ITEM 1.01 Entry into a Material Definitive Agreement

On June 29, 2007, Dominion Resources, Inc. (Dominion) through certain of our wholly-owned subsidiaries, Dominion Exploration & Production, Inc. (DEPI), Dominion Oklahoma Texas Exploration & Production, Inc. (DOTEPI), LDNG Texas Holdings, LLC (LDNG) and DEPI Texas Holdings, LLC (DEPILLC), entered into an agreement with Linn Energy, LLC to sell our exploration and production (E&P) operations in the Mid-Continent region for an aggregate purchase price of approximately \$2.05 billion, subject to adjustments for changes in net working capital, interest and other adjustments. The transaction is expected to close in the third quarter of 2007, subject to customary closing conditions. These operations include approximately 780 billion cubic feet equivalent (Bcfe) of proved natural gas and oil reserves at December 31, 2006. The effective date for the sale is June 30, 2007. A copy of the Agreement is filed herewith as Exhibit 10.

We have recently completed transactions to sell substantially all of our offshore E&P operations to Eni Petroleum Co. Inc. for approximately \$4.73 billion and our Canadian E&P operations to Paramount Energy Trust and Baytex Energy Trust for approximately \$624 million. We have also previously announced transactions to sell our E&P operations in the Alabama, Michigan and Permian basins to a newly formed subsidiary of Loews Corporation for approximately \$4.025 billion and to sell our E&P operations in the Gulf Coast, Rockies, South Louisiana and San Juan basin of New Mexico to XTO Energy Inc. for approximately \$2.5 billion. With the announcement of the Mid-Continent sale, we have now sold or agreed to sell all of the E&P operations we plan to divest. We have previously announced our intention to use the after-tax proceeds from these dispositions to reduce our outstanding debt by between \$3.2 to \$3.5 billion and to use the remaining net proceeds for repurchasing shares of our common stock.
