Item 1.01 Entry into a Material Definitive Agreement

At our 2006 Annual Meeting of Stockholders held on May 2, 2006, our stockholders approved a Second Amended and Restated Hornbeck Offshore Services, Inc. Incentive Compensation Plan, or the Plan, previously approved by our Board. The Company previously established the Plan to provide awards of options, restricted stock, performance-based restricted stock and other equity interests and incentives to select employees and non-employee directors. The amendment and restatement modifies the terms of the Plan to provide that restricted stock awards and other performance awards will vest on retirement. The amendment and restatement also modifies the list of business criteria in the definition of performance measure that may be used for the purposes of establishing a performance goal with respect to an award that complies with Section 162(m) of the Code to include earnings before interest, income taxes, depreciation, amortization and loss on early extinguishment of debt, or EBITDA. Finally, the amendment and restatement conforms the limitation on the maximum amount of compensation payable as an award (other than as an award of a stock option or a stock appreciation right) to any participant so that such maximum is based on shares of common stock of the Company and is not based on cash compensation. As revised, no participant in the Plan may receive total combined awards, of all types, under the Plan during a fiscal year, which in the aggregate cover more than 411,000 shares of common stock of the Company.

For a more complete understanding of its terms and provisions, please see the Plan filed as Exhibit 10.1 to this current report.
