FINANCIAL STATEMENT SCHEDULE, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION FOR THE FISCAL YEAR ENDED DECEMBER 31, 2004. REQUESTS SHOULD BE DIRECTED TO INVESTOR RELATIONS, PRIMUS TELECOMMUNICATIONS GROUP, INCORPORATED, 7901 JONES BRANCH DRIVE, SUITE 900, MCLEAN, VIRGINIA 22102.
