Exhibit 99.1 to this report contains a non-GAAP financial measure as defined in Item 10 of Regulation S-K of the Securities and Exchange Act of 1934, as amended. Management reports its financial results in accordance with generally accepted accounting principles (GAAP). This non-GAAP financial measure may be inconsistent with similar measures presented by other companies. Non-GAAP financial measures should be viewed in addition to, and not as an alternative for, the Company's reported results.
