Immediately following the Merger, SAIC will become our wholly-owned subsidiary and its stockholders will become stockholders of ours.

Pursuant to the amended terms of the Merger Agreement, we reallocated the number of shares of Class A preferred stock to be received by SAIC stockholders in the Merger upon exchange of their common stock, such that (i) 20% of such shares will be Series A-1 preferred stock, (ii) 20% of such shares will be Series A-2 preferred stock, (iii) 30% of such shares will be Series A-3 preferred stock and (iv) 30% of such shares will be Series A-4 preferred stock.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Board of Directors and Stockholder

SAIC, Inc.

We have audited the accompanying consolidated balance sheet of SAIC, Inc. and subsidiary (the Company ) (a wholly-owned subsidiary of Science Applications International Corporation) as of January 31, 2006. This financial statement is the responsibility of the Company s management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the balance sheet is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the balance sheet, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall balance sheet presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such consolidated balance sheet presents fairly, in all material respects, the financial position of SAIC, Inc. and subsidiary as of January 31, 2006, in conformity with accounting principles generally accepted in the United States of America.
