PROXY STATEMENT

QUESTIONS AND ANSWERS

1. Q: Why am I receiving these materials?

A: This Proxy Statement and enclosed forms of Proxy (first mailed to stockholders on or about April 20, 2006) are furnished in connection with the solicitation by our Board of Directors of Proxies for use at the Annual Meeting of Stockholders, or at any adjournment thereof. The Annual Meeting will be held on Wednesday, May 17, 2006 at 10:00 a.m., at our offices located at Universal Corporate Center, 367 South Gulph Road, King of Prussia, Pennsylvania. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this Proxy Statement. It is important to note that holders of Class B and D Common Stock are not being asked to vote on any proposals at the Annual Meeting, but we are requesting that you return your Proxy Cards.

2. Q: What is the purpose of the Annual Meeting?

A: The Annual Meeting is being held (1) to have the holders of Class A and C Common Stock elect three Class I directors, to serve for a term of three years until the annual election of directors in 2009 and the election and qualification of their respective successors; and (2) to transact such other business as may properly be brought before the meeting or any adjournment thereof. We will also discuss our business and be available for your comments and discussion.

3. Q: How may I obtain your Annual Report for 2005?

A: A copy of our Annual Report to Stockholders, including financial statements for the year ended December 31, 2005, is enclosed herewith. Refer to question 26 for information on how to request additional information from us.

4. Q: Who may attend the Annual Meeting?

A: Stockholders of record as of the close of business on April 6, 2006, or their duly appointed Proxies, may attend the meeting. Stockholders whose shares are held through a broker or other nominee will need to bring a copy of a brokerage statement reflecting their ownership of our Common Stock as of the record date.

5. Q: Who is entitled to vote at the Annual Meeting?

Edgar Filing: UNIVERSAL HEALTH SERVICES INC - Form DEF 14A

A: Only stockholders of record as of the close of business on April 6, 2006 are entitled to vote at the Annual Meeting. On that date, 3,328,404 shares of Class A Common Stock, par value \$.01 per share,

335,800 shares of Class C Common Stock, par value \$.01 per share, 50,472,606 shares of Class B Common Stock, par value \$.01 per share, and 25,619 shares of Class D Common Stock, par value \$.01 per share, were outstanding. It is important to note that holders of Class B and D Common Stock are not being asked to vote on any proposals at the Annual Meeting, but we are requesting that you return your Proxy cards.

6. Q: Who is soliciting my vote?

A: The principal solicitation of Proxies is being made by the Board of Directors by mail. Certain of our officers, directors and employees, none of whom will receive additional compensation therefor, may solicit proxies by telegram, telephone or other personal contact. We will bear the cost of the solicitation of the proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares.

7. Q: What items of business will be voted on at the Annual Meeting?

A: The holders of Class A and C Common Stock will elect three Class I directors, to serve for a term of three years until the annual election of directors in 2009. Other than the election of Class I directors, we know of no other business to be presented for action. Holders of Class B and D Common Stock are not being asked to vote on any proposals at the Annual Meeting, but we are requesting that you return your Proxy cards.

8. Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that holders of Class A and C Common Stock vote shares **FOR** each of the nominees to the Board of Directors.

9. Q: How will voting on any other business be conducted?

A: Other than the items of business described in this Proxy Statement, we know of no other business to be presented for action at the Annual Meeting. As for any business that may properly come before the Annual Meeting, your signed Proxy gives authority to the persons named therein. Those persons may vote on such matters at their discretion and will use their best judgment with respect thereto.

10. Q: How do I vote?

A: A separate form of Proxy applies to our Class A and Class C Common Stock and a separate form of Proxy applies to our Class B and Class D Common Stock. Enclosed is a Proxy card for the shares of stock held by you on the record date. You may vote by signing and dating each Proxy card you receive and returning it in the enclosed prepaid envelope. With respect to the holders of Class A and Class C Common Stock, unless otherwise indicated on the Proxy, shares represented by any Proxy will, if the Proxy is properly executed and received by us prior to the Annual Meeting, be voted **FOR** each of the nominees for directors.

11. Q: If I am a holder of Class B or Class D Common Stock, should I return my Proxy?

A: Yes. Even though holders of Class B and Class D Common Stock are not being asked to vote on any proposals at the Annual Meeting, as for any business that may properly come before the Annual Meeting, the signed Proxy gives authority to the persons named therein. Those persons may vote on such matters at their discretion and will use their best judgment with respect thereto. Other than the election of Class I directors, we know of no other business to be presented for action.

12. Q: Can I vote by telephone or electronically?

A: No. In previous years, instead of submitting your vote by mail on the enclosed Proxy card, your vote could have been submitted by telephone or electronically, via the Internet. This year, telephone and electronic voting are not available because holders of Class B and Class D Common Stock are not being asked to vote on any proposals at the Annual Meeting. We are requesting, however, that all stockholders return their signed Proxy cards.

13. Q: Can I change or revoke my vote?

A: Yes. Any Proxy executed and returned to us is revocable by delivering a later signed and dated Proxy or other written notice to our Secretary at any time prior to its exercise. Your Proxy is also subject to revocation if you are present at the meeting and choose to vote in person.

14. Q: How do I vote my shares if they are held in the name of my broker (street name)?

A: If your shares are held through a broker or other nominee, often referred to as in street name, your broker or nominee will provide you with a form seeking instruction on how your shares should be voted.

15. Q: What is the vote required to approve each proposal?

A: The director nominees receiving the highest number of affirmative votes of the shares of Class A and Class C Common Stock, voting as a class, present in person or represented by Proxy and entitled to vote, a quorum being present, shall be elected as the Class I directors.

16. Q: What constitutes a quorum ?

A: The holders of a majority of the common stock votes issued and outstanding and entitled to vote, either in person or represented by Proxy constitutes a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

17. Q: What are our voting rights with respect to the election of directors?

A: Our Restated Certificate of Incorporation provides that, with respect to the election of directors, holders of Class A Common Stock vote as a class with the holders of Class C Common Stock, and holders of

Class B Common Stock vote as a class with holders of Class D Common Stock, with holders of all classes of Common Stock entitled to one vote per share.

Each holder of Class A Common Stock may cumulate his or her votes for directors giving one candidate a number of votes equal to the number of directors to be elected, multiplied by the number of shares of Class A Common Stock, or he or she may distribute his votes on the same principle among as many candidates as he shall see fit. For a holder of Class A Common Stock to exercise his or her cumulative voting rights, the stockholder must give notice at the meeting of such intention to cumulate votes.

As of April 6, 2006, the shares of Class A and Class C Common Stock constituted 6.8% of the aggregate outstanding shares of our Common Stock, had the right to elect six members of the Board of Directors and constituted 85.9% of our general voting power; and as of that date the shares of Class B and Class D Common Stock (excluding shares issuable upon exercise of options), constituted 93.2% of the outstanding shares of our Common Stock, had the right to elect two members of the Board of Directors and constituted 14.1% of our general voting power.

18. What are our voting rights with respect to matters other than the election of directors?

A: As to matters other than the election of directors, our Restated Certificate of Incorporation provides that holders of Class A, Class B, Class C and Class D Common Stock all vote together as a single class, except as otherwise provided by law. Other than the election of directors, we know of no other business to be presented for action at the Annual Meeting.

Each share of Class A Common Stock entitles the holder thereof to one vote; each share of Class B Common Stock entitles the holder thereof to one-tenth of a vote; each share of Class C Common Stock entitles the holder thereof to 100 votes (provided the holder of Class C Common Stock holds a number of shares of Class A Common Stock equal to ten times the number of shares of Class C Common Stock that holder holds); and each share of Class D Common Stock entitles the holder thereof to ten votes (provided the holder of Class D Common Stock holds a number of shares of Class B Common Stock equal to ten times the number of shares of Class D Common Stock that holder holds).

In the event a holder of Class C or Class D Common Stock holds a number of shares of Class A or Class B Common Stock, respectively, less than ten times the number of shares of Class C or Class D Common Stock that holder holds, then that holder will be entitled to only one vote for every share of Class C, or one-tenth of a vote for every share of Class D Common Stock, which that holder holds in excess of one-tenth the number of shares of Class A or Class B Common Stock, respectively, held by that holder. The Board of Directors, in its discretion, may require beneficial owners to provide satisfactory evidence that such owner holds ten times as many shares of Class A or Class B Common Stock as Class C or Class D Common Stock, respectively, if such facts are not apparent from our stock records.

19. Q: What if I abstain from voting?

A: Stockholders entitled to vote for the election of directors can withhold the authority to vote for any nominee. If you attend the meeting or send in your signed Proxy with instructions to withhold authority

to vote for one or more nominees, you will be counted for the purposes of determining whether quorum exists. Abstentions and instructions on the accompany Proxy card to withhold authority to vote will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

20. Q: Will my shares be voted if I do not sign and return my Proxy card?

A: If you are a registered stockholder and you do not sign and return your Proxy card, your shares will not be voted at the Annual Meeting. If your shares are held in street name and you do not issue instructions to your broker, your broker may vote your shares at their discretion on routine matters, but may not vote your shares on nonroutine matters. Under the New York Stock Exchange rules, the proposals relating to the election of directors are deemed to be routine matters with respect to which brokers and nominees may exercise their voting discretion without receiving instructions from the beneficial owner of the shares.

21. Q: What is a broker non-vote ?

A: Broker non-votes are shares held by brokers or nominees which are present in person or represented by Proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the rules of the National Association of Securities Dealers, Inc., member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, New York Stock Exchange-member brokers who hold shares of Common Stock in street name for their customers and have transmitted our proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are not permitted to vote on nonroutine matters. Since the election of directors is a routine matter, a broker may turn in a Proxy card voting shares at their discretion and without receiving instructions from you.

22. Q: What is the effect of a broker non-vote?

A: Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum and will result in the respective nominees for director receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

23. Q: Who will count the votes?

A: The Secretary will count the Class A and Class C votes and serve as inspector of elections.

24. Q: When are stockholder proposals due in order to be included in our Proxy Statement for the 2007 Annual Meeting?

A: Any proposal that you wish to present for consideration at the 2007 Annual Meeting must be received by us no later than December 22, 2006. This date provides sufficient time for inclusion of the proposal in the 2007 proxy materials.

25. Q: Can I receive more than one set of Annual Meeting materials?

A: If you share an address with another stockholder, each stockholder may not receive a separate copy of our Annual Report and Proxy Statement. We will promptly deliver a separate copy of either document to any stockholder upon written or oral request to our Secretary at Universal Health Services, Inc., Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, Pennsylvania 19406, telephone (610) 768-3300. If you want to receive separate copies of the Proxy Statement or Annual Report to Stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, please contact your bank, broker, or other nominee record holder, or you may contact us at the above address and phone number.

26. Q: How can I obtain additional information about the Company?

A: **Copies of our Annual Report to Stockholders and Annual Report on Form 10-K for the year ended December 31, 2005 and our other annual, quarterly and current reports we file with the SEC, and any amendments to those reports, are available free of charge on our website, which is located at <http://www.uhsinc.com>. Copies of these reports will be sent without charge to any shareholder requesting it in writing to our Secretary at Universal Health Services, Inc., Universal Corporate Center, P.O. PROPOSAL NO. 1**ELECTION OF DIRECTORS**

Our Restated Certificate of Incorporation provides for a Board of Directors of not fewer than three members nor more than nine members. The Board of Directors is currently fixed at eight members, and is divided into three classes, with members of each class serving for a three-year term. In March 2006, the Board of Directors voted to increase the number of directors from seven to eight directors. In accordance with our Restated Certificate of Incorporation, the Class I directors were increased from two to three. At each Annual Meeting of Stockholders, directors are chosen to succeed those in the class whose term expires at such Annual Meeting and, in the case of this Annual Meeting, a director will be elected to fill the vacancy in the Class I directors. Under our Restated Certificate of Incorporation, holders of shares of our outstanding Class B and Class D Common Stock are entitled to elect 20% (but not less than one) of the directors, currently two directors, one in each of Class II and Class III, and the holders of Class A and Class C Common Stock are entitled to elect the remaining six directors, three in Class I, one in Class II, and two in Class III.

The persons listed below include our Board of Directors and nominees. The term of the two current Class I directors, Mr. John H. Herrell and Ms. Leatrice Ducat, expires at the 2006 Annual Meeting. Mr. Marc D. Miller is not a current director and has been nominated to fill the vacancy in the Class I directors. Mr. John H. Herrell, Ms. Leatrice Ducat and Mr. Marc D. Miller have been nominated to be elected by the holders of Class A and Class C Common Stock. We have no reason to believe that any of the nominees will be unavailable for election; however, if any nominee becomes unavailable for any reason, the shares represented by the Proxy will be voted for the person, if any, who is designated by the Board of Directors to replace the nominee. All nominees have consented to be named and have indicated their intent to serve if elected.

Mr. Marc D. Miller is the son of Mr. Alan B. Miller, our Chief Executive Officer and Chairman of the Board. He was recommended for nomination by the Board of Directors.

The following information is furnished with respect to each of the nominees for election as a director and each member of the Board of Directors whose term of office will continue after the meeting.

Based upon a review of the copies of such reports furnished to us during fiscal year 2005 and written representations for our executive officers and directors, we believe that during the 2005 fiscal year, the officers, directors and holders of more than 10% of our Class A and Class B Common Stock complied with all Section 16(a) filing requirements.

-
- (a) Prior to July 1, 2002, we loaned employees funds to pay the income tax liabilities incurred upon the exercise of their stock options (Loan Program). Advances pursuant to the Loan Program were secured by full recourse promissory notes that were forgiven after three years, if the borrower remained employed by us. If the forgiveness criteria were not met, the employee was required to repay the loan at the time of separation. Other annual compensation represents forgiveness of principal under the Loan Program.
- (b) Restricted stock awards represent the value of the Class B Common Shares issued in connection with the Amended and Restated 2001 Employees Restricted Stock Purchase Plan (the 2001 Plan). Unless otherwise indicated, restrictions on the shares granted pursuant to the 2001 Plan will lapse ratably on the third, fourth and fifth anniversary dates of the award. Dividends declared by the Company are paid with respect to outstanding shares of restricted stock.

In March 2005, Alan B. Miller was granted 319,340 shares of restricted stock (market value of \$15,705,141 on the date of grant), pursuant to the 2001 Plan, which were scheduled to vest ratably on the first, second and third anniversary dates of the award, subject to the satisfaction of certain performance criteria. 200,000 of the shares of restricted stock (market value of \$9,836,000 on the date of grant) were subject to forfeiture in the event that we did not achieve specified earnings per share from continuing operations target for 2005, and the remaining 119,340 shares of restricted stock (market value of \$5,869,141 on the date of grant) were subject to forfeiture in the event that we did not achieve a specified return of capital for 2005. As a result of the Company's failure to achieve the 2005 earnings per share from continuing operations target, 200,000 shares of restricted stock have been cancelled. Since the Company achieved the specified return of capital target for 2005, 119,340 shares of restricted stock (market value of \$5,577,951 on December 31, 2005) will vest in accordance with the previously established vesting schedule. The market value on the date of grant of the 119,340 shares is reflected on the table above as 2005 Restricted Stock Awards.

In July 2003, 6,081 shares of restricted stock were granted to Mr. O. Edwin French market value of \$281,550 on the date of grant under the 2001 Plan. These shares were cancelled during the second quarter of 2005 (see (d)).

In September 2002, restricted stock awards were granted to the following individuals pursuant to the 2001 Plan: 17,528 shares to Steve G. Filton (market value of \$896,557 on the date of grant); 14,261 shares to Debra K. Osteen (market value of \$729,450 on date of grant), and 11,669 shares to Richard C. Wright (market value of \$596,869 on date of grant). On September 30, 2005, one-third of the restricted shares awarded in September 2002, pursuant to the 2001 Plan, became fully vested as follows: 5,843 shares to Mr. Filton (market value of \$276,958 on vesting date); 4,754 shares to Ms. Osteen (market value of \$225,340 on vesting date), and 3,890 shares to Mr. Wright (market value of \$184,386 on vesting date). At December 31, 2005 there were unvested restricted stock awards outstanding to each of these individuals as follows: 11,685 shares for Steve G. Filton (market value of \$597,688 on date of grant); 9,507 shares for Debra K. Osteen (market value of \$486,283 on date of grant), and 7,779 shares for Richard C. Wright (market value of \$397,896 on date of grant). The market value of these shares of restricted stock on December 31, 2005 are \$546,157, \$444,357 and \$363,590, respectively, for Mr. Filton, Ms. Osteen and Mr. Wright. The unvested shares of restricted stock outstanding at December 31, 2005 are scheduled to vest ratably on September 30, 2006 and September 30, 2007, assuming each individual remains employed by the Company.

- (c) All other compensation for Mr. Miller includes imputed interest income of \$163,226 in each of 2005, 2004 and 2003, resulting from the split dollar, second to die insurance agreements, covering policies with combined face values of \$30.5 million entered into in January 2002 and \$16.0 million entered into in October 1998 (see Split Dollar Life Insurance Agreements for additional disclosure). Other compensation for Mr. Miller also includes \$6,300 in 2005, \$6,150 in 2004 and \$6,000 in 2003 of 401(k) matching contributions made by us. All other compensation in all years presented for Messrs. Filton, Wright and French and Ms. Osteen consist of 401(k) matching contributions made by the Company.
- (d) During the second quarter of 2005, Mr. O. Edwin French ceased being the Senior Vice President and an Officer of the Company.

As part of our Executive Incentive Plan, target levels of net income and return on assets for us as a whole are recommended on an annual basis by our senior management and approved by the Compensation Committee of the Board of Directors which administers the Executive Incentive Plan.

Executive Retirement Income Plan

In October, 1993, the Board of Directors adopted the Executive Retirement Income Plan pursuant to which certain management or other highly compensated employees designated by the Board of Directors who have completed at least 10 years of active employment with us may receive retirement income benefits. The monthly benefit is payable to a participant who retires after he or she reaches age 62 and is equal to 3% of the employee's average monthly base salary over the three years preceding retirement multiplied by the number of full years (not to exceed 10) of the participant's active employment with the us. Payment of the benefit will be made in 60 monthly installments following the participant's retirement date. Under certain circumstances, the participant may be entitled to elect to receive the present value of the payments in one lump sum or receive payments over a period of 10 years. The estimated annual benefits payable (for the 60 months in which the participant receives benefits) upon retirement at age 65 for each of Alan B. Miller, Steve G. Filton, Debra K. Osteen and Richard C. Wright assuming their annual compensation increases by 4% annually, would be \$369,000, \$199,000, \$172,000 and \$93,000 respectively. If an employee ceases employment with us prior to age 62, or an employee has not completed at least 10 years of active employment with us, no retirement income will be payable to the participant unless the Board of Directors determines otherwise.

Employment Agreement

We have entered into an amended and restated employment agreement with Alan B. Miller as of November 14, 2001 (the Employment Agreement) pursuant to which Mr. Miller will act as our President and Chief Executive Officer until December 31, 2007 or, if we or Mr. Miller so elects, until December 31, 2012. In addition, the Employment Agreement provides for a five-year consulting arrangement commencing upon the expiration of the term of Mr. Miller's active employment, during which period he will be paid an annual fee equal to one-half of his base salary in effect at the expiration of the term of active employment. During the period of his active employment, Mr. Miller earned a salary of \$1,180,965 for the year ended December 31, 2005, to be increased in each year thereafter by an amount at least equal to the percentage increase in the consumer price index over the previous year. Mr. Miller is also entitled to an annual bonus of at least \$100,000, payment of insurance premiums, other fringe benefits previously enjoyed in accordance with past practice, as well as such other compensation as the Board of Directors may determine in its discretion. Mr. Miller may be discharged only for cause or permanent disability. In connection with the Employment Agreement, Mr. Miller has agreed not to compete us during the term of the Employment Agreement and for a period of one year after termination if he is terminated for cause.

Split Dollar Life Insurance Agreements

In October 1998, we entered into split dollar life insurance agreements, with a combined face value of \$16.0 million, in connection with second to die insurance policies issued on the lives of Alan B. Miller and his wife and owned by the Alan B. Miller 1998 Dual Life Insurance Trust (the 1998 Trust). This agreement and the related collateral assignment were assumed by and assigned to us in October 1998. As currently in force, this agreement requires us to make annual premium payments on the policies and gives us an economic interest in the policies. We are entitled to receive a portion of the death proceeds equal to its share of the aggregate premium payments.

Our interest in each policy is secured by a collateral assignment of the policy. In 2003, 2004 and 2005, we, with the consent of Mr. Miller, did not pay the annual premiums on these policies. We entered into two additional split dollar life insurance agreements, with a combined face value of \$30.5 million, in connection with life insurance policies issued on the life of Alan B. Miller and owned by the Alan B. Miller 2002 Trust (the 2002 Trust) in January 2002. These agreements and the related collateral assignments were assumed by and assigned to us in January 2002. As currently in force, these agreements require us to make annual premium payments on the policies and give us an economic interest in the policies. In January, 2002, we made premium payments pursuant to these agreements of \$942,274, and the 2002 Trust reimbursed us the one-year term cost of the insurance protection to which the 2002 Trust is entitled under the insurance policies pursuant to these split dollar life insurance agreements. Such cost is determined under the principles established by applicable U.S. Treasury Department pronouncements, notices, rulings and regulations in effect for determining such costs for insurance protection, which, subject to and until changed, shall be the lesser of the current published one-year term rates of the issuing insurance company pursuant to the guidelines set forth in Rev. Rul. 66-110 and Rev. Rul. 67-154 or the Table 2001 set forth in IRS Notice 2002-8. We are entitled to receive a portion of the death proceeds equal to its share of the aggregate premium payments. Our interest in each policy is secured by a collateral assignment of the policy. In 2003, 2004 and 2005, we, with the consent of Mr. Miller, did not pay the annual premiums on these two additional policies.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The report of the Compensation Committee (the Committee) shall not be deemed incorporated by reference by any general statement incorporating by reference to this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Philosophy

The Company believes that executive compensation should be closely related to the value delivered to stockholders. This belief has been adhered to by developing incentive pay programs which provide competitive compensation and reflect Company performance. Both short-term and long-term incentive compensation are based on Company performance and the value received by stockholders.

In designing its compensation programs, the Company follows its belief that compensation should reflect the value created for stockholders while supporting the Company's strategic business goals. In doing so, the compensation programs reflect the following themes:

Compensation should encourage increased stockholder value.

Compensation programs should support the short-term and long-term strategic business goals and objectives of the Company.

Compensation programs should reflect and promote the Company's values, and reward individuals for outstanding contributions toward business goals.

Compensation programs should enable the Company to attract and retain highly qualified professionals.

Pay Mix and Measurement

The Company's executive compensation is based on three components, each of which is intended to serve the overall compensation philosophy.

Base Salary

The Company's salary levels are intended to be consistent with competitive pay practices and level of responsibility, with salary increases reflecting competitive trends, the overall financial performance of the Company, the performance of the individual executive and general economic conditions.

Chief Executive Officer Compensation

The annual base salary for Alan B. Miller, the Company's President and Chief Executive Officer, is currently \$1,180,965, which is unchanged from 2005. Although the Committee has not yet considered Mr. Miller's 2006 salary increase, pursuant to Mr. Miller's Employment Agreement, he is entitled to an annual salary increase of an amount at least equal to the percentage increase in the consumer price index over the prior year. Mr. Miller's compensation is based upon the Company's compensation philosophy and the factors set forth herein and his Employment Agreement discussed herein.

Short-Term Incentives

Universal Health Services, Inc. 2005 Executive Incentive Plan

In June 2005, the Company's stockholders approved the adoption of the Universal Health Services, Inc. 2005 Executive Incentive Plan (the Executive Incentive Plan). The Executive Incentive Plan is intended to attract, retain and motivate highly qualified senior management and other executive officers of the Company and its affiliates through the payment of performance-based incentive compensation.

Annual incentive compensation may be awarded under the Executive Incentive Plan to members of senior management and other executive officers of the Company and its affiliates, as selected by the Committee for any calendar year.

The amount of a participant's incentive award for a calendar year are based upon the participant's target bonus amount and the extent to which the performance goal(s) applicable to the participant are achieved. For each calendar year, a participant's target bonus amount will be equal to a fixed percentage of the participant's annual rate of base salary (determined as of the beginning of the calendar year).

For each calendar year, the Committee will establish performance goals for each participant, using such business criteria and other measures of performance as it may deem appropriate; provided that, in the case of incentive awards intended to qualify as performance-based compensation

Edgar Filing: UNIVERSAL HEALTH SERVICES INC - Form DEF 14A

under Section 162(m) of the Code, the Committee will establish objective performance goals based upon one or more of the following business criteria:

- (i) attainment of certain target levels of, or a specified increase in, revenues, income before income taxes and extraordinary items, net income, earnings before income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing;

- (ii) attainment of certain target levels of, or a specified increase in, after-tax or pre-tax profits;

- (iii) attainment of certain target levels of, or a specified increase in, operational cash flow;
- (iv) attainment of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the committee;
- (v) attainment of certain target levels of, or a specified increase in, earnings per share or earnings per share from continuing operations;
- (vi) attainment of certain target levels of, or a specified increase in, return on capital or return on invested capital;
- (vii) attainment of certain target levels of, or a specified increase in, after-tax return on stockholders' equity;
- (viii) attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula; and/or
- (ix) attainment of certain target levels in the fair market value of the Class B Common Stock or growth in the value of an investment in the Class B Common Stock assuming the reinvestment of dividends.

For each calendar year, the Committee will establish a performance factor or a range of performance factors for each participant, based on varying levels of attainment of the performance goals for the year. The performance factor(s) will be used to determine the portion, if any, of the participant's target bonus amount that is earned for the year. If the target level performance goals for a year are achieved (but not exceeded), the participant will be entitled to an incentive bonus for the year equal to 100% of the participant's target bonus amount.

In the case of an award intended to qualify as performance-based compensation under Section 162(m) of the Code, except as otherwise permitted under Section 162(m) of the Code, the applicable target bonus amount, performance goals and performance factors with respect to any calendar year will be established in writing by the committee no later than 90 days after the commencement of that year. Promptly after the date on which the necessary financial or other information for a particular year becomes available, the Committee will determine the amount, if any, of the incentive compensation payable to each participant for that calendar year and will certify in writing prior to payment that the performance goals for the year were in fact satisfied.

The maximum incentive award which any participant may earn under the Executive Incentive Plan for any calendar year shall not exceed \$5 million.

Awards

In March 2006, the Committee certified the attainment of fiscal year 2005 performance grants, and authorized the payments of annual incentive bonuses under the Company's Executive Incentive Plan to Alan B. Miller, Debra K. Osteen, Steve G. Filton, and Richard C. Wright, in respect of the year ended December 31, 2005. Alan B. Miller, the Company's President and Chief Executive Officer, was awarded \$549,000. Consistent

with previous years, the amount of Mr. Miller's annual incentive bonus was determined as a percentage of his annual salary based on the achievement of corporate performance criteria, and equaled 46% of his annual base salary for 2005. Ms. Osteen, a Senior Vice President, was awarded \$280,000. Consistent with previous years, the amount of Ms. Osteen's annual incentive bonus was determined as a percentage of her annual salary based on the achievement of divisional and corporate performance criteria, and equaled 81% of her annual base salary for 2005. Steve G. Filton, a Senior Vice President and Chief Financial Officer, was awarded \$114,000. Consistent with previous years, the amount of Mr. Filton's annual incentive bonus was determined as a percentage of his annual salary based on the achievement of corporate performance criteria, and equaled 31% of his annual base salary for 2005. Richard C. Wright, the Company's Vice President of Development, was awarded \$46,000 in respect of the year ended December 31, 2005. Consistent with previous years, the amount of Mr. Wright's annual incentive bonus was determined as a percentage of his annual salary based on corporate and acquisition performance criteria and equaled 18% of his annual base salary for 2005.

In addition, in December, 2005 the Committee awarded a discretionary \$2 million cash bonus to Alan B. Miller. The bonus was awarded in recognition of Mr. Miller's role in the Company's investment and subsequent divestiture in an operating company that owned 14 acute care hospitals located in France which resulted in an after-tax gain of approximately \$121 million or \$1.93 per diluted share during 2005. The bonus was not awarded pursuant to the Company's Executive Incentive Plan.

In March 2006, the Committee approved specific bonus formula for the determination of annual incentive compensation for the Company's executive officers pursuant to the Executive Incentive Plan in respect of the year ending December 31, 2006. Under the formula approved by the Committee, each of the Company's executive officers was assigned a percentage of such executive officer's 2006 base salary as a target bonus. The following table shows each executive officer's target bonus as a percentage of his or her base salary for 2006:

<u>Name</u>	<u>Title</u>	<u>Target Award</u>
Alan B. Miller	Chief Executive Officer, President and Chairman of the Board	75%
Steve G. Filton	Senior Vice President and Chief Financial Officer	50%
Kevin J. Gross	Senior Vice President	50%
Debra K. Osteen	Senior Vice President	50%
Richard C. Wright	Vice President Development	40%

Pursuant to the Executive Incentive Plan and the formula approved by the Committee, each executive officer will be entitled to receive between 0% and 250% of that executive officer's target bonus based, either entirely or in part, on the Company's achievement of a combination of: (i) a specified range of target levels of earnings per share from continuing operations (as defined below) and (ii) a specified range of target levels of return on capital (net income divided by quarterly average net capital) for the year ending December 31, 2006. In addition, with respect to Messrs. Gross and Wright and Ms. Osteen, 25% of their annual incentive bonus for 2006 will be determined using corporate performance criteria and the remaining 75% will be determined using

divisional performance criteria based on achievement of specified pre-tax income targets or, with respect to Mr. Wright, based on the achievement of specified operating income targets of designated acquired facilities. Continuing operations shall mean the Company's net income before taxes as reported in its audited consolidated financial statements for the relevant fiscal year, adjusted to eliminate, with respect to such fiscal year, write downs, significant litigation or claim judgments or settlements, the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported Company results, extraordinary, unusual or non-recurring items, effects of financing activities, restructuring expenses, non-operating items, acquisition expenses, gains/losses from divestitures that would be reported as discontinued operations and expenses and insurance recoveries that are the direct result of a major casualty or natural disaster.

Long-Term Incentives

Stock options are granted from time to time to reward key employees' contributions. The grant of options is based primarily on a key employee's potential contribution to the Company's growth and profitability. Options are granted at the prevailing market value of the Company's Common Stock and will only have value if the Company's stock price increases. Generally, grants of options vest in equal amounts over four years and key employees must be employed by the Company for such options to vest.

Prior to the third quarter of 2002, the Company loaned employees funds (Loan Program) to pay the income tax liabilities incurred upon the exercise of their stock options. Advances pursuant to the Loan Program were secured by full recourse promissory notes that were forgiven after three years, if the borrower remained employed by the Company. If the forgiveness criteria were not met, the employee was required to repay the loan at the time of separation.

During the third quarter of 2002, this Loan Program was terminated. As a replacement long-term incentive plan, the Compensation Committee of the Company's Board of Directors approved the issuance of 197,260 shares (net of cancellations as of March 31, 2006) of restricted stock at \$51.15 per share (\$10.1 million in the aggregate) (Restricted Stock) to various officers and employees pursuant to the Company's 2001 Key Employees' Restricted Stock Purchase Plan. The number of shares and the current value of the Restricted Stock issued to each employee were based on the estimated benefits lost by that employee as a result of the termination of the Loan Program. 68,457 of these Restricted Stock awards vested on September 30, 2005, and the remaining unvested shares are scheduled to vest ratably on the fourth and fifth anniversary dates of the award.

In March 2006, the Committee approved the issuance of 200,000 restricted shares of the Company's Class B Common Stock to Alan B. Miller, the Company's Chief Executive Officer and Chairman of the Board, pursuant to the Amended and Restated 2001 Employees' Restricted Stock Purchase Plan (the 2001 Plan). Subject to the satisfaction of the performance criteria set forth below, 50% of the shares of restricted stock will vest on each of March 15, 2007 and March 15, 2008, if Mr. Miller remains employed by the Company through each applicable vesting date. In the event that Mr. Miller's employment with the Company is terminated by reason of disability, retirement or death, that portion of shares of restricted stock that would have otherwise vested within three months (or, in the case of death, twelve months) after the date of such termination will vest. Additionally, 100% of the shares of restricted stock are subject to forfeiture in the event that Company does not achieve a specified earnings per share from continuing operations (as defined in Short-Term Incentive Awards above) for 2006.

In March 2005, Alan B. Miller was granted 319,340 restricted shares of the Company's Class B Common Stock, pursuant to the 2001 Plan, which were scheduled to vest ratably on the first, second and third anniversary dates of the award, subject to the satisfaction of certain performance criteria. 200,000 of the restricted shares were subject to forfeiture in the event that the Company did not achieve specified earnings per share from continuing operations for 2005, and the remaining 119,340 restricted shares were subject to forfeiture in the event that the Company did not achieve a specified return of capital for 2005. 200,000 shares of restricted stock were forfeited in March 2006 as a result of the Company's failure to achieve the 2005 earnings per share from continuing operations target required under the terms of the original grant of such restricted stock. In March 2006, 39,780 of the remaining 119,340 shares of restricted stock vested. The remaining unvested shares will vest ratably in March, 2007 and March, 2008.

In March 2005, the Compensation Committee approved grants of five-year options to purchase the Company's Class B Common Stock to certain of the Company's executive officers pursuant to the Company's Amended and Restated 1992 Stock Option Plan. One quarter of the options granted to each such executive officer will vest on the first, second, third and fourth anniversary dates of the award if that executive officer remains employed by the Company through each applicable vesting date. The following table sets forth the number of options granted to the listed executive officers of the Company on March 15, 2005:

<u>Name</u>	<u>Title</u>	<u>Number of Options</u>
Alan B. Miller	Chief Executive Officer, President and Chairman of the Board	90,000
Steve G. Filton	Senior Vice President and Chief Financial Officer	35,000
Debra K. Osteen	Senior Vice President and President Behavioral Health Operations	35,000
Richard C. Wright	Vice President Development	20,000

In addition, in March 2005, Marc D. Miller, Vice President of the Company and son of Alan B. Miller, the Company's Chief Executive Officer and Chairman of the Board of Directors, received an option to purchase 20,000 shares of our Class B Common Stock at an exercise price of \$48.85 per share. These options are scheduled to vest ratably on the first, second, third and fourth anniversary dates from the date of grant and expire on the fifth anniversary date.

The Compensation Committee believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate business goals and stockholder value. As performance goals are met or exceeded, resulting in increased value to stockholders, executives are rewarded commensurately. The Compensation Committee believes that compensation levels during 2005 adequately reflect the Company's compensation goals and policies.

The Committee intends that performance-based compensation (including annual incentive awards under the Executive Incentive Plan and performance-based restricted stock awards under the 2001 Plan) awarded to our named executive officers will be, to the extent practicable, eligible for the performance-based compensation exception to the \$1 million deduction limitation under Section 162(m) of the Code, but will in certain circumstances award compensation not eligible for such exception. The portion of Mr. Miller's 2005 base salary exceeding \$1 million will not be deductible by the Company by virtue of Section 162(m) of the Code. Nor will the \$2 million of discretionary bonus paid to Mr. Miller in December 2005.

BOARD OF DIRECTORS

Meetings of the Board of Directors. Regular meetings of the Board of Directors are generally held every other month, while special meetings are called when necessary. Before each Board of Directors or committee meeting, directors are furnished with an agenda and background materials relating to matters to be discussed. During 2005, there were six Board of Directors meetings. Leatrice Ducat attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which she served. John F. Williams, Jr., M.D. attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board of Directors on which he served. All other current directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and of the total number of meetings held by all committees of the Board of Directors on which they served. Board of Directors members are expected to attend the Annual Meeting of Stockholders. Four Board members attended the 2005 Annual Meeting of Stockholders.

Stockholders who wish to send communications to the Board of Directors or an individual director should address such communications to Universal Health Services, Inc., c/o Secretary, Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, PA 19406. The Secretary will forward such communications to the Board of Directors or the specified individual director to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding such communication.

Our Corporate Governance Guidelines provide that the Board of Directors shall hold, in accordance with a schedule determined by the Nominating & Governance Committee of the Board of Directors, executive sessions where non-management directors (i.e., directors who are not our officers, but who do not otherwise have to qualify as independent directors) meet without management participation (except as otherwise specifically requested by the non-management directors). The non-management directors shall select the presiding director for executive sessions by rotating the position on an annual basis among the independent directors. Interested parties may communicate directly and confidentially with the presiding director or with the non-management directors of the Board of Directors as a group by writing to that person or group at Universal Health Services, Inc., c/o Secretary, Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, PA 19406.

We are eligible to be treated as a controlled company under New York Stock Exchange Rule 303A due to the fact that the family of Alan B. Miller holds more than 95% of the shares of Class A and Class C Common Stock, which is entitled to elect 80% of the entire Board of Directors and constitutes more than 50% of our aggregate voting power. New York Stock Exchange Rule 303A states that a controlled company need not have a majority of independent directors on its board or have nominating/corporate governance and compensation committees composed entirely of independent directors. We have elected to avail ourselves of a limited aspect of the Rule 303A exemption, determining that the Nominating & Governance Committee is not responsible for identifying and recommending qualified candidates for Board positions that, in accordance with our Restated Certificate of Incorporation, are to be elected by the holders of Class A and Class C Common Stock of the Company. We currently intend to have a majority of independent directors on our Board of Directors and a majority of independent directors on our Compensation Committee and Nominating & Governance Committee.

Our Board of Directors has affirmatively determined that five of its seven current members (Leatrice Ducat, John H. Herrell, Robert H. Hotz, Robert A. Meister and John F. Williams, Jr., M.D.) are independent directors under the New York Stock Exchange listing standards. Marc D. Miller, a director nominee who has been nominated to fill the vacancy on the Board of Directors and be the eighth director, will not be an independent director. In determining independence, the Board of Directors affirmatively determines each year whether directors have any material relationship with us. When assessing the materiality of a director's relationship with us, the Board of Directors considers all relevant facts and circumstances, not merely from the director's standpoint, but also from the standpoint of the persons or organizations with which the director has an affiliation. The Board of Directors has concluded that no material relationship exists between us and any of our independent directors, other than each such person's position as one of our directors.

The Executive Committee, the Compensation Committee, the Audit Committee, the Nominating & Governance Committee and the Finance Committee are the standing committees of the Board of Directors.

Executive Committee. The Executive Committee has the responsibility, between meetings of the Board of Directors, to advise and aid our officers in all matters concerning the management of the business and, while the Board of Directors is not in session, has the power and authority of the Board of Directors to the fullest extent permitted under law. The Executive Committee met twice in 2005. Members of the Committee are Alan B. Miller, Robert H. Hotz and Anthony Pantaleoni.

Compensation Committee. The Compensation Committee reviews and approves our goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers, evaluates their performance, determines and approves their compensation level, reviews and determines the form and amount of compensation of the non-management members of the Board of Directors, administers incentive-compensation plans and equity-based plans and approves compensation awards, among other duties and responsibilities. This Committee met twice and took action through unanimous written consent six times during 2005. The members of this Committee are Leatrice Ducat, John H. Herrell, Robert A. Meister and John F. Williams, Jr., M.D.

Audit Committee. The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community and others relating

to: the integrity of our financial statements, the financial reporting process, the systems of internal accounting and financial controls, the performance of our internal audit function and independent auditors, the independent auditors' qualifications and independence and our compliance with legal and regulatory requirements. This Committee has the authority, duties and responsibilities set forth in its Audit Committee Charter, as amended.

The Board of Directors has determined, in its business judgment, that each member of the Audit Committee qualifies as an independent director under the regulations adopted by the SEC and the New York Stock Exchange and is financially literate and that John H. Herrell qualifies as an audit committee financial expert under SEC regulations and has accounting or related financial management expertise. The Audit Committee met nineteen times and took action through unanimous written consent once during 2005. Members of this Committee are John H. Herrell, Robert H. Hotz and Leatrice Ducat. No member serves on the audit committee of more than three public companies.

Nominating & Governance Committee. The Nominating & Governance Committee was established, with respect to those directors who are to be elected by the holders of Class B and Class D Common Stock of the Company in accordance with the our Restated Certificate of Incorporation, for the purpose of assisting the Board of Directors by identifying individuals who are qualified, consistent with criteria approved by the Board of Directors, to become directors, and to recommend to the Board of Directors Class B and D director nominees for the next annual meeting of stockholders at which a Class B and D director is to be elected, developing and recommending to the Board of Directors a set of corporate governance principals in the form of our corporate governance guidelines, leading and overseeing the Board of Directors in its annual review of the performance of the Board of Directors and our management and recommending to the Board director nominees for each committee of the Board. The Committee provides such assistance in identifying and recommending Class A and Class C Common Stock director nominees as may be requested by the entire Board of Directors. This Committee adopted our Corporate Governance Guidelines. This Committee met twice in 2005. The members of this Committee are Leatrice Ducat, Robert H. Hotz and John F. Williams, Jr. M.D. The members of the Nominating & Governance Committee are independent pursuant to the listing standards of the New York Stock Exchange.

In light of the concentration of over 95% of the voting power of our Class A and Class C Common Stock in a single individual and related entities, and in accordance with the Controlled Companies exemption set forth in Section 303A of the New York Stock Exchange Listed Company Manual, the Nominating & Governance Committee is not responsible for identifying and recommending qualified candidates for directors that, in accordance with our Restated Certificate of Incorporation, are to be elected by the holders of Class A and Class C Common Stock. The Nominating & Governance Committee shall, however, provide such assistance in identifying and recommending Class A and C Director nominees as may be requested by the entire Board.

The Nominating & Governance Committee will consider Class B and D director nominees recommended by stockholders. Under our Restated Certificate of Incorporation, the number of directors to be elected by the Class B and D Common stockholders is limited to 20% of the entire Board of Directors, or a maximum of two directors. Stockholders who wish to recommend a nominee for the Nominating & Governance Committee's consideration may do so by submitting the individual's name and qualifications to the Nominating & Governance

Committee c/o Secretary, Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, PA 19406. Recommendations must be received by the Nominating & Governance Committee no later than the date by which stockholder proposals for presentation at the next Annual Meeting must be received. Recommended nominees will only be considered if there is a vacancy or if the Board of Directors decides to increase the number of directors.

The Nominating & Governance Committee identifies and evaluates committee-recommended Class B and D director nominees considering, among other factors, the following minimum qualifications: the individual's integrity, experience, education, expertise, independence and any other factors that the Board of Directors and the Nominating & Governance Committee deem would enhance the effectiveness of the Board of Directors and our governance. The Nominating & Governance Committee will evaluate a nominee on the same basis if the individual is recommended by a stockholder. The Nominating & Governance Committee does not currently pay a fee to a third party to identify or evaluate nominees, but may consider from time to time engaging a search firm to identify Class B and D director candidates.

Finance Committee. The Finance Committee is responsible for reviewing our overall long-term financial planning. The Finance Committee did not meet in 2005. Members of this Committee are Robert H. Hotz, Alan B. Miller and Anthony Pantaleoni.

A current copy of the our Corporate Governance Guidelines, Code of Business Conduct and Corporate Standards, Code of Ethics for Senior Financial Officers, Compensation Committee Charter, Nominating & Governance Committee Charter and Audit Committee Charter are available free of charge on the our website at www.uhsinc.com. Copies of these documents also are available in print free of charge to any stockholder who requests them. We intend to satisfy the disclosure requirements under Item 10 of Form 8-K relating to amendments to or waivers of any provision of our Code of Ethics for Senior Financial Officers by promptly posting the information on our website.

AUDIT COMMITTEE REPORT

The Board of Directors is committed to the accuracy and integrity of its financial reporting. The Audit Committee takes an involved and active role in delivering on this commitment.

The Audit Committee provides independent, objective oversight of our accounting functions and internal controls.

The Audit Committee reviews and evaluates, and discusses and consults with our management, internal audit personnel and the independent auditors about the following:

the plan for, and the independent auditors' report on, each audit of the Company's consolidated financial statements;

changes in our accounting practices, principles, controls or methodologies, or in the Company's financial statements;

significant developments in accounting rules;

the adequacy of the Company's internal accounting controls, and accounting, financial and auditing personnel; and

the establishment and maintenance of a work environment that promotes ethical behavior.

The Audit Committee acts under a written charter, as revised, and adopted and approved by the Board of Directors in March 2004. The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing, accounting, financial reporting, internal control and regulatory compliance matters. In discharging its oversight role, the Audit Committee may engage independent counsel and other advisers as it determines necessary. In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has the direct responsibility to select, evaluate, determine the compensation of, oversee, and where appropriate, replace our independent auditors, and has the authority to resolve disagreements between management and our auditors. The Audit Committee may establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting and auditing matters, as well as confidential, anonymous submission by employees. The Board of Directors has determined that each of the members of the audit committee is independent within the meaning of the rules of the New York Stock Exchange and the Securities Exchange Act of 1934, as amended by the Sarbanes-Oxley Act of 2002.

The Audit Committee recommended to the Board of Directors that the consolidated financial statements be included in the Annual Report on Form 10-K. The Audit Committee took a number of steps in making this recommendation for 2005:

First, the Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audits.

Second, the Audit Committee met with the independent auditors, without management present, to discuss the results of their audits, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Third, the Audit Committee reviewed and discussed the audited consolidated financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

Fourth, the Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board (United States).

Finally, the Audit Committee discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board, and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee reviewed the Company's consolidated financial statements with the Board of Directors and discussed with KPMG LLP during the 2005 fiscal year, the matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee received from KPMG LLP the written disclosures, including the letter, required by Independence Standards Board Standard No. 1 and discussed with it its independence. Based on these discussions with KPMG LLP and the consolidated financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's 2005 Annual Report on Form 10-K.

RELATIONSHIP WITH INDEPENDENT AUDITORS

KPMG LLP (KPMG) served as our independent auditors during 2005, 2004 and 2003 and has been selected to serve in that capacity for the 2006 fiscal year. It is anticipated that KPMG representatives will be present at the Annual Meeting and will have an opportunity to make a statement, if they desire to do so, and to respond to any appropriate inquiries of the stockholders or their representatives.

Set forth below are the fees paid or accrued for the services of KPMG LLP during 2005 and 2004:

	2005	2004
Audit fees	\$ 1,819,000	\$ 2,100,000
Audit-related fees	150,474	179,500
Tax fees	457,509	251,000
All other fees	7,245	8,000
Total	\$ 2,434,228	\$ 2,538,500

Audit fees consisted of services rendered to us or certain of our subsidiaries. Such audit services include audits of financial statements, audit of our annual management assessment of the effectiveness of internal control over financial reporting in 2005 (as required by Section 404 of the Sarbanes-Oxley Act of 2002), reviews of our quarterly financial statements, and audit services provided in connection with regulatory filings.

Fees for audit-related fees consisted of services billed in 2005 and 2004 consisted primarily of agreed upon procedures and program specific audits for us and our subsidiaries.

Fees for tax services billed in 2005 and 2004 consisted primarily of preparation of federal and state income tax returns for certain of our subsidiaries and consultation on various tax matters related to us and our subsidiaries.

All other fees in both 2005 and 2004, relate to services provided for cost reporting matters.

The Audit Committee has considered and determined that the provision of non-audit services by our principal auditor is compatible with maintaining auditor independence.

All audit and permissible non-audit services provided to us by the independent auditors are pre-approved by the Audit Committee, which considers whether the proposed services would impair the independence of the independent auditors. The Chairperson of the Audit Committee may pre-approve audit and permissible non-audit services during the time between Audit Committee meetings if the fees for the proposed services are less than \$25,000.
