Section 2- Financial Information

Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

During the course of completing the audit for its fiscal year ended February 28, 2005, Q.E.P. Co., Inc. (the Company) became aware, and on April 26, 2005, determined that the Company was in violation of financial covenants under the Company's credit facility (the Credit Facility) with its senior lenders (collectively, the Lenders) that required the Company to maintain a certain senior debt to trailing EBITDA ratio and a certain fixed charge coverage ratio (both ratios as defined in the Credit Facility). A violation of the financial covenants would, unless waived by the Lenders, constitute an event of default under the Credit Facility, giving the Lenders the right to prohibit additional borrowing under the Credit Facility, accelerate the Company's indebtedness thereunder, and take other actions as provided for in the Credit Facility. As of April 26, 2005, \$26,189,509 of borrowings was outstanding under the Credit Facility.

The Company is currently in discussions with the Lenders with respect to the default with a view toward obtaining a waiver of the current non-compliance of these covenants. There can be no assurance that the Company will be able to negotiate a waiver or that such a waiver will be on terms acceptable to the Company. If the Company is unable to obtain a waiver from the Lenders, it could have a material adverse effect on the Company's financial position.

Section 5- Corporate Governance and Management

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On April 26, 2005, the Company's Controller was relieved of his duties as principal accounting officer. Marc Applebaum, the Company's Chief Financial Officer, has assumed the duties of the principal accounting officer.
