Item 1.01 Entry into a Material Definitive Agreement

On December 28, 2005, BJs Restaurants, Inc. (the Company) entered into a Loan Agreement with Union Bank of California, N.A. (Union Bank) pursuant to which the Company established a \$10,000,000 unsecured revolving line of credit (the Line of Credit). The Line of Credit may be used for working capital and other general corporate purposes. While the Company is not obligated to utilize the Line of Credit, it is expected that the Line of Credit will be used primarily for the issuance of letters of credit in connection with the Company's insurance programs. The Line of Credit has a \$7,500,000 sublimit on the issuance of letters of credit.

The outstanding balance of the Line of Credit must be reduced to zero (\$0) for at least thirty (30) consecutive days during each twelve (12) month period. The Line of Credit expires and all borrowings thereunder must be repaid on or before December 31, 2008.

Borrowings under the Line of Credit bear interest at LIBOR (for the particular interest period) plus 1% per annum or at Union Bank's Reference Rate less 1% per annum. Pursuant to the Line of Credit, the Company will be required to pay certain customary fees and expenses associated with maintenance and use of the Line of Credit.

The Loan Agreement contains certain representations and warranties, affirmative and negative covenants and events of default that are customary for credit arrangements of this type, including covenants which restrict the Company's ability to, among other things, create liens, borrow money (other than purchase money indebtedness, capitalized lease obligations and tenant improvement allowances incurred in the ordinary course) and engage in mergers, consolidations, significant asset sales and certain other transactions. The Company also agreed that it would not incur after tax losses (excluding extraordinary non-cash charges) in any two consecutive quarters during the term of the Line of Credit. In addition, the Company agreed to maintain unencumbered and unrestricted liquid assets at all times in an aggregate amount of not less than the sum of (i) the aggregate principal amount of all advances outstanding under the Line of Credit at such time plus (ii) Two Million Dollars (\$2,000,000).

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

See the description contained in Item 1.01 above which is incorporated herein by this reference.
