PROXY STATEMENT FOR THE CALLWAVE, INC.

2006 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send this Proxy Statement to Me?

We sent this proxy statement and the enclosed proxy card to you because our board of directors is soliciting your proxy to vote at the 2006 annual meeting of stockholders and any adjournments of the meeting. This proxy statement summarizes the information you need to know in order to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card. If you hold your shares through a broker, then you also may be able to vote your shares either via the Internet or by telephone.

On or about November 3, 2006, we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to notice of, and to vote at, the annual meeting. Only stockholders who owned our common stock at the close of business on October 20, 2006, are entitled to vote at the annual meeting. On this record date, there were 20,813,858 shares of our common stock outstanding. Our common stock is our only Class of voting stock. We are also sending along with this proxy statement our fiscal year 2006 Annual Report on Form 10-K, which includes our financial statements for the fiscal year ended June 30, 2006.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

You may vote in person at the meeting or by signing and mailing your proxy card. If you hold your shares through a broker, you also may be able to vote your shares on the Internet or by telephone. If applicable, detailed instructions for Internet and telephone voting are attached to your proxy.

How Do I Vote by Proxy?

Whether you plan to attend the annual meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the annual meeting and vote at the annual meeting.

If you properly fill in your proxy card and send it to us in time, then your proxyholder (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxyholder will vote your shares as recommended by our board of directors.

How Does our Board of Directors Recommend That I Vote on the Proposals?

Our board of directors recommends that you vote as follows:

FOR the election of the nominees for Class II directors;

FOR ratification of the selection of Mayer Hoffman McCann P.C. as our independent auditors for our fiscal year ending June 30, 2007; and

FOR amendment of the Certificate of Incorporation.

Table of Contents

If any other matter is presented for a vote of the stockholders at the annual meeting, then your proxyholder will vote your shares in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that are expected to be acted upon at the annual meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the following ways:

You may send in another proxy with a later date;

If applicable, you may vote either via the Internet or by telephone at a later date;

You may notify our Secretary in writing before the annual meeting that you have revoked your proxy; or

You may vote in person at the annual meeting.

How Do I Vote in Person?

If you plan to attend the annual meeting and vote in person, then we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, then you must bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on October 20, 2006, the record date for voting.

What Vote is Required to Approve Each Proposal?

- | | |
|---|--|
| Proposal 1: Elect Directors | The two nominees for director who receive the most votes (also known as the plurality of votes) will be elected. |
| Proposal 2: Ratify Selection of Auditors | The affirmative vote of a majority of the outstanding shares present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of our independent auditors. |
| Proposal 3: Amend Certificate of Incorporation | The affirmative vote of at least sixty-six and two-thirds percent (66 ² / ₃ %) of the outstanding shares present in person or represented by proxy and entitled to vote at the annual meeting is required to approve the amendment of our Certificate of Incorporation |

What is the Effect of Broker Non-Votes, Withholdings and Abstentions?

Edgar Filing: CALLWAVE INC - Form DEF 14A

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to proposals other than the election of directors, Against votes, abstentions and broker non-votes. Abstentions will be counted toward the vote total for each proposal, and will have the same effect as Against votes. So-called broker non-votes will not be counted toward the vote total for any proposal. These rules are further explained in the following paragraphs:

Withholdings: Withholding authority to vote for a nominee for director will have no effect on the outcome of the vote.

Abstentions: Because abstentions are treated as shares present or represented and entitled to vote at the annual meeting, an abstention with respect to Proposal 2 or Proposal 3 has the same effect as a vote against the Proposal.

Broker Non-Votes: If your broker holds your shares in its name, then your broker will be entitled to vote your shares on Proposal 1 even if it does not receive instructions from you. If your broker cannot vote

Table of Contents

your shares on a particular matter because it does not have instructions from you or discretionary voting authority on that matter, then this is referred to as a broker non-vote. Shares subject to a broker non-vote are considered to be present and represented for purposes of establishing a quorum, but are not considered as entitled to vote on any matter for which the broker has not received instructions. Therefore, they will not be counted for purposes of determining the vote required on Proposals 2 and 3 if your broker does not have authority to vote on those matters.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We allow only our Inspector of Election to examine these documents. We will not disclose your vote to management unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Solicitation of proxies will be made principally through the mail, but our officers and employees may also solicit proxies in person or by telephone, fax or email. We will pay these employees and officers no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to the beneficial owners of the common stock and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. On the record date, there were 20,813,858 shares outstanding and entitled to vote. Thus, 10,406,930 shares must be represented by stockholders present at the annual meeting in person or by proxy in order for there to be a quorum for the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 11:00 a.m., Pacific Standard Time, on December 15, 2006 at CallWave's headquarters, located at 136 W. Canon Perdido, Santa Barbara, California 93101. You need not attend the annual meeting in order to vote.

Voting

To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the annual meeting in person. Most stockholders have three options for submitting their vote: (1) via the Internet (please see your proxy card for instructions) or (2) by phone (please

Edgar Filing: CALLWAVE INC - Form DEF 14A

see your proxy card for instructions), or (3) by mail, using the enclosed paper proxy card. When you vote via the Internet or by phone, your vote is recorded immediately. We encourage our stockholders to vote using these methods whenever possible. If you attend the annual meeting, then you also may submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the annual meeting.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the quarter ending December 31, 2006.

Table of Contents

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by July 6, 2007, to our Secretary at 136 West Canon Perdido, Suite C, Santa Barbara, California 93101. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, then generally you must do so no later than the close of business on August 5, 2007, and no earlier than the close of business on July 6, 2007. If you wish to bring a matter before the stockholders at next year's annual meeting and you do not notify us before August 5, 2007, then our management will have discretionary authority to vote all shares for which it has proxies in opposition to the matter. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission (SEC) adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as householding, benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be householded, the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, Mellon Investor Services, by calling their toll free number, 1-800-853-4960.

If you do not wish to participate in householding and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another of our stockholders and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact our transfer agent, Mellon Investor Services, and inform them of your request by calling them at 1-800-853-4960 or writing them at 400 South Hope Street, 4th Floor, Los Angeles, California 90071.

If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of October 20, 2006 for (a) the executive officers named in the Summary Compensation Table of this proxy statement, (b) each of our directors and director nominees, (c) all of our current directors and executive officers as a group and (d) each stockholder known by us to own beneficially more than 5% of our common stock. Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. We deem shares of common stock that may be acquired by an individual or group within 60 days of October 20, 2006 pursuant to the exercise of options to be outstanding for the purpose of computing the percentage ownership of such individual or group, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person shown in the table. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. Percentage of ownership is based upon 20,813,858 shares of our common stock outstanding on October 20, 2006. Unless otherwise indicated, the address for each of the stockholders in the table below is c/o CallWave, Inc., 136 W. Canon Perdido Street, Suite C, Santa Barbara, California 93101.

Meeting Attendance. During the fiscal year ended June 30, 2006 there were six meetings of our board of directors, and the various committees of the board met a total of 11 times. No director attended fewer than 75% of the total number of meetings of the board and of committees of the board on which he served during fiscal 2006, with the exception of Mr. Murdock, who did not attend five of the Audit Committee meetings. We currently do not have a formal policy regarding director attendance at our annual meetings of stockholders. However, it is expected that a majority of the directors will be in attendance.

- (1) The options granted to the above named executive officers are incentive stock options to the extent allowed by law. Unless otherwise stated, one-eighth of the shares vest on the six-month anniversary of the date of grant, and thereafter 1/48th of the shares vest at the end of each month.
- (2) One fourth of this grant was vested immediately. The remaining shares vest monthly over the three year period thereafter.
- (3) In accordance with the rules of the SEC, we show in these columns the potential realizable value over the term of the option (the period from the grant date to the expiration date). We calculate this assuming that the fair market value of our common stock on the date of grant appreciates at the indicated annual rates, 5% and 10% compounded annually, for the entire term of the option and that the option is exercised and sold on the last day of its term for the appreciated stock price. These amounts are based on assumed rates of appreciation and do not represent an estimate of our future stock price. Actual value realized, if any, on stock option exercises will depend on the future performance of our common stock, the option holder's continued employment with us through the option exercise period and the date on which the option is exercised.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table shows the aggregate value of options held by each named executive officer as of June 30, 2006 and options exercised by such officers during our last fiscal year. **REPORT OF COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

The Compensation Committee of the board of directors has furnished the following report:

Overview

This report relates to compensation decisions made by the Compensation Committee (the Committee). The material in this report is not soliciting material and this report shall not be deemed incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent it specifically incorporates this information by reference in such filing.

The Committee, which consists of Peter V. Sperling, Osmo Hautanen, and Jerry Murdock, is responsible for establishing and administering our executive compensation policies. This report addresses the compensation policies for the fiscal year ended June 30, 2006 as they affected Mr. Hofstatter, in his capacity as President and Chief Executive Officer, as well as other senior executives.

General Compensation Policy

The objectives of our executive compensation program are to:

provide a competitive compensation package that will attract and retain superior talent and reward performance;

support the achievement of desired Company performance; and

align the interests of executives with the long-term interests of stockholders through award opportunities that can result in ownership of common stock, thereby encouraging the achievement of superior results over an extended period.

Executive Officer Compensation Program

Our executive officer compensation program is comprised of: (i) base salary, which is set on an annual basis; (ii) annual discretionary incentive bonuses, which are based on the achievement of objectives and Company performance; and (iii) long-term discretionary incentive compensation in the form of periodic equity incentive grants, with the objective of aligning the executive officers' long-term interests with those of the stockholders and encouraging the achievement of superior results over an extended period.

The Committee performs annual reviews of executive compensation to confirm the competitiveness of the overall executive compensation packages as compared with companies who compete with us to attract and retain employees.

Base Salary

The Committee reviews base salary levels for executive officers on an annual basis. Base salaries are set competitively relative to companies in the telecommunications software industry and other comparable companies. In determining salaries the Committee also takes into consideration individual experience and performance. The Committee seeks to compare the salaries paid by companies similar in size and industry to us. Within this comparison group, we seek to make comparisons to executives at a comparable level of experience, who have a comparable level of responsibility and expected level of contribution to our performance. In setting base salaries, the Committee also takes into account the level of competition among similar companies to attract talented personnel.

Table of Contents

Annual Incentive Bonuses

At the beginning of each year, the board of directors approves a set of corporate objectives that the board believes are important to both the short-term and long-term success of the Company. Specific corporate objectives typically include revenue targets, net income targets, and corporate development milestones. The Committee establishes annual bonus targets for the Chief Executive Officer. At the beginning of each year, the Committee evaluates the Company's performance against the stated corporate objectives for the previous year. At this time, the Committee determines the amount of Chief Executive Officer's bonus based on the established bonus targets and a subjective assessment by the Committee of his progress toward achieving the established goals. Bonuses are generally paid semiannually for services rendered during the prior six-month period.

Long-term Incentive Compensation

Long-term incentive compensation, in the form of stock options, allows the executive officers to share in any appreciation in the value of our common stock. The Committee believes that equity participation aligns executive officers' interests with those of the stockholders. The amounts of the awards are designed to reward past performance and create incentives to meet long-term objectives. Awards are made at a level calculated to be competitive within the telecommunications software industry, as well as a broader group of companies of comparable size. In determining the amount of each grant, the Committee takes into account the number of shares held by the executive prior to the grant as well as the Company's performance and the performance of the individual executive against the established goals.

Stock options are typically granted once each year for our senior executives. The Committee reviews management's recommendations for option grants to senior executives, excluding the Chief Executive Officer, and makes its own independent determination of the option grants with respect to all executive officers based on the criteria described above. The annual stock option awards vest over a period of four years from the date of the grant and expire not more than ten (10) years after the date of grant. The per share exercise price for the annual grants is set at the per share closing trading price of the Company's common stock on the day of the date of the grant.

Chief Executive Officer Compensation

Consistent with the Company's compensation policy set forth above, the Committee set Mr. Hofstatter's base salary for 2006 at \$300,000. In determining whether to pay a bonus to Mr. Hofstatter for the fiscal year ended June 30, 2006, the Committee evaluated, among other factors, both Mr. Hofstatter's individual performance and the Company's performance in relation to revenue and net income goals. On the basis of all relevant factors, the Committee elected to pay a bonus to Mr. Hofstatter for the fiscal year ended June 30, 2006 of \$90,000. This bonus was paid subsequent to year end.

The Committee believes that the levels of compensation for Mr. Hofstatter are consistent with the range of salary and bonus levels received by his counterparts in companies in the telecommunications software industry and other comparable companies.

Tax Considerations

Edgar Filing: CALLWAVE INC - Form DEF 14A

The Committee's compensation strategy is to be cost and tax effective. Therefore, the Committee's policy is to preserve corporate tax deductions, while maintaining the flexibility to approve compensation arrangements that it deems to be in the best interests of the Company and its stockholders, but that may not always qualify for full tax deductibility.

INDEPENDENT PUBLIC ACCOUNTANTS

(Proposal No. 2)

The Audit Committee has appointed Mayer Hoffman McCann P.C., Independent Registered Public Accounting Firm, to audit our financial statements for the fiscal year ending June 30, 2007. The board of directors proposes that the stockholders ratify this appointment. Ernst & Young LLP audited our financial statements for the fiscal years June 30, 2002 through 2006. We expect that representatives of Mayer Hoffman McCann PC will be present at the annual meeting, will be able to make a statement if they so desire and will be available to respond to appropriate questions.

On October 10, 2006, Mayer Hoffman McCann P.C., was engaged as our new principal independent accountants to audit our financial statements for the current fiscal year. The Audit Committee approved the engagement of Mayer Hoffman McCann P.C. after conducting a review of candidate accounting firms.

The reports of our former auditors, Ernst & Young, LLP (Ernst & Young LLP), on our financial statements for fiscal years ended June 30, 2005 and June 30, 2006 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During our fiscal year ended June 30, 2005, Ernst & Young LLP and Company management had a disagreement regarding whether to use sell-through or sell-in accounting treatment for the shipment of certain products. That matter was resolved to the satisfaction of Ernst & Young LLP. Except for the foregoing, during our fiscal years ended June 30, 2005 and June 30, 2006, we had no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved in satisfaction of Ernst & Young LLP, would have caused Ernst & Young LLP to make reference to the subject of that disagreement in its reports on our financial statements for those fiscal periods.

During our fiscal year ended June 30, 2005, Ernst & Young LLP advised us of significant deficiencies in internal controls by reason of there being limited documentation that our finance department had considered elements of new transactions that may affect the reporting of those transactions, and because we may be relying too significantly on our income tax preparer in calculating our tax provision. The Company subsequently implemented a new transaction approval process that included earlier finance department participation in new transactions, and engaged an additional consultant to assist with the calculation of our tax provision. Ernst & Young LLP advised us that with respect to our fiscal year ended June 30, 2006, we had a significant deficiency in internal controls that should be addressed by hiring additional staff with the capability to understand the accounting consequences of unusual terms and conditions that arise in employment arrangements. The Company believes that its new Controller, who commenced employment after the end of that fiscal year, provides that capability. Except for the foregoing, during the fiscal years ended June 30, 2005 and June 30, 2006, there were no reportable events, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

We previously disclosed the dismissal of Ernst & Young LLP and the appointment of Mayer Hoffman McCann P.C., in a Form 8-K filed with the SEC on October 16, 2006. We provided to Ernst & Young LLP a copy of the disclosures made herein, which are the same disclosures that were included in that Form 8-K and requested Ernst & Young LLP furnish us a letter addressed to the SEC stating whether or not it agrees with the statements herein. Ernst & Young LLP previously provided us that letter, a copy of which was filed with the SEC as an exhibit to that Form 8-K.

Edgar Filing: CALLWAVE INC - Form DEF 14A

During the two most recent fiscal years and the interim period preceding the engagement of Mayer Hoffman McCann P.C., the Company has not consulted with Mayer Hoffman McCann P.C., regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and Mayer Hoffman McCann P.C., did not provide a written report or oral advice to the Company which Mayer Hoffman McCann P.C., concluded was an important

factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a disagreement or reportable event, as those terms are used in Item 304(a)(1)(iv) and (v) of Regulation S-K and the related instructions to Item 304 of Regulation S-K.

The following table presents fees for professional audit services rendered by Ernst & Young LLP for the audit of our annual financial statements for the years ended June 30, 2006 and 2005 and fees billed for other services rendered by Ernst & Young LLP during those periods.

	2006	2005
Audit fees (1)	\$ 445,070	\$ 438,211
Audit related fees (2)		12,265
Tax fees (3)	19,260	17,655
All other fees (4)		
Total	\$ 464,330	\$ 468,131

- (1) Audit fees consisted of audit work performed in the preparation of financial statements, as well as work generally only the independent auditor can reasonably be expected to provide, such as statutory audits and our public offering of common stock.
- (2) Audit related fees consisted principally of fees for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.
- (3) Tax fees consist principally of assistance with matters related to U.S. tax planning as well as tax compliance and reporting.
- (4) All other fees consisted principally of those associated with services not captured in the other categories.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors

Consistent with SEC policies regarding auditor independence, which apply to us as of the date of our initial public offering, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. **Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.

Edgar Filing: CALLWAVE INC - Form DEF 14A

3. **Tax** services include all services performed by the independent auditor's tax personnel except those services specifically related to the audit of the financial statements and includes fees in the areas of tax compliance, tax planning and tax advice.

4. **Other Fees** are those associated with services not captured in the other categories.

Table of Contents

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Mayer Hoffman McCann P.C. as our independent auditors, the Audit Committee will reconsider its appointment.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the annual meeting is required to ratify the Audit Committee's appointment of the independent public accountants.

The Board Of Directors Recommends A Vote To Ratify The Appointment Of Mayer Hoffman McCann P.C., An Independent Registered Public Accounting Firm, As Our Independent Auditors, And Proxies Solicited By The Board Of Directors Will Be Voted In Favor Of Such Ratification Unless A Stockholder Indicates Otherwise On The Proxy.

AMENDMENT OF CERTIFICATE OF INCORPORATION

(Proposal No. 3)

That the Certificate of Incorporation of the Corporation will be amended by amending and restating Article V to read in its entirety as set forth below, and that upon the filing of the Certificate of Amendment to effect such amendment, the directors of the Corporation shall cease to be divided into Classes and the term of office for which each director then in office shall be deemed to have been elected shall expire at the next annual meeting of the stockholders or when his or her respective successor shall have been duly elected and qualified. The following resolutions are proposed to accomplish the foregoing:

NOW, THEREFORE, BE IT RESOLVED: That the Corporation's Certificate of Incorporation be amended by amending and restating Article V thereof to read in its entirety as follows:

ARTICLE V

The number of directors that constitutes the entire Board of Directors of the Corporation shall be determined in the manner set forth in the Bylaws of the Corporation. At each annual meeting of stockholders, directors of the Corporation shall be elected to hold office until the expiration of the term for which they are elected and until their successors have been duly elected and qualified; except that if any such election shall not be so held, such election shall take place at a stockholders' meeting called and held in accordance with the DGCL.

Vacancies occurring on the Board of Directors for any reason and newly created directorships resulting from an increase in the authorized number of directors may be filled by vote of a majority of the remaining members of the Board of Directors, although less than a quorum, at any meeting of the Board of Directors. A person so elected by the Board of Directors to fill a vacancy or newly created directorship shall hold office until the next annual meeting of the stockholders and until his or her respective successor shall have been duly elected and qualified.

RESOLVED, FURTHER: That effective as of the date of the filing with the Secretary of State of Delaware of the Certificate of Amendment effecting the foregoing amendment to the Amended and Restated Certificate of Incorporation, the directors of the Corporation shall cease to be divided into Classes and the term of office for which each director then in office shall be deemed to have been elected shall expire at the next annual meeting of the stockholders or when his or her respective successor shall have been duly elected and qualified.

Our existing Certificate of Incorporation provides for a classified board with the directors divided, as evenly as reasonably practicable, into three Classes. Under that structure, the directors in each Class are elected for three-year terms, with the term of each Class expiring in different, successive years. The effect of this classification is that in any one year, the stockholders are permitted to elect directors only to one Class. As a result, it would take up to three years for the stockholders to undertake the replacement of all directors. In addition, as is permitted with respect to a classified board, the Certificate of Incorporation provides that directors may be removed only for cause.

The board of directors believes that these provisions may unduly hamper the ability of stockholders to effect a change in the composition of the board. In addition, the trend among public companies is to eliminate classified boards of directors. It is proposed that the Certificate of Incorporation be amended to eliminate the classified board structure and to permit the removal of directors by stockholders either with or without cause. If approved by stockholders, the proposal would be effective upon the filing with the Secretary of State of the State of Delaware

Edgar Filing: CALLWAVE INC - Form DEF 14A

of the Certificate of Amendment to the Certificate of Incorporation. The proposed resolutions include a provision that upon the filing of that Certificate of Amendment with the Secretary of State of Delaware, the directors of the Corporation shall cease to be divided into Classes and the term of office for which each director then in office shall be deemed to have been elected shall expire at the next annual meeting of the stockholders or when his or her respective successor shall have been duly elected and qualified. As a result, if the proposal is approved by

stockholders, then the term of all existing directors, including the Class II directors elected at the 2006 annual meeting of stockholders, would expire at the annual meeting of stockholders held in 2007.

The affirmative vote of sixty-six and two-thirds percent (66^{2/3}%) of the shares present or represented and entitled to vote at the annual meeting is required to approve the proposed amendment to our Certificate of Incorporation.

The Board Of Directors Recommends A Vote To Approve the Amendment to the Certificate of Incorporation, And Proxies Solicited By The Board Of Directors Will Be Voted In Favor Of Such Amendment Unless A Stockholder Indicates Otherwise On The Proxy.
