As previously disclosed, on November 15, 2004, QuadraMed Corporation (the Company) received a letter from MedCath Incorporated (MedCath), which provided notice of MedCath's decision to terminate the Master Software License and Services Agreement, dated November 20, 2002, by and between QuadraMed Affinity and MedCath (the Contract). On or about November 15, 2004, MedCath filed a complaint against the Company in Mecklenburg County, North Carolina, Superior Court Division (Case No. 04CVS20137). In its complaint, MedCath alleged that we were in breach of the Contract due to uncured deficiencies in the products and sought at least \$5 million in damages, plus litigation costs. On December 9, 2004, we filed a motion to dismiss the MedCath complaint on the grounds that the complaint fails to state a claim upon which relief can be granted. We also filed a counterclaim against MedCath seeking no less than \$1.14 million in unpaid amounts due to us, plus litigation costs, for MedCath's breach of the Contract by failing to pay licensing fees due to the Company.

On April 28, 2006, we settled this litigation with MedCath. Pursuant to the Release and Settlement Agreement (the Settlement Agreement), the Company will pay MedCath a settlement payment of \$2 million within seven days of the execution of the Settlement Agreement, and within five days of this settlement payment, MedCath and the Company will file a stipulation of dismissal, with prejudice, of this lawsuit. Further, the Contract and all obligations thereunder will terminate, any Company source code held in escrow by MedCath will be returned within ten days of the execution of the Settlement Agreement, and the Company will remove MedCath's name from all Company websites and marketing materials. The parties have entered into mutual general releases regarding the Contract, and both will bear their own attorneys' fees and costs.

QuadraMed will fund the settlement amount from available operating cash. In addition to amounts already recorded at December 31, 2005 and amounts covered by insurance, the Company will record a charge of approximately \$1 million related to this settlement in its three month period ended March 31, 2006.

The parties issued a press release related to the settlement on May 1, 2006, which is furnished as Exhibit 99.1 and is incorporated herein by reference to this Item 8.01.
