### **Item 4. Description of DuPont Common Stock**

Holders of DuPont Common Stock are entitled to receive dividends that may be declared by the Board of Directors of DuPont from surplus or net earnings, but not until all cumulative dividends on preferred stock shall have been declared and set apart for payment at the annual rates of \$4.50 a share for the \$4.50 Series and \$3.50 a share for the \$3.50 Series. In the latter event, until accumulated and unpaid dividends on preferred stock of all series shall have been paid, the holders of the outstanding preferred stock shall have the exclusive right, voting separately and as a class, to elect two directors, or if the total number of directors of DuPont be only three, then only one director, at each meeting of stockholders held for the purpose of electing directors.

On liquidation, dissolution, or winding up of DuPont, whether voluntary or involuntary, after payments have been made to holders of preferred stock, holders of DuPont Common Stock have the right to share ratably the remaining assets available for distribution. In the event of voluntary liquidation, holders of preferred stock are entitled to accumulated dividends and \$115 a share for the \$ 4.50 Series and \$107 a share for the \$3.50 Series; in the event of involuntary liquidation, holders of both series are entitled to accumulated dividends and \$100 a share.
